

We are tutors trained in Powertex which is a universal mixed media paint, glue and fabric hardener making it a must have for mixed media projects. Powertex is water based in its liquid form and is non-toxic (having the highest American AP Safety label) so won't irritate your skin.

We host workshops on an individual basis or in groups (maximum of four people) at Lode Way in Chatteris. In all our workshops you will be walked through the process of creating your own unique project with a combination of Powertex, natural materials and embellishments. Once dry you will be guided through the process of adding colour and highlights to the project to bring it to life. All the necessary materials are included in the price.

If you would like to join us for a workshop you can book via our website:

www.fenmillcrafts.co.uk

Alternatively you can email us at fenmillcrafts@gmail.com or call us on 07395 086675.

We will be happy to assist and answer any questions.

Gecko Plaque Workshop

July 2026

Gecko Plaque

6 Hours - £45.00

Price shown is Valid Until September 2026

Gecko Plaque

This project is based on an MDF base which is given added dimension before the fabric and embellishments are added.

We work alongside you so you can see each step of the process. No previous experience with Powertex is needed.

What embellishments would you choose? Floral, steampunk or maybe animals. We have lots of choice so you can decorate to your own preference.

After 3 weeks of drying the gecko will be waterproof and can be hung outdoors

6 Hours - £45.00
