

# II REVELATION: The Solutions

## God Reveals Himself To Mankind

### The Final Solutions to, and Interpretation of, The Bible's Book of REVELATION

By: Steven Kenyatta Briggs <sup>1</sup>

- This report/interpretation solves all of Revelation's mysteries. <sup>2</sup>
- **This report also identifies the exact DAY and HOUR God will destroy the United States (and likely Israel, and possibly the West and Japan), in a cataclysmic military action, on the evening/night of February 23<sup>rd</sup>, 2024.** Thus, God orders *His people* to leave the US (and possibly the West).

*"And I will kill her children with death. And all the churches will know that I am He who searches the minds and hearts..."* (Rev 2:23)

*"Therefore my plagues will come in one day –death and mourning and famine. And she will be utterly burned with fire, for strong is the Lord who judges her."* (Rev 18:8)

*"Come out of her, my people..."* (Rev 18:4)

- **This report also names the exact day of 2027 of JESUS' SECOND COMING.**
- This report also contains urgent information about severe punishment for many new types of *unforgiveable* crimes/sins, not addressed by the 10 Commandments.
- This report reveals the identity of the *Beast*, and explains *his* number: 666.

**CORRECTION #1:** Prior versions of this report declared that Chapter 2 was a prophetic timeline. But, more accurately, Chapter 2 is TWO prophetic timelines: one of the *Great Tribulation*, and one of **the destruction of the US, naming February 23<sup>rd</sup>, 2024, as the day that God will destroy the US** (and possibly the West).

**CORRECTION #2:** Prior drafts of this said the *Tribulation* begins after the Chapter 18 War. The Tribulation begins/began **before** The War (between 2009 and 2022).

You're encouraged to follow along with these solutions, by referring to the book of *Revelation* (using an actual Bible is best; or refer to a **true** copy, online).

<sup>2</sup> I published shorter drafts of this report, which focused only on Chapter 13, in June/July 2023. November to December 2023, I published a new *complete* version; although, unwittingly, I had not yet solved a few key mysteries. **This Jan 13<sup>th</sup>, 2024, report contains the complete Revelation solutions. (Updated 2/22/24)**

## Notes

- In the following *Introduction*, I explain that God addressed me, briefly, in three short messages, totaling the equivalent of about 20 words, in the summer 2023. I am certain if I omitted this, by virtue of the strength of my solutions, my credibility would not be questioned, and many of you would take necessary action. But that omission would be a lie, and an offense to God.
- November 2<sup>nd</sup>, 2023, I published what I believed were the complete solutions to Revelation. In those solutions, I correctly discovered and disclosed that God would destroy the US (and possibly much of the West), but in my haste to get that information to the public (and in my haste to get out of the US), I did not realize that I had not solved the complete Chapter 2 mystery –AND I had not yet discovered the Chapter 18 and Chapter 21 mysteries. [Originally, in November 2023, I reported the US would be destroyed by the end of 2023. That was mistaken. I was off by about two months.]
- **The solutions to Chapter 2 identifies February 23<sup>rd</sup>, 2024, as the day that God will destroy the US.** (See Chapter 2, solution #8: pages 64-77)
- **The solution to Chapter 18 names the HOUR of the day that the US will be destroyed.** (See Chapter 18, solution #218: pages 120-123)
- After you read this, and learn the day and hour God will act, if you love God and good, please make sure you are not in the US at that time.
- **The Chapter 21 solutions identifies the day of Jesus' Second Coming.** (See Chapter 21, solution #227: pages 125 to 127)
- This report identifies the Beasts and his 666. (But currently, mid-February 2024, there are more pressing revelations disclosed herein.)

# INTRODUCTION

*Here is wisdom. Let him that hath understanding count the number of the beast, for it is the number of a man...*

The second and third beasts of Revelation emerged in the late 1940s, after the US and Israel committed the most sweeping and unconscionable acts of biblical forgery, *falsification-by-backdating*, and intellectual property (IP) theft in human history. Thus, God, aware that this fraud would transpire 1900 years before the fact, inserted the unusual warning against biblical falsification in the closing verses of Revelation (22:18, 19): “...If anyone adds to these things, God will add to him the plagues that are written in this book; and if anyone takes away from the words of the book of this prophecy, God shall take away his part from the Book of Life, from the holy city, and from the things which are written in this book.” Now, in God’s tradition of coordinating great stories, the person who exposed and solved these falsification crimes is the person who, in 2018-2022, exposed Hollywood and *big tech’s* IP theft and document *falsification-by-backdating* system –AND the person who made the most extensive *IP theft* claims in US history –AND the person who, herein, solved all of Revelation’s mysteries.

In 2021, in a legal action concerning corporate theft of my intellectual property, US courts removed 25 of my legal filings from the docket, so the public could not view them.<sup>3</sup> This was a criminal act. In the US, legal filings are/were to remain available for public view, on the docket.

A few months later, in response to that criminal action, and many others like it, I resolved to learn when the US film industry first became aware of me, why they so eagerly stole even my worst ideas, and why US courts flagrantly violated US law to protect these criminals. During this research I discovered my ties to John W Gardner, the *Beast*; ties that went back to 1966, when I was 2-years old, and Gardner was at the pinnacle of his career, concurrently serving as US Secretary of Health Education and Welfare (H.E.W.) and CEO of the Carnegie Corporation, where he began financing personality and creative intelligence research, at University of California, Berkeley, in 1955.

---

<sup>3</sup> Many of the documents removed from the docket pertained to “aggregated data,” a concept I conceived and introduced in late 2006 and early 2007, which advanced the possibility of predicting all human behavior by closely spying on citizens and collecting all available data (purchases, online activity, traffic, security cameras, weather, phones, TV...). My presentation also contemplated achieving this by scanning human bodies to make digital copies of human’s souls, which would be placed in a massive computer (the *GenLab* –later called *the Accelerator*) replication of the Earth. Achieving these ideas (which I presented as thoroughly evil) soon became a trillion dollar industry for the thieves. Other documents removed from the docket explained the systems of internet fraud and shell companies used by the criminal participants and identified their hacking organizations –specifically naming 5 or 6 or the individual hackers, who were primarily Jewish (based out of or near Stanford University), deployed to hack into my computers and steal my property. The thieves stole many other ideas, including ideas that directed all major NASA activities for the past 15+ years, ideas that inspired the iPhone and Google glass, and they stole dozens of screenplay and book outlines.

Late in 1966, I turned 2-years old, and began attending one of two nursery programs run by UC Berkeley. Both of UC Berkeley's nurseries were engaged in experimental research on children, financed and directed by the Rockefeller Brothers (primarily Nelson and David), with occasional help from John Gardner's Carnegie Corporation. (The full story of Berkeley's nurseries can be found in *Origin Stories*, at [www.TheZoneResistance.com](http://www.TheZoneResistance.com) .)

As a writer and musician, from the time I was maybe 19 years old, I began to notice that every few years a song or story was published that seemed surprisingly similar to something I had done a couple years earlier. This just seemed coincidental. But after 25 to 30 years of this, in 2013, a movie came out that was overwhelmingly and impossibly similar to a movie script I wrote, and poured my heart into, 8-10 years earlier.

I sued. The story carried in 100-200 news outlets around the world.

5 years later, in 2018, I slowly began to learn that MANY respected filmmakers accessed and stole my screenplay, after I posted it on an online social network for screenwriters and sent it to a few filmmakers, between 2004 and 2007.

As my legal action progressed, in mid 2020, I learned several of my stories had been stolen, and the thieves had been accessing my work for at least 20 years, going back to 1999. Thus, in August 2020, I wrote a declaration to the court identifying about 60 films and TV shows that were stolen and based on my works. At that point, I had 3 years to file infringement claims against those 60-odd films –often it takes a year or two to file a single infringement claim (eventually I would discover there were hundreds of derivative films and shows based on my work).

As I worked, in the summer 2021, I happened to ask my brother if I could borrow some old tapes of my original music; tapes I gave him back in the early 1990s. He agreed. On the tapes I found several songs I wrote and recorded in 1990. I instantly knew two of these songs inspired at least 4 very successful and unusual songs, released between 1991 and 1994. This meant the thieves began their theft when I was 25; much earlier than I had guessed.

Soon, I unearthed evidence that took the theft back to when I was 18.

By late 2021, unbelievably, I had traced the first theft back to when I was 8 to 10 years old, 1972-1974, when I wrote three stories; the first showed promise, the second was a little better than average, but the third was incredible.

After sifting through old TV and movie records, the earliest story that seemed stolen from me was modeled after a story I wrote for a NAEP (National Assessment of Educational Performance) art examination, when I was 9 years old, in the spring of 1974. It was a pretty average story, about a family's RV camping trip, based on a

trip my family took 6 months earlier. Discovering that a *not-so-good* TV show appeared to be based on my *not-so-good* RV story was so distracting that around January 2022, I stopped my legal research to investigate why some unknown but powerful adults cared about the not-so-interesting ideas of a 9-year old kid.

I started my investigation by looking into NAEP testing, and looking into my first elementary school, Whittier-University Elementary, which was also the home of my first and only nursery school, in Berkeley California. These two search paths are how I discovered my ties to John W. Gardner. These searches soon revealed how Gardner used his authority as US Secretary of HEW to give private media company CEOs access to NAEP and *Gifted and Talented* test results. These CEOs then used their private tools (phone, cable and internet conduits) to track unusually creative Black and Latino children, to steal their ideas, for the remainder of their lives.

Something about Gardner was so sinister that, between late 2021 and mid 2022, I sent out numerous *tweets*, on Twitter.com (now called X), warning about his role in tracking and stealing ideas from kids, various cable and radio schemes, and creating CBP, PBS, NPR to distract attention from US domestic abuses. But I was still months away from learning the true horrors of John W. Gardner.

In 1955, JP Guilford announced conventional IQ tests were NOT very useful, and only measured about 8 or 9% of the brain's functions. Guilford explained creative IQ was the most important form of intelligence. Guilford explained that creative IQ is a much broader ability set than one might guess, and includes abilities such as deduction, logical evaluation, and *the ability to discover and become aware of important things, and the faculty for drawing conclusions and sensing problems*.

Thus, immediately, Gardner began to invest Carnegie money in ***creative intelligence*** research and personality profile testing at UC Berkeley. Gardner invested \$150,000 (almost \$2-million today) in December 1955, and another \$400,000 (roughly \$5,000,000 today) in June 1956. While Gardner primarily funded creativity research (including research on child creativity), Nelson and David Rockefeller were the spearheads of UC Berkeley's child IQ research, through their *Institute of Child Welfare* (renamed *the Institute of Human Development*, circa 1958).

Around 1958, John Gardner, the Rockefellers' *Institute of Human Development* (IHD), and UC Berkeley initiated illegal research on preschool children; research into how to permanently impair children's conventional and creative intelligence.

Three of this story's key events occurred in 1964. First, after studying 260+ White and Black children, psychologist Ira Iscoe reported Black children were substantially more creative than White children. Second, in February 1964, UC Berkeley's Dr. Susan M Ervin announced the intellectual development of children

(2-6-years old) was linked to unique predictions infants and children made related to language learning. Third, shortly after Ervin's discoveries, Gardner proposed *Head Start* for preschoolers, in March 1964. Head Start was a horrific new fake preschool *educational* system, designed to permanently impair children's thinking, by interfering with their language learning. Every Head Start technique was diametrically against all established early educational best practices.

Armed with his Head Start system, Gardner became the US Secretary of Health, Education and Welfare (HEW) in August 1965. From that position, Gardner immediately pushed Head Start throughout America. *Head Start* was created exclusively for Black and Latino children, who were exclusively defined as "disadvantaged" children. Simultaneously, Gardner's allies in government sent his destructive new *learning* system to many Latin American and African countries.

Gardner's first full year as HEW Secretary was 1966. Late 1966, shortly after I turned 2-years old, my mom, a working divorced mother, enrolled me and my 3½-year-old sister in UC Child Care Center (UCCCC), one of UC Berkeley's two nurseries funded by the Rockefeller's *Institute of Human Development* (IHD). Our primary nursery school teacher was the IHD's early childhood education Specialist Dr. Jeanne Block (Block became a celebrity psychologist in 1970-71). Around December 1966 or January 1967, when I was about 2 years and 3 months old, Dr. Block gave me and my sister a few IQ tests, including the new WPPSI, a hybrid, conventional/creative IQ test for preschoolers. My sister had an unrivaled conventional IQ. My conventional IQ was high, but my creative IQ was unprecedented; but I also had some clear weak areas.<sup>4</sup>

As my investigation continued, I intuitively knew John Gardner was the Beast. Late 2022, my project, tentatively titled *Origin Stories*, was incomplete; but, by that point, it thoroughly documented Gardner's crimes against children. Although *Origin Stories* was incomplete, to prevent parents from enrolling their kids in Head Start, in late 2022 and early 2023, I went online (Twitter) to report Gardner's crimes.

My reports went nowhere. For many years, Google's Larry Page and Sergey Brin, surely at the behest of the US government, made sure my online efforts went nowhere.<sup>5</sup> Still, I felt certain that once I finished and published *Origin Stories*, US news outlets would have to report Gardner's crimes –because the roughly 200 incontrovertible news reports at the base of the story demanded its publication.

---

<sup>4</sup> I'm uncomfortable boasting about my creative intelligence or intelligence. In my personal life, I strongly dislike people who seem to think they're more intelligent (and *better*) than others. I am a common person.

<sup>5</sup> In my 2020 lawsuit against Google, US federal court ruled Google was free to completely omit my postings and websites from their search results. This, of course, is unreasonable and protected Google's criminal conduct, as it allowed Google (the US government) to access my work online or by hacking, AND conceal all evidence of my work and ideas.

After a year of investigation, I was finally able to post a rough draft of *Origin Stories* (a 190-page section from an unnamed larger work) online, on March 7<sup>th</sup>, 2023. I eagerly went on Twitter and “tweeted” about Gardner’s crimes, and linked the tweets to Origin Stories, for readers and journalists to view for themselves.

But, once again, thanks to Elon Musk, my tweets went nowhere.

### **The Idea**

I was enraged that I was unable to reach parents and warn them about Head Start. By that point, I only had a few months to gather my wits and write claims against the 60-odd movies I named almost 3 years earlier. But that lawsuit was no longer the priority. Trying to warn parents was the priority.

But how could I get the message out? That’s when I had the idea...

I reasoned that if I solved the 1900-year-old unsolved Revelation mysteries, and proved Gardner was the Beast, US news services would have to report that I solved the legendary mysteries –more importantly, they’d have to report what Gardner, UC Berkeley and the US did to so many millions of kids.

That’s creative.

So I ran and got my Bible, turned to Revelation, found the *Beast* section (Chapter 13) and started solving the mysteries.

I posted the first solutions to Chapter 13 on [www.TheZoneResistance.com](http://www.TheZoneResistance.com), in mid to late June, 2023. Soon I realized a better, fuller solution for the 13:17 mystery, so I decided to rewrite my Chapter 13 solutions. Terrifyingly, as I revised, I finally bothered to read the entire book of Revelation, and discovered, between chapters 14 and 19, the United States (and possibly the West and Israel) appeared to be defeated and destroyed in what seemed to be a nuclear war. I expressed alarm about this in the revised Chapter 13 solutions (and likely in my Twitter comments).

A day after I uploaded the updated solutions of Chapter 13 (circa late June, early July), I realized a fuller solution to the central 13:17 mystery, so I went back to work. For some reason I continued to find bigger, better solutions for the 13:17 mystery; the first solution was correct; the second was more correct; the third, more correct still... I also wasn’t quite satisfied with my 13:18 solution, which explained the number of the Beast; I was correct that *the 666* were a powerful group of CEOs, politicians, intelligence agency directors, etc., but I was mistaken in also referring to the 666 as “the beast” –a title God confers upon entities who commit horrific mass crimes or cause great masses of people to engage in unforgivable crimes. Between late June and mid July, 2023, I may have uploaded 4 or 5 drafts of my solutions.

I uploaded the 3rd or 4th draft of the Revelation solutions around July 14<sup>th</sup>. I was extremely concerned that it appeared that in the near future the US would be

destroyed in a nuclear war. I devoted substantial time in the 3<sup>rd</sup> and 4<sup>th</sup> published drafts to express my dismay about this.

But, as usual, no one in the US news media, commented on my solutions to the many Chapter 13 mysteries –including the 13:17 and 13:18 mysteries –which, again, had been unsolved for 1900 years. My second solution to 13:17 was newsworthy alone, if only because it showed God controls time –and had perfect knowledge of US institutions 1700 years before the US existed.

But I didn't have time to worry about the lack of media interest. I had to finish the next revision, to better expose the Beast, and end Head Start. If I hurried, I'd still have 4 weeks to submit my legal filing.

That's when the first crazy thing happened...

### **First Contact:**

#### **The Joke**

As I laid out the solutions to 13:17, on my computer screen, I saw the joke. God made a joke, just for me!

He did not make His joke with words. As I looked at my screen and the multiple solutions, the screen sort of jittered, or maybe it was my eyes. And I had a sudden epiphany that felt almost like *déjà vu*, and I got the joke. (The Joke is explained in the footnote below.)<sup>6</sup> In the instant that I chuckled, it felt as if God gently reached into my mind, and imparted a thought –without actual words. The verbal equivalent of what God imparted was “Gotcha,” or a feeling that They (God and Jesus) were pleased that I liked the joke, and it felt as they were chuckling with me. The instant of the experience, I sort of felt dizzy for a moment, but very alert and clear. The incident lasted a few seconds. But every moment I knew the entity who made the joke, and appreciated that I got the joke, was God.

### **Second Contact:**

#### **The Invitation To Solve All of the Mysteries**

About a week went by, and I was still working to explain the 13:17 and 13:18 mysteries. The problem was that I was discovering more and more correct definitions to key words, such as “mark”; each new definition expanded God's

---

<sup>6</sup> While writing Origin Stories and researching creative intelligence, I learned people with higher than average creative IQs are “divergent,” and tend to come up with many answers to problems (when this is possible); whereas, people with high conventional IQs are “convergent”, tending to find one good answer. So, as I struggled to solve the 13:17 mystery, first I noticed there were at least 3 or 4 answers to the *Name of the Beast* section. Next, I noticed there were at least 3 or 4 answers to the *Number of his Name* section (eventually I would find six solutions to each of these). Then I found two or three solutions for the *mark* section of 13:17. The solutions, at this point, were laid out on poster paper or my computer screen in such a way that I suddenly knew God made the 13:17 mystery based on divergent thinking, and I suddenly had a feeling that God did this as a joke, for me and about me –joking about my always seeing multiple answers to everything. I laughed. That's when it felt as if God and Jesus imparted a feeling in my mind, as if they were chuckling too.

Revelation. Because of this, and related issues, by this point I knew I would not be able to make the deadline to defend my intellectual property.

This particular night, as I worked, on my computer screen, I had several mystery questions laid out in a list, much as they appeared a week earlier, when God made His joke (similar to the way the mystery questions appear on the third page of chapter 8 of *Origin Stories*). Unexpectedly I had another sort of a déjà vu feeling, which blended into another dizzy alert feeling, as a complete thought was imparted into my brain: a message, without words, from God, asking me to solve ALL of the mysteries in Revelation. I say “without words” because I heard no “voice,” but a message was surely and quickly imparted into my brain, instructing: “Now solve all of the mysteries.” The presence I sensed connected to this direction or request was extremely powerful, extremely good and loving, undoubtedly God. <sup>7</sup> The message felt like a very kind and powerful request or invitation –not an order. But anyone who truly believes and loves God, I believe, would take even the kindest request as the most honored and irresistible command. <sup>8</sup>

But to that point, I half thought I had solved all the mysteries. As I reflected on Revelation, all that other stuff, in chapters 1-12, seemed intentionally vague. Or maybe I was so eager to prove Gardner was the Beast that I hadn’t paid close enough attention? So, with God’s direction that I solve all of the mysteries, I re-read Revelation. I soon learned, sure enough, in my earlier reading of Revelation, I had missed or ignored a LOT of mysteries. I missed at least 100 mysteries in chapters 1-12, and missed at least 50 in chapters 14-22.

The sequencing here is essential; it shows I had the tools necessary to solve the fabled Chapter 13 mysteries, find the Beast and his number, and see the U.S. (and perhaps the West) would be defeated and destroyed in a fast but terrible war. But the sequencing also shows that, without God asking me to try to solve all of His mysteries, I would not have found Revelation’s other mysteries, or I would not have bothered to solve them, because they were not related to identifying the Beast.

Again, the sequencing here is key. God did not invite me to solve His mysteries until I showed I was willing to put aside my interests, my legal case and deadline, to try to stop America from subjecting more Latino and Black children to brain-impairing Head Start “preschool” scheme. In the end, that’s what God wants humans to do: put others first, and do good works. Because I put children first, God

---

<sup>7</sup> Retrospectively, I think God and Jesus may have introduced themselves earlier (with *the joke*), so I would not be overwhelmed if they asked me to solve all of the mysteries (just a theory).

<sup>8</sup> I cried a few times in the following days, partly at the Divine honor, but largely because I felt if God summoned me to service, I must be going to Heaven. Before this point, I felt I probably would not get into Heaven (I explain my reasons for this, later, in “Throne of God”).

viewed me as *worthy*, and invited me to try to solve His mysteries.

God, however, did not give me the solutions. I had to struggle for those.

### **Third Contact (Proximate to Second Contact):**

#### ***Read Origin Stories***

Shortly after God asked me to solve all of Revelation's mysteries, I had a third experience of God imparting a direction into my mind, with no audible words spoken. As I struggled to solve His mysteries, God directed me to ask people who read *this* report to also read *Origin Stories*.<sup>9</sup>

In my mind, instantly I sort of said "Really?" My surprise was primarily because *Origin Stories* contains a few profane words.

A fast affirmative feeling followed, as if God said, "Yes." I heard no voice, but the message imparted directly into my mind was clear.<sup>10</sup>

This exchange was very fast, only about 3 seconds.

In these three brief interactions, for the moment that God addressed me, the signals He imparted into my brain were stronger than my own brain signals. God did not introduce himself as God. His communication signals had a power and purity that was undoubtedly God –or Jesus –or both.

#### **Waking**

A day or two after that final communication from God, I went to sleep and woke with a much clearer understanding of what He wanted. This increased understanding happened twice over the course of 3 or 4 nights. After which, I awoke and somehow understood what God wanted, as if He may have imparted instructions into my mind while I was sleeping. I have no recollection of communicating with God while I was asleep. I just knew, roughly, what He wanted:

1. He/They wanted me to solve all of the mysteries, and share what I deduced about the mark and image crimes/sins, etc.
2. He/They also wanted me to share my thoughts on the topics presented in, or related to, Revelation –**NOT** because I am correct (although I may be, at times), but because God wants Churches and believers to solve serious problems, and my thoughts might contribute to that effort.

Yes, it's possible that, in my sleep, I manufactured a sense that God wanted me share my views. But I believe, while I slept, God instilled these directives.

---

<sup>9</sup> God would only want the world to read *Origin Stories* to know the unthinkable evil activities Gardner, America and the Republican Party were engaged in. *This* report, of course, is FAR more important than *Origin Stories*. If you only read one, this must be it. The good news about *Origin Stories*: if you're short on time, you can skip 150 pages, to the *mystery solutions*, and read solutions #1 and #5, and have a reasonable understanding of Gardner's crimes.

<sup>10</sup> I also understood, somehow, that when I finished writing this report, God wanted me to publish my solutions/report on my website, where I posted my Chapter 13 drafts and *Origin Stories* ([www.TheZoneResistance.com](http://www.TheZoneResistance.com)).

## **No Further Contact**

In the months that followed, I had extreme concern about some of my solutions/interpretations. The destruction of the U.S. was most extremely troubling. Thus, many times between August and October 2023, I prayed, and asked and begged God for direct guidance. To this point, God has not addressed me again.

### **Him That Hath Understanding**

So, when a sane, relatively normal person understands God wants them to solve a historically unsolvable collection of mysteries, what do you do?

Before God asked me anything, I had already spent weeks solving and posting the Chapter 13 solutions, so He wasn't asking me to do anything that I wasn't up to.

In 2023, there may have been plenty of people equipped to solve Revelation. But to really have a chance to solve Revelation's mysteries, readers needed 3 things:

1. They needed to be very "divergent" thinkers;
2. They needed to be alive the late 20<sup>th</sup> century –after the advent of the internet;
3. They needed to have hardened themselves, for years, against state/corporate conformity and consensus manipulation tactics (necessary to think freely).

But I solved Revelation because I accidentally acquired a few secret Divine *requirements* everyone else lacked. Chapter 13, verse 17, reads:

*"Let him that hath understanding  
count the number of the beast..."*

That passage means anyone who hoped to find and reveal the Beast needed ample *understanding* of US business, law and politics, AND understanding of the beasts' psychological and criminal strategies. The reason God imposed these requirements is the solutions to the 13:17 and the 13:18 mysteries identify the Beast, and show how his criminal empire operated, and identify other participants.

I solved Revelation's mysteries because I *understood* these systems. I learned about US financial and legal systems during my 10 year fight against the US media companies that Gardner once commanded. I understood how Gardner fraudulently backdated Jesus' words into the fake Isaiah chapters, because Hollywood adopted these same methods to steal screenplays and IP –and I exposed and explained these methods in the 25 documents that were removed from the public docket, in *Briggs v James Cameron*, 2020. I understood the Beast's psychological strategies because I was subjected to them, and resisted them in my nursery school and elementary school years. And, most of all... I had direct ties to the Beast (Gardner), through my nursery school –ties that inevitably led me back to Gardner, and led me to solve *Revelation*.

Time to solve God's mysteries.

# THE SOLUTIONS

## **The Chapter 13 Solutions (pages 14-60), And the Complete Revelation Solutions (pages 61-146)**

Chapter 13 acts as God's incontrovertible judgment, or *indictment*, against all three of the beasts (the West, the U.S., and John W Gardner) and their conspirators. Further charges in the Revelation *indictment* can be found in chapters 9 and 11, but Chapter 13 documents centuries of crimes committed by the West, the United States, John Gardner and his 666, culminating in the 20<sup>th</sup> century, when Gardner and the United States' criminality became so perverse they created over 30 new types of unforgiveable crimes/sins, not covered by the 10 Commandments.

God's indictment, Chapter 13, is followed by God releasing His wrath and imposing consequences against the criminals, their children, and their nations, in chapters 14-19.

- The solutions to Chapter 13 are presented in a narrative report form, beginning on the following page (from page 14 to 60), separate from *The Complete Revelation Solutions* (pages 61 to 144). This was done, partially, to provide an explanation for the wrathful action God will take, in February 2024, against the U.S., and probably Israel, and very possibly the West. This was also done to maintain some integrity with my original June and July 2023 Chapter 13 solutions, which were imperfect –yet strong enough to earn an invitation from God to solve the remaining mysteries (much of the information in following 30-40 pages is from my original, June and July, 2023, Chapter 13 solutions).
- The narrative solutions to Chapter 13 (pages 14-60) are also presented separately, in an edited and very inferior format, in the Complete Revelation Solutions section (pages 61 to 137).
- **The first sentence of Revelation explains that God gave His revelation to Jesus, who gave it to John the Apostle and an angel. Thus, because Revelation is the work of God, for simplicity, this report, often refers to God as Revelation's writer. Also, for simplicity and cohesion, God and Jesus are often referred to, singularly, as *God*.**

# CHAPTER 13:

## The Church, the Beasts, The Image and the Mark <sup>11</sup>

Jesus was born in the Roman Empire, at a time when Rome covered North Africa, part of the Middle East, and a good chunk of Western Europe. Rome was huge, diverse, and must have seemed as if it would last forever.

The Apostle John began writing Revelation, near the end of his life, in or around 95 A.D., as Christianity was spreading throughout Rome.

Although Christianity started in Rome, the first Christian nation formed outside of the Roman Empire, in Armenia, around the year 300. Soon after, in 323, Christianity became the state religion of the Roman Empire. A few years later, in 330, Christianity became the state religion of Ethiopia, in Africa.

Between the 5<sup>th</sup> and 6<sup>th</sup> century, the seemingly impossible happened: Western Rome fell, and the Western world entered the Dark Ages.

The fall of the Western Roman Empire set up one of the key mysteries of *Revelation* –a vision of a head “wounded to death.”

**Moveable Type.** As the Dark Ages trudged along in the West, great things were afoot elsewhere. In the 11<sup>th</sup> century, Chinese inventor Bi Shong invented one of the most important technologies of the next few centuries: moveable type printing. Moveable type quickly spread throughout the world.

### The Moveable Type Printing Press

The next great technological breakthrough, relevant to Revelation, came in 1440, when Johannes Gutenberg invented the moveable type printing press, which printed almost 100 times faster than hand printing.

Moveable type printing became the new high-tech industry for the next few centuries; creating powerful new publishing industries, which provided the public a new and somewhat affordable form of entertainment: books.

Before long, publishers and politicians learned the moveable type press

---

<sup>11</sup> **CHAPTER NOTE #1:** Beyond my goal of finding the Beast, I paid extra attention to Chapter 13, because Chapter 13 introduces *mark* and *image* crimes, which, we learn in Chapter 14, are unprecedented *unforgiveable* sins; crimes God will not forgive. **CHAPTER NOTE #2:** In this section, I often treat John as the observer/reporter, but, in Chapter 13, John did not give his witness statement “I, John, saw...,” so, per Revelation 1:1, the actual witness/reporter may be God, Jesus or the angel. As explained earlier, often I treat God as the reporter, because He is the original reporter, and it is His Revelation.

was extremely effective for molding public opinion. Soon the first newspaper appeared, in Germany, around 1600. And the world was changed.

At this time, publishers also learned the new printing system could be used to rob the public. Thus, for the next 200 years, publishers stole stories and ideas, at will, from common people –who had no copyright law to protect their works –not until 1710, when the UK introduced the *Statute of Anne*.

### **Guns**

Simultaneous to the advent of the moveable type printing press and the birth of industrialized propaganda, **guns** (rifles and muskets) were getting more sophisticated and appearing on battlefields; cannons also. The Western worlds' heavy investment in guns and cannons changed the global power balance. Soon, most major world powers were Western nations. Quickly, guns enabled Europeans to conquer the newly discovered continents of North and South America, and enabled them to conquer a continent which had previously been unconquerable: Africa.

### **THE FIRST OFFENSE AGAINST GOD:**

#### **The Renaissance**

All of the catalytic events, giving rise to the first Beast of Revelation, occur during the Western European Renaissance. The Renaissance (the “rebirth”) happened during the 15<sup>th</sup> and 16<sup>th</sup> centuries, and is defined by a widespread effort, in Europe, to revive the ideas, achievements and glory of the Roman Empire.

Although, in the West, we laud everything about the Renaissance, the Renaissance had a terrible, heretical ulterior motive –to make God in the image of man. More specifically, part of the goal of the Renaissance became *to remake God into the image of a White man*, then promulgate the view that White men are nearest to God; thus, nearest to perfection; thus, *superior*.

Currently, Wikipedia’s “*Renaissance*” page explains: “The Intellectual basis for the Renaissance was its version of *humanism*, derived from the concept of Roman *humanitas* and rediscovery of classical Greek philosophies, such as Protagoras, who said that ‘**man is the measure of all things.**’”

During the Renaissance, Europe’s greatest thinkers and artists began to fictionalize history, and corrupt Christianity. We see this in Leonardo da

Vinci's painting "The Last Supper" (circa 1495), where Jesus and all of his disciples were depicted as White (given that Israel was in the Middle East, and only a couple hundred miles from Africa, Jesus and his disciples were certainly various shades of brown). This recreation of a White Jesus became the pervasive new "truth" during the Renaissance –and it opened the door to a much more audacious heretical act –which helped bring about the first Beast; *that* heretical act was Michelangelo painting the image of God, at the invitation of Pope Julius II, on the ceiling of the Sistine Chapel, in Michelangelo's *The Creation of Adam* (1512).

As a liberated Westerner, I believe individuals should have the right to illustrate God (where to display the art remains a matter for sovereign nations to debate). But, as a thinker and a Christian, it's unacceptable that a Christian religious leader would commission such a work for display in a holy chapel, because the Second Commandment directs: "*Thou shalt not make unto thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.*"

Michelangelo depicted God as *an elderly White man, carried by White cherubs, as He created a White Adam*. Many people believe Michelangelo actual depicted Adam creating God. In either case, Michelangelo ignored the Second Commandment, and he ignored Revelation 4:3, which says God "*was like a jasper [marbled dark brown and red] or sardius stone [brownish burgundy], in appearance...*"; this suggested God's color was closer to a person from India or North Africa than a European. Jesus also appears to John, in Revelation 1:15, with skin *unto fine brass* as if "burned in a furnace." God and Jesus may have directed John to use these color descriptions to establish They are not White –or to convolute their color, to weaken supremacists' efforts to paint God in the White supremacists' image.

But, for Europe's contingent of powerful White supremacists, Michelangelo's heresy was the perfect tool to initiate millions of new supremacists, and *prima fascia* evidence that God is White –after all, *if it's in a Vatican chapel, it must be true!* Michelangelo's work supported the Renaissance supremacists' central view: *Man is the measure of all things; White men were superior; hence, whatever White men viewed as proper, was so.*

# **The First Beast (Out of the Sea):**

## ***THE BEAST of the DRAGON***

In 1492 Christopher Columbus proved the world was round. Soon, the West *discovered* the Americas, which started an international race to *claim* the already occupied new lands. The discovery of the Americas ushered in an age of genocide, plunder, theft and enslavement. **This was the first Beast**, which took over the Earth from the 16<sup>th</sup> century to the mid 19<sup>th</sup> century.<sup>12</sup>

As reports of *endless free land to claim in the Americas* spread, wealthy Europeans planned to subjugate, slaughter and enslave nations. But there was one powerful voice, a man of God, who might stop them –the Pope. So the first step in dominating the world was to weaken the Papacy and the Church.

### **The Second Offense: Martin Luther and the Protestant Reformation**

In 1517, in Germany, Martin Luther's *Ninety-Five Theses* letter to Bishop von Brandenburg attacked the Pope's authority, and accused the Pope of trying to stand between the people and God. Soon, people began leaving the Catholic Church by the tens of thousands, to join the new Protestant church –with many new spin-off branches on the way. Thanks to Luther's blasphemy and sacrilege, everyone felt free to interpret the Bible as they wished.

Luther may have acted independently, or under instruction. From the way his *Theses* was quickly translated and distributed throughout Europe, I suspect he was funded by various business interests. In either case, his historical portrayal as the second *savior* of Christianity is blasphemous.

Luther's actions were an assault on the true Church and an assault on Western morality. Only two years after the *Ninety-Five Theses*, 1519, the West, led by Portugal, established slave colonies in the Americas.

The Protestant Reformation, of course, was only possible because of the new moveable type printing technology. Before the moveable type press, few could ever hope to purchase a handwritten or hand printed Bible. Publishers who may have sponsored Martin Luther's *Ninety-Five Theses* seized on this,

---

<sup>12</sup> In the Chapter 17 solutions, we learn the exact birth year of the first Beast (see the Complete Solutions, #211).

and cajoled families to display their faith by purchasing their own semi-expensive Bibles. Thus, the publishers who divided the Church, used the division to market their first best-seller: the Bible.

Before long, Protestants were piling into ships, new Bibles in tow, to claim free land in America. Once there, with only their consciences to guide them, if they didn't participate in atrocities, they would habitually ignore the state-sponsored genocide and enslavement of Native Americans and Blacks.

Meanwhile, with the power of the Papacy decimated by the split of the Church, the Pope, like the rest of the world, was powerless to stop the onslaught. Still, under the Pope's moral guidance, Italy remained out of the genocide and conquest industries for centuries. [Italy eventually tried its hand at colonization –but almost 300 years after the others, in 1890.]

