ADDITIONAL COMMENTS / INFORMATION:

The Mosquito Fire Safe Council wishes to say thank you for your interest in making your property a part of our Community Wildfire Protection Plan. In addition, for seniors and veterans who qualify you may be able to receive free assistance from the El Dorado County Fire Safe Council. Copy or click on the link below.

<https://www.edcfiresafe.org/defensible-space-assistance-program-2022/>

Dependent upon the volume of requests we shall attempt to inspect your exterior property on the date requested. A volunteer evaluator shall contact you, either by phone or email, before any appointments are made.

Please note that this inspection is for the property and is not a dwelling or out buildings inspection. Helping define a defensible space and providing recommendations is the goal of the evaluators. Evaluators have attended a training seminar. Evaluators are volunteers and only provide information to help make the Mosquito area a safer place for all.

COMPLETED FORM SHOULD BE EMAILED TO: MosquitoFSCouncil@gmail.com

(Please ensure any dogs / pets are secured at time of inspection)
