GENERAL RULES & REGULATIONS

All tournament play is governed by the latest edition of The Official Rules of CueSports International (CSI) and the following regulations. For the complete CSI rules, please visit <https://tinyurl.com/csibcapiingles>. Any modifications are included in the Tournament Regulations and will take precedence over the CSI Rules and Regulations. Full Tournament Regulations can be found at: <https://tinyurl.com/26singlesregsef>.

REFUND AND DIVISION CHANGE POLICY

Requests for refunds or division changes will only be accepted by email at info@wspapool.com. Requests must be received no later than the Monday prior to the event. Refunds will be processed after the event has been completed. All refunds will be less the admin fees for the refunded events.

QUALIFICATIONS TO ENTER

Wisconsin or out-of-state residents must have played a minimum of four matches in a WSPA sanctioned league. If you do not shoot in a WSPA league but are a Wisconsin or Michigan Upper Peninsula resident, please find our WSPA Player Membership & Entry Form at: www.wspapool.com/singles. The WSPA may require you to show proof of residency. If you have a question regarding your sanction status or eligibility, contact your League Operator (if applicable) or email info@wspapool.com.

TAX INFORMATION

Any player having won \$2,000 or more from all WSPA tournaments for the year will be required to fill out Form W-9 which will be available at the tournament. If you do not fill out this form, we will be required to withhold 30% of your prize money. The WSPA will report your combined earnings from all WSPA events for the year to the IRS and send you Form 1099-MISC. If it is found that you are providing incorrect information, you may be banned from future WSPA events.

CASUAL DIVISION CRITERIA

The Casual Division was created to be more of a shorter race/recreational event having less players than the B division, and deeper payouts depending on the amount of entries. Because "C" is a newer rating for WSPA, B-rated players are allowed to enter this event with approval. If you have questions on your eligibility, please email info@wspapool.com prior to submitting your entry.

SOFT BREAKING – THIS APPLIES FOR 8-BALL SINGLES EVENTS ONLY

1. Players will be allowed one intentional soft break per match. If you intend to break softly, you must notify your opponent and get a referee. The referee will make a note that your one safety break has been used.
2. If your break is illegal, with or without a foul, your inning ends. Your opponent may:
 - A. re-rack the balls and break.
 - B. require you to re-rack the balls and break again.
3. The game cannot continue until there is a legal break. If a break is illegal and there is also a foul, the illegal break takes precedence and the incoming player must choose either option "A" or "B" listed above. If option "B" is chosen, a safety break cannot be attempted again as it has already been used.
4. If it is found that you are intentionally doctoring the rack to gain a competitive edge, that game will be forfeited. Final decisions on this violation are at the discretion of the Tournament Director or referee.

SLOW PLAY

Players can be put on a shot clock if it is determined they are taking an excessive amount of time to shoot. You may call a referee if you believe your opponent is consistently taking longer than one minute per shot. If the referee determines that slow play is occurring after a reasonable time of observation, the offending player will be warned.

If slow play persists after the first warning, the Tournament Director or staff will place the offending player on a shot clock. The shot clock will be used until the offending player demonstrates they can play in the allotted amount of time.

If the same player is found slow playing a third time in an event, he or she will be warned again and if found to still be slow playing will forfeit their remaining games in that match.

A fourth occurrence by the same player will result in a warning, and if found to be slow playing again, he or she will be disqualified for the remainder of the event.

DRESS CODE

Dress code requirements are established to add to the prestige and respect to the WSPA State Championships. Your cooperation in wearing neat, clean apparel at all times during competition is appreciated. Any player not using good personal hygiene (showing, etc.) will be subject to the same match forfeitures. Final decisions on dress code violations are at the discretion of the Tournament Director and/or WSPA Board.

Referees will not be policing dress code violations. It is up to the players to either accept or question their opponent's attire before the coin flip of their match.

- No headphones, earbuds, AirPods, or any accessories whether or not they are connected to electronic devices.
- All clothing worn must be neat, clean, and not be in poor taste, offensive, dirty, or worn in a manner other than intended.
- Shirts: Clean neat T-shirts, collared shirts, sweaters and sweatshirts are permitted. Sweatshirts with hoods must have the hood down; they cannot be worn up over the head.
- Shorts and pants must be conservative with respect to the rise in relation to the length of the garment, and may not be excessively baggy, loose fitting, or worn with the waistline below the top of the hips.
- Sleeveless shirts worn over undergarments are prohibited.
- Shoes: Men and women must wear clean, neat, shoes at all times. Open-toed sandals can be worn, but no flip-flops of any kind
- Headgear permitted: Billed or brimmed hats or caps that are clean, neat and worn with the bill straight forward. Cowboy hats are also acceptable

ENFORCEMENT PROCEDURES

Referees will not be policing dress code violations, other than violations that can be corrected immediately. It is up to the players to either accept or question their opponent's attire before the coin flip of their match.

The following dress code violations may be required to be corrected immediately at any time while in the tournament area by a referee or by your opponent.

- A. Headphones, earbuds, AirPods, or other improper headgear may be required to be removed.
- B. Button down shirts may be required to be adjusted to meet the dress code.
 - C. Untied, lack of, or open-toed footwear will be required to be corrected due to health and safety concerns.
 - For violations of (C), players will be asked to immediately leave the player's area if the violation cannot be corrected immediately.

If they cannot be corrected immediately, all other violations will be enforced upon being discovered by any referee or Tournament Official at any time during a match.

PENALTIES

1. First violation: the player will lose one game of the match.
 - A. The penalty game is added to the opponent's score immediately. Any game in progress is not affected and will continue, regardless of the status or progress of the game.
 - Exception to A: if the player's opponent is on the hill, the one-game penalty is not applied, but the violation is recorded and counts towards the progression of dress code penalties.
 - After the first-violation penalty is applied, the player will be allowed to finish the match without the dress code violation corrected.
2. In addition to the one-game penalty, a mandatory warning will be given that a second violation of any part of the dress code during any subsequent match in any event may result in immediate disqualification of that player from current and remaining events.

MEDICAL EXCEPTIONS

Players needing an exception to these rules for medical reasons must provide a letter on official letterhead from the player's health care provider before the tournament begins and present that to the Tournament Director.