Back in Europe, undesirables and the unemployed crammed in boats for the New World. With continents to pillage and slaves to sell, the marauding and slave-trading economies of Europe exploded with wealth, for centuries.

The first Beast was at hand.

## **Decoding the *First Beast Verses*; Chapter 13, Verse 1**

(1) *And I stood upon the sand of the sea, and I saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.*

The 7-headed *Beast out of the Sea* is, collectively: 1. **England**, 2. **France**, 3. **Spain**, 4. **Portugal**, 5. **Dutch Republic (Netherlands)**, 6. **Holy Roman Empire (Germany) & House of Habsburg (Austria)**, and 7. **Denmark**, going out to plunder the world. (In 17:9 we learn the 7 heads represent 7 nations). These 7 nation formed the Holy Roman Empire.

You may ask, "*Why Germany? During this time, they weren't conquering, killing and enslaving –at least not like the others.*"

Germany's role was the *Protestant Reformation* and Martin Luther, which enabled all of the subsequent crimes against humanity.

"Blasphemy" refers to the efforts of Martin Luther, and others like him, to divide the Church.

## 13:2; The Leopard, Bear & Lion

- 2 And the beast which I saw was like unto a leopard, and his feet were as *the feet* of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

**Like unto a Leopard.** Like unto a leopard means Westerners were (1) fierce predators, with (2) unique camouflage. In nature, some animals adopt defensive coloring that alerts and scares off threats; a few adopt coloring or tools that relax defenses, or lure in prey (like the anglerfish). Humans may have developed survival defenses to be wary of common brown, black and dark animals –including other humans; but, because pale animals are less common, brown and black humans may have been less wary of white Westerners, and may have greeted them with curiosity, rather than suspicion.

**Feet of a Bear.** “*The feet of a bear*” means two things. First, the old Roman Empire (where John wrote Revelation) had a “**fighting season**,” when Rome could safely make war with other nations. *Fighting season* lasted seven months, March 18<sup>th</sup> to October 19<sup>th</sup>, and existed because fighting in the winter months meant risking the lives of an entire army –largely because of the poor design of Roman soldiers’ shoes –just leather straps and a leather bottom –no protection against wet and cold. This changed in the 15<sup>th</sup> and 16<sup>th</sup> century, when *weltd rand* shoe-making emerged: thick hard soles, sewn to thick leather bottoms, with insoles and outsoles, attached to sealed leather tops. The new design extended *fighting season*, by making European soldiers’ feet more resistant to cold, like bears feet. **Now, in parts of the world, Europe could make war year round.** Second, *feet of a bear* is a metaphor for walking fearlessly and disrespectfully (as a bear might plunder through a campsite).

**Mouth of a Lion.** The “*mouth of a lion*” means two things. First, lions have loud “roars,” that travel great distances. With the advent of moveable type presses, the same publishers that divided the Church, used their press **to make their voices and views travel far and wide** (like the *mouth of a lion*), to move opinion in their favor. Second, *mouth of a lion* also means speaking in a belligerent, threatening, or *war-like* way (As Europeans were known to do).

## The Dragon

In 13:2, “... *And the **dragon** gave him his power, and his throne, and great authority,*” the word “dragon” has two meanings:

1. “**The dragon**” means *guns and canons (military power)*. John came from a time when the greatest combat technologies were swords, spears and arrows. The 15<sup>th</sup> to 19<sup>th</sup> century guns and cannons that John saw in his vision may have been beyond his comprehension; but the guns and cannons he saw blew fire and smoke –like a dragon.
- 2. “**The dragon**” also means *Satan*. In Revelation 12:3, 4 and 7, John describes a 7-headed dragon that we learn, in 12:9, is Satan. Thus, the Beasts’ power, seat and authority came from the *dragon*: guns, cannons and Satan.

### **13:3; The Head Wounded to Death, Suddenly Healed**

In 13:3, the deadly wounded head that is somehow healed, represents the **fall and rebirth** of the Western Roman Empire (WRE). The WRE fell around 500 AD. Rarely, if ever, are defeated conglomerate nations reborn. But the WRE was *reborn* in 1254, when Germany, Austria, and parts of Italy and France united in the new “Holy Roman Empire” (surviving until 1806).

### **13:4; The First Unforgiveable Sin:**

#### ***Worshipping the Beast/Dragon***

13:4 reads: “*And they worshipped the dragon which gave power unto the beast; and they worshipped the beast, saying ‘Who is like unto the beast? Who is able to make war with him?’”* To “**worship the dragon**” is: (1) to overly admire the Beast’s military power, and (2) to worship Satan. *Worshipping the Beast* is when foreign nations imitate the militarism, appearance, dress, manner and ideas of the West.

### **13:5; THE 42 MONTHS –and the “Mouth”**

“*And there was given unto him a mouth speaking great things and blasphemies: and power was given unto him to continue forty and two months.*” (13:5)

The “**mouth**” is the new moveable type press, used to attack the Church.

**42 months** was the time it took the Pope to ban Martin Luther’s *Ninety-Five Theses*. It was **41.6** months from publication of Luther’s *Ninety-Five Theses* (Oct 31, 1517, to von Brandenburg) to Luther’s appearance at the Diet of Worms, April 18, 1521. It was **42 months** (almost 43), from publication to when Luther’s *Theses* was banned, in the *Edict of Worms*, May 25<sup>th</sup>, 1521.

## **13:6, 7; The Split of the Church**

(6) *And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.*

(7) *And it was given unto him to make war with the saints, and to overcome them; and power was given him over all kindreds, and tongues, and nations.*

“*And it was given unto him to make war with the saints, and to overcome them,*” refers to a group of six princes and representatives of 14 Holy Roman Empire (HRE) regions, who, in 1629, filed a legal petition to the Imperial Diet at Speyer against the ban of Martin Luther and his teachings. In 1555, in **the Peace of Augsburg**, the *six princes* won their battle (and overcame God’s saints). Christianity was legally divided in the Holy Roman Empire; the rulers of each state were free to choose between Lutheranism and Catholicism.

“*And power was given him over all kindreds, and tongues, and nations*” refers to the HRE abandoning Catholicism, for Lutheranism and Protestantism, which falsely decreed Christians do not have to do good works.

## **13:8**

*“And all that dwell upon the Earth shall worship him, whose names are not written in the book of life of the Lamb...*”

“Him” *whose names are not written in the book of life* refers to (1) the HRE, (2) Martin Luther and other founders of the new false faiths. Often God symbolically refers to his Church with feminine pronouns, because the church represents God’s symbolic wife, but in 13:8. God identifies the false churches with a masculine pronoun, signifying He does not acknowledge these, or any other similarly manufactured, churches. God is saying the Holy Roman Empire is unholy and Martin Luther (and John Calvin, etc) are unholy.

## **13:10; The Soulless Evil of Slavery**

*He that leadeth into captivity shall go into captivity; he who kills with the sword must be killed with the sword. Here is the patience of the saints.*

The first half of Chapter 13 pertains to the first Beast. The final verse of the first half, 13:10, speaks to the evil of slavery and genocide; positioned in the final verse to express God’s summation of the horrible crimes committed by the first Beast: genocide and slavery. But God promises to punish, in captivity (Hell), slave owners and traders. The verse also suggests these genocidal nations, or their descendants, would one day meet a violent end.

# **The Second Beast (Out of the Earth)**

## ***THE BEAST of the IMAGE & MARK***

In 13:11, a second Beast emerges *out of the earth*. This beast, *the Beast of the Image and Mark*, arrives about 400 years after the first Beast, around 1948. This Beast represents the **United States**. The Beast has two horns, which represent Japan and Israel (America's new post-WWII allies/minions). Under the second beast, the U.S. and private CEOs/corporations, would use Israel and Japan to perform actions, off U.S. soil, that were illegal on U.S. soil.

*Image* and *Mark* crimes are horrific, because unlike regular sins, God will not forgive *worshipping the beast* or *his image*, or having the *mark*.

We know *the Beast of the Image and Mark* represents the USA, because four of the new Beast's attributes suggest this: (1) 13:12 says the second Beast has the same powers as the first Beast, and causes the earth to worship the first Beast –the West; (2) 13:13 suggests the new Beast is a nuclear power (in the mid 1950s, only USSR and the US were nuclear powers); (3) 13:12-13 describe the Beasts' *wonders* and *miracles*; (4) the Beast is so admired that other nations imitate it. Other aspects, described in Revelation, mentioned on page 33, further indicate the *Beast of the Image and Mark* is the USA.

Revelation 13:13 and 14 use the expression “*in the **sight** of men*” and “*in the **sight** of the beast*.” These *sight* references pertain to America's internet, TV and film technology (visual technologies), far more effective than prior mind-control tools. The accelerant for this tech came in **1955**, when the US cable TV industry was born; igniting an explosion in TV, news and film production.

In 13:13, a new *power* is attributed to the Beast: the ability to make “fire fall from the sky.” This is a reference to intercontinental ballistic missiles, which the US developed in **1957** (the SM-65 Atlas), and nuclear bombs.

This *Beast* is driven by 6 goals:

1. Making money;
2. Making Western people and social systems look superior to other people and nations;
3. Harming non-White and non-capitalist people and nations;
4. Spreading racial hatred;
5. Shaping social thought via TV and internet (visual technologies);
6. Stealing intellectual property, ideas and technology.

## **Sacrilege Ushers in A New Beast**

Like the first Beast, the second Beast arrived following two sacrilegious or blasphemous events, in the middle of the 20<sup>th</sup> Century.

### **The First Sacrilegious Event**

April 10<sup>th</sup>, 1948, Millar Burrows announced the finding of the Dead Sea Scrolls. The story alleged: Bedouin shepherds discovered the scrolls inside ancient jars, in a cave in Palestine, in 1946; for the next year or two, the scrolls moved through numerous hands, until they came into the possession of John C Trevor, of the American Schools of Oriental Research, in 1947.

The trouble is, the scrolls, and the story, are fake.

This scheme was concocted by Western powers and businessmen to give false biblical support to the creation of Israel, where Western powers and businessmen planned conduct countless illegal activities, destabilize the region (to keep oil prices low), and deploy Western military forces, to expand Western dominance.

But the sacrilege began when international Bible publishers altered the Bible, based on the Dead Seas Scrolls, and added 27 chapters to Isaiah.

May 14<sup>th</sup>, 1948, one month after the scrolls were “found,” the state of Israel was created, in a proclamation by the Jewish People’s Council. Immediately, US President Harry Truman recognized Israel as a valid state.

### **The Second Blasphemous Event**

In 1947, Oral Roberts began preaching *prosperity gospel* on US radio. The show did very well. Thus, seven years later, in 1954, Roberts began leading a blasphemous and sacrilegious prosperity gospel television show.

The show was a hit.

*Prosperity gospel* advanced the Beast’s celebration of greed, and corruptly and falsely alleged wealth is God’s will and a sign of Divine favor.

For the next 70 years, the forces who controlled U.S. media would keep true Christians, who spoke against social evils, greed, oppression and hatred, off national airwaves.

So emerged the Beast of the Image and Mark.

# ***The Beast of the Image and Mark Arrives***

In Revelation, the *Beast of the Image of Mark* was, from about the late 1940s to 2002, the U.S. government. Then around 2002, near the time of his death, John W Gardner became the Beast –the soul of the US crime and war machine (*Babylon*).<sup>13</sup> What made these beasts so dangerous was Gardner’s 666: 666 elected officials, CEOs, judges, Congressmen, intelligence heads, etc., who acted in corrupt, unfailing loyalty to: (1) money and self-interests, (2) Western supremacy. The US was led by its various Presidents, but from 1955 to about 1999, the 666 was led by one man: John W Gardner. (For efficiency, this section sometimes treats the beasts of the US and Gardner as one.)

## **The Corruption of America, and the World**

*The Beast of the Image and Mark* brought about the total corruption of US politics, and business, social and family values.

The condition for the rise of the new beasts were created in the late 1940s and early 1950s, when the US began *McCarthyism* –getting American society to reflexively reject certain ideas; vilifying anyone who said the words *communism* or *socialism* –the beasts’ profit-limiting enemy.

Gardner and America’s leaders didn’t ban ideas by law, they used psychology. As social beings, people want to be liked, so they cower, *conform* and follow the herd. So, US leaders used mass media (nationally televising the McCarthy hearings) to get Americans to *conform* to their evil. This, of course, was against God’s orders: “You shall not follow a crowd to do evil...” (Ex 23:2).

But why was this happening in the middle of the 20<sup>th</sup> century?

Because American businessmen planned to takeover US politics, to keep White business-friendly leaders forever in control of the US and the outside world; using mass media and *conformity messaging* to control public opinion.

**Corruption by Donation.** Corrupting American politics was a plan with many prongs; one prong was to pay huge donations (bribes) to elect politicians who would do whatever the business leaders wanted. Members of both parties, Republicans and Democrats, received and accepted donations; but Republicans received far more bribes, because the system relied on them.

---

<sup>13</sup> My best estimate places the verses of the second half of Chapter 13 (verses 11-18) near the following corresponding years: 13:11 = 1948; 13:13 = 1957; 13:14 = 1982; 13:15 = 1989; 13:16 = 1995; 13:17 = 2000; 13:18 = 2002. Verse 13:18 first hints the Beast is a man. Thus, sequentially, it appears Gardner became the Beast, in spirit, when he died, in 2002.

**Weakening Workers' Rights and Pay.** Around 1948, corporations suddenly pushed to get women into the US workforce. It's a very good thing for women to work, if they wish; but Gardner and the leaders behind this push wanted women to work, NOT because they valued them, but to flood the workforce with workers, to drive all wages down. The winner: *the Beast*.

As wages fell, more and more families needed two incomes to make ends meet. This meant more and more mothers would not be at home after school. For many families, this meant kids, 12 to 17-years old, were home alone, to do whatever they wanted. Soon, a separate *solution* for all of the pregnant unmarried girls was necessary. In 1960 "the pill" was introduced. By the mid 1960s, *sexually transmitted diseases* were the new #1 communicable disease in America. To play this negative trend favorably, by the late 1960s, the Beast extolled America's *sexually liberated* women, who, with the pill, like men, no longer had to suppress their impulses.

**Division, Drugs & Porn.** Before 1964, Blacks and Whites voted at equal rates for Democrats and Republicans. But in 1964, the Republican Party used the *Southern Strategy* to get about 90% of Whites in the Republican Party.

Not long thereafter, in the wake of the Viet Nam war, drugs like *acid* and *speed* (meth) flooded the Western US. Drug addicts were soon everywhere. Since flooding prisons with White prisoners was a bad look, Republicans relaxed US drug laws –for Whites; minorities still went to jail or prison.

Next, in 1966, Hollywood gave the US its first porn theatre. By the late 70s, porn was on US cable TV. By the early 1980s, hardcore porn was available in houses around the US.<sup>14</sup> Child abductions skyrocketed. In 1984, the US began publishing the faces of countless abducted children on milk cartons.

### **God Depicts the US/West as Ruled by Satan**

In Chapter 12, Satan is introduced: a 7-headed dragon, with 7 crowns on his 7 heads, and 10 horns. In Chapter 13 the West is introduced: a "beast" with 7 heads and 10 horns –but no crowns on its heads. God was symbolic saying, *the West and US are ruled by Satan –who wears the crowns.*"

*So they worshipped the dragon, who gave authority to the beast; and they worshipped the beast. (13:4)*

---

<sup>14</sup> "...Therefore the lord will strike with a scab, the crown of the head of the daughters of Zion, and the Lord will uncover their secret parts." (Isaiah 3:17)

# The Three Unforgiveable Crime-Groups of the *Image & Mark*

The US and Gardner -the new beasts- infected the US and the world; creating three new families of unforgiveable crimes/sins on their perverse path. The three major crime types are: 1. worshipping the Beast (this began under the *Beast of the Dragon/Out of the Sea*; 2. worshipping the *image* of the Beast; 3. receiving the *mark* in your forehead or hand. Within these groups, there are 36 or 37 types of crimes/sins.

Now to discover what these crimes are.

## Decoding the *Second Beast Verses*, 13:11-18

In 13:11-18, John has a vision of a second Beast, with extraordinary powers, which rely on extraordinary technology. To understand what God is saying, through John, in Revelation, we have to know the definitions of the essential words or phrases.

### DEFINITIONS:

*Image, Mark, In the Sight of, Speak,  
Give Life unto the Image...*

Six pages of definitions begin on the following page. The definitions are based on how the words were used in sentences in Revelation. Several words have many definitions. For example, John uses the word *mark* about 5 different ways. In 13:16, *mark* is a vague noun, a thing placed in people's foreheads or hands. In 13:17, *mark* is used in almost a good sense, a tool to buy or sell goods (this instance, as a tangible tool, departs from the other instances). In 14:9-11, the *mark* is spiritual brand/identifier, condemning recipients to Hell. In 15:2, "his mark" is an abstract collective term for the Beast's *criminal minions*, who make war against God. Thus, in the following pages, there's one definition for the *spiritual mark*, another for the physical *mark device* that can buy and sell goods (and where *mark* crimes are committed), another for the brand, another for *criminal minions*, and two more, yet unrevealed, definitions.

## The Six Definitions of “Image”

1. “Image” is *the physical or social likeness of a person* (similar to how the term is used in English today; Rev 13:15: “worship the image”.)
2. “Image” is a TV (television; Rev 13:14: “make an image”.)
3. “Image” is the actual viewing *image* of a TV screen (as we use the English word today; Rev 13:15: “...give life unto the image...”.)
4. “Image” is the ability to use a TV or receive a TV signal (Rev 13:14: “make an image to”).
5. “Image” is a corrupt, hateful pervading mentality (15:2).<sup>15</sup>
6. “Image” is a poor *body-image* one gets from watching the Beast’s *image* (TV) or explicit content on the Beast’s *mark* (personal computer/communication device connected to the internet). (Also 15:2.)

-14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. || Thess. 2:9-10

Thus, in 13:14, when God (through John) says “make an *image* to the *beast*,” He intends three of the six definitions, listed above, for the word *image* (He intends meanings 1, 2, 4). Thus, in 13:14, when the Beast tells the world they should “make an image to the beast,” the Beast is telling the nations of the world to do each of the following:

- a. Remake their national and personal images in the likeness of the US.
- b. To make or buy TVs, so their people can watch the Beast.
- c. To make or buy the ability to receive TV signals.

---

<sup>15</sup> After the term *image* is introduced (13:14 and 15) it is thereafter used proximate to the word “worship”; with the exception of 15:2, where the term is used in a *mass collective* sense; as God and his army are victorious “over the Beast, and over his image”. In this case, the term seems intended to describe God defeating a *corrupt, deceitful, hateful pervading mentality*, or defeating the Beast’s minions, who were infected with this mentality.

### 13:15 “Power to Give LIFE unto the IMAGE”

But in 13:15, when John describes the “*power to give life unto the image*,” he is saying the Beast had the power to animate the *image* on the TV screen (in the sense of definition 3, above), and create motion pictures, the most powerful technology of the 20<sup>th</sup> century, maybe ever.

15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

And in 13:15, where God has John write “...that the image of the beast should both **speak**...,” the word *image*, in this instance, refers to physical TVs, filmmaking, and *TV image displays*.

### Speak

“**Speak**,” in 13:15, means the images on the TV should also project sound; so viewers can hear the characters displayed on their TV screens, so the Beast can speak to –and be heard by– the world.

#### “Power to Give Life Unto the Image”:

#### *The Ability to Incite Social Disruption*

13:15 describes the Beast’s power to foment foreign unrest. “*And he had power to give life unto the image of the beast...*” also means America’s TV and visual propaganda were so persuasive they could cause citizens of foreign nations to want to become more like (“in the image of”) the US/West; to such an extent that citizens of foreign lands would reject their societies.

“*That the Image of The Beast Should...‘Speak.’*” “Speak” also meant the Beast’s TV-distributed images of America’s wealth were so effective at inciting international envy, the images could incite vocal demonstrations and protests (*speak*) for social change.

“*...And cause that as many as would not worship the image of the beast should be killed.*” The final passage of 13:15, “*...and cause that as many as would not worship the image of the beast should be killed,*” warns that these protests could lead to upheavals, where innocent traditionalists, of all faiths, were killed.

## Six Definitions of “Mark”

“Mark” has six definitions:

1. A “mark” is a **Divine identifier** or marking, placed *in* the forehead or *in* the right hand of humans, identifying souls who will be punished in Hell, for engaging in unconscionable crimes. (See 13:16, 14:7-9)
2. A “mark” is any **computer, laptop or smart-phone internet connected device, with a visual display screen** (used to view terrible content and make purchases, see 13:17).
3. A “mark” is a **curse or disease** one acquires, as punishment, for bad behavior, issued before Judgment day. (See 16:2, where a disease of a “loathsome sore” falls on “men who had the mark.”)
4. A “mark” is a **brand**, spiritually burned on the hands and foreheads of human souls, marking chattel damned because of one man: John W. Gardner. (14:11 “mark of his name.”)
5. A “mark” is a **terrible criminal minion**. [See Revelation 15:2, where “*his mark*” refers to the Beast’s *minions*. Also see 19:19 “and *their armies*”.]
6. A “mark” is **a cure or prevention; a way to stop spread of a disease** (meaning, once people know the *mark* is a sentence to damnation, they will stop their bad conduct, tell others, and stop further spread of the disease).

**13:16: *And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads;***

When John wrote “*And he causeth all...to receive a mark in their right hands, or in their foreheads...*,” he used the word *mark* in the sense of a *Divine identifier* marking people for punishment in Hell.

**13:17: *And that no man might buy or sell, save he that had the mark, or the name of the Beast, or the number of his name.***

But in 13:17 (above), when John wrote “*...that no man might buy or sell, save he that had the mark...*” he was using the word *mark* in the second sense (computer, laptop or smart-phone), and he was saying, in the future, only people with computers and smart-phones would be able to buy or sell.

## **The *IMAGE* and *MARK* Are Psychological Crimes, Committed Via TV or Internet**

In the 19<sup>th</sup> century, a new science emerged in the West: psychology. This science, and the technologies of TV and internet, powered the Beast.

John W Gardner received his PhD in psychology from UC Berkeley in 1938, and worked for the US military's Office of Strategic Service (OSS) during WWII, where he learned the art psychological warfare and brainwashing; skills that, when the war ended, he unleashed on his fellow Americans.

Because Gardner understood the power of visual mass media, in 1955, he was selected by Nelson Rockefeller and William S Paley to lead the effort to publicly finance wiring for cable TV, throughout America. This cable system shaped American and Western thought for the next 70 years.

### **Psychology and Brainwashing**

In the 1930s and 1940s, various military research studies showed TV and film (screen based technologies) were extremely effective for shaping public thought. Controlling these conduits (cable TV, film, and future screen-based technologies), to maintain power and shape public opinion, became a primary motive of the Beast.

### **The *Image* and *Mark* Worked By Psychologically Reprogramming People**

*Image* and *mark* sins are unforgiveable.

What makes most of these crimes, or sins, so terrible is they are carried out by fundamentally altering and reprogramming the victim. Victims are usually unaware their psychology is being permanently altered. However, the victims were complicit, and not truly victims, because they freely and mindlessly agreed with the reprogramming messaging.

These personality altering crimes were/are spread using TV (entertainment and news), theatrically released films, and internet.

Outside of the US, some terrible national leaders used film and radio to try to mold public opinion. But, in the US, efforts spearheaded by corporations, who purchased control of the airwaves, were far more successful at molding public opinion than other nationalized efforts.

## **...In the Sight Of...**

The fact that the *image* and *mark* were related to visual technology is indicated and intended by the phrase “in the **sight** of” (13:13 and 14).

“*In the sight of men*” (13:13) refers to people watching TV.

“*In the sight of the beast*” (13:14) refers to the Beast’s use of TV to effect mass psychological change. The Beast’s *image* and *mark* powers derive from the Beast’s access to our eyes, our sight: via TV and internet computer devices.

“*In the sight of the beast*” also refers to the Beast’s ability to spy on and watch the world, via cable TV boxes.

### ***The Means = Mass Psychological Reprogramming***

Revelation 13:14 says: “*And deceiveth them that dwell on the earth **by the means** of those miracles which he had power to do...*”

“*By the means,*” did not refer to the TVs and computers used to access people’s minds (the devices only *carried* the messages); nor to the changes caused in people. Rather, *the means* referred to the science behind the Beast’s magic: **psychology** - *mass media-distributed psychological reprogramming*, or brainwashing; not implemented by force, but by subtle persuasion.

The Beast’s ability to alter thought and action was unparalleled. The Beast could alter human sexuality, make us hateful, make us hate our own nations, even make us less intelligent.

Originally, foreign nations were safe, beyond the reach of the Beast, because they lacked the technology to receive US TV signals or to connect to US internet ports. The Beast had to break through this barrier, to *speak* directly to the people of foreign lands.

As the West worked to expand its media reach and influence, the US expanded its cultural dominance with simple behavior modification strategies, such as US Presidents NOT taking private meetings with non-White dignitaries who did not wear Western attire, but taking meetings with dignitaries in Western attire.

Revelation 13:14 first uses the expression: “*make an image to the beast.*”

“Make an image to the Beast” has **four (4) definitions**. These ***image crime*** definitions are different from the earlier basic *image* definitions. Two of these definitions apply only to foreign nations, outside of the West.

## The “Image” Crimes

The two **non-Western** (outside of the US and the West) **definitions** of “making an image to the beast” or “worshipping the Beast” are:

1. **Definition #1:** “***Making an image to the Beast***” is when a foreign nation (outside of the US or West) is persuaded to make or accept a device or portal (a TV or internet conduit system) for the Beast (the US) to send entertainment, propaganda, pornography, etc, to the foreign nation.
2. **Definition #2:** “***worshipping the Image of the Beast***” is when citizens and leaders of non-Western nations adopt Western values, behaviors, dress, beliefs, monetary systems, and reject their own traditions.

The **West’s** subtle supremacist inculcation caused many Westerners to hate other races and cultures; thus, “worshipping the image,” in the West, is:

3. **In the West, “*worshipping the image*”** is when Westerners are reprogrammed to see other races/cultures as inferior.

A **Universal** definition of “worshipping the image” is:

4. Watching/using one’s TV/phone/computer too much; causing parents to neglect their kids; causing kids to develop psychological issues and poor social skills. These preoccupied people rarely do good works.
- Developing a poor body image and not liking oneself because one is exposed to the Beast’s toxic TV/web programming is a severe risk –but I don’t think this is a crime.

### The Extreme Dangers of Prosperity Gospel

Revelation alludes to two separate false prophets: Martin Luther and Oral Roberts. Luther’s punishment is unclear, but Oral Roberts will be punished as severely as the Beast –both are given eternity in the Lake of Fire, with torment (see 19:20 and 20:10). (Solution #208 explains how we know the False Prophet in 16:13, 19:20 and 20:10 is Oral Roberts.)

But prosperity worshippers also seem bound for hell. 19:20 says, about Oral Robert (the False Prophet) and his viewers: “The Beast was taken, and with him the False Prophet that wrought miracles **before** him, **with which he deceived them that had received the *mark of the Beast*...**”

This indicates Roberts’ viewers began earning marks in the early 1950s, decades before the internet (where most *mark* sins occur) existed. This shows God strongly dislikes money. God is not responsible for anyone’s wealth.

# Research Methods

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

The *mark*, in Revelation, is both real and symbolic; representing a sin so horrible that the sinner will not be forgiven by God. Discovering what the *sins of the mark* are took some effort. I used the same tools I used to solve the other mysteries: knowledge, research, reason, intuition, faith, and common sense. I paid close attention to event sequence, any unusual words, their meanings, context, etc.<sup>16</sup>

## In Search of the Unforgiveable Sins of the Mark

Understanding the full and true meaning of the *mark* requires understanding a few things.

**First...** The second Beast is a nation. The first Beast had 7 heads, which we learn in Chapter 17 represent seven Western European nations, ruled by seven kings. The second Beast had/has one head, but all of the power of the first Beast, and caused people to worship the first Beast. With these facts (and those on page 22, paragraph 3) we know the second Beast is the USA.

**Second...** God, Jesus and John, at least once, deliberately, inaccurately used the word “all”. In Revelation 13:16, John wrote:

*“And he causeth ALL, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads.”*

But we know that NOT ALL people received the mark, because 20:4 describes how all souls that did not have the *mark* or *worship the image* were saved: “... *neither had received his mark upon their foreheads, or in their hands,*”

This is important because some people may insist “all” people will have the mark imposed upon them. Not the case. What God, Jesus and John meant by “all” is a great many people of all types and nations (“...*small, great, rich, poor, free, bond...*”) will have the mark.

---

<sup>16</sup> Many research/solution methods were used to solve the Revelation mysteries. Some methods were described earlier, and some are described in later sections. To conserve time and space, and focus on the actual solutions, most of my methods (which are pretty organic) are not described (although a logical path to most of the solutions can be drawn from the mysteries –and many of the solutions provide the sequential reasoning).

## Finding the Crimes Against Conscience

To determine what Revelation's *mark* crimes/sins were, I did what you must: I turned to Revelation.

I felt God gave us His revelations, in Revelation, not to scare us, but to give us enough information to be watchful, so maybe we might find the Beast.

So here's roughly how I solved the *mark* crimes mystery...

Chapters 13 to 20 (which concern the image and mark crimes, and God's judgment of people guilty of these crimes) mention the *mark* eight times: 13:16 and 17 introduce the concept of a mark, and say it will be on the hand or forehead; 14:9 and 11 say everyone with the mark, or who worships the Beast's image, goes to Hell; 15:2 and 16:2 have no information related to how the mark is acquired; 20:4 explains people without the mark will be saved. Then comes 19:20... Only Revelation 19:20 gives us any idea of the nature of an unforgiveable sin; that passage reads: "*And the Beast was taken, and with him the false prophet, that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped the image...*"

So (1) being a false prophet, or/and (2) leading someone to commit a type of sin that is unforgiveable, is also unforgiveable. Makes sense.

Next, I looked for all of the types of sins that John mentions in Chapters 13 through 20. John uses, with anger, six words that point to 3 or 4 types of crimes/sins. I excluded from this count words like "drunk", which is/are consistently used to emphasize the excessive nature of other offenses ("...made drunk with the wine of her fornications...", 17:2). I also excluded words that are too vague, and only modify but don't identify a specific sin or crime; words like *unclean* and *abomination*.

Here's the breakdown:

1. John uses the word "**fornication**" or "fornications" seven (7) times;
2. John speaks of "**making war with the saints**," "**war with the lamb**," or wasting the "**blood of the saints**" five (5) times;
3. John uses the word "**whore**" four (4) times;
4. John uses the word "**blasphemy**" four (4) times;
5. John uses the word "**harlot**" (prostitute) once (1);
6. John uses the word "**hateful**" once (1).

Although hatred is only specifically mentioned in the chapters 13-19 once, hatred is the basis for most of the crimes of the first half of Chapter 13. Equally significantly, chapters 9 and 11 pay considerable attention to hatred of people who look and believe differently from the prevailing government.

**Jesus** speaks once in chapters 13 to 20, to speak against walking around naked, at 16:15: “...*Blessed is he who watcheth, and keepeth his garments, lest he walk naked, and they see his shame.*”

So, from this, the unforgiveable crimes seem to pertain to:

1. **Sex;**
2. **Attacking God or the Church;**
3. **Sex for money;**
4. **Blasphemy;**
5. **Hatred.**

But there’s more. In Revelation, God also speaks strongly against heads of nations (presidents, kings, judges, politicians, businessmen) engaging in corrupt practices. To articulate this, John uses words and phrases such as:

1. ***Kings of the Earth*** six (6) times (also “*Great men of the Earth*”);
2. ***Nations*** six (6) times;
3. ***Sorceries*** 3 times (“...*by thy sorceries were all nations deceived*”);
4. ***Deceived*** three (3) times.

- **Perhaps more than all of these, Chapter 18 focused heavily on rampant selling and profiteering.**

Now I had a good idea what the unforgiveable mark crimes were.

A list of 18 unforgiveable *mark* crimes begins on the next page (the total is about 32, when the subset crimes are counted). *Most* of these crimes were committed and spread around the world, primarily via internet and TV. All of the crimes/sin are mass crimes, that impact a large numbers of people.

There are several types of sins mentioned in Revelation 21:8 and 22:15, such as (1) whoremongering, (2) idolatry, (3) murder. These sins are conventional sins, covered under the 10 Commandments; they are not related to *Image* and *Mark* crimes/sins. Mark and image crimes usually involve (1) the psychological alteration of **masses** of people, via the internet or TV, (2) being psychologically altered to worship the Beast or his image, (3) being morally corrupted by accessing *mark* content.

# The Unforgiveable *Mark* Crimes/Sins

Per Revelation 14:9-11, *Mark* Crimes are unforgiveable. People usually *receive a mark in their foreheads* when their *mentality* is thoroughly corrupted, usually from viewing perverse internet/TV content. People who produce perverse content, or engage in such deeds, receive *a mark in their right hands (their deeds)*.

- Personally, I hope, if a person immediately stops committing lower-level *mark crimes*, repents and begs forgiveness, they *may* be forgiven. 16:11 indicates this *may* be possible. But judgment is for God and Jesus.

There are 18 unforgiveable *Mark* Crimes; two have a combined total of 16 subordinate crime types. Thus, minus super headings, there are 32 unforgiveable crimes. There are also four *worshipping the image/beast crimes*, named on page 32. Thus, there are **36** (6x6) unforgiveable crimes; **37** if we count worshipping the dragon (Satan). A few of the following crimes may not be connected to TV/internet, etc, but they are *Mark* Crimes via mass impact and origin (Gardner), etc.

The following *Mark Crimes* apply to anyone who commits the described crime -anywhere, not just in the US or the West. The *Mark* Crimes follow.

## **Unforgiveable Mark #1: Attacking and Weakening the Church, Via Media Manipulation and Isolation**

In the middle of the 20<sup>th</sup> Century, the US TV industry took most true Christian leaders off the air, and replaced them with prosperity gospel frauds and fake Christians who would not get involved or take a stand on political and social issues.

Those who denied the true Church media platforms, and kept the Church from reaching many people and doing good works, have a mark in their right hands.

## **Unforgiveable Mark #2: Abusive Kings and Their Minion**

World leaders have seized power by using mass media to promise voters reasonable rights if they were elected. Once elected, these tyrants violate all laws, betray their promises, arrest and kill news outlet owners, reporters, their rivals, and refuse to relinquish power... Thus, millions in these countries have little or no hope.

Leaders who break law, order assassinations/murders, oppress their people, deceive voters, rig elections, OR seek to overturn valid elections, have a mark in their right hands. People who assist these evil leaders commit murder, oppress, deceive, rig, or overturn elections also have a mark in their right hands.

### **Unforgiveable Mark #3: Internet Pornography Prostitutes**

The internet created thousands of ways for White Americans to get rich.<sup>17</sup> One new *career* option for women was making porn videos and selling them online. A few women made hundreds of millions of dollars, and became *admired* celebrities.

This inspired countless American girls to do the same. Very few made huge money; but these self-pornographers contributed to Western moral decline, body image issues and psychological maladies that girls, boys, women and men in the West now face –and they all contributed to the pornography addiction problem.

People who starred in, produced and distributed these sorts of videos have a mark in their right hand.

### **Unforgiveable Mark #4: Porn Inflicted Perversion, Deviance & Addiction**

Today, the US pornography industry is estimated at \$15 to \$98-billion dollars, distributed via internet and cable TV (I believe those figures are underestimations, and exclude pirate porn sites, bootlegs, etc). Now the world has innumerable porn addicts, most of whom will never seek treatment –and treatment is iffy. Porn destroys values, alters our views of sex, relationships, and causes sex preoccupation.

