

Field Trip Permission Form

Scholars' Day Camp

2018

Signing on the line across from each field trip destination is giving your consent for your child to participate. This needs to be turned in by June 4th at the absolute latest, anything past the 4th will not be accepted, this is needed for final number counts which have to be turned in to each place we are visiting. If your child will not be joining us on a field trip they will stay at Formative Years Growing and Learning Center in another classroom.

If we are scheduled to go on a field trip but have to cancel we will stay at Formative Years Growing and Learning Center and do other activities that have been planned for when situations like these arise. Trips will not be rescheduled.

The money can either be paid up front for the summer or monthly. If it is monthly it has to be turned in before the child can attend any upcoming field trips.
