One can say that Rutile assists one in connecting to their ancient ancestors.

48. God Goddess All That Is

Diamond is holding the vibration of God Goddess within the Language of Light. Diamond will assist initiates in tuning into the magnificence of one's own god goddess within. Diamond will also assist initiates in embracing all others as god goddess in form.

Rainbow Tones *Synthesis* Alter

One Rose Quartz Sphere: Rose Quartz will hold the tones of Forgiveness and Unity upon one's altar, which are the two pink ray notes of the first 10 tones of the Language of Light.

One Aventurine Sphere: Aventurine holds the tone of Compassion along with all tones that are blue green within the Language of Light. Asur'Ana has requested that her one Aventurine sphere to hold all related tones of a blue-green nature in the 144 note Language of Light Scale.

One Yellow-Peach Calcite Sphere: Yellow to peach-orange calcite will hold the Power, Freedom and Breath of Life octaves of the Language of Light, and any symbol that holds a primarily yellow to peach tones within the entire 144 note scale.

One Hematite Sphere: Hematite holds the silver Non-Conditional Love vibration in the first 10 notes of the Language of Light. It will also hold all other notes that hold a silver tone within them.

One Amethyst Sphere: Amethyst holds the vibration of Structure in the first 10 notes of the Language of Light. It will also hold the vibration of Divine Union and all other notes in the 144-note scale that has a lavender tone unto it.

One Rutilated Quartz or Tiger's Eye Sphere: Rutilated Quartz and Tiger's Eye holds the vibration of Non-Conditional Governance in the Language of Light, or the 10th of the base notes of the entire scale. These kingdoms will hold all tones that are pale ivory to gold in vibration in the 144-note scale to augment a complete synthesis of vibrations of the Language of Light.

Two Good Sized Generator Points in Clear Quartz: The clear generators form the synthesis of the Triple Sphere energy movement coming through each of the above spheres upon one's altars. Therefore, the generators drive the synthesis. To the degree that the generators evolve, to such a degree the synthesis will widen in radius. For most, an initial synthesis altar may bathe one's home in a 300-to-600-foot radius of the Language of Light tones of creation. Over time and as the altar ascends, the radius shall expand.

How to Program Your Altar

Anchor the soul and kingdom to each of the above 8 minerals. Then request and intend that the mineral kingdom create a synthesis through its collective field upon your altar. It will generally take roughly 24 hours for the entire download to occur.

You can add Smoky Quartz, and the silver by Labradorite when you push past 3,000 segments to incorporate the golden and silver mirrors into your synthesis altar.
