MISSION STATEMENT:

The mission of the Willow Creek Fire Safe Council is to reduce wildfire risk and increase survivability by implementing fuels reduction projects and encouraging residents of the Willow Creek area to make their homes, neighborhoods and communities fire safe.

OBJECTIVES:

- Increase community awareness and understanding of both the benefit and threats of wildland fire
- Educate residents on ways to protect their lives and property from loss to catastrophic wildfire
- Generate individual and community action to reduce wildfire hazards and plan emergency response
- Reduce wildfire hazards by removing flammable vegetation around homes and evacuation routes
- Enhance communication between the public and federal, state, county and local agencies to identify and prioritize hazard reduction projects and coordinate community planning
- Develop and monitor a community Wildfire Protection Plan for the Willow Creek area to address hazard mitigation, community preparedness, structure protection and wildfire responses
- Engage the youth of our communities in fire prevention by providing activities and educational opportunities related to fire safety and protection of natural resources

Service-Oriented

Willow Creek Fire Safe Council is a California non-profit public benefit corporation and was formed to serve the Lower Trinity River Area from Redwood Creek to Cedar Flat & Willow Creek to Hoopa.

- To assist senior citizens & disabled individuals with brush clearing
- To organize community brush cleanup days, providing vegetation chipping, bio-massing and recycling Christmas trees
- To develop an emergency plan that identifies escape routes and areas of concern for access of fire suppression equipment
- To hold FireWise community activities for education of wildfire hazard reduction and wildfire's effects on natural resources, including wildlife and fish habitats
- To participate in the national FireWise Communities program which emphasizes community responsibility for fire safe planning and individual responsibility for home and personal fire safety

I wish to Join The Willow Creek Fire Safe Council...

As a voting member*

*Voting members are required to attend the 3 membership meetings per year

As a non-voting supporter

Enclosed is the \$20.00 annual (Jan-Dec) membership fee