People who indulged in internet porn, and became perverted, addicted, and altered their mentality and sexuality, have a mark in their foreheads –their psyche.

People who create and distribute pornography, and altered the lives, minds, sexuality and fate of others, have a mark in their right hands –their deeds.

### **Unforgiveable Mark #5: Mass Disinformation & Distraction**

Suppressing negative stories is how the 666 maintained power. The US's disinformation strategies included: (1) portraying non-Western, non-capitalist, non-White nations negatively; (2) restricting foreign nation's leaders/diplomats' access to US airwaves; (3) diverting Western media attention from US human rights crimes, by having distraction specialists like *Center for Investigative Reporting* focus on lesser issues in Latin America, China, Russia, or any brown-skinned nation.

The producers, owners and knowing operatives of disinformation and distraction platforms, have a mark in their right hands.

News reporters and personalities who serve deceit machines, do no research, and bury and suppress news with preferred news, have a mark in their right hands.

---

<sup>17</sup> The US internet primarily created ways for *White* Americans to get rich. The 666 managers of the US internet system disrupted and cut internet traffic to minorities' websites, and to non-Western and non-capitalist websites.

## **Unforgiveable Mark #6: Child Internet Sex Crimes**

The internet created a portal for child pornography; greatly increasing crimes against children. Participating in this, in any way, at any level, is unforgiveable.

Watching videos/photos of child pornography earns a *mark* in the forehead.

Creating or distributing child pornography earns a mark in the right hand.

## **Unforgiveable Mark #7: Institutional Child Abusers, And Hateful, Image-Worshipping Parents**

Gardner and John and David Rockefeller created a system that deliberately destroyed American Black families (offering mothers welfare benefits if they had children out of wedlock; incarcerating fathers). This, to use Head Start to reduce the mental development of their children. For this, Gardner and Rockefeller allowed US Universities, like UC Berkeley, to conduct dangerous experiments with psychotropic drugs on children. Laterally, the US (particularly California) created residential treatment centers, designed to separate low-income children, from broken homes, from their families, to subject them to new psychotropic drugs, to destroy their mental functioning. These kids were more apt to be incarcerated as adults, or placed in adult psych wards where they could be subjected to more dangerous medication. This was Gardner's new political economy, which relied on falsely terrifying Whites that Blacks were a constant threat to their safety; so Whites needed to vote for more prisons, more treatment centers, more babies on drugs. In this design, universities collected tuitions to teach aspiring White psychologists to recommend Black children for drugs and family separation, while White children got family therapy or foster care. Broken homes were necessary, because involved and functional parents would not allow their children to be removed from home or put on drugs.

Meanwhile, many other parents were too preoccupied worshipping the Beast (watching TV or internet) to instill good values in their children or encourage them to think independently. These children were more easily deceived and brainwashed. Millions of these neglected kids grew up to inflict great harm upon society.

Any person (judges, politicians, psychiatrists, teachers, police, social workers, university faculty, drug manufacturers...) who played any knowing role in destroying families, wrongly incarcerating minorities, giving harmful drugs to children, separating children from their families..., has a mark in their right hand.

Parents who caused their children to earn marks by neglecting them, or by teaching them to hate, have a mark in their right hands.

## **Unforgiveable Mark #8: Prosperity Gospel & False Prophets**

Revelation indicates prosperity gospel misled millions of people away from God. People watched these shows and desperately tried to get rich, somehow believing this would make God happy, when the Bible indicates otherwise. Some got rich, most failed, and all or most failed to find God and salvation.

People who star in, create, produce, distribute and broadcast prosperity gospel TV shows and videos, have a mark in their right hands (their deeds).

People who viewed and invited others to view these shows/videos, and died believing God wanted them to be rich, have a *mark* in their foreheads –their psyche.

## **Unforgiveable Mark #9: Cyber-Apathy (AKA Soul Death)**

With internet video sharing, millions of kids and adults have seen horrific videos of people being tortured and murdered by armies and gangs, and videos of people mangled in car accidents, in agony, moments before they die. Watching these horrible videos desensitize us, and kills our humanity.

People who enjoy these videos have a mark in their foreheads.

People who create and share these videos, to entertain and scare others, have a mark in their right hands.

## **Unforgiveable Mark #10: Insurrectionist Terrorist Voters**

By the late 1950s, US media companies were increasingly effective at manipulating the ruling majority of the public; engineering them to be more hateful, unethical and stupid. Soon Republican voters had no concern for anyone but themselves; selfishly driven to the poles by promises of tax cuts and better wages.

In 2017, these voters cheered when Trump obstructed justice, and when they learned of his relationship with a porn star, and when he locked immigrant families in cages... Trump's voters didn't care if some of his biggest funders were Hollywood cable porn producers and distributors. They just wanted their team to win.

When Trump lost his bid for re-election, December 2020, he used social media to mobilize his immoral, mindless voters to insurrect. Thus, January 6<sup>th</sup>, 2021, thousands of Trump voters attacked the US capitol, in a failed coup.

Voters who insurrect, or who are so immoral and weak-minded that they can be easily incited to insurrect, have a mark in their foreheads and right hands.

Government and private operatives who attack domestic or foreign election credibility, without a credible basis, have a mark in their right hand.

- *The people* have a right (perhaps responsibility) to fight back when they are truly oppressed –NOT when they dislike the results of a fair election.

**Unforgivable Mark #11:  
Religious Murderers, Torturers,  
Oppressors, Conquerors, and Fake Believers**

This section addresses three modern, large-scale, religious crimes:

1. Revelation Chapter 9 addresses God’s disdain for torture and killing, especially by the Church. Torture and murder are evil, and never done for God. With the advent of TV/internet, fake believers used these conduits to broadcast torture and murder, to instill mass fear. Some fake religious leaders/believers went on to conquer new territory and nations; raping, kidnapping and killing along the way –to satisfy their own thirst for power and corrupted sexuality (but never acting in God’s name).
2. In some corners of the world there are people who do not allow girls basic rights and freedoms, such as a reasonable education –so these girls might become wiser people and mothers. In the gloom of ignorance, these girls/women are less apt to do meaningful good works, and less apt to adequately educate their children.
3. In Revelation 14:2 and 3, we learn God has a special song that only the 144,000 can hear and learn. Yet, there are religious and national leaders who oppress their nations by not allowing their people to perform and play music. It may be reasonable for leaders to prohibit plainly degenerate lyrics, but to deny people the right to play musical instruments, sing and to enjoy music, is a crime.

**Anyone**, while acting for a church, government or in a business capacity, tortures, rapes or murders, or asks others to do so, has a mark on their right hand.

Politicians and fake religious leaders who abuse their power and deny girls and young women reasonable rights (education), and deny people their God-given want and need to play music, have a mark in their right hands.

**Unforgivable Mark #12:  
Immigrant Haters and Abusers**

Many national leaders, with small hearts, minds and souls, used social media to harness their people’s hatred and ignorance, by falsely telling them that immigrants and social minorities were the cause of their problems. Western social media companies ignited this trend, by vilifying immigrants and the poor –and by sending propaganda to poorer nations, inflating and flaunting the Western lifestyle. Inevitably, Western citizens and police became so hateful they hid razor wire in rivers to kill immigrants, and televised immigrant families in cages.

Anyone who endeavors to vilify, harm, terrorize or abuse an immigrant has a mark in their right hand.

## **Unforgivable Mark #13: Corrupt and Inhumane Practices**

Businessmen and politicians have committed crimes against mankind. While some of these crimes existed before the internet, the internet accelerated them (e.g., the internet allowed landlords to use social media to screen applicants based on religion or race). These crimes impacted billions of lives. The perpetrators of the following crimes, and those who abetted them, have a mark in their right hands:

- I. **Medical Price Gouging.** Western drug companies raised prices of life-saving medications, many times higher than reasonable; forcing millions of children and senior citizens, to go without otherwise affordable medication; a problem worsened by the US allowing pharmaceuticals to incorporate and list on stock markets.
- II. **Environmental Negligence/Disinformation.** Businesses (and nations) have done great harm to our planet, worsened by internet/computer and TV tech. To avoid accountability and oversight the US/West published false environmental reports, and distracted from their crimes by accusing other nations of similar crimes.
- III. **Private Prisons and Dirty Cops.** With the advent of Gardner, private prisons and dirty cops who kill unarmed minorities exploded. No corporation, CEO or investor should profit from restricting the rights of others. Police officers have a duty to treat citizens equally and fairly, and not arrest or use force or weapons unjustifiably.
- IV. **Housing Development Concentration Camps.** Housing officials and private real estate owners conspired to not rent to certain people/races; forcing these people into areas where there are no jobs; creating crime and unsafe, unlivable conditions.
- V. **Corporate and Private Cyber Drug Dealer/Producers.** Politicians helped drug companies market unsafe drugs and helped create millions of addicts. Illegal drug producers used the internet to lure workers, who did not know the jobs involved drug production; workers were sometimes murdered, and not paid.
- VI. **Wage Suppression/Outsourcing.** To increase their profits, US CEOs used internet and phone tech to offshore/outsource jobs, driving wages through the floor.
- VII. **Gun Proliferation.** The US and US gun-makers have proliferated weapons around the world, creating situations abroad where children kill other children, and gangs collide with armies. Beyond the endless murders, the guns destabilize governments and create pervasive fear; driving immigration and refugee crises.
- VIII. **Racial/Ideological Double Dealing.** Western CEOs conspired to not hire minorities and to offer bad business deals to non-White and non-capitalist countries –to keep non-capitalist and non-White countries at a perpetual disadvantage.
- IX. **Indolent, Ineffective Leaders.** Due to leadership failures, numerous nations have grown accustomed to not solving their internal cooperation problems. These nations accomplish little, but routinely ask the world for assistance. (In fairness, many of these nations were plundered and sabotaged by the West for incalculable

billions/trillions.) Nations have a duty to cooperate and realize the needs and goals of their people. Nations who are not self sufficient may have *indolent leaders*.

- X. **A.I. Intellectual Property Theft.** Western business leaders have created a new corrupt business scheme: artificial intelligence, “AI”. AI, related to creating art, particularly stories, screenplays, books, music and acting performances, represents a great threat to humanity, because the “creative” (generative) AI models use stories and art that has been stolen, via the internet, from people around the world; a strategic calculation: the developers knew talentless, unethical Westerners (the talentless children of corrupt CEOs) would race to acquire and defend a product that allowed them to falsely claim ideas they could hardly fathom, less produce. Thus, AI developers will transform 99.9% of the West into criminal participants –all but the .1%, who are the victims of this nationalized cyber-theft system. (The corporate AI strategy was: *No one can accuse us of stealing IP, if everyone is stealing IP!*) AI will write screenplays, using entirely stolen information, create movies using fake AI actors and AI music –all so thieving CEOs will never have to pay another artist. True artists will never break through, in this system. Technology created to steal from a nation’s creatives, intent to replace those creatives, is devoutly Satanic.<sup>18</sup>
- XI. **Foreign Interference, Sabotage and Destabilization.** The West has engaged in foreign interference and sabotage, to harm other nations, for hundreds of years. This interference progressively increased in the US, as John W Gardner gained stature. US interference includes (1) sending guns and weapons to gangs and criminals in foreign nations –to keep these nations unstable; (2) aggressively exporting Western pop-cultural propaganda; (3) coordinating to underpay for non-White countries’ goods; (4) sanctioning communist and non-capitalist nations; (5) fomenting unrest, by using the internet/radio/TV to falsely discredit foreign elections or leaders....
- XII. **Cyber Bullies (Nations, Corporations and Private Parties).** With the rise of internet social networks, a percentage of social media users began to target certain other social network users; antagonizing them, hoping to get them to kill themselves. US government agents engaged in these crimes –experimenting, to push “undesirables” to harm themselves. Soon, many US teens and preteens, proving themselves as evil as their parents, began to push their peers to commit suicide.
- XIII. **Freedom of Speech Silencers.** Jesus delivered His truth because He had the God-given right to speak freely. When the High Priest questioned His activities, Jesus said, **“I spoke openly to the world... and in secret I have said nothing”** (John 18:21). Today evil leaders everywhere try to silence free speech. People have the God-given right to speak their opinions and discontent, without punishment.

<sup>18</sup> AI (computer programs designed to provide seemingly unique responses to prompts, based on fixed data) had been a reality for years in 2023. AI became a national story in late 2022 or early 2023, after I attacked AI on Twitter and attacked the Writer’s Guild of America (East & West) for saying AI represented a good thing for writers. The IP thieves at WGA quickly reversed. US AI film and TV companies have already begun to alter thousands of films and TV shows, in effort to backdate, by decades, their theft of intellectual property. Most of the current AI falsification of existing and older films alters dialogue (especially in narration and cutaway shots) to backdate my ideas into pre-existing films.

## **Unforgiveable Mark #14: Child Intellectual and Viral Torture**

In 1964 John Gardner first proposed Head Start, to permanently damage the intellectual functioning of Black and Latino children, 3 to 5-years-old. Between 1965 and today, US Republicans consistently cut spending on most social programs serving Black and Latino youth –but always approved increasing Head Start funding.

Head Start promised parents their children would gain up to 20 IQ points. But, on average, children lost 15-18 IQ points. In the mid 1960s, the US began exporting its Head Start program to countries in Latin America and Africa.

In Origin Stories you learn Gardner, the Rockefellers and UC Berkeley gave my sister and me adult sex hormones and infected us with **mumps** and **measles**, in 1970, to retard our cognitive growth (the probability of getting both mumps and measles in 1970 was 1 in 29,000,000). They also created a coded communication system, delivered in newspaper stories, to share updates of their experiments on us. (The majority of these reporters and *scientists* happened to be Jewish.)

People who created, financed or distributed systems to impair children’s mental capacity, or who give/gave children harmful diseases, hormones or drugs, or the reporters, owners, managers of news services that published coded reports of secret experiments, or suppressed news of the Head Start story (or suppressed any coverage of substantial child abuse allegations), have a mark in their right hands.

## **Unforgiveable Mark #15: The Brianwashers and the Brainwashed: Big Media and the Gangsters, Drug Dealers & Haters They Created**

In the mid/late 20<sup>th</sup> century, the integrated US corporate government created a mass-media brainwashing machine, which used TV, film, radio, internet to mold society’s opinions and aspirations. This system targeted the self interest of the weak-minded, to convince them they were special –or convince them they could become special. Whites were encouraged to view themselves as superior. Blacks and Latinos were encouraged to adopt self/socially-destructive, unrealistic goals: to be gangsters, drug dealers, sports heroes and rappers. (Minorities were encouraged to become *rappers* and *sports stars* because the odds of success were almost zero.)

In the 1960s, Hollywood began to portray Blacks as promiscuous, drug dealers and gangsters. In 1985 the first gangster rap song was released. In 1987, to help gangster rap flood US airwaves and subvert minority kids, the US introduced the *Parental Advisory* (legalizing profane lyrics). Gangster rappers were soon everywhere, bragging about murder, and selling and doing drugs; luring children

into gangs. The US quickly exported gangster rap to Brown and Black nations, via TV, radio, internet... Soon, non-White preteens, the world over, dreamed of becoming gangsters and drug dealers –like their American rap idols.

Meanwhile, 20<sup>th</sup> century researchers learned babies can be taught to hate, by seeing videos of someone of a different race harm a person of their race. <sup>19</sup> In the 21<sup>th</sup> century, US social media companies used this to spread hate; awarding Whites who shared hateful videos and comments many followers.

Those who created or distributed film, TV, websites, radio and music to entice non-Whites to become gangsters, drug-dealers and/or addicts, and/or caused others to become hateful and racist, have a mark in their right hands.

Brainwashed people, everywhere, who became gangsters, drug dealers or addicts, or who became hateful, **because they watched or listened to gangster rap or hateful film, TV, radio or internet content**, have a mark in their foreheads.

### **Unforgivable Mark #16:**

## **Aggregated Data, Spies & Intellectual Property Theft**

The concept of aggregated data is explained in a footnote on page 4. America's integrated corporate government stole this detailed concept from me in late 2006, and began to attribute my ideas to many talentless Whites, by backdating PDFs and web pages. The US immediately tried to actualize my aggregated data system. The first sign of this was the surge in popularity of key giant social media websites (Facebook) and the explosive profitability of key mass internet commerce websites (Amazon). The US allowed Facebook access to so many US citizens (including kids), because the US could better learn to predict each citizens' behavior if citizens were all constantly engaged with one of several well-cloaked social media interfaces. For this, the US allowed Amazon to erase millions of US businesses and jobs.

The US aggregated data system also involved spying on citizens, via cable-box cameras, and hacking into laptop cameras. The spies watched innocent people engage in all aspects of their private affairs, and sold access to desirable subjects to elite insiders who intended to steal the subjects' intellectual property. <sup>20</sup>

Any person who contributed to spying on private citizens in their own homes, or who stole substantial ideas from private citizens anywhere, or who, to support or further IP theft, took credit for conceiving stolen ideas/works, has a mark in their right hand.

---

<sup>19</sup> I once observed a video report of researchers showing White infants react to a dark person harming a White character; the infants' were visibly angry & unforgiving. We might (or might not) assume babies of other races might react similarly.

<sup>20</sup> I was the principle target of this theft system. The thieves stole not only my written works but the semi outlandish things that I (and one or two of my friends and my brother) said in conversations. The most interesting ideas became movies or TV shows, the less interesting ideas, or simple ideas, clever expressions, etc., were promulgated via TV, radio and commercial use.

**Unforgiveable Mark #17:  
Corrupt Kings, Judges, Statesmen and Minority Reps**

The US and Gardner spread corruption throughout the world, by making bribery common practice. In the US Presidents, judges, statesmen, police chiefs all took bribes to not uphold the law, or to subvert justice via delay tactics (the world saw US courts and Congress delay justice in all of the cases of Donald Trump). US minorities (disproportionately harmed by corruption) trusted their representatives; but most often, their reps took bribes and did as their suborners asked.

Presidents, kings, judges, police, statesmen, minority reps, who accepted any form of bribes (gifts, etc) to not uphold the law, or to subvert justice via delay tactics, or to not properly represent their people, have a mark in their right hands.

Any minority rep or covert agent who agrees to become a eunuch to the dominant group (Isaiah 39:7), and secretly acts to harm other minorities (such as American Jews acted to sabotage Blacks and Latinos), has a mark in their right hand.

**Unforgiveable Mark #18:  
Document/Record Falsifiers, and I.P. Thieves: 21**

When you read the John Gardner section (pages 59 & 60), you'll learn the beasts (the US and John Gardner) came into existence by falsifying documents in the late 1940s, in a scheme so audacious it stole the words of Jesus Christ, destroyed a nation, destabilized many nations, degraded tens or hundreds of millions of lives – and damned millions, who arrogantly believed these falsified records. Later, US corporations used Gardner's falsification methods to steal the internet. Hollywood used Gardner's falsification methods to steal IP from children and adults for decades. But all of the mark crimes listed herein follow from this first crime – falsifying documents. Trustworthy records are essential to a functional society.

Any person who falsifies documents to falsify God's word or the history of God's word (e.g., adding fake chapters to the Bible), OR any church, corporate or state officer, employee, or businessperson, who contributes to falsifying documents to alter history, perception or attribution (e.g., falsifying records to cast doubt on Apostle John's work), OR any news/media/social-media outlet owner or employee who omits or hides a story (e.g., conspiring not to report my Revelation solutions, or my Head Start story, or the theft of my I.P....) OR who contributes to falsely decreasing/increasing web traffic or falsely indicating a person's web *traffic*, AND/OR any person, with knowledge of these crimes, who fails to report these crimes, allegations or reports, all have a mark in their right hands.

---

<sup>21</sup> God might prefer to have a human deduce this list of Mark Crimes is to establish, again, that humans know right from wrong. This list is a tool for humans. God, of course, is not restricted to this list. His list may include yet undisclosed sins and unforgiveable crimes.

## The Solution to THE MOTHER OF ALL MYSTERIES: ...That No Man Might Buy or Sell

13:17 is the greatest mystery ever. In my solution, you'll see God reveal his power over time, particularly midway through the 13:17(c) solution (keep an eye on column "C", question #2C, next page; **I highlighted the best part**).

13:17 reads: "And that no man might buy or sell, save he that had the mark, or the name of the Beast, or the number of his name." The challenge of the mystery is to figure out, and explain, how a person living in the corrupt Beast (US) could buy AND sell -AND sell what. In 13:17(A), column A, you must show how to buy AND sell using only a *mark*. In 13:17(B), column B, you must show how to buy AND sell using only the *name of the Beast*. In 13:17(C), column C, you must buy AND sell using only the *Number of his Name*. THEN integrate your businesses. <sup>22</sup>

Here is the 3:17 mystery solution...

13:17 reads: "And that no man might buy or sell, save he that had..."

A. ...the mark...	B. the name of the Beast...	C. or the number of his name
Question #1A: What is a mark?	Question #1B: What is the name of the Beast?	Question #1C: What is the number of the Beast?
a. A divine identifier; b. An internet access device with a display, such as a PC computer or smart-phone; c. a criminal minion; d. a curse or a disease; e. a cure. f. a brand.	a. <b><u>THE UNITED STATES</u></b> b. <b><u>JOHN W GARDNER</u></b> <small>(The Following are also Revelation nicknames for the Beast -the U.S.)</small> c. Babylon d. The Great Whore e. The Mother of Harlots f. The Great City <ul style="list-style-type: none"> <li>The US is called "Jezebel" in Chapter 2.</li> </ul> The solutions continue onto the next page...	A. <b>50</b> ( <i>His name, "United States," refers to the 50 united states</i> ). B. <b><u>XES</u></b> C. <b><u>XES</u></b> ; D. 600+60+6; E. 666 (B,C , D and E represent a group of 666 people)

<sup>22</sup> I omitted the 6<sup>th</sup> and maybe 7<sup>th</sup> solutions to 13:17 question #1C, because the solution(s) was/were a spoiler. I reveal the omitted solution(s) in the Number of the Beast section and in the complete solutions section, at the end.

<p style="text-align: center;"><b>A.</b></p> <p style="text-align: center;">Question #2A: How can you buy AND sell with a mark?</p>	<p style="text-align: center;"><b>B.</b></p> <p style="text-align: center;">Question #2B: How can you buy AND sell with the <i>name of the Beast?</i></p>	<p style="text-align: center;"><b>C.</b></p> <p style="text-align: center;">Question #2C: How can you buy AND sell with the <b><i>number of his name?</i></b></p>
<p><b>To sell:</b> Amy will need her <i>mark</i> (criminal minion) to sell the <i>mark</i> (curse), or <i>mark</i> (cure), online, using her <i>mark</i> (internet access and display device). Any will sell with a smart-phone, because they come with cameras and video camera –good for internet marketing.</p> <p><b>To buy:</b> In this situation, Amy needs digital money. Since she can only buy using a <i>mark</i> item, her only option is to use her <i>mark</i> (internet device) to mine for crypto-currency. If she started early, back in 2009, she could've made good money, fast; but today, 2024, crypto-mining is slow going, unless she has a big server mark (internet access device).</p> <p style="text-align: center;">Finished.</p> <p>The solutions continue on the next page...</p>	<p>The Beast is the United States. So, <b>TO BUY</b>, you can use cash (<i>United States</i> printed on each bill). <u>But how will you obtain cash or US currency?</u></p> <p>If you're the most evil genius, you do what John Gardner did, and get an insider, like Milton Friedman, at the <b><i>United States Federal Reserve System</i></b> –the system that distributes money into the US economy.</p> <p>Now Milton can steal money, because reserve banks earn their own money by distributing earning of open market accounts; they can lend to banks, issue bank notes (<u>distribute cash</u>), process transactions, purchase obligations of non-bank entities, manage federal deposit accounts, and keep up to \$7.5-billion cash on hand. Now Milton can send cash anywhere (or credit cash to any federal bank account).</p>	<p>There are 50 states referred to in the name <i>the United States</i>.</p> <p>If the average Joe wants to make money in the US, he needs to start a business.</p> <p>Opening a business in the US is done at the state level, in any one of the 50 states.</p> <p>After Joe applies for a <b>state business license, or entity number</b> for his new business, the Secretary of State office, or the commerce office or business office will issue Joe a <b>state business license number, in both <u>his name</u> AND in <u>his business' name</u></b>; hence: <b><u>the Number of his Name!!!</u></b></p> <p>❖ Impossibly Genius!</p> <p>And to get this information, back in 95 A.D., God &amp; Jesus had to travel 1900 years into the future, and back.</p>

A.	B.	C.
<p>(Complete)</p>	<p><b>To Sell:</b></p> <p>But what will Milton sell?</p> <p>All Milton has are 6 names for the Beast (the four names he hasn't used yet are: <i>Babylon, the Great Whore, the Mother of Harlots, and the Great City</i>). Hmm...</p> <p>So, Milton is going to have to take <b><i>Babylon, the Great Whore, the Mother of Harlots,</i></b> and put that whore to work on the streets of <i>the Great City</i>. Now Milton is selling like a citizen of the Beast.</p> <p>Pretty soon the money is coming in faster than it can be counted. If you're John Gardner, you're going to want to bribe four of the seven members of the US Federal Reserve System's Board of Governors, to keep the system safe.</p> <p>(Some of this was humorous, but it is fairly accurate –and it is what, I believe, God intended.)</p>	<p><b>Buy &amp; Sell:</b></p> <p>Now Joe has a business license and name, but nothing to buy or sell. So he must return to the question: <i>number of his name?</i></p> <p>The name of the other Beast is <i>John Gardner</i>. The number of <i>his</i> name was 666, and it represents 666 corrupt Congressmen, Justices, judges, and business CEOs, who love to be <b>bought and sold</b>. With the <i>Number of his</i> (John Gardner's) <i>Name</i> (the 666 elected leaders, CEOs, judges, Intel chiefs, etc, in Gardner's crime ring) Joe can make big money, and break any US white collar law. But he's going to have to pay; these 666 elite cheaters aren't cheap. But once Joe bribes them, their influence is transferable –he can sell it, as often as he likes, as long as he calls Justice Roberts (or whichever judge or congressman he buys), in advance to tell them how to vote!</p>

Part Two of this solution begins on the next page!

***“That No Man Might Buy or Sell”***  
**13:17 SECOND HALF CHALLENGE!**  
**Now Integrate Your Businesses**

Thought we were finished, just because God and Jesus revealed They control time itself?

Nope.

Now God and Jesus want me to show how to integrate these businesses, just like the Beast (John W Gardner) did with help of Gardner’s 666 associate, Milton Friedman.

In the previous mystery challenge, I created businesses, which were able to buy and sell, by using just one abstract noun each; either (1) a mark; (2) the name of the Beast; (3) the number of his name. Now the challenge is to integrate these businesses, to really make money.

Did you figure out the solution?

Here it is...

You have three business:

<b>A.</b>	<b>B.</b>	<b>C.</b>
A mark business, selling Curses and cures (inoculations) online, using crypto-currency.	A high volume cash theft system, which effectively steals money from the U.S. Federal Reserve System, supplemented by selling a prostitute named Babylon.	Selling access to corrupt elected officials and business leaders.
<b>Question #1A:</b> How can you integrate business A with businesses B and C?	<b>Question #1B:</b> How can you integrate business B with businesses A and C?	<b>Question #1C:</b> How can you integrate this business C with businesses A and B?
<b>Huge Hint:</b> Do what the Beast (John Gardner) did...	<b>Huge Hint:</b> Do what the Beast (John Gardner) did, with Milton Friedman’s help...	<b>Huge Hint:</b> Do what the Beast (John Gardner) did, with Milton Friedman’s help...

Continued on next page

Now, to integrate the businesses, Milton is going to send Babylon over to Amy's place, for Amy to shoot some porn videos, featuring Babylon, using her mark phone camera. But Babylon can't make porn videos alone, so Joe is going to bribe some celebrities from the 666 to go to Amy's place and make some porn with Babylon. There's a strong demand for weird porn, on the dark web, or whatever, so they're going to make some deviant porn too.

To support this, Joe is going to file legitimate state business registrations for Milton and Amy's businesses. Joe takes his unused number of his name, **XES**, and turns it upside down, **SEX** spelling sex. Joe gives the business name and logo to Milton, for his new mainstream porn channel, featuring Babylon. Joe takes the other symbol, **XSS**, and flips it upside down: **SSX**. Now the symbol looks like the word sex with a backwards "e" or a "3" where the "e" should be. The backward "e" looks like it represents deviance. "*Deviant sex!*" the perfect name for Amy's new deviant porn internet business.

Because Milton is best suited to manage the money, Amy agrees to manage the porn production and distribution. But, due to the illegal content of the deviant porn videos, the deviant videos will only be able to be accessed and monetized with untraceable crypto-currency. Milton takes all three of the business registrations and creates federal accounts for each of the partners. Now Milton can use the Federal Reserve Bank to transfer money between accounts. Milton links the new accounts to a Coinbase centralized exchange, to convert the crypto earned from Amy's deviant porn site into real currency.

Brilliantly, God and Jesus made the 13:17 mystery solution explain how Gardner and Friedman committed their crimes, and destroyed America.

This is how John Gardner and the 666 *literally* led America to Hell, for decades. So literally that God had to create new "mark" crimes for all the crazy new porn and hate producers, distributors and addicts.

**NOTE:** To be clear, NO, Gardner and Friedman did NOT use crypto-currency. Crypto came later. Gardner and Friedman used shell companies. In this example, I used crypto because many modern/current U.S. politicians and judges may prefer crypto, and some young readers may not be familiar with shell companies.

# 13:18

## THE THIRD AND FINAL BEAST:

### John W Gardner

Aided By His Faithful Servants,

Milton Friedman and William H Webster

If you read Origin Stories, you'll learn how John W Gardner (JWG) came to power, helped steal cable TV, then helped the cable industry trick America into paying to run cable wiring around America. But Gardner was much more than a brilliant con man. He was the man most responsible for creating America's cable TV and internet systems, and most responsible for using those systems to subconsciously tout American and Western greatness. In short, Gardner taught the world to *worship the beast* of America.

Born eight days apart, in 1912, John Gardner and Milton Friedman were two of the six leaders of the 666. To understand John Gardner's evil "success," you have to understand his relationship with Milton Friedman. Friedman had some economic prowess, but Gardner chose Friedman for the 666 due to Friedman's knowledge of how the US Department of the Treasury operated.

Between the late 1960s and late 1970s Milton Friedman transitioned into creating and managing John W Gardner's shell companies. We know this because, before the late 1960s, John Gardner only had one or two shell companies, which he used repeatedly, and they were not based in Florida. Milton Friedman, on the other hand, swore my Florida shell companies, and he liked to make a LOT of shell companies. By the end of their lives, Milton Friedman and John W Gardner had about 150 shell companies, each.

Friedman's value to Gardner was that he was an advisor to one or more high level US Treasury executives in the 1940s, thus, he had a great understanding of US banking systems. Because Gardner worked with 666 people, he hoped to use the United States Federal Reserve System to funnel payments to himself and Friedman, for their advice and assistance.

A year before Friedman retired from the University of Chicago, Gardner arranged for Friedman win the 1976 Nobel *Memorial* Prize in Economics, for his *consumption theory* (a theory nobody was talking about before the bogus award).

Immediately after retiring from the University of Chicago, Friedman

moved to San Francisco, about 25 miles from John Gardner, and joined Gardner on the Stanford University faculty, at the Hoover Institute. Friedman got a much more important appointment, in 1977, a *visiting scholar* position at the US Federal Reserve Bank of San Francisco, a position he kept until his death. At the Federal Reserve, Friedman coordinated payments to his and Gardner's many shell companies, and helped perfect Gardner's organized crime machine.

Federal reserve banks earn their own money from distributing earning from the System Open Market Accounts. Each of the twelve US reserve banks can keep up to \$7.5-billion on hand, lend to banks, issue bank notes (distribute cash), collect and clear payments between banks, purchase obligations of non-bank entities, and administer US government deposit accounts. At the SF Fed, Friedman was able to authorize payments of banknotes to his and Gardner's shells (and to any other entities he chose to pay) by transferring Open Market Account earning to selected deposit accounts, or by having the Federal Reserve Bank give them money and declare it a purchase obligation.

But Friedman was not Gardner's only person in the U.S. Federal Reserve. Four of the seven Federal Reserve's Board of Governors were members of Gardner's 666. This arrangement was necessary to finance Gardner's payment for masterminding the biggest heist in world history.

In 1977, an unexpected technological advance created a chance for Gardner and Friedman, both rich men, to become much richer.

In 1977 Japanese inventors introduced the world's first two-way cable TV system, which allowed customers to receive 30-60 TV channels, including pay-on-demand, with features like interactive TV polling, text messaging and credit card payments; **all way back in 1977**. The system, called QUBE, was a cable TV system and a central internet computing system –in one. The first true internet. In a stroke of fortune for US criminals, the system was introduced in the US, after a US cable executive asked Sony to try their hand at an experimental cable system for US markets. What Japan created was staggering.

QUBE was created by Sony, under a false Pioneer label (Pioneer was a Japanese company). This scheme was probably necessary because Sony's revolutionary *Betamax*, 1975, was so far ahead of US technology that it put Sony at odds with the entire US film industry, and led to an 8-year legal battle.

QUBE was released in Columbus, Ohio, in December 1977. The system was a huge hit. Quickly, the cable industry knew a QUBE-like TV or internet system

would revolutionize computing or TV, and bring commerce right into people's homes. During this period, every month, Japan seemed to produce a new product that was far more imaginative than anything America produced. And QUBE was simply the most imaginative product ever.

So, rather than graciously thanking Japan for the brilliant gift (and accepting another humiliation), the US military and cable industry had an idea: "Let's steal the cable/internet from Japan, before they realize what they have!"

But to steal credit for creating the greatest invention of the second half of the 20<sup>th</sup> century would take a proven evil genius. So the cable TV industry turned to the greatest criminal genius in history, the Beast: John W Gardner.

Allowing Gardner and Friedman to regularly rob the Fed was likely done to pay Gardner for making the theft of the internet look like an immaculate act of collective Western genius.<sup>23</sup> I can't tell the full story of how Gardner helped steal the internet here (I researched, wrote and posted a rough version of this story at [www.TheZoneResistance.com](http://www.TheZoneResistance.com), where you found this report). But I can say, the theft went flawlessly. To reinforce the hoax, Gardner created elaborate false back-stories about how the internet was created, and saw to it that frauds like Tim Berners-Lee received medals (Gardner loved medals).<sup>24</sup>

**WILLIAM H WEBSTER.** William H Webster was the Director of the FBI from 1978 to 1987; Director of the CIA from 1987 to 1991; Chairman of the Homeland Security Advisory Council from 2005 to 2020. John W Gardner, from 1978 until his death in 2002, relied on no one more than William H Webster to protect Gardner's 666. Webster played the corruption game perfectly, and created around 100 shell companies during his life, to receive payments from Gardner and the 666, for ignoring their crimes.

---

<sup>23</sup> Circumstantial evidence suggests Gardner and Friedman were homosexual partners. As I wrote this I learned (1) Satanists are disproportionately homosexual (Gardner was clearly a Satanist) (2) Satanists gravitate to groups who are powerful and wealthy, particularly supremacist groups. The evidence of Gardner's and Friedman's homosexual relationship includes the following facts... In 1968, Gardner moved to the California campus of Stanford University, where he lived for the rest of his life (and served on the board of trustees until 1982). In 1977, Friedman retired and moved to the Russian Hill neighborhood of San Francisco (25 miles from Gardner). Friedman receiving a "visiting scholar" position, at the San Francisco Fed, as he did in 1977, was odd, because he had no reputation in California; advancing to the Chicago Fed was more likely because Friedman taught economics at the University of Chicago for 30 years (at the Chicago Fed, Friedman could have deposited money directly into his and Gardner's accounts, just as he did in SF). As Friedman arrived in San Francisco, in 1977, Stanford University, offered Friedman a position at The Hoover Institute. This provided Gardner and Friedman daily contact. Prior to his retirement, Friedman had never lived or worked on the West Coast. (NOTE: Homosexuality occurs in nature. This may be why Revelation and the Mark Crimes do **not** address homosexuality. However, God is very much against promiscuity. I suspect the many homosexuals involved in Satanism reflect Satan's preferences/orientation. I also suspect most Satanic homosexuals and bisexuals are converted after becoming Satanists –a sacrifice, exchanged for wealth and power. Unless the US disinformation managers have removed the articles, you can find some troubling first hand reports of Satanic rituals and sexual practices, which include pedophilia, on NewsPapers.com.)

