

Intentions to Reduce the Space Between

MMW-6

(Attune to the Temple of Grid Work in meditation to receive support in this goal)

- 1. I intend to collapse the space between to 25% of my total energy flow in the etheric body.*
- 2. I intend to uncast any machinery or patterning that suspends my space between more than 25% throughout my etheric body that is non-karmic or other creation in nature.*
- 3. I further intend to release all karma, patterning or thoughtform that causes portions of my etheric body to host space between greater than 25% in size.*
- 4. I intend to collapse the space between to 25% between my etheric skin or genetic grid work and ascension grid work.*
- 5. I intend to uncast any machinery or patterning that is non-karmic and suspends my space between more than 25% between my etheric skin or genetic grid work and ascension grid work.*
- 6. I further intend to release all karma, patterning or thoughtform that causes portions of the space between my etheric skin or genetic grid work and ascension grid work to exceed 25% in size.*
- 7. I intend to collapse the space between to 25% between my small, medium, and large chakras.*

8. *I intend to uncast any machinery or patterning that is non-karmic and suspends my space between more than 25% between all chakras.*
9. *I further intend to release all karma, patterning or thoughtform that causes portions of the space between my chakras to exceed 25% in size.*
10. *I intend to collapse the space between to 25% between genetic grid work and subtle bodies.*
11. *I intend to uncast any machinery or patterning that is non-karmic and suspends my space between more than 25% between my ascension grid work and subtle bodies.*
12. *I further intend to release all karma, patterning or thoughtform that causes portions of the space between my etheric ascension grid work and subtle bodies to exceed 25% in size.*
13. *I intend to collapse the space between to 25% between the mental, emotional, intuitive and creative bodies.*
14. *I intend to uncast any machinery or patterning that is non-karmic and suspends my space between more than 25% between my mental, emotional, intuitive and creative bodies.*
15. *I further intend to release all karma, patterning or thoughtform that causes portions of the space between my mental, emotional, intuitive, or creative bodies to exceed 25% in size.*
16. *I intend to collapse the space between to 25% between the subtle bodies and dreamtime self or light body.*
17. *I intend to uncast any machinery or patterning that is non-karmic and suspends my space between more than 25% between my subtle bodies and my dreamtime self.*
18. *I further intend to release all karma, patterning or thoughtform that causes portions of the space between my subtle bodies and dreamtime self to exceed 25%.*
19. *I intend to collapse the space between to 25% between the dreamtime self and my light*

body body-double.

20. I intend to uncast any machinery or patterning that is non-karmic and suspends my space between more than 25% between my dreamtime self and my light body body-double.

21. I further intend to release all karma, patterning or thoughtform that causes portions of the space between my dreamtime self and my light body body-double to exceed 25%.
