About the Facilitator

The 'call to adventure' for my Soul journey has been 30+ years, hundreds of hours of meditation, energy healing, Soul retrieval, Holotropic breathwork, and karmic clearing.

Doing the *deep work* has required a 'call to adventure' to find my Soul's mission and purpose. The journey of healing, awakening, and tapping into my soul's purpose wasn't always comfortable. Still, it was everything I could have ever imagined and so much more... ESPECIALLY the mystical, spiritual emergence that I had 30 years ago.