<sup>24</sup> Once foreign nations were connected to US internet and cable systems, the US began stealing their technology –but strategically and preemptively accusing the foreign nation(s) of stealing US technology. These preemptive false accusations made America look like the actual conceiver, made US intelligence seem peerless, and likely caused infighting among US adversaries.

# The Number of the Beast

By now you know John W Gardner was the third and final Beast.

John Gardner's number,  $600+60+6$  (or the 666), *the Number of the Beast*, represented the easiest means to permanently control wealth and power in the United States.

The 600 represents the bottom tier of a three-tiered organization, comprised of 600 of the most powerful, currently serving US business CEOs, state elected leaders, and appointed officials. The 60, the middle tier, represents 60 active and currently serving federal elected officials, Justices and banking chiefs. The final 6 represents the six original leaders of the 666, who were all currently serving CEOs, judges, economists or statesmen. Three of the original six leaders of were White Anglos, three were Jewish.

It is possible that John W Gardner (JWG) began organizing his 666 before he became CEO of the Carnegie Corporation of New York, in 1955. The 666 achieved full and dominant power in 1963 or 1964, after JFK was assassinated. In 1972, when Lewis Powell ascended to the Supreme Court, the 666 became an overwhelming juggernaut.

Gardner became possibly the most powerful man in America, in August 1965, when he became the US Secretary of Health, Education and Welfare (HEW), and simultaneously CEO of the Carnegie Corporation. Gardner's first full year as US HEW Secretary was 1966. Gardner also served a full year as HEW Secretary in 1967. But in April 1967, Gardner stepped down as CEO of the Carnegie Corporation, so the only full year that he presided over, both, the Department of Health, Education and Welfare and the mighty Carnegie Corporation, was 1966.

Gardner resigned from Carnegie in 1967, and resigned as US HEW Secretary in the spring of 1968.

Why?

He had bigger plans.

John Gardner only saw himself as a business leader and the leader of the 666 until 1966. After that he saw himself stepping down as CEO, and stepping into the full time role of undisputed leader of the 666, as “67”.

Once Gardner stepped down as CEO of Carnegie (a company he did not own), he could no longer be an official member of his 666, but he *could* oversee operations as 67, leader of the 666, paid to advise and direct.

Gardner would make much more money as the external leader and chief strategist of the 666, paid through shells and U.S. Federal Reserve System payments (although Gardner’s Federal Reserve payment system may not have been operational until circa 1977). Hence, Gardner resigned as CEO of Carnegie, in April 1967, to amass more power and make much more money.

The 666 in Gardner’s name were the 18 letters in his name, 6+6+6 = **John William Gardner**. But there was another important set of numbers in his name. The alpha numeric total, of Gardner’s last name is 67: G-7, A-1, R-18, D-4, N-14, E-5, R-18.

Again, Gardner quit Carnegie in 1967, but remained HEW Secretary until 1968, because 1967 was the year Gardner planned to end conventional CEO duties, to oversee the entire 666. 67 represented Gardner on top of everyone, as his actions indicate he had always seen himself.

**Gardner’s 666 is a group of 666 wealthy and powerful people, who primarily used the Republican Party to maintain power. But, YES, some Democrats are members of the 666** (there are also Black and Brown members of the 666, like Barack Obama; as long as they accept bribes, and put the interests of White Westerners and themselves above all others, the 666 will allow a few Black and Brown politicians to thrive).

Due to the system’s reliance on selfishness and greed, it is possible for all members of the middle and bottom rungs (the 60 and the 600) to be members without knowing they are members. Again, to be a member, all that is required is (1) a willingness to engage in corrupt activities for personal gain, and (2) uphold the agenda: White Western supremacy.

In the 666, the preferred forms of bribes are:

1. Money through shells
2. Board positions, which pay hundreds of thousands or millions annually,

and which allow corporate officers, who should not be talking to other corporate officers (anti-competitive conflict of interests), to engage with each other and competitors.

3. Cash
4. Large campaign donations
5. Lavish “gifts”
6. Crypto
7. TV time (elected officials and businessmen often take their bribes in the form of TV air time, because national air time can cost millions)
8. Fake social media “hits”
9. National print press coverage

Recently, some 666 politicians have started to take their bribes in gold bars, because gold is untraceable.

Because this system is self sustaining (every year politicians clamor to get more bribes), **none of the parties (except the leaders) need to know they are members of the 666**; they *are* simply because they accept bribes.

### **The Number of the Beast**

Gardner is the man credited with conceiving the 666, BUT  $\overline{\chi\xi\varsigma}$  is a number given to the Beast (Gardner) in Revelation, 1800 years before he existed.  $\overline{\chi\xi\varsigma}$  are three Greek alphanumeric symbols which, in Arabic numerals, read: 600+60+6.

Exactly what is the 666, and who’s in it?

Gardner’s 666 is a method to maintain power: Again, 666 represents the easiest means to permanently control wealth and power in the United States –by controlling elected politics, the media, money, defense, intelligence....

### **The 6**

The number 6, the final number in the expression 600+60+6, represents the six original leaders, the executive branch, of Gardner’s 666: **John W Gardner, Nelson Rockefeller, William S Paley, Henry Kissinger, Milton Friedman, and William J Brennan**. Unlike the 60 and the 600, who may not know they serve deceit, evil and Satan, all of *The 6* understood this.

I’m not sure if the 6 founding *executive* positions remained vacant after the original 6 retired or died. I strongly believe these positions were filled. It is

probable that John C Malone became the leader of the 666, after Gardner died.

Donald Trump is the current leader of the 666, with or without The 6. Trump's 400+ shell companies dwarf John Gardner's roughly 150 shells.

The original 6 were, by far, the most evil, powerful and effective business force in world history. The new generation is just as evil, but **much less** intelligent, less organized. That's how it is when your values are deceit, theft and greed –not accuracy, excellence and hard work; your reference and standards are always falling; each successive generation is measurably more inferior, more reckless and dangerous, until it all implodes or explodes.

### **The 60**

The 60 are: (1) FIFTY US Senators (half of the Senate, usually Republican, but sometimes they have to use a few Democrats); (2) FIVE Supreme Court Justices; (3) ONE U.S. President; (4) FOUR members of the U.S. Federal Reserve System Board of Governors.

Every US President since Richard Nixon (maybe Johnson) has been a member of Gardner's 666. The President is NOT the most powerful member of the 666. Yes, Presidents have the most power, in the short term; but if a President defies *The 6* (the people who control American political spending) *that* President will not be re-elected. Candidates who do not agree with the goals of the 666 will not receive campaign funding.

### **The 600**

The 600 are a large group of private, federal and state forces.

The 600 include: 218 US Congressional Representatives (218 is a simple majority of Congress; most are Republican, but plenty of Democrats have been in the 666), FBI Director, CIA Director, Homeland Security Director, Fed Chair, Director of the FCC, CEOs of all (or certainly most) top 100 US companies, key state and federal appellate judges, key governors, key secretaries of state, Big 6 film and media companies, the Librarian of Congress, major U.S. banks and financial services, major defense contractor CEOs, US military chiefs, Big Tech CEOs, major oil companies, the Postmaster General, the Registrar of Copyright, top US universities, top US law firms, top US newsprint publisher CEOs, top book publisher CEOs. Because visual tech (TV, film, social media) fuel the US, visual tech CEOs have more influence than most members of the 600.

## Who Are *Gardner's* 666 Today?

My educated guess is, today the top **6** are probably:

1. Donald Trump
2. Benjamin Netanyahu
3. John C Malone
4. Michael Bloomberg
5. Rupert Murdoch
6. Elon Musk (or Warren Buffet)

**Hint:** The CEOs who get the most good free media coverage, and medals and awards are the bosses.

If Bloomberg TV likes you, you're corrupt.

The **60** are:

- a. The current US President Joe Biden,
- b. Five Supreme Court Justices (led by John G Roberts Jr.),
- c. 50 US Senators (usually all Republican)
- d. Four of the U.S. Federal Reserve System Board of Governors.

The **600** are probably:

If I were a corporate crime boss, out to steal money, here's who I'd get:

- |   |  |   |
|---|--|---|
| 1. 218 US Representatives;                      | 11. Sec of State Anthony Blinken;          | 23. Top 6 computer, TV & phone mfg CEOs;  |

# The Secret Crimes of John W. Gardner

## PART 1: Creating Israel by Corrupting the Bible

After World War II, Gardner, a psychologist, was hired by the Carnegie Corporation, in 1946. Three years later, in 1949, Gardner was promoted to vice president of Carnegie. How did a man with no business experience become VP of the great Carnegie in 3 years?

In WWII, in the OSS, Gardner proved to be a brilliant strategist and problem solver. The biggest problem after WWII was where to relocate Jews who felt unsafe in Europe? There was no public spirit for forcing Jewish settlers on the Palestinians. So Gardner proposed creating fake Dead Sea Scrolls to change the public mood. Gardner led the hoax and wrote the fake Isaiah and Habakkuk chapters. The scrolls served 6 primary goals: <sup>25</sup>

1. The fake scrolls added 27 chapters to Isaiah (chapters 39-66). <sup>26</sup>
2. The fake chapters said Jesus would return after Israel was restored (chapters 43 and 44). This would get Americans behind creating Israel, to hasten Christ's return. In truth, the West wanted to create Israel to protect their regional oil interests, and to undertake business and military actions that were illegal under any Western flag.)
3. To increase the credibility of the fake chapters, Gardner backdated **6** of Jesus' original quotes; inserting them in **6** fake Isaiah verses. Inviting the logic: *If Jesus quoted the lost Isaiah chapters, they must be real!* So, today, Jesus' words are falsely attribute to the fake Isaiah verses. (See Isaiah 53:12, 54:13, 56:7, 61:1-2, 66:24).<sup>27</sup>
4. The scrolls created many false verses, stressing Jews were *chosen* –special and better than everyone –a corruption of God's use of “chosen” in Deuteronomy 7:6.
5. The new Isaiah chapters **falsely alleged God would forgive any crime Jews committed** (43:25, 44:22...), and **falsely depicted God as a racist, alleging He'd ransom thousands of Brown Arabs and Black Africans for one Jew** (43:3, 4).<sup>28</sup>
  - Psychologically, this was added so Israeli Jews would feel safe to commit any crime.
6. The hoax added two chapters to Habakkuk (ch 1 and 2). **Chapter 1 portrayed people of Arab descent** (from Chaldea: Syria/Iraq) as **blood-thirsty savages** (1:1-11). Chapter 2 falsely shows God promise Arabs (the Middle East) the “remnant” (Jews and Anglos) will punish/plunder the Arab world, maybe forever (see 2:2-8).

One of the worst flaws in Gardner's hoax comes in his first fake chapter. In Isaiah 40:22, Gardner writes of God sitting “above the **circle** of the earth”. But the true book of Isaiah was situated many centuries before the world knew our Earth was round. Nowhere

<sup>25</sup> Some of the other Dead Sea Scrolls falsely indicated Revelation was written around A.D. 70 (instead of circa A.D. 95), to falsely imply the Apostle John did not write Revelation, to undermine Revelation's credibility. But in John 21:21-23, Jesus tips us He would return to give John God's Revelation, telling John and Peter that John will *remain* (stay alive) until Jesus returned. John outlived the other disciples.

<sup>26</sup> In Isaiah 66:6, Gardner falsely invokes God to promise to “repay His [Gardner's] enemies: non-whites and non-capitalists.

<sup>27</sup> Fraudulently legitimizing fake documents, by backdating and cross-referencing, became standard IP theft practice for Gardner's 666, in Hollywood. I reported and described dozens of instances of this in Briggs v Cameron –the FBI, judge and US authorities did nothing. See my filings against James Cameron and 20<sup>th</sup> Century Fox, for examples. In some of the stolen verses, Jesus gave us divine insight (Mark 9:44, “...where their worm does not die...”), undone by attributing the verses to Isaiah.

<sup>28</sup> Gardner's favorite number was 6. His placement of key chapters/verses indicates: his second favorite number was 4; 3 was his third favorite; 2 was his fourth. 4 divides into the year of his birth (12) and the day of the month (8) of his birth. 3 divides into his birth year and 6. Two divides into his birth year, month, day and 6. Gardner's numbers, based on his name or birth date, reveal his self-obsession.

else in the Bible is this revealed. Even in Revelation 21:1, where John sees New Earth and says old Earth had died, God and John are careful not to reveal that the Earth is round.

April 10<sup>th</sup>, 1948, Millar Burrows announced the finding of the Dead Sea Scrolls, purportedly found by Bedouin shepherds, in caves in the West Bank, Palestine, in 1946.

A month later, May 1948 Israel was formed, with America's support.

In 1949, Gardner became vice president of Carnegie.

The original and true book of Isaiah ended at chapter 39.

With Gardner's 27 fake chapters, Isaiah now ends at Chapter **66**.

The third 6 in this scheme is the Star of David, with 6 points, and no history in Judaism. When I started this report, Wikipedia's *Star of David* page explained there was no such star in Jewish history, except for an unexplained orange and yellow star that may have appeared in a 17th century painting. As I approached completion of this, Wikipedia added many *unknown* examples of the star in Jewish history. The problem... the Star of David is not mentioned in any commonly known literary sources, for 3000 years. Also, why would an unknown star be chosen over a simple flag with 12 stars, representing God's beloved 12 Tribes of Israel? **Solution:** Because Gardner wanted a 6-pointed star, with 2 interlocking triangles, representing the three Anglo leaders of the 666, and the three Jewish leaders.<sup>29</sup>

## PART II: The Gardner Assassinations

From 1963 to 1968, as Gardner rocketed to power, three of America's most notorious assassinations occurred. I believe Gardner conceived and actualized (paid for) the assassinations of US President John F Kennedy, Dr. Martin Luther King, Jr., and Robert F Kennedy. (See the footnote below for a bit more information.)<sup>30</sup>

This theory has what the prior theories lack: a very plausible motive.

Why would Gardner kill the Kennedys?

**Solution:** Because America's first Catholic President would not let Gardner near his administration. This blocked all of the goals of the 6 leaders of the 666. A few months after Kennedy's assassination, Gardner formed an *Educational Task Force* for President Johnson. A year later, 1965, Johnson made Gardner the *US Health, Education and Welfare (HEW) Secretary*. From there, Gardner implemented his national Head Start program.

Why would Gardner kill Martin Luther King, Jr.?

**Solution:** To control social messaging to and about Black Americans. After MLK was killed, Gardner and the 6 leaders of the 666 chose all of America's Black leaders and entertainers, by simply dictating who got TV air time, and film and music deals. For money and *audience access*, Gardner's fake Black leaders and artists (Jesse Jackson, Obama, Sharpton, Spike Lee, Prince, Dr. Dre, Jay-Z...) obediently followed all orders.

---

<sup>29</sup> Because the West "found" so many questionable scrolls over the years, all biblical scrolls found by the West going back to the 12<sup>th</sup> century should be rejected. All questionable text going back to 8<sup>th</sup> century BC should be reevaluated.

<sup>30</sup> I have no hard evidence here, but the circumstantial evidence is strong, as is the *numerical* support. Gardner liked his twin integers (numbers like **66**, with the same number in the ones and the tens column); JFK was killed on November 22, 1963 –November is the only twin integer month; 22 is also obviously a twin; MLK was killed on April 4<sup>th</sup> (**4/4** or **44**), 1968; RFK was killed two months later, June 6 (**6/6** or **66**), 1968.

# THE COMPLETE *REVELATION* SOLUTIONS/INTERPRETATIONS

I found over 250 mysteries in the book of Revelation. The mysteries would total between 400 and 500, if I didn't group multiple related mysteries into single solutions. For example, the Chapter 1 *prayer/song timeline* mysteries could have been dissected into about 30 mystery questions, but I split the mysteries into about 7 seven questions, and made a separate visual prayer/song timeline (see the *Authorization* section, page 151-154 –this is one of the most amazing solutions).

These solutions solve all of Revelation's major and secondary mysteries; unsolved for 1900 years. These solutions **identify the exact day of 2024 that God will destroy the US (and possibly the West)**. Many of these solutions inspire new mysteries, which invite new solutions, which lead to new mysteries, and so on... This may be God sharing His infinite nature. Because these subordinate mysteries seem to go on forever, I had to limit my solutions to the primary and secondary mysteries, those that flow from the text.

In my previous publications of this report (November 2<sup>nd</sup> to December 31<sup>st</sup>, 2024), I did not realize that I had not fully solved the Chapter 2 mystery, and I hadn't even found the chapter 18 and 21 mysteries. This report fully solves these mysteries. **Chapter 2 names the exact day of February 2024 that the US will be destroyed; Chapter 18 names the exact hour. Chapter 21 names the exact day of the Second Coming.**

Many of these mysteries have several, or numerous, correct answers. I suspect God did this to emphasize the importance of creative intelligence.

Although I call this the "Complete Revelation Solutions" section, there are a few (5-10) solutions revealed in the *Authorization* section and the expanded solution section, 138-144.

I view a mystery as a central story detail that is, seemingly deliberately, constructed to cause readers to wonder about certain peculiarities. There are many other questions insinuated by the Revelation text, most of which I address, although some of these questions are not exactly mysteries.

- Chapter 13 has to be the most compelling and incredible mystery, but Chapters 9 and 11 are also amazing, as are Chapters 7, 8, 15 and 17.
- If you are wondering, the hardest chapter to solve was 13, because of 13:17. If the 13:17 mystery is excluded, Chapter 17 would be the hardest; next, probably Chapter 9; then Chapter 1...
- By FAR, the hardest mysteries to actually *find* were chapter 1, 2, 3, 18 and 21. I thought these were all just regular chapters for months. Chapters 18 and 21 were the last mysteries I found (January 2024), and the last solved. So, 18 and 21 might be considered the hardest to solve.
- The solutions to chapters 1, 3, 8, 9, 11, 13 & 21 are extremely important.
- **Chapter 2 and 18 are absolutely urgent to all of *God's people*** (good people, who have been kind to others, who have not spread hate or looked upon other with hate) alive between January 13<sup>th</sup> and February 23<sup>rd</sup>, 2024, especially those living in the United States.
- Some of these solutions lead to new mysteries, sometimes to many mysteries. In most of these cases I solve the sequential mysteries under the original *mystery question*, so the numbered initial mystery questions are those that are suggested directly by the Revelation text.
- If you, like me, find some of the solutions (or mysteries) amazing, attribute that to God and Jesus; not me.

In the following mystery solutions, the chapter numbers are located left of the colon (:); the verse number(s) are found on the right. Unless otherwise indicated, all of the following chapter and verse citations refer to chapters and verses of the Bible's book of Revelation.

The mysteries are numbered and framed as questions to make their solutions/interpretations easier to follow. The verse numbers are given, but, to reduce the length of this report, the actual verses are not usually written in the question or solution. Thus, you should follow along with a Bible.

There are several overview questions, near the end of the solutions, which address various overarching questions or points I thought were significant. Some of these are arguably not mysteries.

A heavily edited variation of the Chapter 13 solutions, presented in the previous section, is presented in these Complete Revelation Solutions. To reduce redundancy, some of these solutions refer to the previous Chapter 13 Solutions.

## Chapter 1

### **1. What is the primary purpose of Chapter 1?**

- a. Chapter 1 is a prayer, song and ceremony timeline (please see pages 151-154 for details and visual timeline), which shows how God receives and appreciates our prayers, songs and ceremony.
- b. Chapter 1 also subtly introduces the fact that Revelation is about mysteries, symbolism, numbers and prophecy.

### **2. Chapter 1 features the word “seven” twelve times, each time incorporated into one of four expressions: *Seven Churches*, *Seven Spirits*, *Seven Lampstands*, *Seven Stars*. What is the purpose of these four “seven” phrases?**

- a. As explained later in the *Authorization* timeline section, pages 151-154, two of these phrases, in verse 4, are conceptual *transmitters* (or *conduits* or *relay* points), which transmit prayers and songs later in the Revelation story; the other ten occurrences of these phrases are timeline markers of spiritual events that occur later in the story. The first transmitter in verse 4, the phrase “Seven Churches”, is used to relay group/Church prayers to God; the second transmitter in verse 4, the phrase “Seven Spirits,” is used to relay individual prayers (and transmit God’s response). This layout represents the different communications pathways between humans and God. The prayer responses in Revelation show God appreciates both forms of prayer (private and group/Church prayer). Praying together magnifies our prayers. But individual prayers are also received and very welcome. Revelation informs us that God does not acknowledge the false Churches. Thus, prayers that are made in any of false churches are received as individual prayers, in the Seven Spirits pathway, and not the Seven Churches pathway. (See pages 151-154 for more.)

### **3. What is the purpose of the “relay” (or “conduit”) and timeline marker points in Chapter 1?**

- a. They show how much God values the Church, and our prayers, songs, and ceremonies.
- b. They help establish my authorization to act under the identity of “4”. (See Authorization section, pp 145-160.)

4. **What is the symbolism of Jesus amid the lampstands, at 1:13?**
  - a. The meaning is Jesus binds the Churches to God, and He is the light of the Church (the lampstands).
5. **Why does John report that Jesus' feet were "like unto fine brass, as if burned in a furnace"?**
  - a. Because part of the point of Revelation is to show that neither Jesus nor God were White (as they are improperly presented in most of the Christian world).
6. **Why is it so important that, in 1:20, Jesus informs us Lampstands represent churches?**
  - a. This, and the Stars in Jesus' hand, at 1:16, inform us that Revelation will utilize symbolism.
  - b. Later, this helps us interpret 11:4, and understand God has a deep and active relationship with Islam and Judaism.
7. **What else about 1:20 is of central importance to Revelation?**
  - a. Verse 1:20 prominently features the word "mystery" (second word of this verse), presents two symbols (stars and lampstands), and explains the meaning of the stars and lampstands. These are deliberate clues that there will be mysteries and symbols ahead, and these clues inform readers that the solutions are often linked to the symbols –which have specific meanings (often multiple specific meanings).

## Chapter 2

**Preface to the Chapter Solution...** The single Chapter 2 solution, solving mystery question #8, which, among other things, tells us when God will destroy Babylon (the US –and possibly the West), is the longest single solution –about 13 pages. There are related or subordinate questions asked and answered along the way, but these are not independent mysteries; all of these related questions flow from the original mystery question (#8).

In all of my prior Revelation solution report updates, published between November 2<sup>nd</sup> and December 31<sup>st</sup>, 2023, I said Chapter 2 was a timeline of the

first years of the third millennium (2001 to 2999).<sup>31</sup> This was generally correct, but Chapter 2 is much more. Chapter 2 is TWO VERY SPECIFIC timelines. In my prior reports, I explained I deduced it was a timeline because a few verses (including verses 8 and 9) paralleled my life in 2008 and 2009. That was mistaken (but led to the correct solution). The events that the Chapter 2 timelines actually refers to, of course, are much more significant.

## **8. WHAT IS THE PROPHETIC/REVELATORY PURPOSE OF CHAPTER 2? (Or what is the full solution to Chapter 2?)**

a. Chapter 2 is TWO separate timelines:

- (1) A timeline of events of the *Tribulation* and *The Great Tribulation*;**
- (2) A timeline of the Destruction of Babylon, indicating when the US (and likely Israel, and possibly the West and Japan) will be defeated and essentially destroyed.**

### **How did I deduce Chapter 2 is a timeline of the Tribulation?**

The word Tribulation only appears a few times in the Bible, but it appears about 5 times in Revelation: once in Chapter 1 (1:9), once in Chapter 7 (7:14), and three times in Chapter 2. The “Numbers” article in this report, in the *Authorization* section, explains 7 and 1 are God’s identification numbers in Revelation. So, the fact that the word *tribulation* appears in both of God’s chapters (1 and 7), and three times in Chapter 2, is significant. Because there were so many instances of the word *tribulation* in Chapter 2, I concluded Chapter 2 was a timeline of key events in the Tribulation. This eventually led me to discover the timeline of the *Destruction of Babylon*.

These timelines are presented and explained in the following 12 pages.

**NOTE:** The following timelines use the term *the 10 Horns* to refer to the nations that destroy Babylon. Chapter 17 explains the 10 Horns were originally 10 nations conquered and ruled by Babylon (the West; later the US) and grew to hate Babylon. Verses 17:16, 17 indicate God will soon use the 10 Horns (10 modern nations sabotaged by Babylon) to destroy Babylon. In 18:6, God seems to order the 10 Horns to repay Babylon double. Thus, in the end, the 10 Horns serve God.

---

<sup>31</sup> I also incorrectly said the timeline indicated the US would be destroyed by the end of 2023 (I expressed this view in the opening and in the supplemental opinion sections -not the Chapter 2 solution.) Many of these prior reports can be found, unaltered, on the *Data Caper/Stuxnet* page of [www.TheZoneResistance.com](http://www.TheZoneResistance.com).

## **The Chapter 2 “Great Tribulation” Timeline**

In the Tribulation timeline, each verse in Chapter 2 represents a specific year in the beginning of the 21<sup>st</sup> century –or the beginning of the third millennium (2001 to 3000)– AND a specific event or conflict that occurred in that year. Only certain of these Chapter 2 verses can be connected to identifiable events in the early third millennium in which we now live. And, just like Chapter 1, at least one of these verses also links to a point/verse in the later Revelation story timeline (which runs from chapter 4 to 22).

### **The Tribulations are extremely important for THREE reasons:**

- (1) The Great Tribulation occurs shortly before Jesus’ Second Coming.
- (2) In Revelation we learn (in chapters 7, 14, and verses 20:4 and 5) that some of the brave and good people who die in the Great Tribulation will be among the elect who will be resurrected by God, sometime in the next few years. These elect will be among the very best human souls ever, the 144,000 human souls deemed worthy to see God and enter Heaven a 1000 years before all other human souls.
- (3) Babylon (the US, and possibly the West) are destroyed in the Tribulation.

### **The Tribulation, and the Great Tribulation**

The Tribulation can be viewed as having two parts: (1) a moderate introductory tribulation, which leads into (2) the Great Tribulation.

When God and Jesus speak of the *Tribulation* and the *Great Tribulation*, They are speaking of difficult events experienced by certain nations that God views more favorably than most other nations, **or** speaking of consequences God imposes on nations that He generally approves of –although He punished them for various indiscretions. This does NOT mean that the people of the nations God currently views more favorably are better than the people of the other nations, and this does NOT mean that these people are saved (like the people of most nations, most of them are NOT).<sup>32</sup> Revelation reveals this because it appears that God wants mankind to know that He views the way of life and morality of certain Asian/Eastern nations as imperfect, but BETTER

---

<sup>32</sup> Being saved has almost nothing to do with going to do with church, or mosque, or temple. Being saved requires being kind to others and doing good works –NOT because you want eternal life, but because you truly care about others. If you are uncertain, PLEASE, read Isaiah 1:17 and Matthew 25:31-46. I’m confident that being saved also requires not hating people who are different from you, as too many people in the world currently do.

than the way of life, values and morality of Western nations –which have been extremely harmful to the world.

**Revelation, via the mysteries and solutions to chapters 2 and 16, indicates God currently views 3 groups of people most favorably:**

- (1) Asian/Eastern nations (particularly China and Russia, who God has a generally favorable opinion of BOTH their leaders and their people);
- (2) The people (but NOT the leaders) of certain Middle Eastern and African nations;
- (3) Palestine where God is pleased with the Palestinians' courage, perseverance and values.

In contrast to the Tribulation and Great Tribulation (which God imposes on nations He views fairly favorably), with the *Bowls of Wrath* (or *Plague Bowls*), described in Chapter 16, God imposes additional consequences on nations He is more displeased and angry with. God, generally, DOES seem to love many of the people in the regions where He releases His Wrath/Plague Bowls. However, as the narrative of chapters 14, into 15, into 16, indicates, God viewed the countries as deviating too far from what is acceptable. The reason God would be angry at many parts of the Middle East is (1) they endeavored to become too close or too similar to the US and the West; (2) the political and business leaders in these nations adopted the US's corrupt practices; (3) the leaders brutalized their people or encroached on their reasonable freedoms. (To learn what wrathful action God unleashed, and on which nations/regions, see the Chapter 16 solutions.)

Revelation, Chapter 2 indicates the *Tribulation* and *Great Tribulation* events began in **2009** (2:9), with the Gaza War, in Palestine and Israel; and in **2010** (2:10), with the Arab Spring, in North Africa and the Middle East; and in **2022** (2:22), with Covid-19 problems in Russia and China, AND a conflict between Russia and Ukraine (and the West), AND a conflict between China and the West over Taiwan, and other substantial trials in Asia, the Middle East and Africa.

Of these three events, the first two tribulation events, identified in verse 2:9 and 10 (the war in Gaza and the Arab Spring, in 2009 and 2010), centered in the Middle East and Africa, are the initial events of *the Tribulation*.

But *The Great Tribulation* centers on the events that began in 2022

(2:22), and centers largely on struggles in Asia (particularly Russia and China). BUT, because events from the first Tribulation erupted again during or near the Great Tribulation (October 2023, a new war between the Palestinians and the Israelis erupted; the second Arab Spring began around 2018 and continues to this day); **thus, I believe the war in Gaza and the second Arab Spring are also part of the Great Tribulation.**

Although Revelation indicates the true Christian Church, the Islamic (or Muslim) faith, and Judaism are the correct religions to reach God, Revelation informs us God is unhappy with these religions for wandering too far from His instruction and law. The solutions to Revelation, including chapters 2 and 16, suggest God is unhappy with essentially every nation on Earth; but He is *least unhappy* (or *most happy*) with the nations of Asia, especially China and Russia, who have fought Western interference, tried to stay true to their values, tolerated less corruption among the wealthy and powerful, tended NOT to use technology to abuse, brainwash and deceive their people, tended to avoid interfering with the sovereignty of other nations, and have respected the rights and humanity of their people (more so than the West and the Middle East).

## **The Tribulation**

**The Tribulation only involves certain events that transpired in Palestine and Israel, the Middle East and Africa, in 2009 and 2010.**

In Chapter 2, the word “tribulation” appears in 3 verses. The first two of these verse, 2:9 and 2:10, pertain to the first Tribulation. Here are details:

- I. Verse 2:9 = **2009** (year). This verse refers to the Gaza War, December 27<sup>th</sup>, 2008 to January 18<sup>th</sup>, 2009. We know, in this instance, God supports the Palestinians, and not Israel, simply by referring to the actual verse. 2:9 reads:  
**“I know your works, tribulation and poverty (but you are rich); and I know the blasphemy of those who say they are Jews and are not, but are a synagogue of Satan.”**
- In this verse, God is clearly saying the Jews are no longer adhering to God’s laws and they are fake; and the Palestinians tend to be rich in character and love for God and good.
- About 1,400 Palestinians and 13 Jews were killed in this short war.

II. Verse 2:10 = **2010 (year)**. This verse refers to the birth of the Arab Spring, on December 17<sup>th</sup>, 2010, when Tunisian street vendor, Mohammed Bouazizi, set himself on fire to protest corruption, indifference and evil in Tunisia. The incident reverberated with millions of common people in the Muslim/Arab world, who wanted reasonable rights, and corruption, evil and unfairness out of their governments. The governments of these countries killed and jailed many protestors. Verse 2:10 reads:

**“Do not fear any of those things you are about to suffer. Indeed, the Devil is about to throw some of you into prison, that you may be **tested**. And you will have Tribulation 10 days. Be faithful until death, and I will give you the crown of life.”**

- There can be no doubt that God supports the people, wherever they want reasonable freedoms, justice, fairness, truth, true information, and an end to tyranny, corruption, brutality and greed.
- Muslims should notice that Jesus, God’s son, who is speaking in this verse, sided with them, and promised them eternal life, for loving His Father, centuries before the Islamic faith was born.
- Although it is called the *Arab Spring*, this movement for greater rights, fairness, humanity and less corruption, spread to other African nations, such as Djibouti (with few Arabs but many Muslims).
- By *10 days* Jesus/God means 10 years: the first and second Arab Spring.
- This verse confirms gaining entry into Heaven requires being tested.

### **The Great Tribulation Timeline**

**The Great Tribulation is an unprecedented series of events, which includes the destruction of the US (Babylon), likely the destruction of Israel, and possibly the destruction of the West and Japan.**

The Great Tribulation consists of two, possibly three components:

1. Two years (2022 and 2023) of difficult events in specific regions.
2. The Destruction of Babylon (the US, and possibly the West) in 2024.
3. Some tough days, in certain regions, through 2024, 2025 and 2026.

After these 5 years (2022, 23, 24, 25, 26), Jesus’ Second Coming should occur in late 2027 (the exact date is given in Chapter 21).

**The *Great Tribulation* only concerns specific difficulties that transpire in a few regions, primarily in the East. These regions are:**

- (1)** Primarily, **Asia**, where China and Russia experienced difficult Covid-19 issues and military conflicts with the West. [North Korea and Iran are other powerful nations that may have been impacted by the Tribulation, for becoming too close to the US, and possibly the West.]
- (2)** Secondly, **Gaza, Palestine and/or Israel**, where the Palestinians have been persecuted by the Israelis (who serve the US and West) for decades.
- (3)** Tertiarily, **The Middle East and Africa**, where governments with strong ties to the US and West (such as Jordan, Lebanon, Sudan...), became increasingly corrupt and unfair to their citizens.

**How did I conclude 2:22 refers, primarily, to China and Russia?**

I concluded this for two reasons:

- (1)** In Chapter 2, the first of three messages to the angels, which Jesus dictates to John, are to angels in Asia Minor (now Turkiye), but 2:22 is located in the fourth message section of Chapter 2, directed to the angel of Thyatira –in Asia (proper), the continent, home of Russia and China, as well as North Korea and Iran and other nations that may play central roles in this story.
- (2)** Verses 2:20-23 pertain to a woman named Jezebel (the US) who has a corrupt influence over others. Both of the principal nations (China and Russia) tried to expand ties to the US in the decades leading up to 2022; during this period, they also dealt with internal social problems connected to US influence.

How did I conclude 2:22 refers to Russia and China getting “sick” (and involved in military conflicts) from engaging with the US?

By simply reading the verse. Verse 2:22 reads:

**“Indeed, I will cast her into a **sickbed**, and those who commit adultery with her into **great tribulation**, unless they repent of their deeds.”**

The literal *sickbed* (or consequence) that Jesus gave China and Russia, in 2022, for their engagements with the US and the West (Jezebel) appears to be Covid-19 problems. During 2022, China had very lengthy lockdown with substantial public outcry. Russia had unusually high numbers of deaths.

God clearly does not approve of moral nations forming partnerships and doing business with corrupt, unethical nations.

