

Seven Week Soul Purpose Workshops (SPW) - “The Gateway Portal Series”

The SPW Team is comprised of an artist, two doctors, a teacher, and a channel. Our team is comprised of all women. Men are welcome to attend SPW’s and are encouraged. The divine masculine energy is needed to enhance the SPW experience for all during the most significant transformation in the history of civilization, ascension, altering who we are, not just as individuals but as a species. Ascension is not a passive transformation. You do not get to sit idly and watch the world transform around you.

Discover Yourself!

We are being transformed. It’s time for you to become an agent of change in our collective transformation.

If you’re ready to embrace your role as an active participant in the radical changes before us, then I invite you to join Soul Purpose Workshops (SPW) series “**The Gateway Portal Series.**”

In this 7-week online course, we will share perspectives gained from decades of experience within the fields of the arts, alternative medicine, education, and spiritual communities. We will traverse Soul Purpose Work and the ascension process. Together, we will gain a deeper meaning behind the revolutionary times we are currently living.

How will SPW help you?

You will learn about your soul’s purpose, where your true power lies, your greatest strength, and the key to abundance. You will learn to identify the root cause of your current issues, explore negative cycles, and access your feelings.

Who will benefit?

You are longing to reconnect to your Infinite Self and cultivate authentic, soul-inspired creativity to create your dream life.

You want to be an agent for positive change in your life and others.

You care about and want to assist in creating a peaceful, joyful, and uplifting/positive dream for Gaia/Earth and Humanity.

You want to create and design your future.

You want to live a happier and more fulfilling life.

You're committed to your development and to be the best you can be.

How is this attained?

Awaken and reconnect to your Infinite Self.

Realize your limitless potential as a human being.

Find your purpose in life.

Map out your dream life and make it a reality.

Create your dream life more easily by committing to the three alignments of Holistic Creation.

Align your goals with your core values and the wellbeing of Gaia/Earth.

Align with the heartbeat of Gaia/Earth to experience miracles and blessings pouring down from the Cosmos or Heaven as the planet continues to enter higher frequencies of the 4th and 5th Dimensions.

Reprogram your mind for positivity, success, and happiness in living a life of purpose, passion, and fulfillment.

As you embrace your own inner transformation, you'll discover that your power—and responsibility—to change the world around you are far greater than you've known.

I invite you to join me in this journey to explore the potency of these times, harness your inner power, and co-create a more glorious future not as individuals but as a whole.
