NAME: _____

ADDRESS: _____

PHONE #: _____ BEST TIME TO CALL?: _____

EMAIL: _____

WHAT CAN YOU HELP WITH? (e.g. weed whacking, mowing, chipping, chainsawing, etc.)

The Mosquito Fire Safe Council wishes to say thank you for your interest in volunteering for a work team. Any and all assistance is greatly appreciated. By helping create a better fire safe community your volunteering will help keep not only your property safer but your neighbors as well. Anything from trimming, felling, weed whacking, mowing, chipping, and much more will be needed. Whether you have equipment or not is not a concern for volunteering. A determination to create defensible spaces is what is needed. Many seniors or disabled folks need help. Neighbors may have limited access to things such as chainsaws, chippers. Anything you may do to assist is greatly appreciated.

NOTE: MFSC will assist with equipment and tools depending on times and dates we can assist with them.

COMPLETED FORM SHOULD BE EMAILED TO: MosquitoFSCouncil@gmail.com
