## Heitzman Traditional Bakery & Deli

### Our History

Heitzman Traditional Bakery & Deli has been in the Louisville metro area for 130 years. Back in 1891 Jacob Heitzman started the long history of baking and decorating cakes. In 1924 Charles Heitzman continued the baking tradition and created the famous “Butter Kuchen” and “Strawberry Whip Cream Cake”. In 1954 the late Mary Agnes Heitzman and Paul Osting Sr. expanded the variety of offerings and started the catering division. We are a legend in Louisville and we continue to serve families & businesses alike!

Our location at 9426 Shelbyville Road makes delicious donuts, danish, kuchen, muffins, hot breakfast sandwiches & you can even visit for lunch in our newly remodeled dining room! We also encourage you to dine in or take out for dinner. Everything in the bakery & kitchen is produced with good quality ingredients and is made seven days a week.

We offer full service catering for all of your events, as well as corporate catering. Delivery available.

Come visit us & dine in or carry out. From donuts to specialty “wedding cakes” we are here to serve you, your family & friends.
