

We are tutors trained in Powertex which is a universal mixed media paint, glue and fabric hardener making it a must have for mixed media projects. Powertex is water based in its liquid form and is non-toxic (having the highest American AP Safety label) so won't irritate your skin.

We host workshops on an individual basis or in groups (maximum of four people) at Lode Way in Chatteris. In all our workshops you will be walked through the process of creating your own unique project with a combination of Powertex, natural materials and embellishments. Once dry you will be guided through the process of adding colour and highlights to the project to bring it to life. All the necessary materials are included in the price.

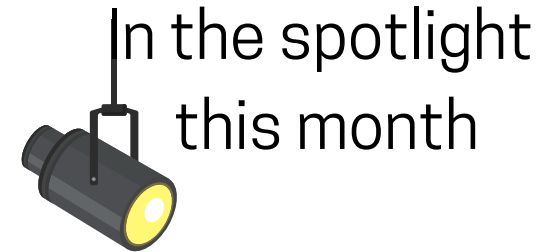

If you would like to join us for a workshop you can book via our website:

www.fenmillcrafts.co.uk

Alternatively you can email us at fenmillcrafts@gmail.com or call us on 07395 086675.

We will be happy to assist and answer any questions.

May 2026

Mushroom Workshop

2.5 Hours - £30.00

Price shown is Valid Until August 2026

Mushroom Workshop

This project does not require any previous experience and so is suitable for beginners and anyone who has dabbled in the past. It's a great way to spend some time exploring the creativity that Powertex offers.

We will guide you through using powertex to fabric sculpt the mushroom top. Stoneart clay is used for the stalk. During the drying period we will guide you through colouring the flowers using easy varnish and various pigments. Finally we will be using paper decoration and goblin grass to decorate the base.

After 3 weeks the mushroom can be placed outdoors