## Great Military Tribulation

In 2022, Russia and China entered conflicts with the US (and the West). Because the first two events in the Tribulation (Gaza, and the Arab Spring) involved military or dangerous social conflicts, I believe the conflicts between the US or the West, directly or by proxies, against China and Russia, and likely other Asian nations (North Korea, Iran...) are part of the Tribulation. The Tribulation conflicts, initiated in 2022, involving China and Russia were:

- 1) **RUSSIA.** In 2021, Russia accurately announced it possessed hypersonic weapons capabilities. Because hypersonic weapons allowed Russian warheads to reach the US much faster than America's aging systems, the US initiated action to bring Ukraine into NATO; this would allow NATO and the US to position nuclear weapons on Russia's borders; allowing NATO's warheads to strike Russia faster. In response, on **February 24<sup>th</sup>, 2022, Russia initiated military action to reclaim Ukraine** (circumventing NATO's plan), and sent tens of thousands of troops into Ukraine. This Russian/Ukraine conflict has continued to this day. The US and NATO have supplied Ukraine with most of its money, weapons and ammunition. Laterally, the US and the West have placed heavy sanctions on Russia and nations that do business with Russia.
- 2) **CHINA.** In 2020 Covid-19 struck the world. The world was unprepared; thus, China provided ventilators and masks to much of the world, to help. As a consequence of worldwide Covid-19 lockdowns, most of the world suffered serious microchip shortages, which stopped or delayed production of cars, computers, TVs and more. Because the US had been so deeply engaged in, and reliant on, intellectual property theft, for generations, it lacked the know-how to produce these semi-advanced chips. To secure chips for the US and the West, the US resolved to either (1) seize Taiwan (the world's largest microchip producers), or (2) make Taiwan a close US ally. The problem with either course was: Taiwan and China had been working to peacefully reunite, for years. (Taiwan was part of China until 1624, when the Western allied *Dutch East India Company* seized the land.) Next, August 2<sup>nd</sup>, 2022, US Senator Nancy Pelosi visited Taiwan, signaling the US recognized Taiwan as independent of China. Two days later, **August 4<sup>th</sup>, 2022, China**

**initiated military exercises on the coast of Taiwan**, signaling back that Taiwan part of China. Chinese and Western boats and planes have had regular hostile encounters ever since.

Of the three Chapter 2 *tribulation verses*, 2:22 is the verse that connects to the later Revelation story. Again, 2:22 represents the year 2022. 2022 is the first year referred to by the first Bowl of Wrath event, in Chapter 16, verse 2 (see Chapter 16 solutions). This is significant, because in solving Revelation, from Chapter 6 to Chapter 13, we can connect most events to specific years, from 66 million years ago in Chapter 8, to the advent of the cable TV industry and internet commerce, circa 1955 to 2000, in Chapter 13. However, from Chapter 14 to the beginning of Chapter 16, there is no way to tell when the events described occur –not until the Chapter 16 *Bowl of Wrath* events link to events in 2022 and 2023. We know 2:22 links to 16:2, because both verse 2:22 and 16:2 pertain to events that occur in 2022. 16:3 connects to events in 2021 and 2023; the remaining *Bowl or Wrath* events (16:4, 8, 10, 12) occur in 2023. Only verse 16:2 is connected to 2:22. Thus we know the Bowl of Wrath events are connected to the Tribulation events, by the time period these events occur.

**Bowls of Wrath.** Meanwhile, as God gave China and Russia *Great Tribulation* punishment, Chapter 16 informs us of the Wrath Bowl consequence God began imposing, in 2022, on the US and West (where Covid-19 *also* had a devastating impact). 16:2 shows us God inflicted the US and the West with Mpox in 2022, a disease spread primarily among young, gay men. Unlike the US, where there were over 30,000 reported cases of Mpox (the US leading all countries, by far), there were only 2 cases in Russia, and 1100 in China. These *wrath* punishments (for countries God was very unhappy with) continued in 2023, in the Middle East, India, the US and the rest of West.

### **The Great Tribulation Moves into 2023**

Verse **2:23** pertains to a corrupt woman named *Jezebel*, who is corrupting members of Jesus' flock. In verse 2:23 Jesus says: **“And I will kill her children with death. And all of the Churches will know that I am He who searches the minds and hearts. And I will give to each one of you according to your works.”** In the tribulation timeline, 2:23 references the fact that child mortality rates increased in the US in 2023, for the first time in 20 years.

In the Tribulation Timeline, verse 2:23 represents the year 2023. Verse

2:23, via the year 2023, is tied to Chapter 16, verses 3, 4, 8, 10 and 12. This connection is important because it shows God continued to impose new punishment on the US and West in 2023, but imposed no new tribulation upon China, Russia and Asia, or elsewhere, after 2022. But this is also discretely explained in Chapter 2 verses 22-24, as Jesus promises not to give Thyatira (Russia, China and the other 10 Horns) any new tribulation in the second half of the Tribulation:

- A. In verse 2:22 (2022) the *Great Tribulation* (Covid-19 and military or social conflict I Asia) is introduced. Meanwhile, in 16:2, in 2022, Mpox is inflicted on the West, as they also struggle with Covid-19;
- B. In verse 2:23, God promised the US (Jezebel) to *kill her children with death* (increase infant mortality rates). But God imposed no new punishment on the East (China, Russia...) in 2023.
- C. In verse 2:24, God promises not to give Thyatira (China, Russia and the other 10 horns) further tribulation: *“But to you I say, and to the rest in Thyatira, as many as do not have this doctrine,<sup>33</sup> and have not known the depth of Satan, as they call them, I will put on you no other burden.”*

The fact that in verse 2:23(*...And all of the Churches will know that I am He who searches the minds and hearts...*) Jesus expects the churches of the world to know He is God’s Son, supreme, from the fact that He killed few children of an immoral woman, is odd and unlikely. Even if Jesus had directly identified the *Tribulation*, this would not end or reduce doubt among churches and religions about Jesus, because human history is full of tribulations. This verse is obviously *odd and unlikely* in this Tribulation Timeline; because the powerful second half of this verse (*“...And all of the Churches will know that I am He who searches the minds and hearts...”*) was not intended to illuminate the Tribulation timeline; rather, it was/is intended to illuminate the second timeline, the *Destruction of Babylon* Timeline, when the verses of Chapter 2, including verse 2:23 are used to do something only God might: disclose exactly what day Jesus and God will use the 10 Horns to destroy the US, and likely the West, in what may be the most disastrous event in human history.

---

<sup>33</sup> The “doctrine” that Jesus is speaking of is found 10 verses earlier, 2:14, where Jesus speaks of *“the Doctrine of Balaam, who taught Balak to put a stumbling block before the children of Israel...”* In 2:14, Jesus is speaking of the US and the West’s history of interfering with non-Western nation’s affairs, and many other evil actions addressed in Revelation. Thus, in 2:24, Jesus is saying China and Russia do not engage in these evil practices, so God will impose no further punishment.

Upon *that*, the nations of Earth will know God and Jesus are who They are.

**ABOUT NORTH KOREA AND IRAN.** Many portions of the *Tribulation Timeline* and the *Destruction of the US* Timeline appeared to apply to North Korea and Iran, usually favorably. In writing this section, North Korea and Iran were almost centrally included, with China and Russia. However, as the solutions became more focused, North Korea and Iran did not check a few key boxes, related to domestic issues. But I suspect at least one of these nations will be among the 10 Horns. (NOTE: Recently, Iran showed tremendous courage and love of human rights and God, as it stood up to defend neighbors Iraq and Palestine from larger Western aggressors.)

- **NOTE:** Virtually nothing is known about what may be the second half of the Great Tribulation, February 25<sup>th</sup>, 2024, to December 8<sup>th</sup>, 2027. Because harsh judgment may be coming when Jesus arrives, people may want to use this period to do all of the good works they can.

### **The Chapter 2 “*Destruction of Babylon*” Timeline**

In the previous Tribulation Timeline, each verse in Chapter 2 represented a specific year and a specific event or conflict that occurred that year. In the *Destruction of Babylon* Timeline the verses are more exact and simple: each verse represents a single day in the month of February 2024, and the timeline informs us when God will take action and destroy Babylon.

#### **How did I arrive at this conclusion?**

In previous versions of this report, I correctly identified Chapter 2 as a timeline that revealed when God would destroy the Babylon (the US, etc.); but I was wrong about when that event would occur -wrong because I did not realize that I had NOT solved the full mystery of the Chapter 2 timeline. But, subsequently, after I discovered and solved the first half of the Chapter 2 timeline mystery, and completed the Tribulation Timeline, I found the *Destruction of Babylon* Timeline. Here’s how I found and solved the Chapter 2 *Destruction of Babylon* Timeline...

Chapter 16 concludes in the year 2023; so when Revelation’s sequential story resumes in Chapter 18, when God destroys Babylon, the year should be 2024. (Note: Chapter 17 goes back in time.) The year 2024 is different from most years because it is a leap year. Leap years are different from most years

because they only occur every four years. What makes leap years different is, in leap years, February has 29 days, rather than 28. As I worked on this, for months I had noticed, like February in a leap year, Chapter 2 has 29 verses –more than all other Revelation chapters (the average Revelation chapter has only 18.36 verses). I deduced Chapter 2, (the **second chapter, with 29 verses**,) was intended to represent February (the **second month, with 29 days**) 2024. From this, I surmised the verses of Chapter 2 were intended to tell us which day in February 2024 God would destroy Babylon.

So, from the messages in the verses of Chapter 2 (which, again, represent days of the month of February 2024), here is/are the day(s) of February that God will destroy Babylon:

- **February 24<sup>th</sup> AND February 23<sup>rd</sup> is when God will destroy Babylon.**

The obvious question now is: How can God destroy Babylon on two separate days, when Revelation says He will do it in a single hour?

Solution: **God and the 10 Horns will destroy Babylon when it is February 24<sup>th</sup> in Asia, but February 23<sup>rd</sup> in the United States.**

Long before most modern nation existed, God knew one day there would be an international date line, where it is one day on one side and the next day on the other side. This line runs through the Pacific Ocean and divides Asia (with China, Russia, North Korea and Iran) from the US.

God is telling us He will destroy Babylon when it is morning in Asia, on February 24<sup>th</sup>, 2024, but still February 23<sup>rd</sup> in the United States.

As the Earth rotates, Asia enters the new day first, followed by the West. Consistent with this, in Revelation, God gives Asia (Russia and China) their Tribulation consequence first, in Chapter 2, BEFORE He gives the West (and nations too closely tied to the West) their consequences in Chapter 16.

Part of God's symbolism in destroying Babylon when it is one day in the East and another in the West is to emphasize that He can control all events across time –and controls time itself.

God's plan to destroy Babylon when it is February 24<sup>th</sup>, 2024, in Asia, but the 23<sup>rd</sup> in the US, is hidden in two key Chapter 2 verses: 2:23 and 2:24.

**In verse 2:23** Jesus, who is speaking about the corrupt Jezebel (the US, and quite possibly the West), says of Jezebel, “...I will kill her children with death...” This passage, in the *Destruction of Babylon* Timeline, is God and Jesus

telling us when Jezebel will be destroyed –on the 23<sup>rd</sup>. **But in verse 2:24**, Jesus speaks to the angel of Thyatira (Asia: Russia, China, North Korea, Iran...), and He speaks to all of the people of Thyatira (“and the rest of Thyatira”) as He promises to put upon them no further burden than the profound burden of destroying *Jezebel* (the US/West). In 2:24, Jesus says:

**“But to you I say, and to the rest in Thyatira, as many as do not have this doctrine, and have not known the depths of Satan, as they call them, I will put on you no other burden.”**

- This verse, 2:24, in the context of the *Destruction of Babylon* timeline, is amazing, because Chapter 17, verse 17, indicates God will control the minds of the national leaders that hate Babylon (US), in order to destroy Babylon at the proper time. But verse 2:24 shows God winning these national leaders with reason, promising “I will put on you no other burden.” With that, God is saying that if Russia, China and the 10 horns destroy the US, God will give them no further tribulations for the remaining 3 years of the Great Tribulation.<sup>34</sup>

(Hateful countries, allied with the West, who treat immigrants poorly, may get the worst of the second half of the Great Tribulation.)

Further evidence that God will have his 10 Horns destroy Babylon is the fact that the number 24 is significant to two of the countries who will likely lead the joint strike against the US/West: Russia and China.

The date February 24<sup>th</sup> is significant to most Russians, because on February 24<sup>th</sup>, 2022, thousands of Russian troops entered Ukraine, intent to reclaim what Russia views as Russian territory and to keep NATO’s nuclear weapons off Russia’s border, initiating the current military action (war) that Russia and Ukraine are engaged in. When the 10 Horns take action on February 24<sup>th</sup>, 2024, the destruction of Babylon (the US) will occur on the second anniversary of the Russian/Ukraine conflict.

For China, the number 24 would represent 1624, the year Western forces first seized Taiwan.<sup>35</sup>

Consistent with this, in Matthew, Chapter 24, Jesus informs us of the

---

<sup>34</sup> Because China, Russia and the rest of the 10 Horns execute/d God’s will, the 10 Horn leaders will not be punished for this... But they will be judged, soon enough, based on their life works. Like the rest of us, the 10 Horn leaders, who may have severe crimes in their past, might be forgiven, if they deeply repent, henceforth. Revelation stresses repentance.

<sup>35</sup> It is impossible for me not to notice that the divine date number of when this event will occur, 244 (24 from February 24<sup>th</sup>, combined with and placed adjacent, to the left, of the final 4, in year 2024), is the same as my birth date number and my alphanumeric name total (see Authorization section, page 145, for more).

Great Tribulation that comes before His Second Coming, which will culminate with the East striking the West, shortly before His Second Coming:

**“For as lightening comes from the east and flashes to the west, so also will the coming of the Son of Man be.”** (Matt 24:27)

**“Immediately after the tribulation of those days, the sun will be darkened... (Matt 24:29)**

**“...and they will see the Son of Man coming on the clouds of Heaven, with power and great glory.”** (Matt 24:30)

(Isaiah, Chapter 24, also deals with the Tribulation.)

According to my read of Revelation, God only intends to destroy Babylon when it is February 24<sup>th</sup> in Asia, but February 23<sup>rd</sup> in the US, 2024.

In verse 2:23, Jesus says: **“And I will kill her children with death. And all of the Churches will know that I am He who searches the minds and hearts. And I will give to each one of you according to your works.”** This verse was intended for one primary purpose –to indicate the day God destroys Babylon.

If God acts at any other time, other than February 2024, when it is the 24<sup>th</sup> in the East, but the 23<sup>rd</sup> in the West, I will still love and serve Him, and still know His power is infinite, supreme and incomprehensible. But if He acts in February 2024, when it is the 23<sup>rd</sup> in the US, but the 24<sup>th</sup> in Asia, we will ALL know His power infinite, incomprehensible, supreme and irresistible.

- God will destroy the US (probably Israel, and possibly the West) when it is **February 23<sup>rd</sup>, 2024, in the US** (West) & February 24<sup>th</sup>, 2024, in the East.
- **But God does more than reveal the day He will destroy Babylon. In the Chapter 18 solutions, He reveals the very HOUR of destruction.**

### Chapter 3

#### 9. **What is the prophetic or revelatory purpose of Chapter 3?**

- a. Like Chapter 2, Chapter 3 is a prophetic calendar, but Chapter 3 represents the fourth millennium (3001-4000), beginning in the years 3001.

#### **3001-3021 Prophetic Calendar: The End of the Earth**

Chapter 3 is also a prophetic calendar, but Chapter 3 represents the fourth millennium beginning in the year 3001 (3001 is represented by verse 1). Verses 10 and 11, which represent the years 3010 and 3011, indicate there

will be difficult times near the end.

In verse 3:12 (3012) New Jerusalem comes down from Heaven, this corresponds to Revelation 21:2 and 21:10, which occur after roughly 1000 years of peace (20:3, 20:6 and 20:7).

Now, in 2024, it's impossible for a mere human to solve any further Chapter 3 mysteries, because none of the events have occurred, and none of the players exist yet. But if there is a mystery connected to Chapter 3 that can be solved in the future, I bet the following verses and facts help solve it:

- a. Verses 3:15, 3:16, 3:17, 3:18, 3:19;
- b. The fact that Chapter 3 has 22 verses and Revelation has 22 books;
- c. The fact that several Chapter 3 verses refer to doors (3:7, 3:8, 3:20).

10. **In Chapter 3, verse 12, what are the implications of the phrase “go out” in the passage, “He who overcomes, I will make him a pillar in the temple of My God, and *he shall go out no more*”?**

- a. This may suggest God sends *beings* who reside in Heaven on special assignments. If so, I suspect He asks those most eager to serve Him.

#### **Verse 2:9 and 3:9 (Fake Believers)**

- In 2:9 and 3:9, Jesus speaks of those “...**who say they are Jews and are not.**” Here, Jesus is angry at fake religious leaders (Christians, Muslims, Jews) who invoke God to commit evil (this is also addressed in chapters 9 to 13). True men of God and Church leaders act a lot like Pope Francis (Papa Francisco), as they worry about the welfare of the weak (women, immigrants, minorities), rather than abusing them to incite social anger.

#### **1,2,3**

- God put important timelines in chapters 1, 2 and 3, which show how He appreciates and responds to our prayers, and how He will impose judgment in the beginning of this third millennium and again in the beginning of the fourth millennium, because the sequence 1,2,3 represents order (see *Numbers*, pp 147-148, for more).

#### Chapter 4

- To reduce confusion, six of the solutions to Chapter 4 have been moved toward the end of these solutions. (See solutions #244 to #249.)

11. **Why is God described as “like a” Jasper or Sardius stone (which are typically darkish brown and burgundy)?**

- a. Because from the moment John arrives in the symbolic-Heaven,

presented in much of Revelation (chapters 4-19), Revelation begins using representations and symbols to attack improper representations. Thus, because God would eventually be improperly portrayed as a White man, in verse 4:3 God is depicted (likely also inaccurately) as jasper and sardius stone colored. I suggest God is being intentionally inaccurate about His color, in 4:3, because He is referred to as “One” in 4:3, and not God. Because God is infinite, we should understand God is any color He wishes, at any time and place.

12. **Why is God’s vague color described, but not his physical appearance?**

- a. Because usually, in the Bible, God appears to humans in representational form; but in this scene, on His throne in Heaven, any descriptions of Him would indicate that whatever is described is God’s true form. (But, all representations of Heaven, in Revelation, chapters 4 through 19, are symbolic, not literal.)

13. **Although the revelatory and prophetic value of Chapter 4 are unquestionable, what are the reasons we should be wary about any literal interpretation of Heaven, and the characters therein, based on what is depicted or described in Chapter 4?**

- a. Literal interpretation of symbolic characters and a representational setting is nonsensical.
- b. Unlike elsewhere, where John says he witnessed what he is describing, John does not attest that he witnessed anything in the Heaven setting in Chapter 4 (“Immediately I was in the Spirit, and behold, a throne set in heaven”; typically, John will directly declare about extraordinary things he witnessed by saying, “I saw”).
- c. In 4:2, before John goes to Heaven, he says he was “in the Spirit.” This transformation, into the *Spirit*, happens four times in Revelation (1:10, 4:2, 17:3, 21:10), each time before unusual events occur. Only on two of these occasions does John clearly say he witnessed these things (upon seeing Jesus, alive, 1:12, 13, John say “I saw...”; upon seeing New Jerusalem, 22:8, John says, “And I, John, Saw these things, and heard them”). Because Chapter 4 lacks this *witness* support, it should not act as a literal measure of Heaven or any beings therein.

14. **In 4:6 and 7, WHAT do the Four Living Creatures represent?**
  - a. The balance of nature.
  - b. Mankind's place in the natural world, under God.
15. **In 4:7, WHO do the Four Living Creatures represent?**
  - a. The lion represents Mark; the man represent Matthew; the calf represents Luke; the eagle represents John.

### Chapter 5

16. **In Chapter 5, what is the symbolism of (1) the chapter title "The Sealed Book," (2) Jesus being deemed worthy to take the sealed scroll from God's hand, (3) the Four Living Creatures and the 24 Elders then singing a song about Jesus' worthiness?**
  - a. Those elements are included to create a symbolic parallel between God's sealed scroll which no one can read until Jesus opens it, and God/Jesus' Revelation being included in the Bible, yet closed and indecipherable, until God found me worthy to try to open it. (This is used to identify and *authorize* me in the Authorization section.)
17. **In 5:6, what does the lamb with seven horns and seven eyes, who is standing, although he appears "slain" represent?**
  - a. The oneness of God and Jesus. The lamb represents Jesus, but the 7 eyes and 7 horns represent God. (See Numbers section.)
18. **What is the most consequential aspect of 5:6 and Chapter 5?**
  - a. Chapters 4 -11 transpire before Jesus was born on Earth; yet, in 5:6, Jesus is depicted as alive in Heaven, long before his birth.
19. **What do the 100,000,000 (10k x 10k) angels represent?**
  - a. The magnitude of Jesus' existence.
  - b. Countless lives who have earned eternal life, through Jesus.

### Chapter 6

Chapter 6 pertains to events, characters and iconography from the early Christian era (first century A.D.).

20. **In 6:1, which living creature says, "Come and see"?**
  - a. The lion-like creature. The phrase "voice like thunder" informs us that the lion spoke.
  - After this, we use deduction and *process of elimination* to determine

which other characters say “come and see.”

21. **In 6:2, who rode on the white horse?**
  - a. Jesus
22. **In 6:3, which living creature says, “Come and see”?**
  - a. The calf-like creature.
23. **In 6:4, who rode on the red horse?**
  - a. Satan
24. **What is the symbolism of 6:4?**
  - a. Satan rides on a red horse (a color often associated with Satan), carrying a sword, and out to “take peace from the Earth.” The *evil warrior* symbolism is to remind us that Satan legendarily waged war in Heaven and was cast down to Earth, where he wages war against God for the souls of mankind.
25. **In 6:5, which living creature says, “Come and see”?**
  - a. The man-like creature.
26. **In 6:5, who rode on the black horse?**
  - a. The archangel Michael.
27. **What do the Four Horsemen in 6:2-8 represent?**
  - a. They represent a **REVERSE** sequence of events and possible spiritual fates for mankind. Jesus, the first rider, represents true salvation by faith and works; Satan, the second rider, represents the counterforce to Jesus, out to lead mankind to Hell; the archangel Michael, third, represents the path to Heaven, before Jesus (via faith, works, and various sacrifices); the Greek gods, Death and Hades, last, represent pre-Judeo-Christian belief systems that were interesting but led to spiritual death, after we died in flesh.
28. **In Chapter 6, what is the significance of verses 4, 5 and 6, positioned side by side?**
  - a. Verse 4 shows Satan’s arrival into the lives of mankind; 6:5 shows the archangel Michael holding the scale, assessing man’s fitness to enter the kingdom of Heaven; 6:6 depicts a voice selling a quart of wheat or three quarts of barley –for a greatly overpriced sum (a denarius was the amount of money an able-bodied man should earn for a day’s work: 6 hours). BUT, this sequence is intended to be

- viewed in REVERSE order (we know this because, chronologically, Death and Hades come first, then Michael, then Satan, then Jesus), to show Satan using money to lead mankind away from God. In reverse, we see the denarius appearing in Rome in 211 B.C. The effect of money on Western civilization was so corrosive that the archangel Michael (symbolic of God's judgment) was forced to condemn a greater share of the souls of mankind. Only after the introduction of money in the West (according to the sequencing) does Satan enter the lives of mankind. Thus, to counter Satan, Jesus comes to Earth.
- This reverse look is sequentially, but not historically, accurate (Satan appeared in the Bible before 211 BC). But this is not mistaken. God did this to indicate money had a terrible impact on Westerners; if this is due to physical, social or moral evolution or decay is unclear. We know God is commenting about the West (Rome) because the verses feature a **Roman denarius**, when metal and paper money were widely used, centuries earlier, in China.

666

29. **WHAT IS THE POINT OF 6:6?**

- a. Revelation 6:6 is the Beast verse (666). The point of this verse is to show how quickly Satan began to use money to corrupt mankind; Satan is introduced in 6:4, and two verses later he's seemingly everywhere (his voice in the midst of the 4 Living Creatures). The introduction of money in the West, around 500 BC, and the denarius around 210 B.C., around the time Satan appears on Earth (in Revelation), indicates Satan's primary method of leading humans to ruin was money. Verse 6:6 is, of course, Chapter 6, verse 6; the third six (necessary to express 666) is found in the meaning of "denarius" –a coin created to equal what an able-bodied man should earn for a day's work (which was 6 hours, in Rome in 211, and in Jesus' day).

30. **In 6:7, which living creature says, "Come and see."**

- a. The eagle-like creature.

31. **What is 6:9, the fifth seal, about?**

- a. The persecution of the early Christians, in Rome (49AD to 250 AD).

32. **What does 6:11 indicate?**

- a. God knows when the correct number of people necessary to begin the first resurrection will be achieved.

33. **What event does 6:12-16, the sixth seal, describe?**

- a. The eruption of Mount Vesuvius, in 79 A.D.

### Chapter 7

34. **In verse 7:3, why would God tell the four angels He sent to harm the earth, “Hurt not the earth, neither the sea, not the trees, till we have sealed the servants of our God in their foreheads”?**

- a. Because harming the planet harms the inhabitants; and if the inhabitants are killed before they are saved, the battle is lost.

35. **What is verse 7:9 about?**

- a. 7:9 is one of the most amazing verses in Revelation. 7:9 is a leap into the future (explained in the Prayer/Song Timeline, pp 151-154; see page 154), set about when Jesus opened the Sixth Seal. This scene is at the final White Throne Judgment, and shows the hundreds of millions (billions?) of people, all races and religions (tens of millions of non-Christian) who God saved because they did good works.
- 7:13 and 7:14 are explained in the *Authorization* section, at the bottom of page 156, and the bottom of page 159 (*John’s Second Endorsement*).

36. **In 7:14, what is the Tribulation, or Great Tribulation?**

- a. A period of social and religious unrest (on a global scale), which began in 2022 (or 2009, depending on your view), which should end in 2027, with the Second Coming.

### Chapter 8

37. **What is Chapter 8’s overarching story of about?**

- a. The chapter documents the major historical events that allowed for the advent of mankind (whether by direct creation, or God creating a system where evolution is possible); thus, the first event is the impact of the Chicxulub asteroid, 66-million years ago, which killed off the dinosaurs, making way for mammals, and later, humans.

38. **In 8:1, what does the half hour of silence before the first trumpet represent?**

- a. Silence for the billions of creatures that will die when the first trumpet sounds, and ends the dinosaurs’ reign on Earth; billions of creatures God sacrificed to create mankind.

- b. The vast expanse of time that elapsed before life on Earth began.
39. **In 8:2, who are the 7 angels?**
- a. The angels of the seven Churches.
40. **What unnamed event does 8:7 describe, ushered in by the sounding of the first trumpet?**
- a. The Chicxulub asteroid collision into Earth, 66 million years ago, which killed off the dinosaurs.
41. **What is the event(s) described in verses 8:8 and 8:9, ushered in by the sounding of the second trumpet?**
- a. The Gakkel Ridge Caldera super-volcanic eruption, 1.1 million years ago. This event coincides with the advent of the “Homo” line of humans (which led to homo sapiens), known for their larger brains size. God seems to have created the Gakkel Ridge eruption to create conditions that would select for greater creativity and larger brains.
42. **In 8:10 and 11, what described but unnamed event followed, and was ushered in by the sounding of the third trumpet?**
- a. The Abu Hureyra (or *Wormwood*) comet impact/blast, roughly 12,800 years ago (10,800 BC).
43. **Currently, there are many *know-it-alls* who say there is no known cosmic event by the name *Wormwood*. What is the glaring problem with any argument against the *Wormwood* name?**
- a. The first known human language, Sumerian, only dates back to 3500BC, and their written language (also the oldest) only goes back to 3100 BC. But the Abu Hureya/*Wormwood* event dated back to 10,800 BC, over 7000 years before mankind had any known language. So those *know-it-alls* who require written records of the *Wormwood* event, from a period 7000 years before mankind had any written language, are absurd. God is saying He named the comet *Wormwood*.
44. **In 8:12, what described but unnamed event was ushered in by the sounding of the fourth trumpet?**
- a. The volcanic eruption of 536 A.D. (This eruption has recently been theorized to have been one eruption in the northern hemisphere around 536 A.D., and another eruption near the equator in 539.)

## WOES & TRUMPETS

45. **In Chapter 8, the first trumpet sounds, along with the first trumpet of woe. About how long does a period of woe last?**
- The initial evidence suggests about **685 to 700** years. [The first woe beginning was announced after the fourth trumpet, in 536 AD; the first woe ended after 1264 (about 728 years after the first woe was announced). The second woe started in 1264, and was announced as ending after the 1906 San Francisco Earthquake (about 642 years). But this does not mean the third trumpet of woes will last as long.]

## Chapter 9

46. **In 9:1, what described but unnamed event was ushered in by the sounding of the fifth trumpet?**
- The Great Comet of 1264.
47. **What about the year 1264 is curious?**
- It is roughly 1260 years after Jesus' birth. This is relevant because, in Revelation, God repeatedly uses the interval of 1260 years to mark key anniversaries (e.g., 1260 years from the 12 Tribes of Israel leaving Egypt to Jesus' birth).
48. **In 9:2 and 3, to what actual event does the "smoke" refer?**
- Indonesia's Samalas volcano (erupted circa 1255).
49. **Indonesia's Samalas eruption of 1255 and the great comet of 1264 both occurred very close to what event that is centrally related to Revelation?**
- The rebirth of the Holy Roman Empire (1254).
50. **In 9:3 and 4, locust attack the Earth, but are instructed not harm grass, any green thing or trees; they are only to attack people without the "seal of God." What does this mean?**
- The locust refer to the many French inquisitors, dispatched to torture non-Christians in the Holy Inquisition, beginning in 1252. Inquisitors were not authorized to kill, just torture, once, as long as it did not result in loss of life or limb.
51. **What is the point of verse 9:4?**
- 9:4 mocks Pope Innocent IV for pretending to promote Godly

values and respecting life, when, in fact, he initiated torture of Muslims and Jews.

52. **In 9:5, what historical events does the line “they were not given authority to kill them, but to torment them” refer?**

a. In 1252, Pope Innocent IV authorized “limited” use of torture of Muslims and Jews (and others). Innocent’s approved torture that did not cause loss of life or limb, and used only once, if the inquisitor believed it would yield evidence against the accused. However, these permitted uses of torture often resulted in death and dismemberment.

53. **9:5 described the “*torment of a scorpion when it strikes a man.*” 9:10 describes the tails of scorpions, “*and their power to hurt men 5 months.*” 9:8 says, “*They had hair like woman’s hair, and their teeth were like lions’ teeth.*” To what do these verses refer?**

a. 9:10 refers to a flagrum whip; a fairly short whip with 3 or 4 thongs (lashes), with pieces of metal tied into the thongs, designed to rip the flesh. Recovering from flagrum whippings could take 5 months and cause horrible scarring. (In 9:8, the thongs are like women’s hair; the pieces of metal, like lion’s teeth.)

54. **In 9:6, to what does “men will seek death and will not find it...” refer?**

a. It refers to how people who were being tortured during the inquisition prayed for death.

55. **To what do the *breastplates, wings and chariots and horses* mentioned in verse 9:8 refer?**

a. These are references to instruments of torture, used in the Holy Inquisition. The Breastplate is a reference to the ‘breast ripper’, which ripped off or mutilated and disfigured women’s breast. “Wings” refers to the *strappado*, a method of torture in which a person’s arms were tied behind their back, by a rope tied to their wrists; the person was then dropped until his arms dislocated or severed. *Chariots* and *horses*, both, refer to the invention and use of the *wooden horse*, a torture tool that resembled a horses and caused horrific pain and sometimes death.

56. **9:11 says, “...they had a king over them, which is the angel of the bottomless pit, whose name in Hebrew is Abaddon (Satan).” What is the meaning of this?**
- a. This means Pope Innocent IV acted as a Satanic *king* by initiating the Papal inquisition.
57. **To which four angels does verse 9:15 refer?**
- a. The four angels mentioned in Chapter 7, verses 1 and 2. (The four angels in chapters 7 and 9 are not the same as the Four Horsemen in Chapter 6.)
58. **What are verses 9:16 and 9:17 about?**
- a. The rise of the Ming Dynasty in China.
59. **Why does God, in Revelation, refer to the Ming Dynasty?**
- a. Because the Ming Dynasty ruled China from about 1368 to 1644, the period when, in **1624**, the Dutch East India Company (of the Dutch Republic, a member of the Holy Roman Empire) seized Taiwan, which China has not fully reclaimed. Today, Taiwan’s fate is a primary dividing point between the East and West.
60. **In 9:16, what does the number two-hundred-million represent?**
- a. The approximate population of China toward the end of the Ming Dynasty, in 1644.
61. **In 9:16 and 9:17, what is the significance of the horses and breastplates?**
- a. The horses and breastplates refer to the horses used by the Ming Dynasty’s army. The breastplates are a reference to the special armor worn by some horse divisions, particularly in the late Ming Dynasty.
62. **In 9:17, what do the colors “fiery red” and “sulfur yellow” represent?**
- a. These colors refer to the origin of the Ming Dynasty. The Ming Dynasty started after a terrible flood on the **Yellow** River greatly harmed the economy, and created the conditions for rebellion. Zhu Yuanzhang was a peasant Buddhist Monk who joined a group of rebels called the **Red** Turbans. Zhu used this platform to defeat the Yuan Dynasty and become the first ruler of the Ming Dynasty.

63. **In 9:17, to what does “hyacinth blue” refer?**
- Oolong tea; which was dark green, but called bleu by the French –and often by much of the West.
64. **In 9: 17, what is the meaning of the passage “the heads of the horses were like the heads of lions”?**
- This refers to the ornate armor decorations worn by some of the Ming Dynasty’s armored horse divisions.
65. **At the end of 9:17, to what does “out of their mouths came fire smoke and brimstone” refer?**
- This passage refers to the fact that China invented cannons in the 12<sup>th</sup> and 13<sup>th</sup> century, which changed warfare.
  - The passage also refers to Zhu’s use of “fire ships’ to defeat the Han, in what is believed to be the largest naval conflict ever. Zhu’s forces of only 200,000 fighters defeated what may have been over 650,000 Han fighters. The “mouths” of these fire ships were usually on the main deck, filled with gunpowder or other explosive or combustible material, set to ignite as the fire ships approached the enemies’ ships.
66. **9:18 mentions 3 plagues that killed a third of mankind. What plagues are these?**
- Black Death (1334-1353), Cocolitzli Epidemics (1520), Mexico small pox (circa 1545-1548).
67. **9:18 (like 9:17) mentions “the fire and the smoke and the brimstone which came out of their mouths.” What is this a reference to?**
- The infected mouths of fleas and rats that caused most of the Black Plague deaths.
68. **9:19 speaks of an unknown beast whose “power is in their mouths, for their tails are like serpents, having heads, and with them they do harm.” To what does this passage refer?**
- This is a reference to the Great Wall of China; most of which was built during the Ming Dynasty (about 5,500 miles built during the Ming era), stretching like the tail of a great dragon. The power in their mouths refers to the mouths of the cannons, positioned at the top of the wall. The “heads” in the tail refer to two things: (1) the thousands

of look-out tower points along the top of the wall, where guards (and their “heads”) kept watch for invaders; (2) “heads also refers to the “ignition head” of a canon.

69. **9:20 and 9:21 do more than they seem. How do these verses support the larger story?**

- a. They introduce and foreshadow central subjects (don’t worship devils or idols, be moral not greedy; Christians should value people, not money and possessions). These themes will become prominent in Chapter 13-21.

70. **What is the overarching point of Chapter 9?**

- a. Chapter 9 is intended to express God’s great disapproval of the terrible actions of the West, at the inception of the Holy Roman Empire, born in 1254, the year Pope Innocent IV (initiator of the Holy Inquisition, the original inquisition) died. BUT God has a fairly positive view of China, during this same period (9:16, 17 and 19).

