

Daddy
I am not your
retirement plan
I have my own plans

It's time you make
your own **retirement plan**

Don't vanish like a Pencil

Life is not a Happy Moment of Life.

But if “You “ Plan it properly,
It can be The Most Comfortable time of your life
“ You “ must Retire Rich

**His 2nd Inning Began Fabulously At 60
Because He planned his Retirement Life Much before 60**

In this Pandemic era
We have realized How our past saving...made us survive & stay happily .
Post Retirement Period Is absolutely a Quarantine & Lockdown Period for life
(In Terms of Earning Money and Creating Wealth & Estate)
Please Save Today to Plan for your Wealthy Retirement

You can go on vacation.
But don't let your Money go on a Vacation.
Nor keep in Bank for just meager 6 % Interest
Instead make it earn for you. Invest in
MUTUAL FUNDS

So as to ensure your this Returns, You need to invest only in Long Term Mutual Fund Schemes, Which gives you handsome Returns,

Think beyond Bank FD/PPF/GOLD/PROPERTY
And Earn beyond Imagination

**BETTER RETURNS
THAN ANY OTHER MODE OF INVESTMENTS
Because Mutual fund He sahi Investment hai**

We work hard throughout our life,
so that we can live comfortably during the best years of our life.
Actually the best years begin when we are through with all our responsibilities.

That is called Retirement Life

Provident Fund & Gratuity is not enough to create a corpus that
will give you Inflation adjusted Returns.

Retirement Plan

must be in your portfolio in the absence of Social Security network

You are Earning !
So...Your Today is Secured.

You have Insurance !
So...Your Family's Tomorrow is Secured.

But What about you ?
Have you secured your Future ? So...

- The Census shows that In next 20 years, more than 20 % of the Indian Population will be above the Retirement Age i.e 60 years. The Survey shows that, in India More than 40 % of the Retired people depends on their Children.
- 40 % still works even after their Retirement age. 10 % is surviving on Charity.....&..... Only 10 % are lucky enough to have their own “ Pension / or Retirement fund “ So Start building Your Retirement Empire now, Don't depend on the mercy of your children
