Tuition and Scheduling

A quick reminder that tuition is seasonal rather than month-to-month. The total cost of the entire 10-month season is divided into 10 equal payments for convenience. As a result, tuition remains the same each month regardless of whether that month as 2, 4, or even 5 class meetings. If you are experiencing financial hardship, please let me know as we have scholarships available! Please never let finances keep your dancer from dancing.

Parent Committee Update Coming in 2027!

We are looking for volunteers interested in participating in a parent committee. The committee will meet 2-3x a year with Ms. Amy to discuss things like studio schedule, recital topics, and fundraising! This is a chance to share ideas and get involved! Committee members are asked to volunteer for one year and you can rejoin the committee the following year, if you would like. Email Ms Amy for more information!