#### Chapter 10

71. **In 10:1, who is the Mighty angel, clothed in a cloud, rainbow on his head, and feet as pillars of fire?**

- a. God. In Exodus 33:9 and 10, God appear to Moses as a pillar of cloud; in Gen 9:8-17, God makes the Rainbow Covenant with Noah. Revelation 10:1 is a play on these, and other, occasions when God appeared to His faithful servants.

72. **In 10:2 and 5, why does John stress that the angel (God) had one foot on the sea and one on land?**

- a. This is a figurative way of foreshadowing the coming of the two beasts, one comes by sea, one comes by land.

73. **What is the significance of God having one foot on the sea and the other on land?**

- a. This is reference to the first two beasts of Chapter 13 (the Beast out of the Sea, and the Beast out of the Land). Because John did not provide a witness statement (“I, John, saw...”) in Chapter 13, this means that per 1:1 and 22:16, God or Jesus probably gave the Chapter 13 report to Their angel, to give to John. This is God making

it clear that Chapter 13's central indictment of the West comes directly from God.

74. **In 10:4, a voice from Heaven instructs John not to write what the Seven Thunders say. From *that*, how do we know that John did NOT and could not report other events in Revelation?**

- a. The voice from Heaven (God) instructs John not to report what the Seven Thunders say, but John still reported that the Seven Thunders uttered something (but not what that something was). If the voice from Heaven (God) had instructed John to delete any reference to the Seven Thunders utterance we would be none-the-wiser. But, the first sentence of Revelation explains that God gave His Revelation to Jesus (and Jesus to the angel, and the angel to John). Thus, by showing us that He ordered John to omit what the Seven Thunders uttered, God informed us that He only lets us know what He believes we deserve to know. But, because John witnessed this ("I saw"), we know John knows the secret. Thus, we know servants know some great secrets.

75. **What are "the Seven Thunders"?**

- a. The Seven Thunders refers to the seven primary writers of the New Testament: Matthew, Mark, Luke, John, Paul, James, and Peter.

76. **Why are Matthew, Mark, Luke, John, Paul, James, and Peter called the Seven Thunders?**

- a. Because they recorded the word of God and Jesus –the truth; all of which roar like thunder; hence *the Seven Thunders* (my best guess).

77. **If God is the mighty angel in Chapter 10, why does God speak to John from Heaven in 10:4, and not through the angel?**

- a. Because Revelation is a book full of mysteries, and *that* would have revealed the mystery of the angel's identity.
- b. To illustrate God is infinite.

78. **What did John eating the angel's little book represent?**

- a. John eating God and Jesus' words to write Revelation, thereby becoming God's figurative "mouth".

79. **10:7 says "in the days of the sounding of the Seventh Angel, when he is about to sound, the mystery of God would be finished..." What does this mean?**

- a. This means that when I publish these solutions to Revelation, God's mysteries, in 2023 and 2024, *the mysteries of God will be finished*. And shortly after that, the Seventh Trumpet will sound. (The Seventh Trumpet will sound in late 2027.)

80. **What was the significance of John's stomach turning bitter?**

- a. It represented the fact that much of the news in God's prophecy was bad news for humans, or news concerning humans' evil conduct.

### Chapter 11

God and Jesus reign over Christianity, but they are infinite and retain special loyalties and love for two other religions that flow out of the same ancestry: Islam and Judaism. This is at the heart of Chapter 11.

81. **What is Chapter 11 about?**

- a. God's special relationship to Islam and Judaism.
- b. How much God and the World are hurt by Western aggression.
- c. The coming of the Beasts.

82. **In 11:2, when God speaks of Gentiles, who is He referring to?**

- a. The Western world, specifically, Martin Luther and Germany, after Luther's Ninety-Five Theses, which initiated the 42 months mentioned in the verse.
- God calling Protestants and Lutherans (and all other false branches of Christianity) "Gentiles," and not allowing them into his temple is a staggering statement.

83. **How do we know 11:2 refers to Martin Luther?**

- a. Because from the time when Luther sent the Ninety-Five Theses to when the Theses was banned was 42 months. (More in Chapter 13.)

84. **In 11:3, God pledges to "give power unto my two witnesses." Who are God's two witnesses?**

- a. Islam and Judaism;

85. **In 11:3, what does 1260 days represent?**

- a. 1260 years.

86. **In 11:3, what do the 1260 years (days) represent to the origin of BOTH Islam and Judaism?**

- a. In Islam, 1260 is the number of years from the formation of Islam

- (610 AD) to the beginning of the Anglo-Arab wars (1970-1920).
- b. In Judaism, 1260 represents the time period from the Israelites leaving Egypt (Exodus) to the birth of Jesus.
87. **In 11:3, what is the significance of the number 1260?**
- a. In 11:3, 1,260 refers both to Muslims and Judaist, who both do not accept Jesus. The significance of this number is it is half of 2520. 2520 is *the divine number*, in that it is the lowest number that all numbers 1-9 (and 10) are divisors. But when 2520 is halved, to 1260, the only number, 1-9, that is not a divisor is 8. In Revelation, 8 is Jesus' secondary number (5 is His primary number). God is saying He will accept these two religions, even if they do not accept Jesus. Five, Jesus' primary number, still divides into 1260; so there is no division between God and Jesus.
88. **In 11:3, what does sackcloth represent?**
- a. Judaism's and Islam's shared history.
89. **What do the olive trees and candlesticks symbolize in 11:4?**
- a. Olive trees represent peace and reconciliation, and candlesticks represent churches. Thus, in this case, the olive trees and candlesticks represent peace and reconciliation between Islam and Judaism.
90. **In 11:4, what do the two candlesticks represent?**
- a. Judaism and Islam.
91. **What does 11:5 mean?**
- a. The point of 11:5 is that BOTH Judaism and Islam are special to God, but He expects them both to defend themselves (*"if any man will hurt them, fire proceedeth out of their mouth"*). And God demands that they kill anyone who harms them.
92. **What does 11:6 mean?**
- a. Judaism and Islam are so important to God, He will shut Heaven for them, stop rain, turn rivers to blood, and unleash plagues upon mankind, as often as these two need.
93. **In 11:7, whose testimony is God referring to when He says "when they shall have finished their testimony," and when?**
- a. This refers to Muslims and Jews who were persecuted and ordered to

testify and convert during the Spanish Inquisition, particularly, those under Ferdinand and Isabella, at the end of the 15<sup>th</sup> century and beginning of the 16<sup>th</sup> Century.

94. **Who does the word “them” refer to in 11:7 (“make war against *them*, and overcome *them*”)?**  
a. Muslims and Jews.
95. **What event does 11:8 refer to?**  
a. The 1563 London Plague, where 24-33% of the population was killed.
96. **What Beast ascended out of the bottomless pit?**  
a. The Beast out of the Sea, the first beasts introduced in Chapter 13.
97. **In 11:8, what does the *great city* represent?**  
a. Any powerful, abusive and corrupt place.  
b. The West.
98. **Why does 11:8 say: “...which spiritually is called Sodom and Egypt, where our lord was crucified”?**  
This serves two purposes:  
a. First, “which spiritually is called Sodom and Egypt,” refers to Sodom and Egypt when they were spiritually unhealthy. The writer (God) is saying London, during the 1563 plague was spiritually unhealthy.  
b. Second, saying Jesus was crucified in Sodom and Egypt, is to say, wherever there is rampant evil, Jesus died for the souls there too.
99. **In 11:9, what does three days and a half mean?**  
a. 350 years (100 years = 1 day).
100. **What does “and shall not suffer their dead bodies to be put in graves” mean?**  
a. The quote refers to 3.5 centuries of international genocides and other crimes committed by Western nations. Some of these crimes, like bringing smallpox to South America, caused so many thousands and millions of deaths the survivors could not bury all of the dead.
101. **What is 11:10 about?**  
a. The peoples of the world, outside of the West, being happy when Western nations begin warring with each other, in the late 18<sup>th</sup> to mid 19<sup>th</sup> centuries.

102. **What does God’s use of multiple ciphers (or codes, or alternate meanings) for the same word (day = one year; day = 100 years) indicate?**
- a. This indicates God’s interest in seeing humans increase their creative and abstract thinking abilities.
103. **What time period does the three days and a half (350 years) cover?**
- a. 1555 (when Martin Luther’s Lutheranism successfully, and legally, divided the Church, in the Peace of Augsburg, 1555) to 1905.
104. **Who are the two prophets referred to in 11:10? And why does the world rejoice about their misfortune?**
- a. Martin Luther and John Calvin are the two *prophets* (false prophets). The world rejoices because Luther’s and Calvin’s adulteration of Christianity further corrupted Western values, and expanded the West’s crimes against non-Whites and non-Westerners.
105. **In 11:11, God says “*the Spirit of life from God entered into them, and they stood upon their feet.*” Who does “them”, “they” and “their” refer?**
- a. Japan, in the Russo-Japanese War (Feb 1904 to Sept 1905).
106. **In 11:11, what does “*and great fear fell upon those who saw them*” mean?**
- a. It means the world was stunned that Japan defeated Russia, who was viewed as a superior fighting force. This caused the West to fear Asian nations might become dominant military powers.
107. **11:12, says, “and they heard a great voice from Heaven saying unto them, Come up hither. And they ascended up to Heaven in a cloud...” What is this passage describing?**
- a. The Courrieres mine disaster, March 19, 1906, where 1,099 French miners were killed.
108. **What is the “great voice” mentioned in 11:12?**
- a. The Courrieres explosion.
109. **11:13 starts: “And the same hour was there a great earthquake...” To what does this passage refer?**
- a. The 1906 San Francisco Earthquake.

- NOTE: 11:13 says 7000 people died in the 1906 SF Earthquake. After almost a century of complaints, in 2005, sixteen years after the 1989 book *Denial of Disaster* was released, SF Board of Directors revised the number of deaths to “3000+”. What’s the correct number of deaths?  
**Solution: 7000.**
110. **How many years between the Peace of Augsburg division of the Church, in 1555, to the Russo-Japanese War (1904-1905), the Courrieres mine disaster (Mar 1906), and the 1906 SF Earthquake?**
- a. 350 years
111. **In 11:15 the Seventh Trumpet sounds. 11:15 also explains: “...The kingdoms of this world are become the kingdoms of our Lord...and He shall reign forever and ever.” Does any of this indicate if the Seventh Trumpet has sounded yet, in 2024?**
- a. No. Just because a trumpet sounded two verses after a verse connected to the 1906 earthquake, does not mean the Trumpet has sounded in our Earthly reality (currently 2024). This trumpet scene occurs in Heaven where God bends time, and story events extend into the future and past. Further, the intervals between trumpets on Earth are not uniform, so predicting them is impossible. (But the Chapter 21 solutions tells us when the Seventh Trumpet will sound.)
112. **Concerning 11:18, all of the earliest known environmental conservation movements trace their origin to the mid 19<sup>th</sup> century (Madras 1842; Alkali Act, 1863; Sea Birds Preservation Act, 1869). The word *pollution* was not coined until 14<sup>th</sup> century (France), and did not appear in a dictionary until Webster’s 1828 dictionary. Yet, in Revelation (4:6-8, 7:3, 9:4, 11:18...) we see characters stridently calling for environmental protection (“...thou shouldest...destroy them which destroy the earth.” 11:18). What does this indicate?**
- a. That Jesus and God knew fake Christian leaders would not do His will and protect the planet.
113. **What is the full meaning of verse 11:15, and how does it connect to verse 10:7?**
- a. Verse 11:15 informs us the sounding of the Seventh Trumpet will coincide with the Second Coming. Here are some of the details:

- In the Bible, Matthew 24:30-31 inform us that on the Second Coming the entire world will see Jesus “...coming on the clouds of heaven, with power and great glory,” and “...He will send His angels **with a great sound of a trumpet**, and they will gather together His elect...”
- Chapter 10, verse 7 says that just before the Seventh Trumpet sounds the mystery of God would be finished. These Revelation mystery solutions are the completion of the “mystery of God”.
- Chapter 11, verse 15, further explains, after the Seventh Trumpet sounds, “the Kingdoms of this world have become the kingdoms of our Lord and His Christ, and He shall reign forever and ever.” This refers to the events of 19:11-21 and 20:1-3, when Jesus returns, defeats the kings of the Earth, and the Beast’s spirit, and locks Satan away for 1000 years.
- The Seventh Trumpet is the trumpet that sounds as Jesus dispatches His angels to gather His elect (Matt 24:31). We should all be able to hear that trumpet. **Chapter 21 tells us when this trumpet, the Seventh Trumpet, will sounds.**

114. **In 11:19, what is significance of the Ark of the Covenant being seen in Heaven, in God’s possession?**

- a. This is tremendously important because the verse occurs at a point in Revelation where the focus is situated in the early 20<sup>th</sup> century (verses 11:11-14 focus on 1904 to 1906), when God reveals He is in possession of the lost Ark, missing for 2600 years. Considered with other revelations God makes in Chapter 15, God seems to be saying He has rescinded, taken back or revoked His Covenant with Israel. God would only do this if critical mass of the Jewish (or Judaist) population were not respecting the Covenant.

### WOES & TRUMPETS II

115. **In Chapter 11, verse 15, the seventh trumpet sounds, and a joyous proclamation that “...the kingdoms of this world have become kingdoms of our Lord and His Christ...” What was the downside of the seventh trumpet?**

- a. Per 8:13, the Seventh Trumpet would also be the last *Trumpet of Woe*, and periods of woe can be very long and difficult.

## The Western Plagues

**116. In Revelation, God shows us various plagues in the 14<sup>th</sup> century, the 16<sup>th</sup> Century, and the 21<sup>st</sup> century. Why?**

- a. In 9:18 God shows us the Black Plague, which killed about half of Europe's population in the mid 14<sup>th</sup> century, after the Holy Inquisition, as the Holy Roman Empire was rising. In verses 9:18 and 11:9, God reminds us how Spain exported smallpox to Mexico in 1520 (killing 1.5 to 3 million people). Verse 11:8 refers to the 1563 London Plague, which was delivered as the Holy Roman Empire was conquering continents, enslaving thousands and killing millions. The central Chapter 13 section (page 14-60) mentions the sexually transmitted diseases that emerged in the US during John W Gardner's rise. Revelation's reference of centuries of these diseases is God informing us He imposed substantial punishment on the West and the US, over decades and centuries, but they would not learn their lesson.

## Chapter 12

**117. What does the Chapter 12 story arch represent?**

- a. The history and evolution of Judeo-Christianity; from inception, to Jacob, to the 12 Tribes fleeing from Egypt, to the early days of the Christian Church.
  - In 12:1 and 2, God honors *Mother Nature*, the life system He directly or indirectly created to govern life on Earth. The reason God demands His people defend themselves from attacks (see solution #91) is to respect nature's *survival-of-the-fittest* system. God clearly loves people who are not *the fittest*, but He expects them to do their best to fight back, and not grow cowardly, perpetually bullied, terrified to be hurt –outwardly passive, inwardly hateful.

**118. What does the woman represent in 12:1?**

- a. The mother of mankind.
- b. The Mother of the Israelites;
- c. Nature, or Mother Nature (particularly with the moon below the woman's feet).

**119. In 12:1, what do the 12 stars in the woman's crown represent?**

- a. The 12 Tribes of Israel;
  - b. 12 months of the years.
120. **In 12:1, who is the child the woman is carrying?**
- a. Jacob, father of the Israelites;
121. **Why are Jacob and the Israelites so important?**
- a. Because Jacob and the Israelites are from the first line of people to understand there is only one true, all-powerful and good God, and they loved God and each other, and they kept God's Commandments, and they respected the laws God gave them to live by.
122. **In 12:3, who is the Great Red Dragon?**
- a. Satan
123. **What do the Dragon's (Satan's) seven heads represent?**
- a. Seven Western European regions, going through various trials, which would lead them to one day become the Holy Roman Empire.
  - b. Seven antagonists to the Seven Churches and Seven Spirits of God.
  - c. The seven deadly sins.
124. **What do the Dragon's seven crowns represent?**
- a. The Dragon's (Satan's) rule over the 7 nations of the Holy Roman Empire.
  - b. The crowns are a symbolic proclamation that Satan is the supreme evil that mankind must contend with. Thus, there are other beasts in Revelation, but only one Satan -with crowns on his heads
125. **Who is the child in 12:5?**
- a. Jacob
  - b. The 12 tribes of Israel.
126. **In 12:6, what does the woman fleeing into the wilderness represent?**
- a. The Israelites fleeing Egypt.
127. **12:7 to 12:9 refer to the Dragon, the Serpent, the Devil and Satan, but 12:9 makes clear that all of these are the same evil entity. According to Revelation 12:1-9, when did God (perhaps via his angel Gabriel) cast Satan down to Earth?**
- a. Some unspecified time between 1260 B.C. (when the Israelites fled Egypt) and Jesus' birth.

128. **In 12:7-9 we see Michael “and his angels” fight the Dragon (Satan) “and his angels”. What can this tell us about Heaven?**
- This indicates in Heaven God gives us free will, as He gave us on Earth. This suggests, at times, there may be small disagreements among ascendant beings in Heaven.
129. **12:9 indicates Satan was cast out and cast down to Earth some point between 1260 B.C. and Jesus’ birth. Is there anything striking about that?**
- During this timeframe, around 500 BC, the Greeks began using money, This supports the existence of a deep relationship between Satan and money.
130. **In 12:11, what does the expression “...and they loved not their lives unto the death” mean?**
- God’s hope that we are not so in love with our lives that we forget to live with character and courage. If we are too in love with life, we will act like selfish cowards, and not make it into Heaven.
131. **12:12 says the Devil will inflict great wrath on mankind “because he knoweth that he has but a short time” before his end. Because Revelation was given by God, to Jesus, to John (with an angel in there too), what are the most profound implications of Satan’s knowledge of his own death or downfall?**
- It appears to indicate that God deliberately gave Satan a great deal of knowledge of future events (*“knoweth that he has but a short time”*) concerning mankind. With this knowledge, Satan could find the most powerful and influential people to corrupt, to destroy the most lives. This reminds us that God wants all believers tested, to see if they are corruptible and selfish, or if they show integrity, love and mercy.
132. **In 12:13, who does the woman represent?**
- Mary, Jesus’ mother.
  - The symbolic mother of the new Christian church.
  - The mother of the Son of Man.
133. **Who is the child that was born in 12:13?**
- Jesus
  - The Son of Man.

134. **In 12:14, what does the woman (flying into the wilderness and nourishing for a time) represent?**
- She represents the early Christians Church, after Jesus' death.
  - The woman also represents, both, the Christian Church and Judaism.
135. **In 12:14, what do the two eagle wings represent?**
- One wing represents the woman's past (Judaism and the 12 Tribes of Israel), the other represents the her future: Jesus and Christianity.
136. **In 12:14, what does the wilderness represent?**
- The wilderness represents the persecution Christians and Jews faced after Jesus' death, which forced them into hiding.
137. **In 12:15, 16, what does (1) the flood, and (2) the Earth helping the woman, by swallowing up the flood, represent?**
- The flood represents Satan's efforts to harm and punish the early Christians with flood rains. But, near the Jordan River, where Jesus was baptized, year after year, the Earth just absorbed the water, creating the perfect conditions for baptisms.
138. **From the story, why was Jesus coming to Earth necessary?**
- Once Satan was cast down to Earth, Satan would lead many more people away from God. Thus, Jesus was needed to counter Satan's attack. Like many or most religions, Judaism did not proselytize; so Jesus and Christianity would counter Satan by proselytizing, and leading people to God.
139. **What is Chapter 12's message for women and mothers?**
- Because the Bible tend to focus on men, some readers might conclude God values men more than women. This is mistaken. Chapter 12 addresses this, showing how powerful, brave and strong women raised and fought for the most important people and nations throughout history. Having children requires that women risk their lives, and devote themselves to raising good people. No role is more important. (On page 25, herein, we see how quickly society dies without dutiful mothers present.) Women who must work, or choose to work, deserve respect, but women and men should all take care not to underestimate the importance of traditional mothers and wives.

## Chapter 13

The Chapter 13 solutions are presented, as intended, in pages 14 to 60. I urge you to read them there, and skip to Chapter 14 solutions, page 111. For organizational reasons, these heavily edited Chapter 13 solutions are re-presented here. (Some of the Chapter 13 sections/solutions, like those concerning Mark Crimes and John Gardner, are not presented here.)

### 13:1-10, The First Beast

140. **In 13:1, what did the 7 heads of the first Beast represent?**
- The 7-headed *Beast out of the Sea* represents the 7 primary and most aggressive nations of Western Europe (the West), **England, France, Spain, Portugal, Netherlands, Denmark** and **Germany**, from approximately 1500 to 1865, going out to plunder the Americas and Africa. (In 17:9 we learn the 7 heads represent 7 nations).
141. **In 13:1, what do the Beast's 10 horns represent?**
- The 10 future principle colonies of the Beast: India, United States, Canada, Central America, South America, Brazil, West Indies, South Africa, West Africa, Oceania/Australia.
  - Brazen violation of the 10 commandments.
142. **In 13:1, what do the ten crowns on the first Beast's ten horns represent?**
- The 7-headed Beast's rule over the 10 future colonies.
  - The West's opposition to the 10 Commandments.
143. **In 13:1, why does the Beast not have seven crowns (one on each of its seven heads)?**
- Because God and Jesus (who recited this to John) are saying the first Beast (out of the water) is subservient to Satan, and serves Satan. Again, in Chapter 12, Satan wore the seven crown.

Please see the Chapter 13 solutions as presented in pages 14–60

144. **In 13:2, what does *like unto a leopard* mean?**
- Leopards' spots are their camouflage; making them hard to see (until it's too late). Revelation 13:4 says the world worshipped the Beast. This ability to inspire worship was part of the Beast's unusual leopard-like survival advantage. [Because things with white or very pale coloring are rare in nature, it's possible that humans developed survival defenses to be wary about brown and dark animals, but no wariness of white or pale coloring; allowing Europeans' deep penetration, before striking.]

- b. Leopard spots make them hard to see. Because Western Europeans, when they invaded other countries, acted with guile, making their predatorial intents unclear, they were *like unto a leopard*.
145. **In 13:2. What does “feet of a bear” mean?**
- a. *Feet of a bear* pertains to new shoe-making technology that developed in Europe in the 15<sup>th</sup> and 16<sup>th</sup> century, which allowed European soldier to fight deeper into the cold season.
  - b. *Feet of a bear* is a metaphor for walking plunderously and fearlessly (the way a large bear might plunder through a campsite).
146. **In 13:2, what does mouth of a lion mean?**
- a. *Mouth of a lion* refers to how, in Europe, the powerful began to use the moveable printing press **to make their voices and views travel far and wide** (like the *mouth of a lion*).
  - b. *Mouth of a lion* also means speaking in a belligerent, threatening, or *war-like way*
147. **In 13:2 what does “the dragon” mean?**
- a. The dragon (*which gave power unto the beast*) means *military power*.
  - b. Satan (see in 12:3 and 9: the *great red dragon*).
148. **In 13:3, what does the *head “as it were wounded to death” and “his deadly wound was healed...”* mean?**
- a. The deadly wounded head that is somehow healed, represents the **fall and rebirth** of the Western Roman Empire. The Western Roman Empire fell around 500 AD, but was *reborn* in 1254, when Germany, Austria, and parts of Italy and France united in the new “Holy Roman Empire” (surviving until 1806).

Please see the Chapter 13 solutions as presented in pages 14–60.

149. **13:4, what does worship the dragon mean?**
- a. “Worship the dragon” is to overly admire the Beast’s military power, or to try to imitate its military power (*and re-make oneself in its likeness*).
  - b. This phrase, “worshipping the dragon,” in verse 4, is one of the most powerful judgments God makes against most of the leaders and people of the world. In Chapter 12, God refers to Satan as “the Dragon” and “the Great Dragon,” then here, in 13:4, God is accusing the world of worshipping the dragon. By worshipping the West, God is saying the world worshipped Satan. Thus, God is saying the West was ruled by Satan, and the world worshipped Satan.

150. **In 13:4, what does *worshipping the Beast* mean?**
- Worshipping the Beast* occurred when non-Western leaders and citizens were overly impressed with Western culture; thus, subordinated their traditions and identity, and allowed Western culture and interests to infiltrate and greatly influence their society.
151. **What is the mouth in 13:5?**
- The “mouth” is the new moveable type printing press, used to attack the Church, in the 16<sup>th</sup> century.
152. **In 13:6, who blasphemed against God and made war with the saints?**
- Martin Luther.
153. **In 13:6, how did Martin Luther “open his mouth in blasphemy against God...”?**
- In addition to the Ninety-Five Theses (1517) attack on the Church, in 1522, Luther published his first translation of the Bible. More would follow. Luther’s translations corrupted God’s word; probably most notably by adding the word “alone” after “faith” in Romans 3:28; which misled congregants that they could be saved by their faith, alone, without performing good works. This gave rise to the first Beast (the Holy Roman Empire), who intended to do no good works; claiming to be saved by faith alone.

Please see the Chapter 13 solutions as presented in pages 14–60

154. **In 13:7, what does “*And it was given unto him to make war with the saints*” refer to?**
- This refers to how, in 1529, eight years after Martin Luther’s Ninety-Five Theses was banned, a group of six princes and representatives of 14 Holy Roman Empire Imperial Free Cities (the Protestants) filed a legal petition to the Imperial Diet at Speyer AGAINST the ban of Martin Luther and his writings and teachings. This was called the *Protestation at Speyer*.
  - This also appears to refer, subordinately, to the Thirty Years’ War (1618-1648), which was a continuation of the Protestant movement. The Thirty Years’ War led to the spread of Calvinism (John Calvin).
155. **In 13:7, what does “*and to overcome them*” mean or refer to?**
- This refers to the fact that in 1555, in the Peace of Augsburg, the six princes won their battle; thus, Christianity was legally divided in the Holy Roman Empire, and the rulers of each state were permitted to choose between Lutheranism (the new religion designed by Martin

Luther) and Catholicism. Beyond spreading Lutheranism, this gave birth to various Protestant religions/churches.

156. **In 13:7, what does “*And power was given him over all kindreds, and tongues, and nations*” mean or refer to?**

- a. This refers to the fact that all Holy Roman Empire states, and soon most of the rest of Western Europe, would abandon the Catholic Church, in favor of Lutheranism and Protestantism. (This influence over all kindreds, tongues and nations was broadened and accelerated by a separate worldwide Western cultural influence: *worshipping the Beast*.)

Please see the Chapter 13 solutions as presented in pages 14–60

157. **One of Revelation’s many powerful verses is verse 13:8: “*And all that dwell upon the Earth shall worship him, whose names are not written in the book of life of the Lamb...*” What does 13:8 mean, and who is “*him*” whose names are not written in the book of life?**

- a. “Him” (*whose names are not written in the book of life*) refers to several entities: (1) the West (the 7 nations of the Holy Roman Empire –the Beast), and (2) Martin Luther (and John Calvin and other founders of the new false faiths). Often God symbolically refers to his Church and Church members with feminine pronouns (see Revelation 19:7, 8...); this is because the collective Church represents God’s symbolic wife. But in 13:8 God refers to these churches (Lutheran, Protestant, Calvinist...) with a masculine pronoun, signifying He does not acknowledge these, or any other similarly manufactured, churches. God is saying the Holy Roman Empire is unholy, and Martin Luther and John Calvin, etc, are also unholy. Ultimately, God is saying all of the nations that worship the Beast, who follow Lutheranism, Protestantism, Calvinism, etc., worship unholy entities (*whose names are not written in the Book of Life*).
- God does not address homosexuality in Revelation (indicating homosexuality is not a crime). However, 13:8 indicates God does not approve of homosexual marriage. My take on this is God can forgive/accept homosexuals who engage in monogamous relationships. But promiscuous people, heterosexual or homosexual, are unlikely to enter Heaven.

158. **God does not accept the many Churches that formed after Martin Luther divided the church, largely because they altered His words and laws, made false accusations against the Church, etc., but there is also a powerful symbolic reason that God will not accept these Churches. What is this symbolic reason?**

a. As we learned in Revelation, God is in a symbolic marriage with his seven true Churches. Revelation also confirms that God is very opposed to marital infidelity. For God to accept any of the false churches that emerged after Luther would be akin to God being unfaithful to his symbolic wives; something God will not consider.

159. **What is the point of 13:10, saying “he who kills with the sword must be killed with the sword”?**

a. This is a reference to William I, first ruler of the Dutch Republic (a slave trading Protestant country), who was the first head of state killed with a handgun (1584).

b. This is God passing judgment on the West.

13:11-18, The Second Beast

160. **In 13:11 and 12, who does the second Beast represent?**

a. The United States. [In 13:11 we learn the new beast is a single nation (one head), and a dragon (a great military power). Next, in 13:12, we learn the second Beast (of the image and mark) had all of the power of the first beast (seven nations). This could only be the US or the USSR; but the USSR did not cause the earth to worship the first beast (Western Europe). Thus the Beast is the US. (13:13 through 13:15 confirm this.)]

161. **In 13:11, what do the Beast’s two horns represent?**

a. The second Beast’s two horns represent Israel and Japan, two nations tied to the United States since the end of World War II. Under the second Beast, private parties and corporations, and the US government and military would use Israel and Japan to perform actions, off U.S. soil, that were illegal on U.S. soil.

Please see the Chapter 13 solutions as presented in pages 14–60

162. **In 13:11, what does it mean to “spake as a dragon”?**

a. To speak with the belligerence of a tremendous military power.  
b. To speak like Satan.

163. **In 13:12, what does “he exerciseth all the power of the first beast...and causeth the earth...to worship the first beast” mean?**

a. It means the second Beast had the power to make the world worship Western European and American values, beliefs, style, practices, etc.

164. **In 13:13, what does “in the sight of men” mean or refer to?**

a. *In the sight of men* refers to people watching TV or looking at computer/internet device screens.

165. **In 13:13, what does “maketh fire come down from the sky in**

**the sight of men” mean or refer to?**

- a. This refers to U.S. playing newsreel footage of the US dropping nuclear bombs on Hiroshima and Nagasaki in movie theaters in the 1940s; and broadcasting US missile launches in the late 1950s, and in Viet Nam in the 1960s, and in Desert Storm on 1991.

166. **In 13:14, what does “*in the sight of the Beast*” refer to?**

- a. “*In the sight of the Beast*” (13:14) refers to the Beast’s use of TV to effect mass psychological change (consensual brainwashing) of US citizens.
- b. “*In the sight of the beast*” also refers to the Beast’s ability to spy on and watch Americans, and any nation that purchased US cable technology, via cable boxes.

167. **In 13:14, what does “by the means of those miracles” mean or refer to?**

- a. “*The means*” referred to the science behind the Beast’s magic: *psychology - mass media-distributed psychological reprogramming*, or brainwashing; not implemented by force, but by subtle persuasion.

168. **In Rev Chapter 13, what does “image” mean?**

- a. “Image” (primary sense) is *the physical or social likeness of a person* (similar to the way the term is used, in English, today). (See Rev 13:14.)
- b. “Image” is a TV (television); (As used in Rev 13:14.)
- c. “Image” is the actual viewing *image* of a TV screen (as we use the English word today). (See Rev 13:15, “...give life unto the image...”.)
- d. “Image” is the ability to use a TV or receive a TV signal (Rev 13:14).
- e. “Image” is a corrupt, deceitful, hateful pervading mentality (15:2).
- f. “Image” is a poor *body-image* one gets from watching the Beast’s *image* (TV), or explicit content on the Beast’s *mark*. (Also 15:2.)

Please see the Chapter 13 solutions as presented in pages 14–60.

169. **In 13:14, what does make an image to the beast mean?**

- a. Foreign nations making or buying TVs, so their people can watch the Beast.
- b. Foreign nations making or buying the ability to receive TV signals.
- c. Foreign nations OR citizens remaking their national and/or personal images in the likeness of the US.

170. **In 13:15, what does “give life unto the image” mean?**

- a. It means the Beast had the power to animate the image on the screen

–the power to create motion pictures.

171. **In 13:15, what is it to worship the image of the Beast?**

a. **The two non-Western** (outside of the US and the West) **definitions** of “making an image to the beast” or “worshipping the Beast” are:

- a. **Definition #1:** “*Making an image to the Beast*” is when a nation outside of the US is persuaded to make or accept a device or portal (a TV or internet conduit system) for the Beast (the US) to send entertainment, propaganda, pornography, etc, to the foreign nation.
- b. **Definition #2:** “*worshipping the Image of the Beast*” is when citizens and leaders of non-Western nations adopt Western values, behaviors, dress, beliefs, monetary systems, and reject their own traditions.

**The West’s** subtle supremacist inculcation caused many Westerners to hate other races and cultures; thus, “worshipping the image,” in the West, is:

- c. **In the West,** “*worshipping the image*” is when Westerners are reprogrammed to see other races/cultures as inferior.

The **Universal** definition of “worshipping the image” is:

- d. Universally, “*worshipping the image*” is watching or using one’s TV or smart-phone/computer too much (causing parents to neglect their children, and causing children to develop psychological issues and poor social skills).

Please see the Chapter 13 solutions as presented in pages 14–60

172. **In 13:15, what does “speak” mean or refer to?**

- a. “Speak” means the images on the TV and internet devices should also project sound, so viewers can hear the characters, and the Beast can speak to the world.
- b. “Speak” could also mean the Beast’s TV-distributed images of US wealth were so effective at inciting international envy, the images and propaganda could also incite vocal demonstrations and protests (*speak*) for social change.

173. “*...And cause that as many as would not worship the image of the beast should be killed.*” **What is this passage about?**

- a. This passage warns that the protests for change could lead to upheavals, where innocent traditionalists, of all faiths, were killed.

174. **In 13:16, what is a “mark”?**

- a. A “mark” is a *Divine identifier* or marking, placed *in* the forehead or *in* the right hand of humans, identifying souls who will be punished in

- Hell, for engaging in unconscionable crimes. (See 13:16, 14:7-9)
- b. A “mark” is any computer, laptop or smart-phone internet connected device, with a visual display screen (used to view terrible content and make purchases, see 13:17).
  - c. A “mark” is a curse or disease one acquires, as punishment, for bad behavior, issued before Judgment day. (See 16:2, where a disease of a “loathsome sores” falls on “men who had the mark.”)
  - d. A “mark” is a brand, burned on the hands and foreheads of human souls, marking chattel owned by a man (14:11 “mark of his name.”)
  - e. A “mark” is a *terrible criminal minion*. [See Rev 15:2, where “*his mark*” refers to the Beast’s *minions*; and 19:19 “and *their* armies”.]
  - f. A “mark” is a cure or prevention; a way to stop spread of a disease (meaning, once people know the *mark* is a sentence to damnation, they will stop their bad conduct, tell others, and stop further spread of the disease).

175. **Who earns marks in their forehead (their psyche)?**

- a. People *receive* the mark *in* their foreheads by viewing corrupt, perverted and hateful TV and internet images. The forehead represents our minds, or our psychology, or psyche. So corrupt thought gets a mark in the forehead.

Please see the Chapter 13 solutions as presented in pages 14–60

176. **Who earns marks in their right hand (their deed)?**

- a. People who produce or distribute corrupt, perverted or hateful internet or TV videos, etc., receive the mark in their right hands. Most people are right handed, so our right hands tend to govern most of our action. Thus, corrupt action gets a right hand mark.

**13:17 THAT NO MAN MIGHT BUY OR SELL**

This section only presents a portion/fraction of the complete 13:17 solution. I encourage you to see pages 47 to 51.

