To whom it may concern,

Our church recently invited Pastor Kevin Brown to train our staff of twenty-three on our response to an active shooter event. Pastor Brown was well prepared and provided an interactive presentation. Our staff found the training informative and relational. Pastor Brown shared his extensive personal experience and made the scenarios applicable. The seminar increased our confidence and will allow us to be prepared to serve our diverse congregation of 1,000.

The training was enlightening and very instructive. The staff would love to have him back anytime! We highly recommend Pastor Brown to any church or organization where people gather.

Sincerely,
