Medicaid is accepted to cover the nursing portion of the room rent and will be used to offset the amount paid by each resident when a Medicaid room is available. Flexibility of monthly rent is based on Canterbury Inn's financial ability at the time each Occupancy Agreement is developed.

Room rents will be evaluated every 6-12 months based on an assessment of resident needs. Residents should expect a cost-of-living increase at a minimum at the beginning of each contract year.

The Canterbury Inn is proud to be one of the lowest cost facilities in New England. Our pricing is a fixed monthly amount which is inclusive of the services we offer. More detailed descriptions of our services are provided on the Residential Care Home, Universal Disclosure Form and our Occupancy Agreement which are located on our website: www.canterburyinn.org.