177. **What is the point of verse 17, in Chapter 13?**

- a. Verse 17 of chapter 13, is a mystery, from an evolving carry-on thought that began in verse 16. 13:17 reads:

*“And that no man might buy or sell, save he that had the mark, or the name of the Beast, or the number of his name.”*

The point of verse 17 is to communicate that life inside the nation of the *Beast of the Image and Mark* (the US) became so evil and corrupt that no person could buy or sell (exist) unless he had “the mark, the name of the Beast, or the number of his name.” It is then

the reader's job to figure out how a resourceful person (or criminal) could buy AND sell, AND sell what, in such a corrupt place. There are three parts, 13:17(a), 13:17(b), and 13:17(c).

In 13:17(a), you must find a way to buy and sell using only *a mark*.

In 13:17(b), you must find a way to buy AND sell using only *the name of the Beast*.

In 13:17(c), you must find a way to buy AND sell using only *the number of his name*.

178. **To solve 13:17(A), how can you use a mark to buy AND sell in the Beast (the US)?**

a. See page 46 to 48 for this solution.

179. **What are the names of the Beast?**

a. THE UNITED STATES;

b. JOHN W GARDNER

c. Babylon (a nickname for the US);

d. The Great Whore (a nickname for the US);

e. The Great City (a nickname for the US);

f. The Mother of Harlots (a nickname for the US).

• In Chapter 2 the name Jezebel is also used to refer to the US.

180. **To solve 13:17(B), how can you use the name of the Beast to buy AND sell, in the *Beast* (the US)?**

a. See pages 46 to 48 for this solution.

Please see the Chapter 13 solutions as presented in pages 14–60

181. **What is the number of his name?**

a. 50 (*his name is the United states; the name refers to the 50 States in the United States –the number of his name*).

• It can also be reasoned that a correct answer to this question is any number from 13-50, because there were 13 states in 1789, and 48 by 1940s –when the second Beast was born, and 50 in 1959, when Alaska and Hawaii finally joined the union.

b. **XΞΣ** (The uppercase Greek alphanumeric symbols John used in Revelation);

c. **ΧΞΣ** (The lowercase Greek alphanumeric symbols John used in Revelation);

d. 600+60+6 (the Arabic numeric equivalent of the Greek symbols);

e. 666 (the common reduction of the Greek symbols);

f. **67** (The number that represented Gardner's status in 1967 and

after, and the alphanumeric cipher total of the name “Gardner”).

182. **To solve 13:17(C), how can you use the name of the Beast to buy AND sell, in the Beast (the US)?**

**To Buy:**

a. His name (the Beast’s name) is *United States*.

There are 50 states that make up the United States, so number of “united states,” referred to by the name “United States,” is 50. But the number 50, alone, won’t make us any money.

But if an average Joe wants to make money in the US, he needs to start a business. In the US, Joe has to create or initiate his business at the state level, in one of the 50 states. After applying for a **state business license/permit**, usually through the *secretary of state office*, Joe’s state will issue him a state business license number, **in his name** AND **in his business’ name**; hence: ***the Number of his Name!!***

- Brilliant beyond comprehension, and it shows God and Jesus were aware of US business systems 1600 years before the US existed.

See pages 46 to 48 for the rest of this solution.

Please see the Chapter 13 solutions as presented in pages 14–60

183. **Can you integrate your businesses?**

a. See pages 50-51 for this solution.

184. **Regarding 13:17, how many total answers are there for (a) the number of definitions for a “mark”, (b) the number of names for the Beast; (c) the total of all the various *numbers of his name*?**

a. 6 ; b. 6 ; c. 6

### 13:18

The full solutions to the 13:18 mysteries can be found on pages 52 to 60. The 13:18 solutions, in this section, are presented for organizational purposes.

185. **Who is the third and final Beast?**

a. John W Gardner (see pages 52-60, etc.)

- Originally the name “the Beast” referred to seven aggressive Western European nations.
- Next, the name “the Beast” referred to the US.
- Next, the name “the Beast referred to John W Gardner,” and the US became *Babylon*.
- “Worshipping the Beast” will continue to be a reference to the US or West, but the Beast is now John W. Gardner.

186. **Re 13:18, what are the numbers of the Beast?**

a. **XES** (uppercase Greek alphabet numerical characters);

- b.  $\overline{\chi\xi\varsigma}$  (lowercase Greek alphabet numerical characters);
  - c. **600+60+6** (the configuration of Arabic characters, analogous and equal to the Greek);
  - d. **666** (a reduction of 600+60+6);
187. **What does the Beast's number represent?**
- a. The 666 represents the easiest means to permanently control wealth and power in the United States. The 666 are the 666 people (primarily CEOs, Republican politicians, intelligence agency heads...) necessary to achieve this objective. (See pages 56 and 57.)
188. **The Number of the Beast is/was 600+60+6 (666). In this number, what do the numbers 60 and 600 represent?**
- a. See pages 56 and 57.
189. **Who are the original 6 leaders of Gardner's 666?**
- a. John W Gardner, Nelson Rockefeller, William S Paley, Henry Kissinger, Milton Friedman, and William J Brennan.
190. **13:18 reads:** "Here is Wisdom. Let him that hath understanding count ***the number of the Beast***; for it is a ***number of a man***; and ***his number is...***" **13:18 tells us the various names God suggests for the *Number of the Beast*. The hints provided about the possible names are in the phrases "number of his name," "number of a man," "his number". From this, what are the six Divinely approved names:**
- a. (John) Gardner's 666;
  - b. The 666 of John Gardner;
  - c. The Number of John Gardner;
  - d. The Number of the Beast;
  - e. The 666 of the Beast;
  - f. *his* 666 (lowercase h).
- Although all of these names come from God, now that the mystery is solved, the top three names (a, b and c) are most correct and preferred.

#### Chapter 14

191. **Did you notice the big change in what the Beast represents in Chapter 14? Explain.**
- a. In 14:9, the Beast switches from representing the US, in the second half of Chapter 13, to representing only John Gardner; thus, the *mark* and the *Beast* are given male pronouns for the rest of Revelation (*his* mark, *his* image). [Verse 13:18 first hints that the Beast is becoming, or has become, a man: "...for it is the number of a man."]

192. **What happens to Babylon?**
- a. Initially, in 14:6 it appears as if Babylon (the new name for the US in Chapters 14-18) was totally destroyed (“fallen”). But at 18:2, we see Babylon has just fallen in morality (“become the habitation of devils...every foul spirit...and hateful bird”). But six verses later, 18:8, it is clear that Babylon is destroyed: “Therefore my plagues will come in one day –death and mourning and famine. And she will be utterly burned with fire, for strong is the Lord who judges her.” Two verses later (18:10) we learn Babylon is/was destroyed in an hour.
193. **In Chapter 14, when Gardner receives the name “the Beast,” what title given to the U.S. (to replace “the Beast” moniker)?**
- a. Babylon (the name Babylon is first used to refer to the U.S. at **14:8**).
194. **The US is called Babylon throughout Chapter 18. What is the significance of an evil city named Babylon?**
- a. Babylon is the nation that enslaved the Israelites. God is saying: the US is enslaving people, like Babylon enslaved the Israelites.
  - b. The name Babylon is used by the Apostle Peter, to refer to Rome –because, at the time, Rome was persecuting Christians. Thus, the name Babylon, in chapters 14-18, was chosen to remind us of the United States’ connection to the first Beast (the Holy Roman Empire), and the HRE’s connection to ancient Rome.
195. **How do we know Babylon represents the U.S.?**
- a. Because of how it is described in Chapter 18:9 to 20; the city that acted as the greatest market in the world –a station only held by the US (“wherein were made rich all that had ships in the sea”).
  - b. The writers (God, Jesus, John) help us deduce Babylon is the U.S. with an echo recall strategy. In 13:4, as we begin to suspect the Beast is the West, the writer asks, “Who *is like unto* the beast?” And in 18:18, to help us see the second beast in now Babylon, the writer echoes 13:4’ “*who is like unto*” refrain, by asking, “What city *is like unto* the great city!”
  - c. Also, in Chapter 13, we meet the first Beast, with seven heads, which represent 7 Western European nations (England, France, Spain, Portugal, Netherlands, Belgium and Germany), and ten horns; this beast has tremendous military, so most of the nations of the world

worshipped it. This beast rose around 1517 and declined in the mid – late 19<sup>th</sup> century. Next, in 13:11, we meet the **second Beast** (which by now we know is the United States, because “United States” solved the 13:17b mystery), which has all the military power of the first Beast, and causes the world to worship the first Beast (*Out of the Sea*).

After John Gardner dies and assumes the name “the Beast,” Revelation needed a new moniker for the U.S., so God gave the US the alternate name: *Babylon*. In 17:3, Babylon (the US) is represented as a garish whore (called “The Great Whore” in 17:1, 19:2), who, we learn in 17:9, sits on the seven-headed Beast with 10 horns (the first Beast). Thus, Babylon is the US.

“The seven heads are seven mountains [nations], on which the woman sitteth.” (17:9)

“And the woman which thou sawest is that great city, which reigneth over the kings of the Earth.” (17:18)

196. **In 14:14 to 14:20, what is the reaping and harvest and winepress of blood about?**

- a. It appears to represent many people dying because of the magnitude of mankind’s sin, and the pervasiveness of sin.

### Chapter 15

197. **In 15:2, what is “the mark of his name”?**

- b. It is a hint to the correct term for the mark. “His” refers to the Beast, John Gardner. Thus, the correct name is “*The mark of John Gardner.*”

198. **What is Chapter 15 about?**

- a. The essence and heart of Chapter 15 is contained in verse 3, one of the most important verses in Revelation. Verse 3 mentions the *Song of Moses*. This is a reminder that God predicted Israel would forsake God, and in return God would forsake Israel. The *Song of Moses* is nine verses of Deuteronomy, Chapter 32, verses 44-52. But the Song of Moses is set up in Deuteronomy 31:16-22, where God foresees that the Children of Israel “**will forsake me, and break my Covenant, which I have made with them,**” and “**go a-whoring after the gods of the strangers of the land.**” Yet God promises to deliver the Children of Israel to the Promised Land. But because the

Children of Israel will eventually betray God, God asks Moses to write a song "and teach it to the Children of Israel; put it in their mouths, that this song may be a witness for me against the Children of Israel." For this betrayal, God promises (Deut 31:17): "**...I will forsake them, and I will hide my face from them, and they shall be devoured, and many evils and troubles shall befall them...**"

By *forsaking* God, God is speaking of countless dirty engagements Israel has entered into with the US since World War II. <sup>36</sup> The point of Chapter 15:3 and 4 is God's Covenant with Israel is broken.

### Chapter 16

199. **In 16:2, why is the mark suddenly referred to as "the mark of the beast"?**
- This is confirmation that John W Gardner is the Beast. [In 14:11 we are instructed that the mark is "the mark of John Gardner" ("mark of *his name*"), but in 16:2 Gardner's name is replaced with "the beast" ("mark of the beast").
200. **In 16:2, what ailment/disease that impacts "men that had the mark of the Beast" does the first angel's vial/bowl cause?**
- Mpox (2022); primarily spread by men, in Europe and the US.
201. **In 16:3, when the second angel's vial/bowl causes the sea to become "*blood as of a dead man, and every living creature in the sea died,*" what ongoing tragedy did this refer to?**
- The Mediterranean migrant crisis, where the Mediterranean sea has claimed the lives of untold thousands of migrants. The crisis appears to have started around 2015, but took a huge upswing in 2023, when in June, midway through the year, NPR reported 2000 immigrants had died in the Mediterranean Sea. Sept 13, 2021, Daily Mail and other news outlets reported a large inlet pool of the Dead Sea, in the country now called Jordan, had turned blood red (this area was once the biblical region of Moab, where Sodom and Gamorrah were located).

---

<sup>36</sup> Grossly disproportionate numbers of private Jewish people, not working for Israel, entered into dirty business relationships, or took executive positions, with America's 666 companies. Many of these people were also connected to Israel (Henry Kissinger, Ari and Rahm Emanuel...). See Origin Stories, where most of these parties are identified by name.

202. **In 16:4, the third angel poured its vial/bowl “on the rivers and fountains of water, and they became blood,” what does this event refer to?**
- a. The story refers to the many man-made water disasters that occurred in 2023, such as (1) Syrian fishermen in the Tigris and Euphrates who are only catching a fraction of their usual catch; (2) multiple reports that half of US tap water is contaminated with forever chemicals, which cause cancer, infertility, liver damage, hormone suppression, more; (3) hundreds of fish died in Israel’s Tzalmon Estuary; (4) whales beached themselves in record numbers, around the world. The Dead Sea blood pool mentioned in the previous solution may also be connected to these events.
203. **In 16:8, the fourth angel poured his vial/bowl on the sun, “and power was given unto him to scorch men with fire.” To what does this verse refer?**
- a. Accelerated global warming, witnessed in 2023, as noted in the headline of a July 27, 2023, CNN report: “This Month is the Planet’s Hottest by far, and Hottest in around 120,000 years.”
204. **In 16:10, the fifth angel’s vial/bowl causes people in the US (“the seat of the beast”) to gnaw “their tongues for pain.” To what does this verse refer?**
- a. A 2023 pharmaceutical drug shortage in America that substantially reduced pain medication availability.
205. **In 16:12, the sixth angel’s vial/bowl causes the Euphrates river to go dry. What events does this verse refer?**
- a. Multiple reports, in 2023, that the Euphrates River’s waters were much lower than usual; causing researchers to predict the river could disappear by 2040.
206. **Why else are verses 16:3 and 16:12 unusual and important?**
- a. Because in 16:3 and 16:12 God deliberately exaggerates, to show the magnitude of the tragedy (thousands of people dying, trying to find better lives), and to emphasize the value of imaginative storytelling –which stimulates interest and fosters creative and intellectual growth. In 16:3, God

says “every living creature in the sea died.” But every living creature in the sea had NOT died. In verse 16:12, God says the water of the Euphrates River was dried up –also an exaggeration. God will exaggerate to bring out much more meaningful aspects, or for some other edificational purpose. This should cause us to wonder about all aspects of the Bible. Did God exaggerate Noah’s age at the time of his death? Did Jonah really live in a fish’s belly for 3 days?

If not, why would God tell us these things?

**Solution:** To give us powerful models of people who remained faithful in impossible circumstances, or to test our faith, or to inspire wonder...

God does not do this to suggest lying is acceptable. In Revelation, God is clear that lying is not acceptable. God uses the power of story to reveal greater truth or reinforce moral standards.

207. **In 16:13, who is the *Dragon*?**

a. Satan

208. **In 16:13, who is the *False Prophet*?**

a. Oral Roberts. We learn this is Oral Roberts in 19:20, as 19:20 explains the False Prophet “wrought miracles **before** him” (before the third Beast). In Chapter 13, *miracles* is a word associated with the second Beast (US), circa 1955, when Oral Roberts was on TV. Roberts started his radio and TV career before John W Gardner became the Beast. 19:20 explains the False Prophet “*deceived those who received the mark of the Beast*”. Luther and Calvin were no longer alive in the 20<sup>th</sup> century, when mark crimes began, and they are not associated with *the mark*, so 16:13 can only refer to Oral Roberts.

- Verses 16:12 and 16:17 occur in 2023. Thus, because Chapter 16 is sequential, 16:13 and 16:16 (which show the spirits of Satan, John Gardner and the False Prophet disembodied and sent to Armageddon, to wait to battle with Jesus and his angels) also occurred in 2023 –the year I first identified Gardner as the Beast in my Revelation solutions/report.
- Because Oral Roberts receives the most extreme punishment but Martin Luther does not, we can assume Luther was not the brains behind the reformation.

209. **16:18-21. In 16:17, the seventh angel’s vial/bowl causes an “great earthquake” (16:18), then the great city (Babylon, or the US) was/is divided into three parts, and the cities of nations fell**

**(16:19), and every island fled away, and the mountains were not found (16:20), and a plague of great hail rained down (16:21).**

**What are these events that are caused by the seventh vial?**

- I. The *great earthquake* is a reference to three earthquakes in 2023: the Turkiye quake, February 2023; the Marrakesh (Morocco) Earthquake, September 2023; the Afghanistan quakes, October 2023.
- II. *The Great City* that is divided into three sections refers to Israel, where fair skinned Israelis rule and force Palestinians and the dark Ethiopian Jews, to live in different areas. (August of 2023, Ethiopian Jews began protesting against the discrimination they face in Israel.)
- III. The *cities falling* refers to war in Ethiopia. (2023)
- IV. The *islands that fled away* refers to Caribbean Island nations, colonies of Britain, who seek to break from British rule. (2023)
- V. The *mountain were not found* refers to the Sherpa, who guide Western mountaineers up Mount Everest (Nepal/China), quitting because of dangers and low pay.
- VI. The *plague of great hail* refers to record setting hail (over 4 inches in diameter) falling in many American states (Colorado, Virginia, Oklahoma, Georgia, Texas, Mississippi), and in Italy, in 2023.

### Chapter 17

#### 210. **What is the time perspective of Chapter 17?**

- a. Chapter 17, which re-connects the first Beast (the West) and Babylon (the US), is a “flashback dream sequence” sort of scene, which takes us back to between 1529 and 1584. This flashback was actually initiated in Chapter 16, verse 17, by the seventh angel’s bowl of wrath, and setup by 16:19, which explains “Babylon was *remembered* before God.” Thus, in Chapter 17, God shares a bit of His memory of the origin of the first Beast, and how the second Beast, *Babylon* (the US), came to sit upon the first Beast’s 7 heads.

#### 211. **What is the solution to the 17:10 mystery: “seven kings, five fallen, and one is, and the other is not yet come” –the mystery of the origin of the first Beast?**

- a. 17:9 informs us that the Beast’s seven heads represent seven nations.

In 17:10 we learn the nations have seven kings, but five have fallen (died), and “one is” (meaning “is” in power), and the last king “is yet to come: and when he cometh, he must continue a short space.” This refers to the six kings that were in power on April 19<sup>th</sup> 1529, the day the *Protestation at Speyer* was initiated, which led to the division of Catholic Church, the Protestant Reformation, and the birth of the Beast. **Six** of the seven HRE kings were in power at that time:

1. **England:** Henry the VIII (reign: 1509-1547);
2. **Spain:** Charles I (reign 1516 to 1555);
3. **Holy Roman Empire & House of Habsburg (Austria):** Charles V (reign 1519-1556);
4. **France:** Francois I (reign 1515-1547);
5. **Portugal:** John III (reign 1521 to 1557);
6. **Denmark (& Norway):** Frederick I (reign: 1523-1533).

The solution to one central mystery (what year did the Beast, in spirit, come into existence?) is **1557**, when John III of Portugal was still alive, but five kings of five nations, who were in power when the Protestation at Speyer occurred, had died. But in 1557, the seventh kingdom of the first Beast did not yet exist.

- This mystery appears to be God indicting John III (and Portugal), as the spirit of Beast, for being the first European nation to engage in slave trade. Until 1650, Portugal controlled 95% of the West’s slave trade.

The seventh nation joined 23 years later, in 1580, when **William I** (William the Silent) took power of the Dutch Republic. William I also ruled as the Prince of Orange, predecessor of Netherland. But originally, it was the Dutch Republic that acted as the seventh nation of the first Beast. William I is the king who came to power later, and *continued a short space (4 years)*, then died in 1584 -when England passed the ***Jesuits, etc. Act of 1584***, which commanded Catholic priests leave the country within 40 days, or be punished for high treason. 200 Catholics (mostly priests) were executed under this law. William I was the first head of state assassinated by a handgun.

- With this mystery/solution, God informs us that although the first Beast became a 7-headed beast in 1580, the Beast originally had only **6 heads** (6 nations), from 1523 to 1580. (The Protestation at Speyer,

that divided the Church, was initiated by the 6 Princes, representatives of the original 6 Holy Roman Empire nations.)

212. **In 17:12, what do the ten horns represent?**

- a. The 10 horns represent the 10 principal colonies of the first Beast (with at least one colony represented by each of the 10 horns). These 10 are:
  - I. United States, North America (England, Spain, France);
  - II. India (England, France);
  - III. Canada (England, France);
  - IV. West Africa (France);
  - V. South Africa (Dutch Republic/Netherlands);
  - VI. South America (Spain);
  - VII. Central America (Spain, House of Habsburg);
  - VIII. Brazil (Portugal);
  - IX. Oceania/Australia/Philippines (England, Spain)
  - X. West Indies (Denmark).

213. **In 17:12, what is the meaning of “...10 kings, which have received no kingdoms, but receive their power as kings one hour with the beast”?**

- a. This refers to the fact that the leaders of the 7-headed Beast assigned subordinate leaders to rule the 10 colonies.

214. **Why does Revelation 17:13 say all of the horns (colonized nations) will be of one mind and give their power to the Beast, but 17:16 says the 10 horns shall hate *the whore* (the Beast)?**

- a. “The whore” refers to the second Beast (the United States). The contrast between 17:13 and 17:16 exists because 17:13 refers to the leaders that were installed by the Beast of colonial power (the first Beast); but 17:16 considers the horns several centuries later, after the colonial relationships were dissolved, and the common people of the horns (the once colonized nations) now hate the Beast that once conquered, oppressed and ruled them –and the modern embodiment of the Beast by this point, the 20<sup>th</sup> and 21<sup>st</sup> centuries, is/was the U.S.
- NOTE: Since the US was one of the original 10 colonies, but later developed into the second Beast, the US’s former position as a symbolic “horn” colony would fall to another nations that was either colonized, subjugated, or routinely sabotaged by the US and the West (Russia,

China, North Korea, Iran). From this, we should understand that the 10 Horns of today are not the same as the 10 Horns in Chapter 17 (1557).

215. **In 17:11, the Beast is called “*the Beast that was, but is not, and yet is.*” Why? And how can the 7-headed Beast also be the 8<sup>th</sup> head?**

- a. This refers to the fact that, from the time perspective of story, established by the events sequence, the first Beast existed (in the first half of Chapter 13) and no longer existed in the story timeline after the mid 19<sup>th</sup> century (thus, it “was”, but “is not”). Yet, this beast still existed in the hearts of many, even after it lost its great power (thus, “yet is”). This persistent widespread worship of the first Beast allowed the second Beast to come to power, and sit upon the 7-headed Beast. This adoration acted as an 8<sup>th</sup> nation, powering the second Beast. Thus, 17:11 explains: “And the Beast that was, and is not, even he is the eighth, and **is of** the seven...”

216. **Why should verse 17:17 terrify the US and the West?**

- a. This verse indicates that former Western colonies will turn against the US (and possibly against the entire West, when the time is right).

### Chapter 18

**Chapter 18 is extremely important, as solution #219 tells the very HOUR of February 23<sup>rd</sup>, 2024, that the US will be destroyed.**

- In 18:1, the angel that illuminates the Earth with his glory is likely God.

217. **Why, in the days before Babylon’s destruction, is verse 18:4 the most important verse in the Bible for many true Christians in the US and in the West?**

- a. Because in 18:4, God commands, “Come out of her, My people...” This is God ordering true Christians (who have been loving, kind and who have not spread hate) to leave the USA, and maybe the West. God gives this order just 4 or 5 verses before Babylon (the US, and possibly the West) are destroyed.

218. **WHAT IS THE HIDDEN PURPOSE OF CHAPTER 18?**

- a. Chapter 18 is a timeline/calendar that discloses the very hour that forces of the East/Asia (Russia, China and the other 10 Horns) will destroy the US –likely Israel, and possibly the West. I’ll explain...

## **The Chapter 18 “Hour of Destruction” Timeline/ Calendar**

Chapter 18 is 24 verses long. The 24 verses represent 24 hours in a day. Chapter 18 is the only chapter in Revelation that is 24 verses long.

The number 18 (in “Chapter 18”) represents two things:

1. 18 represents the time of day (on a 24 clock system) when China, Russia and the rest of the 10 Horns will strike against America (and perhaps the West). 18, in a 24 hour clock system, represents 6pm. Russia, China and the 10 horns will strike when it is 6pm on the West Coast of the USA.
2. 18 Represents 6+6+6; America’s 666, created by the Beast, John W. Gardner. God used the number 18 to remind us the Beast and his 666 (who still rule the US/West) are part of why God is taking this action.

The number 24, in the number of verses that comprise Chapter 18, represents two things:

1. The number of hours in a day.
2. **The day of the month** when Russia, China and the other 10 Horns destroy the US. (The 24<sup>th</sup> in Asia; the 23<sup>rd</sup> in the US.)

The way God tipped me that Chapter 18 was a calendar/timeline of the hour when He would destroy the US (Babylon) was, first, by making the Chapter 24 verse long.

The next important clue was that at verse 18:8 He states: **“Therefore her plagues will come in one day...”** This was odd because in verses 10, 17 and 19, God says her judgment and destruction will come in **“one hour.”** Why would God, **3 times**, say her end would come in an hour, and once say it would come in a day? We learned in Chapter 2, it will be the 24<sup>th</sup> of February in the East (and the 23<sup>rd</sup> in the West) when God destroys Babylon. There are 24 verse in Chapter 18. God oddly says “day” in verse 8. Eight goes into 24 **three times**. I soon realized Chapter 18 represents a 24 hour clock, and God was informing me of what HOUR of the day it will be when He destroys Babylon.

- NOTE: God repeatedly signals “3” in chapters 18 and 21 because 3 represents the Church, and the 3 branches: Christianity, Islam, Judaism.

Determining the hour of day that God was communicating He would destroy Babylon was harder. I soon deduced that the Chapter 18 verse numbers which included the words “one hour” were informing me of when God intended to destroy the US.

God views this as a clash between the East (God’s armies) and the West (Satan’s armies). Thus, the hours of this war are calculated from Beijing (also called *Pekin*, the capital of China, near the East coast of China), and Los Angeles and San Francisco, on the far west side of the US (and the West). The reason God would emphasize the West Coast in this War (and not Washington DC and New York, on the East) is John W Gardner (the Beast) was born in California and made his headquarters on the West Coast, thus, today the most powerful 666 corporations are on the West Coast (Google, Microsoft, Apple, Twitter, Facebook, Hollywood...). We know God views this as a clash between the East and West because Jesus said as much in Matthew 24:27, when He informed us about the Tribulation preceding His Second Coming: **“For as lightning comes from the east and flashes to the west, so also will the coming of the Son of Man be.”**

Verse 18:10 is the first verse that contains the words **“one hour.”** Here, “one hour” informs us that it will be 10 a.m. (on a 24 hour clock system) in Beijing, when China, Russia and the 10 Horns strike the US (and possibly other Western targets).

The next two instances of the words **“one hour”** occur in verse 18:17 and 18:19. But here the words are before and after verse 18:18 (6+6+6 plus 6+6+6). So, the hour that it will be on February 23<sup>rd</sup> (in the US) when God (via the 10 Horns) acts to destroy the US will be 18:00 –in a 24 hour clock/time system, this means **6pm**.

Hopefully, you wonder why God put the words “one hour” before and after verse 18, instead of in verse 18 itself, as He did in verse 10? This is because God is reminding us that it will take about 2 hours for the bombs to leave various locations in Asia and arrive in the US. The way that God indicated two hours is by placing the words “one hour” in verse 18:17, and two verses later, in verse 18:19 (this seems to represent the bombs flying over land, sea and ice to their targets).

Because it will take 2 hours for the bombs to reach the US, the US will probably not begin to be destroyed until around 8pm. The end of the destruction will occur about **one hour** later, around 9pm; as foretold by three verses: 18:10, 17 and 19. (“For in *one hour* such great riches came to nothing.” Rev 18:17.)

In verse 20, which represents 8pm, the angels in Heaven begin celebrating when the bombs begin hitting the US.

In short, God will launch the bombs that destroy the US, when it is **10am in Beijing, and 6pm in California and the West Coast of the United States** (it will be **9pm on the US East Coast**, in NYC and Washington DC). The bombs will arrive 2 hours later, when it is **8pm on the US West Coast and 11pm on the US East Coast**. The bombing, and The War, will end about one hour later, at 9pm on the US West Coast, and midnight on the US East Coast.

- **Some bombs may strike the US coasts a bit before 8pm PST and 11pm EST.** Russia has unmanned nuclear powered submersible, remotely guided nuclear bomb delivery systems, designed to be positioned on their adversary’s coast, weeks or months before detonation. Some of these may be detonated before the rocket-borne bombs strike the US.
- **People in the US who love God, who have done good works, have been kind to others, and have not been hateful or fomented hatred, should leave the US before 6pm PST, 9pm EST, February 23<sup>rd</sup>, 2024.**

219. In 18:8 we learn Babylon has been destroyed: “...death and mourning and famine...,” “utterly burned with fire...” Why should Chapter 18 be the most troubling Chapter in Revelation for Americans?

- a. Because 18:6, 9, 10, 17, 19 indicate God imposed severe punishment on the United States, leaving seemingly few survivors –and the survivors face misery and famine.

### Chapter 19

220. Verse 19:5 includes the passage “Praise our God, all ye that serve Him, and ye that fear Him...” Why is this passage important?

- a. This is important because it appears to draw a distinction between

people who serve God (who are people who do good works because they love other people, want to be good people, and love and abide God, because He is good and just) and people who fear God (who are not necessarily good people, who may restrain their selfish inclinations because they fear God's punishment and wrath). I think God may want these otherwise bad people to fear Him, to keep good people a bit safer.

221. **In 19:7-9, who is Jesus marrying?**

a. This is a symbolic marriage to his Church.

222. **What is the point of 19:11-16?**

a. To inform the Church of one of the proper depictions of Jesus: on a white horse, wearing a red robe, with a crown on his head, and on his thigh is written: "King of kings and Lord of lords".

223. **In 19:17 to 21, a war transpires between Jesus and the armies of Heaven, and the Beast, the *kings of the Earth* and their armies. Is this war in our physical world, or in a spiritual world/place, or is it symbolic/edificational? Why?**

a. The war does not occur in our physical world. Thus, either it occurs in a spiritual world/state/plane or it is symbolic or edificational. Why? because, at *that* point in the story, the Beast and False Prophet are already dead in the human world. More, after the Beast and false prophet are cast into the lake of fire, 19:21 explains that the remaining armies were slain by Jesus' sword, "which sword proceeded out of his mouth." Thus, evil was killed symbolically, or spiritually, by the word of God.

- **The Second Coming.** Verses 19:11-21 concern Jesus' Second Coming, and give the impression that the Second Coming is symbolic, but the Second Coming will be a real event. But from my limited research, some aspects of the Second Coming may happen in a spiritual plane, invisible to humans, but some important aspects of the Second Coming will be visible to all.

## Chapter 20

224. **How many possible fates can we expect on Judgment Day?**

a. One of at least seven; two good, at least five bad. See the "Judgment: Death, Heaven, Hell, Lake of Fire," section (pp 138-139). But this is

just what God chose to share in Revelation. It is possible, maybe probable, because God is infinite, that He may have more, maybe many more, punishment options –and maybe more Heaven options.

**225. What is the significance of verses 20:1, 2 and 3?**

- a. In 20:1-3, God shows us and tells us that He controls Satan, releasing him and locking him away when God wishes. God is telling us that although Satan is evil, almost beyond comprehension, God wants Satan to test mankind, to be sure we deserve entry into Heaven.
- As seen in chapters 12 and 13, after Satan falls upon the Earth, he uses money to coerce mankind (particularly the West) to go beyond the prior limits of selfishness. Satan led the US to commit genocide, create dozens of unforgiveable crimes, and devolve its own people.

**226. Why does God show us Satan in Chapter 20?**

- a. In Revelation, the odd chapters tend to be more symbolic than the even chapters, although the even chapters, like Chapter 12 (probably the most symbolic chapter), can be very symbolic too. Chapter 19 is the last odd chapter with prominent symbolic aspects. Chapters 20, 21 and 22 give us a fairly literal peek into a small corner of God’s domain, where the physical and spiritual seem to be equally perceptible. Here, in Chapter 20, we see God lock Satan away in the bottomless pit, to inform us that Satan is a real force, which God sent to Earth to test humans.
- **Re 20:11 and 12:** A great benefit of God waiting until life on Earth ends before He judges thousands of years of humans (at His *White Throne Judgment*) is He can use the Mark Crimes list (pp 36-45) to hold everyone to the same standard.

Chapter 21

**227. What is the primary mystery of Chapter 21?**

- a. Chapter 21 is a **prophetic calendar of the exact day of Jesus’ Second Coming, in 2027. Here’s how I solved it...**

In solving the other Revelation mysteries I saw ample information that Jesus would return in 2027; thus, in prior reports, in the Chapter 2 solutions, I said He would likely return between 2027 and 2029. Because verse 2:27 (which represents the year 2027 in the Chapter 2 Tribulation calendar) has an

unusual indentation in many Bibles, and reads **“He shall rule them with a rod of iron...”**, echoing Jesus’ words during His Second Coming in 19:15, I felt 2027 was when He would return; but because Chapter 2 continued for two more verses, I initially thought Jesus wanted a wide window for His return (2027 to 2029). But, once I solved the Chapter 2 and Chapter 18 mysteries, and saw how specific God was about when He would destroy the US, I felt Jesus’ Second Coming would also be at a specific time. Because Chapter 21 ends at verse 27, making it the second longest chapter in Revelation, I decided Chapter 21 was a calendar of 2027, identifying when Jesus would return.

In many Bibles, verse 9 of Chapter 21 is separated from the previous verses, and preceded by a caption reading something like: “New Jerusalem is Described.” I decided this offset was done to indicate verse 9 represented either the ninth month of 2027, or the ninth day of a month in 2027.

In verse 9, the word *seven* appears three times. This was God using the word “seven,” His primary identification number (see the *Numbers* chapter of the *Authorization* section), to signal to me the **day** of the month of Jesus’ Second Coming. Because God used *seven* 3 times (instead of 4 times) that was a signal that the number 3 was significant in this mystery. (In the *Authorization* section you’ll learn of my unusual connection to the number 4.)

A few verses later, in verse 12, the word “twelve” appears three times. This was a signal that something was special about the number 12 in this mystery. I then found six more instances of the word “twelve” in Chapter 21.

Because both 9 and 12 can identify days or months, ordinarily it would be impossible to know if **God was signaling Jesus would return on September 12<sup>th</sup>, 2027, or December 9<sup>th</sup>, 2027.** Here’s how I determined the correct date.

While writing this report, I learned God designated me the birth date identification number 244 (see *Authorization* section). 244 represents the **day** of the month (24) and the **year** (4, from 1964) of my birth. In these identification numbers and in the prophetic calendars, God prioritized **days** of the months over the actual months. This indicated God places greater emphasis on the number of the day of the month than the month itself. So the fact that God’s powerful identity number, 7, appears three times in verse 9 indicates 9 is the day of the month Jesus will return. This left the number 12 (which God signaled 9 times in Chapter 21) to identify the month. Thus...

## **JESUS' SECOND COMING WILL BE ON DECEMBER 9<sup>TH</sup>, 2027.**

You might notice that God put all nine instances of the word “twelve” in verses that were either multiples of 4 (12, 16, 20) or multiples of 7 (14 and 21). God did this to indicate He (7) was communicating to me (4). And He communicated this so efficiently because He wanted me to explain this to you.

God put the word *seven* in verse 21:9 three times: God (7) signaling me (4) that **3** is significant here. In verse 21:12, God used the word “twelve” 3 times. (signaling 3 and 12 are important.) But God put the word “three” in *verse 21:13* four times. This was God instructing me to publish this report on the 13<sup>th</sup> day of January, 2024, at 3pm: when it is/was 3pm where I live (Mexico), but 1am, January 14<sup>th</sup>, in Moscow, Russia, in the East. (1 is God’s secondary number.) This gives the world 1424 days, almost 4 years, until Jesus returns. Publishing this report on 3pm January 13<sup>th</sup>, 2024, gives the world **41 days**. Thus, God’s *people* in the US/West have/had **41 days** to leave the US/West. 41 days is **984 hours**.

God repeatedly signaled three (3) in Chapter 21 and Chapter 18. If you add 3 to 984 (because God gave the US and extra 3 hours) you get **987**. **9,8,7**, is a countdown to both World War **III** and the Second Coming...

