— ABOUT OUR CHEF —

For over 15 years, **Executive Chef Abbigail Byrd** has been crafting unforgettable dining experiences with equal parts skill, soul, and imagination. Classically trained in French cuisine and shaped in the high-pressure kitchens of Las Vegas—including time under Wolfgang Puck—she's cooked for celebrities, world travelers, and anyone who simply loves a damn good meal.

From fine dining on the Strip to fast casual vegan concepts, Chef Byrd's path is guided by curiosity and bold, global flavor. Whether she's reimagining comfort food or plating refined tasting menus, her dishes tell stories, spark joy, and bring people together—because to her, food is more than sustenance; it's connection.
