Quirky Hat Workshop

Step into a world of texture, colour, and pure creative magic with our Powertex Quirky Hat Workshop — a full day, hands-on adventure where your imagination takes centre stage.

You'll start by building your hat completely from scratch, shaping a sturdy framework before transforming it with richly textured, Powertex-soaked fabrics. Watch your creation come alive as you sculpt folds, twists, and details that make your hat truly one-of-a-kind.

Then the fun really begins — decorate your masterpiece in any style you fancy. Go gloriously spooky, beautifully floral, autumnal and cosy, or wonderfully whimsical. Finally, you'll add depth and drama with natural pigments, bringing atmosphere, highlights, and personality to every curve and crease.
