# Tuition and Scheduling

Did you know our tuition is based on a monthly average? The total cost for the dance season is divided evenly over 10 months (August – May) so that tuition is the same every month regardless of how many classes are in each month. Some months may have two classes; others will have five but the tuition cost stays the same! We do this to help everyone budget for the studio season.

## Christmas Community Outreach

Please **wear pink ballet tights, your black leotard, and bring your dance shoes.** When you arrive, check in with Ms. Amy to get your special ballet Christmas skirt to wear at our outreach. These should be handed back to Ms. Amy before you leave. All dancers will participate in a special curtsy dance at the end of the program so do not leave until we have finished. Dancers will be asked to give out candy canes to the residents in attendance after you dance!

## Parent Committee Coming in 2026!

Parents! We are looking to start a parent advisory committee to help navigate changes and decisions in the years to come! If you are interested, please email Ms. Amy at [amy@danceforjoyga.org](mailto:amy@danceforjoyga.org)! The parent committee will meet 3-4x a year with Ms. Amy to discuss things like studio schedule, recital topics, and fundraising! Committee members are asked to volunteer for one year and you can rejoin the committee the following year, if you would like.
