

We are tutors trained in Powertex which is a universal mixed media paint, glue and fabric hardener making it a must have for mixed media projects. Powertex is water based in its liquid form and is non-toxic (having the highest American AP Safety label) so won't irritate your skin.

We host workshops on an individual basis or in groups (maximum of four people) at Lode Way in Chatteris. In all our workshops you will be walked through the process of creating your own unique project with a combination of Powertex, natural materials and embellishments. Once dry you will be guided through the process of adding colour and highlights to the project to bring it to life. All the necessary materials are included in the price.

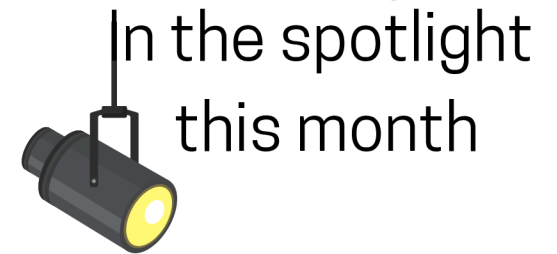

If you would like to join us for a workshop you can book via our website:

www.fenmillcrafts.co.uk

Alternatively you can email us at fenmillcrafts@gmail.com or call us on 07395 086675.

We will be happy to assist and answer any questions.

Reduce, Reuse, Recycle Fairy House

June 2026

Reduce, Reuse, Recycle Fairy House

5.5 Hours - £40.00

Price shown is Valid Until August 2026

Reduce, Reuse, Recycle Fairy House

This gorgeous fairy house is made from an empty glass jar and recycled fabric combined with Powertex.

Powertex can be used as a fabric hardener, paint and glue making it a must have for mixed media projects.

Bring your own jar and lid to this workshop and it will be transformed into the base of the fairy house. All other materials and use of equipment is included in the price.

This is a full day workshop where you will be guided step by step through the creative process.

After a short drying time you will be able to add the colour and highlights to your fairy house and bring it to life.
