### **Intentions Useful for Entry into the New Dream**

- 1. I intend to release the karma for extreme polarity within my inheritance.**
- 2. I intend to come to the middle road of unity and master balance.**
- 3. I intend to forgive those ancestors who created such great wealth that it polarized future ancestors into great poverty as a result.**
- 4. I intend to forgive those ancestors who suffered from great poverty.**
- 5. I intend to forgive those ancestors who acquired too many homes causing others to experience homelessness in the dance of life.**
- 6. I intend to forgive those ancestors who experienced homelessness and struggled as a result.**
- 7. I intend to forgive those ancestors who existed in a pyramidal dream (whether triangular or box shaped) that was non-resonant with the natural world.**
- 8. I intend to forgive those ancestors who separated off from nature and in so doing destroyed her.**
- 9. I intend to enter the new dream in which I share in the dance of life equally with nature and all others.**

- 10. I intend to master the flower of life movements required in order to do so.**
- 11. I intend to draw forth those ancestors that understood the flower of life dream and request  
that they teach me how to exist within the new dream.**
- 12. I intend to bring to balance any part of my life that cannot flow with the new dream.**
- 13. I intend to master unity this lifetime.**
- 14. I forgive those ancestors that existed in isolationism and separation that the pyramidal dreams create.**
- 15. I forgive those ancestors who had no compassion and therefore failed to aid others in need at the time that they lived.**
- 16. I intend to master compassion in action and do what I can for my fellow humans.**
- 17. I intend to work with Earth and nature to aid the human dream as I can.**
- 18. I intend to invert black hole dreams in the region that I live and for as far as my field reaches to allow for less violence.**
- 19. I intend to help my fellow humans by taking them in dream time to the recasting temples  
to receive special healing and a new dream from Earth.**
- 20. I intend to recast my dreams nightly so that I always have enough to ascend and subsist.**
- 21. I intend to share with others, but not at my own expense.**
- 22. I intend to master a state of abundance this lifetime by mastering my living dream.**