**41 days** reminds us of the **40 days** of rain before Noah’s ark was lifted by the flood. God seems to signal 40 and 41, to remind us of Matthew 24:**40** and **41**. In Matthew 24:37, Jesus says His Second Coming will be “as the days of Noah...”

### **In Matthew 24:30, Jesus gives the world reason to fear His return:**

“The sign of the Son of Man will appear in Heaven, and then all tribes of the Earth will mourn, and they will see the Son of Man coming on the clouds of Heaven, with power and great glory.”

Which leads to Matthew 24:38-41, where Jesus explains:

(38) “For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that **Noah** entered the ark, (39) and did not know until the flood came and took them all away, so also will the coming of the Son of Man be. (40) **Then two men will be in the field: one will be taken and the other left.** (41) **Two women will be grinding at the mill: one will be taken and the other left.**”<sup>37</sup>

- **God/Jesus chose December 9<sup>th</sup>, 2027, for Jesus’ Second Coming, because that date is the 40<sup>th</sup> anniversary of the Palestinians First Intifada against Israeli persecution and occupation of Palestine, Gaza and the West Bank.**

<sup>37</sup> The people who disappear, in Matt 24:**40** and **41**, were likely sent to Hell. Those of you with *the mark*, and those of you who have been hateful can start worrying. The US used its media platforms to teach the world to hate –that hatred will have eternal consequences. People everywhere who have been hateful toward immigrants and other races, should also worry. Revelation shows hatred has stunted human evolution and destroyed the lives of millions of good people. Jesus seems intent to address this.

228. **In 21:1, what are the implications of New Heaven?**

- a. In Revelation 21:1, we see *New Heaven*, and we learn the first Heaven is gone. In 21:2, a giant city-like building, New Jerusalem, the new home for resurrected humans. **One of the implications of this is: there are different cities or regions of Heaven.** How do I surmise this? We must know the angels (whom David told us were ranked higher than humans, in Psalm 8:5; and who were depicted in Revelation and Isaiah 6:2-7, living in Heaven, long before Humans) will also be given their own great city in New Heaven. The angel's presence in Chapter 21 suggests that, before humans on Earth, God gave the angels (when they were in human-like form) an earth-like planet, where they faced evil and challenges, and died, and some were punished and others resurrected, to join God in Heaven. The angels' presence in Isaiah and Revelation indicates humans are not the first man-like beings God has created. And there may have been others. Maybe many others.
- In 21:2, New Jerusalem coming down from Heaven, when John is in Heaven, may be God informing us the afterlife is bigger than we imagine.

Chapter 22

229. **What is interesting and important about 22:10?**

- a. In Chapter 5 Jesus is found worthy to open the seven seals on the scroll. Chapter 22:20 echoes back to this as God says, "*Do not seal the words of the prophecy of this book, for the time is at hand...*" This may indicate that, now that Revelation is solved, sometime after Jesus returns, either God will mark His Revelation mysteries as solved, sealed and closed; OR He may, in some other way, seal these solutions and this report –because the Beast's crimes, detailed herein, were so perverted they would seem to make reading the Bible unfit for children.

OVERARCHING SOLUTIONS & LOOSE ENDS

230. **How do we know God wants us to dismiss the literal accuracy of the events IN HEAVEN, in Revelation chapters 4 to 19?**

- a. Because, as we learn in Revelation 21:22, there is no temple (church) in Heaven, because in Heaven we live with God and Jesus. However, throughout Chapters 4 to 19, we see temples in Heaven. God created

- this distracting conflict so we'd know whatever is presented in Heaven, in Chapters 4-19, is only symbolic.
231. **We see the Beast of the West in God's Bottomless Pit in 11:3, 17:3 and 17:8, and Satan is sent to the Bottomless Pit in 20:3. What does the fact that God stored these evil forces in the Bottomless Pit and deliberately unleashed them on mankind indicate?**
- God wants humans thoroughly tested by evil, before He allows them into Heaven.
  - Because, in Revelation, God only gives us a small glimpse of Heaven, Hell and His various spiritual "tools," and because God is infinite, we are safe to assume God may unleashed other negative spiritual forces to test humans –but none as bad as Satan.
232. **We see Satan and the *Beast of the West* in the Bottomless Pit in chapters 11, 17 and 20, and we see Jesus fight a battle in Chapter 19 against the Beast (the spirit of John Gardner, who died decades earlier) and his armies, in a battle that is spiritual and symbolic, but feels similar to our physical world. What does this indicate?**
- God seems to be telling us He has created a Universe where some things that are real occur on a spiritual plane that is not perceptible to humans. Because of this, we, humans, are impacted by Satan and the spirit of the Beast, although we cannot see these forces.
233. **In 19:10, John falls at Jesus' feet to worship (19:10 represents Jesus before his death and resurrection). In 22:8, John falls *"to worship before the feet of the angel who showed me these things."* In these instances, Jesus and the angel both stop John and explain they are his fellow servants of God. What do these events indicate?**
- Serving God is the highest honor of all.
  - Angels are superior to humans (that God gives them knowledge of divine things, known only to God and Jesus, and liberty to share these things with humans –in this situation the angel knew about New Heaven, and shared that knowledge with John).
- Being God's servant does not mean being a slave or having no freedom. God needs little or no help. But who wouldn't jump at a chance to do something for God?
234. **What is Revelation's evidence that God is not just unhappy with most false Christian churches and leaders, but also unhappy with**

## many of the world's Islamic leaders and Judaist leaders?

- a. God expresses his anger at Lutheran and Protestant churches in Chapter 13, and at “prosperity gospel” fakes in verses 16:13 and 14, and 19:20. In verse 2:10, God expresses his anger at modern Islamic/Muslim leaders, and calls them “the devil”, for mistreating His people and misapplying God’s will in the Arab Spring(s). In verse 2:9 and 3:9 (and others), God expresses His anger at Jewish leaders, and says they are not Jews, for abandoning God’s instruction and their Covenants with God.
235. **Buried in Chapter 17 is verse 14. Why is 17:14 important?**
- a. 17:14 ends, “...they that are with Him are called, and **chosen**, and **faithful**.” With this verse, God clearly states there is no “chosen” race or people. Individuals can make themselves chosen by being devoted to God, especially in bad times.
236. **In 21:2 and 21:10, is New Jerusalem in New Heaven or New Earth –and why is the solution to this important?**
- a. New Jerusalem is in Heaven (see the footnote below for support).<sup>38</sup> This is important because, in Revelation, while standing in Heaven, John sees New Jerusalem come down from God above, which might give the false perception that John was on New Earth. God may have shown New Jerusalem come down from God in Heaven: (1) so John understood it was created by God, Himself; (2) to signal that once we get to Heaven, there may be higher levels to ascend to, if we wish.
237. **Why are there so many mysteries in Chapter 13 with multiple solutions?**
- a. The end of Chapter 13 pertains to John W Gardner. Gardner invested a great deal of money in learning how to increase children’s creative IQs. People with high creative IQs tend to see many answers to questions; this is *divergent* thinking (questions diverge into many answers; *convergent* thinkers tend to seek and find one solution). Since I was the

---

<sup>38</sup> We know John is standing in Heaven when New Jerusalem comes down for many reasons: (1) In verse 21:5 John reports God spoke from His throne (he couldn’t observe this from Earth); (2) In 21:10 John is taken to a great high mountain (this appears to be Mount Zion, Heaven 14:1); (3) 21:3, et al, inform us, in New Jerusalem, God lives with the people (this is true only in Heaven); (4) Ch 21 informs us that people who live in New Jerusalem must have their names written in the Lamb’s “Book of Life” (21:27); (5) People/beings of New Jerusalem are allowed to see God’s face and know His name (22:4); (6) New Jerusalem is described (21:16) as 1200 furlongs wide, deep and high –that’s 1500 miles wide and deep, and 1500 miles high. That means, regular humans, living in the center of the city would have to walk 750 miles just to go outside; which, is impossible for humans as we know them today –but maybe not difficult for divine beings; (7) Chapter 20 shows us Final Judgment, so any contemplation of continued human existence after this point is very speculative.

unusually divergent toddler who attended the nursery financed by the Rockefellers and Gardner (and the kid Gardner and the US focused unprecedented spying resources on –generating trillions for Gardner’s 666), God and Jesus seem to think it would be informative to have me answer a lot of the questions with more than one solution. In short, because of my connection to Gardner, and because I am a divergent thinker, God gave the Chapter 13 mysteries many solutions.

238. **What do verses 1:18, 6:8 and 20:14 have in common, what is the most obvious significance of that commonality, and what is the most resounding implication that commonality?**

a. Verses 1:18, 6:8 and 20:14 all mention Hades and Death (Sheol). This is significant, because these verses indicate God has made Hades and Death real afterlife punishment options. Hades is the more interesting of these two afterlife options, because Hades comes from Greek mythology, with no tie to Christianity. The most profound implication of this is that God may bring into existence the interesting punishment and reward ideas of different people and cultures, and maybe individuals –and improve these ideas (for example, in Greek mythology, when people died, good or bad, they all went to Hades, and it was gloomy; God improved this idea, by sending only moderately bad people to Hades). The greatest implications of this is it invites us to wonder if, maybe, God has implemented more of our punishment ideas? Or maybe He has implemented, or *will* implement, some of our ideas about Heaven?

239. **20:1-3 show Satan removed from Earth. When will this occur?**

a. The Chapter 21 calendar solution (**12/9**) solves this. 12/9 is the day Jesus returns. 12/9 refers to the Palestinian Intifada (**12/9/87**) and Revelation 12:9. **12:9** shows Satan cast down to Earth after a great battle. To honor that verse and battle, when Jesus returns, **12/9/27**, Jesus’ angels will defeat Satan, and remove him from the Earth.

#### Servants Rule

240. **What do verses 7:16, 21:23 and 22:5 reveal about Heaven?**

a. Verse 7:16 (“They shall neither hunger anymore nor thirst anymore; ***the sun shall not strike them, nor any heat...***”), and verse 21:23 (“**And the city had no need of the sun, neither of the moon, to shine in it;**

for the glory of God did lighten it, and the Lamb is the light thereof”), and verse 22:5 (“...*there shall be no night there: they need no lamp nor light of the sun, for the Lord gives them light*”) indicate Heaven is secluded from the rest of God’s Universe, as God prevents ascended beings, in Heaven, from being struck by sunlight, starlight or moonlight. This may suggest our heavenly immortality is ensured by God keeping us safe from harmful light and weather extremes. This may indicate angels, who come to Earth to serve God, may give up their immortality to help humans, OR, ascended being/angels who travel throughout the Universe may be higher ranking beings, who are not harmed by light and weather. The fact that Revelation indicates serving God is the highest honor, and the fact that all of God’s servants in Revelation are seen moving about Heaven, Earth and the Universe, indicates God will ask certain ascended beings to serve Him outside of Heaven –maybe on New Earth, maybe throughout the Universe.

241. **What is peculiar about verses 17:1 and 21:9, and what might this peculiarity indicate?**

- a. In 17:1 and 21:9 John specifies that the angel who speaks to him is one of the seven angels involved in the seven plague/wrath bowls in Chapter 16. Because the Chapter 16 Wrath Bowl episode was on Earth, but Chapter 21 is set in New Heaven, this shows angels can move about God’s Universe freely. This, like the previous solution, suggests God asks select higher beings (angels and resurrected former people) to go on assignments for Him, outside of Heaven, and they are likely able to move about the universe freely, without being harmed by the light and weather extremes.

#### The Reliable Witness

242. **What is strikingly different about chapters 4, 7:9-17 12, 14, 16:1-12 and 19:1-9, from chapter 5, 6, 7, 9, 10, 11, 13, 15, 16:13-21, 17, 18, 19:10-21, 20, 21 and 22? (Worst question ever)**

- a. In chapters 4, 8, 12, 14, 16:1-12 and 19:1-9, John does not assert at the beginning of these chapters that he witnessed the events (although in some cases he says he heard the events). In these cases, we can assume either John witnessed them, or the angel, or Jesus may have witnessed and reported them to John. Jesus explained this might be done in verses 1:1 and 2 (“*He [Jesus] sent and signified it by His angel to His servant John, who*

bore witness to the word of God, and to the testimony of Jesus Christ, and to all things that He saw.”)

243. **Does it matter if John did NOT witness certain events, and, if so, why would God and Jesus deliberately NOT have John witness and report certain events?**
- Yes, it matters that John did not witness certain events. BUT, this appears to have been done deliberately, to challenge Christians to be more deliberate readers and thinkers.
  - God and Jesus would do this to help Christians become wiser, so they are not easily misled by false prophets and disinformation machines.
  - To cast doubt on pervasive improper portrayals of Heaven. From chapter 4 through 19, we see the Four Living Creatures and the Twenty-Four Elders constantly falling down to worship and praise God and Jesus. But in chapters 21 and 22, we see a more accurate depiction of Heaven, as God and Jesus show a beautiful world they’ve created for us; rivers, fruit trees... And here we learn there is **no Church in Heaven**, because God and Jesus live there with us. In Chapters 21 and 22, we also learn “...the kings of the Earth do bring their glory and honor into it [Heaven].” All of this is quite different from the way Heaven is portrayed in chapters 4 to 19.

#### **Chapter 4 (Continued)**

244. **In 4:4 the 24 Elders are introduced <sup>39</sup>, AND in 4:6 the 4 Living Creatures are introduced. Who/what do these characters represent?**
- As explained later, in the *Authorization* section, the 4 Living Creatures represent me in my younger days, the 24 Elders represent me, today: older, more mature. Because both groups of characters represent one person, the 24 Elders and the 4 Living Creatures usually act in unison. The 24 Elders and the 4 Living Creatures were assigned to me by God, to match my alphanumeric name total, and my birth day/year number, which are oddly both 244. (See Authorization section for more.)
- Unlike the 24 Elders and 4 Living Creatures, I have never met God. This is symbolic. The point of this: (1) God is omniscient and knows His servants centuries before they exist; (2) He controls all things –even time.
245. **Why are the 24 Elder & 4 Living Creatures aggregate characters?**

---

<sup>39</sup> In verse 4:4 the 24 Elders wear “white robes” and “crowns of gold”; this, because my all-time favorite shoes were my old white and gold Puma King indoor soccer shoes, with the crown tongue flaps. (White and gold are my favorite shoe color combination.) God chose these colors in verse 4:4 (1) to help me notice the 24 Elders and 4 Living Creatures represented me, and (2) as a *suggestion* for the color scheme for the website where I posted these solutions.

- a. This was done to reflect my creative nature (creative people tend to see many solutions to problems). This, to emphasize the value of creative intelligence.

246. **In 4:6, why are the Four Living Creatures described as “full of eyes in front and in back”? And why do they “not rest day or night”?**

- a. Related to me, as a young man, the eyes represent my circumspect nature, trying to see all possibilities; looking at the world and myself, from all angles. Among other things, “they do not rest day or night” refers to the fact that I was born extremely hyperactive (see Origin Story) and began to have significant sleeping problems very young, four years old.

247. **In 4:8 (and throughout Revelation), why do the Four Living Creatures act, speak and sing in unison?**

- a. This is done to reinforce Revelation’s recurring environmental protection theme. The Four Living Creatures act, speak, pray and sing together because they are linked and interdependent, anything done to harm one, will harm the others.
- b. This is also done to suggest that the 4 Living Creatures, combined with the 24 Elders (who also act in unison), represent one character.

248. **In 4:8, why do each of the Four Living Creatures have 6 wings?**

- a. To connect the 4 Living Creatures to the 24 Elders ( $6 \times 4 = 24$ ), to reinforce that these two sets of characters represent one character (me). (See Authorization section).
- b. Six wings (six being an evil number in Revelation) may also reflect the fact that, as a younger man, I was not always on the right path.

11:18

249. **In 11:18, the 24 Elders encourage God to “...reward Your servants, the prophets and the saints, and those who fear Your name, small and great. And You should destroy those who destroy the Earth.” What is the meaning of this?**

- a. Although in the “Authorization” section of prior versions of this report I explained the significance of the 24 Elders calling for God to *destroy those who destroy the planet*, I did NOT address the 24 Elders calling for God to *reward his servants, prophets, saints, and those that fear His name*. This, because, as I also explained in the Authorization section, God used the 24 Elders and 4 Living Creatures to represent me, and for all of my life I have been bothered by people who do good things to please God –to get into Heaven. That seemed like a form of acting in self-interest. I felt these people should be kind because they were kind, good

people. So, the fact that in 11:18 God depicted my characters (24 Elders) encouraging God to reward people for stuff they should just do, and advocating fearing God, felt like He had the wrong guy.

Fast forward a couple of months... November 17<sup>th</sup>, 2023, after solving most of Revelation's mysteries, and learning God would destroy the US soon, I left California and moved to Mexico (proving I know when to fear God). But, because I couldn't speak Spanish and was 59 years old, I worried I would not find a job in Mexico (age discrimination, language issues...). So, soon after I arrived in Mexico, in my one-sided conversations with God, I started complaining that He should help get me a job, housing, food, security... because I was serving Him and still doing my best to finish solving Revelation... Sad, but true. About month later, maybe late December 2023, as I revised the report, I noticed the 24 Elder encouraging God to reward His servants, and I suddenly knew why God put that in there. 1900 years ago, He knew, eventually, I'd try to make Him feel like He owed me something. I was a humiliated. But God knew I'd find both His candid criticism and my flagrant hypocrisy funny.

- **Inside Joke.** The 24 Elders and the 4 Living Creatures talk a lot, and blurt out their opinions. This is God teasing me for talking a lot and blurting out my opinions.

**BONUS QUESTION:** Why do we know God wanted me to comment on Gardner's role in the fake Isaiah chapters and the other fake Dead Sea Scrolls?

**Solution:** Because the oddly talkative and 6-winged *4 Living Creatures* first appeared in Isaiah 6:2-4. (NOTE: I could not number this question because it does not flow from the Rev text.)

### **Music & Art**

250. **Why does music explode (trumpets, harps...) through Revelation?**

- a. Because God wants us to know He loves our creations (art, music, writing, quilting, woodworking...), He instilled in us our appreciation for art, and we're going to have eternity to make great art. In fact, in 18:22, God and Jesus practically describe Hell as a world without music, arts and crafts.

### **Jesus**

251. **Why is verse 2:6 instructive, and central to Revelation?**

- a. In verse 2:6 Jesus informs us that it is okay to hate bad deeds. It is not okay to hate anyone because of their religion, race, appearance, intelligence... But once you see a person engage in terrible behavior it okay to hate that behavior. Hate of a person's bad behavior may color how you feel about that person.

252. **Why is Jesus in Revelation?**

- a. Revelation shows God’s deep love for His Muslim and Judaist children, yet God delivered His Revelation through Jesus. This indicates, eventually, God may expect everyone to transition to Christianity.

### **National Leaders and Citizens**

**253. What is Revelation’s overarching lesson for national leaders?**

- a. National leaders have a duty to vigilantly protect their nations from external interference.
- b. John Gardner reversed and reduced the intellect of his nation, making them easy to deceive and manipulate. National leaders have a duty to educate their people and shape them into strong-minded, analytical people, so evil domestic and foreign forces can’t corrupt them and convert them into malleable cogs.

**254. What is Revelation’s overarching lesson for social minorities?**

- a. Be wary of the ruling party. If the ruling party gives you an unrequested kindness, be wary. The US gave Blacks and Latinos nothing, until they gave them Head Start (designed to impair the intellectual growth of children). Hopefully, in the near future, we will have a world where the powerful seek to help the poor and minority groups. Minorities should be informed and hopeful, but also skeptical and cautious, so incidents such as the US Head Start tragedy never happen again.

**255. What is Revelation’s overarching lesson for common people.**

- a. Citizens should be law-abiding and reasonable, but if their leaders are corrupt or cruel, that could create a situation, like in the USA, where people earn *marks* and are sent to Hell because they lacked the will to oppose evil leaders. The people are responsible for their government.
- b. People who hope to go to Heaven: Do good works, and be kind.

### **OLD EARTH**

**256. In 21:1 we learn our current Earth has “passed away,” and “there was no more sea.” What does this indicate about how our Earth ends, and why God created a New Earth? What else does “passed away” tell us?**

- a. This indicates that centuries of terrible environmental abuses may eventually so harm our atmosphere that evaporated water from our oceans will escape through the missing atmosphere into space, leaving Earth’s inhabitants to die of dehydration and starvation.
- b. The term “passed away” tells us first Earth is/was alive –and humans, like cancer, killed it, likely with pollution and unrestrained growth.

## NEW EARTH

257. **In 21:1, we see a New Earth, after first Earth passed away. What does this suggest about New Heaven?**

- a. By showing us New Earth, God may be saying: ascended humans go on to New Heaven, where part of God will live; but because God is omnipresent, part of God may go on to create new life on New Earth.
- b. New Earth may be a new habitable planet. As the end of old Earth approaches, mankind may develop technology to transport some humans to the new planet. If so, these humans will do so using technologies and solutions I first proposed in *Uberopolis: City of Light* (renamed *Butterfly Driver*). If this is correct, this is part of why God, in Revelation, views China and Russia favorably, because they have competed fairly and pushed their people to achieve great things. Getting to a new planet would be the greatest human achievement, and will require tremendous cooperation (and God). <sup>40</sup>

## SOLUTIONS IN SUM

God's Revelation was intended to reveal and solve many of God's mysteries, and to warn and inform humans of the Great Tribulation and the Second Coming. <sup>41</sup>

The Great Tribulation (including the destruction of the US) expresses God's wrath –as He angrily punishes regions, including the innocent, for evils of many.

The Second Coming, it seems, will be very targeted –an expression of God's Judgment, as God and Jesus judge many people, EACH according to their works.

If you haven't figure it out yet... it very much appears as if Jesus, when He returns, will use **the Mark Crimes** (listed on pages 36-45, and 20 and 32), to judge **everyone** (I suspect Jesus will postpone Judgment of parents of underage children).

Revelation reflects on centuries of humans abusing humans; culminating in the unthinkable crimes of the 20<sup>th</sup> century. God may have waited so long to reveal Himself (again) so mankind understands just how evil humans can be without Him.

**The following two articles, presented in pages 138 to 144, are an extension of these solutions, and contain a few mystery solutions.**

---

<sup>40</sup> In the future, if there is an international effort to transport humans from Earth to New Earth, verses 20:7-9, may be about Satan and the rich manipulating the future masses, to get the rich into the *Beloved City*, which may be a key part of that great transport system: a space city, to transports humans to New Earth. (I'm may be wrong; but it's possible.)

<sup>41</sup> There are two verses in Chapter 2 which I view as personal messages from God and Jesus. (You also may find personal messages in the Bible.) These two verses are not *mysteries* intended for everyone. One of these verses is very critical of my failings as a parent; the other is very positive, and may add to our debate about the limits of Heaven. I hope to share more about this second message in future writing.

# **JUDGMENT:**

## **Death, Heaven, Hell, Lake of Fire...**

Because humans have not earned a place in His kingdom, God measures what He shares with us. In Revelation, God shares about five afterlife options. Does that mean that's all there are? Maybe, maybe not. God is infinite. He can utilize as many punishment options as He wishes. Here's my take on what Revelation reveals about the next life.

### **Death vs. Death**

I suspect God controls two forms of death. I suspect this because of how God situates the word "death" in two consecutive verses.

In Revelation 20:13 God mentions *death*, along with the *sea* (where people may have died, and their souls remained), and *Hell* (where people are sent for living evil lives). I suspect God situated death in this sentence, with the sea and Hell, because there may be two forms of death: (1) a state of no longer existing, in soul, body or mind; (2) a place of punishment, similar to Sheol of the Hebrew Bible, or the Underworld in Greek mythology (I believe this is why Hades and Death are mentioned three times in Revelation). Because God throws Death and Hell into the Lake of Fire, at 20:14, we know Death is an actual place.

## **THE AFTERLIFE**

### **For the Very, Very Good...**

#### **First Resurrection**

The very, very, good (the best 144,000, to this point) will be resurrected soon, in the **First Resurrection**. They will be judged and admitted into Heaven, "to reign with Christ," for a 1000 years, before everyone else is either resurrected or sentenced to Hell, Death, etc.

#### **Abraham's Bosom**

In Luke 16:22 and 23, Jesus spoke of a place called Abraham's Bosom, which seems to be a transitional place for the very good to live, until God brings them to Heaven in either the First Resurrection (of the 144,000) or the Great White Throne Judgment. However, this place is not mentioned in Revelation.

### **For the Good...**

#### **Great White Throne Judgment**

The next and final judgment comes around 1000 years from now, when all of the remaining dead are judged, in what is often called the "**Great White Throne Judgment.**"

- In Revelation, 21:1, we see God has created a New Heaven. This may indicate there is only one New Heaven, but it also may suggest there are multiple Heaven options.

## **For the *Not Good*, the Bad, and the Terrible...**

The fate of *not good*, bad, awful and horrific people vary. Revelation gives us a glimpse of 4 to 6 bad fates: death, Hell, Lake of Fire, and Lake of Fire with torment... All of the dead will be revived, briefly, to be judged. Here's what the bad can expect.

### **Death**

The *not good* but *not-so-bad*, will just be resurrected and sentenced to death (called Second Death). This is the state of no longer existing in any form. It's possible that everyone sentenced to death will die in the lake of fire.

### **Death/Sheol**

Bad, but not terrible humans may be sentence to a place God calls *Death*; very similar to Sheol or the Greek Underworld: very dark; very gloomy. I suspect Death is much worse than being dead, but better than being in Hell. Sheol is mentioned 66 times in the Hebrew Bible. Revelation mentions "Hebrew" at 16:16, and also mentions a Hebrew demon named Abaddon, whose name appears 6 times in the Hebrew bible.

### **Hell**

Revelation indicates there are currently people in Hell (20:13). This means, clearly, God has already begun sentencing people to Hell. So not everyone has to wait for Judgment Day. From my limited research, Hell is a hot place, but it is different from the Lake of Fire.

### **The Lake of Fire**

Revelation suggests God uses the Lake of Fire to sentence people to eternity or to short but painful death sentences. (This could mean sentences are as long as God sees fit.)

In 20:14, at the end of Judgment Day, God tosses Hell and Death into the lake of fire, with anyone not in the Book of Life (20:15).

### **Eternal Lake of Fire, with Torment**

Satan, John W Gardner and the false prophet (Oral Roberts) were all cast into the Lake of fire, forever, to be tormented forever (20:10).

### **Lake of Fire Death Sentence**

In 20:10, Satan, the Beast and the False Prophet are all cast into the Lake of Fire, forever. But 20:15 and 21:8 indicates some people will be sentenced to the Lake of Fire for Second Death, but the word eternal and torment are not used. I suspect the Lake of Fire is primarily used to sentence moderately bad people to death, because Revelation shows the most evil beings ever (Satan, the Beast, the False Prophet) sentenced to eternity in the Lake of Fire. But if garden variety philanderers receive the same eternal penalty as Satan, then God would not be very just. But we know He *is* just. So...

### **Bottomless Pit**

Going to the bottomless pit for very lengthy stretches is a sentence for colossally evil forces of nature. The only two beings whom I found sentenced there were Satan and the *Beast out of the Sea*. (But, in the end, Satan is sentenced to the Lake of fire.)

# The Heart of Revelation: Art, Evolution, And Stories that Tell the Highest Truth

Art abounds in Revelation. Music explodes: trumpeters, harpers, pipers (18:22, etc.). In the introduction I described waking and feeling as if God had imparted information in my mind while I was asleep. One of the things I understood in the following days was God gave us our appreciation for music, art, stories, and our sense of humor. None of these things flow from nature. These things show God's love and support of our art, whether our art reflects our spiritual, personal or secular ideas (provided those ideas are not corrupt).

The greatest musical moment in Revelation may be 14:1-3, where a Heavenly Choir and orchestra play a song that no humans but the 144,000 can hear or learn; or maybe it's the 24 Elders and 4 Living Creatures playing harps and singing, to be joined by millions and then billion of angels and other creatures, in Chapter 5.

Back when I was 28, I thought about shifting my creative focus from music to writing. I wanted to tell big stories that pointed to important truths. But to do that I would have to lie –none of the events in the stories I wanted to tell ever happened, none of the people ever existed. As a person who was concerned about truth and morality, this was a huge problem. I resolved not to write until I solved this.

Once, semi-famously, I had a character, a female scientist, explain, "My father believed every problem has an absolute solution –without sacrifice" (this line was stolen for many rip-off movies –to make White Westerners appear smart). The line is beautiful, rings brighter than the sun, is thought provoking, and inspires people to try to invent things that achieve the "no sacrifices" objective: *good for man and the planet*. It's a perfect example of what a great story should do.

But I lied to create that expression.

Plus, *every problem has an absolute solution*, is a false statement.

My dilemma had been, I wanted to write great stories, but I didn't want to lie. There was no "absolute solution" to that problem. I didn't want to do boring non-fiction. I wanted to write big stories, that shake primordial strings and resound in our souls. That meant I had to lie. I had to make make-up facts and events.

*That* was the solution. And it required sacrifice: I would lie, to tell meaningful and consequential truth. And the truth, inspiration and beauty of the "*absolute solution –without sacrifice*" was a billion times bigger and brighter than the fact that I invented characters and events to achieve it.

This conflict, inventing stories to reveal truth, is at the heart of Revelation.

Genesis explains that God created the first man and woman. That would rule out evolution. But evolution exists, God designed it, and He describes evolution in Revelation, Chapter 8, the *Seven Trumpets*; the first trumpet sounds 66-million years ago, when the Chicxulub asteroid killed off the dinosaurs, setting the stages for mammalian evolution.

Why didn't God tell us this 4000 years ago, when Moses was writing about Adam and Eve?

4000 years ago, people were still very primitive. We didn't yet have words for basic things we understand today, words like *science*, *psychology*, *evolution*.

In Leviticus 11, God gives Moses some basic dietary and hygiene practices. God tells mankind to stop eating flying and crawling bugs (Leviticus 11:20-23, 41-43), and not to drink water with dead and decaying animals in it or nearby. In these same passages you'll notice God says "clean" and "unclean," but He doesn't bother to explain what bacteria and germs are, because bacteria and germs were, effectively, beyond human comprehension.

The point? At a time when mankind was unaware of *germs*, and so primitive that God needed to teach us not to eat bugs or drink contaminated water, we were clearly not yet ready to grapple with the concept of *evolution*. So God's temporary solution was to give us a powerful story that contained towering truth, wisdom and symbolism: Adam and Eve, and the snake and the apple.

I see *Adam and Eve* as representing the first humans with the capacity to understand there could only be one true God of good. The snake represents mankind's selfish animal nature. But the most important symbol is the apple –which represents knowledge of good and evil, which represents our ability to make moral choices, consciousness, and our ability to comprehend ourselves and God –the reasons we love life. But the apple also represents the point at which we can be held accountable for our actions. That's the heart of what makes humans human –and sets us apart from the rest of the animal kingdom.

Adding to this conflict, God made humans *continuous breeders* –animals that can reproduce all year. [In the animal kingdom, only humans and about four types of apes are continuous breeders, the rest are seasonal breeders or opportunistic breeders.] This arrangement meant mankind would experience constant animal urges, in an endless contest between animal and moral impulses.

All of this sets up a conflict between creationism (the idea that God directly designed Adam and Eve) and evolution (a system in which God created Earth and introduced the seed of life, and allowed life evolve into many animals, including

humans, who select for the features they find most advantageous –surely with some design contributions from God). In either case, creationism or evolution, mankind, and all living creatures, are of Divine origin.

The problem with creationism is (besides the fact that the biblical math does not work), if God directly created man, and imposed knowledge, urges, needs and limits upon him, mankind would be, effectively, pre-programmed flesh robots. In that system, all of our failings might be construed as God’s design flaws. These logical failings allowed Renaissance era creationism manipulators to reason man’s flaws were God’s doing, or evidence of God’s flaws; from there they made man god, and the measure of all things.

Evolution, on the other hand, allowed God to contribute to man’s design, without making mankind robots. And evolution allowed mankind to participate in the design process, and ensured mankind had a balance of Divine attributes (concern for his family and society; a good mind, capable of evolving into a better mind; love of beauty, music, art, stories...) and animal attributes (a selfish nature).

All of this matters now because mankind is now evolved enough to understand these things, without being overwhelmed.

*This* also matters now because, in recent years, humans have done some things to substantially delay their evolution.

### **Who to Serve: God, Man, Satan, Race...**

God created nature, and controls it. God lyrically honors nature, the system He designed, in Revelation 12:1:

And there appeared a great wonder in Heaven, a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars.

God writes the rules of nature, and bends them at will.

Man uses math and science to try to understand nature. In man’s study of life and evolution, we’ve uncovered a few useful truths about evolution, like *adaptive radiation*, *genetic variation*, *genetic selection* and *genetic diversity*.

*Adaptive radiation* has to do with animal’s tendency to radiate out into different environments. This lines up with God’s command to have “dominion.” Mankind became dominant on all of Earth’s habitable land stages.

*Genetic selection* and *genetic variation* are analogous to God’s command to be fruitful and multiply.

*Genetic diversity* is when there are enough different types of genes in a

species' population for them to survive in adverse conditions.

But long before mankind learned these basic ideas, many societies began advocating against racial mixing.

But racial mixing was part of the natural evolution system that God designed. For a species to evolve, there must be adequate genetic variation in the gene pool. When a group becomes too isolated, they lose the genetic diversity needed to adapt and evolve, and die out, and are replaced by better suited populations.

In 2002, researchers learned cheetahs lacked genetic diversity. Investigation showed cheetahs were hit by a terrible disease or event about 12,000 years ago. Reduced to just a few survivors, Cheetahs were forced to inbreed to survive; thus, they lack genetic diversity. Hence, recently, as new and stronger viruses emerged, Cheetahs numbers have sharply declined and they're facing extinction.

For centuries, some nations have restricted their borders to outsiders; thereby restricting their gene pool and evolutionary possibilities. Because of this, some human populations may soon face the cheetahs' fate.

### **The Moronification of America**

John Gardner used his high strategic IQ to help US businesses gut funding of American schools. Immediately, from 1963 to 1980 there was a precipitous 17 year decline in US SAT scores. The decline was so bad that, to make the problem seem to disappear, in 1994, officials gave SAT takers a 200 point boost, before students answered any questions. But the scores kept falling.

In 1966, Gardner's personality assessment researchers at US Berkeley created a personality assessment test, which Gardner, working for the Johnson administration, helped implement nationally: the new civil service exam. The exam actually selected for *conformity* and *corruptibility*. Gardner was creating a lawless nation, and he didn't want his system compromised by a few federal police with ethics. He wanted people who accepted bribes, like everyone else.

In 1966, with Gardner in the Johnson administration, Hollywood gave America's its first porn theater. Thousands would follow.

In 1979 to 1980, QUBE's second year in operation, porn accounted for over half of the new cable system's income. With cable industry piping porn directly into people's home, crimes against women and children exploded.

Between 1978 and 1980, with Gardner back at Stanford with America's best tech and military minds, US cable companies reverse engineered and stole the Japanese-designed QUBE 2-way cable system, to remake America's crappy 1-way cable system. With the stolen 2-way technology, cable boxes could be outfitted with microphones and cameras to spy on almost any person in America.

Simultaneous to stealing QUBE's cable functions, Gardner helped spearhead reverse engineering and stealing QUBE's computer network system, which allowed users to send messages to other users and to the TV station, make credit card payments, and more. All of this was stolen from Japan, and used to create the *internet* as we know it today. But the new American internet used a hidden *code* that (1) allowed America to hack into foreign countries' computers that used American hardware or linked to America's system, and (2) caused non-American (Japanese) computers to perform slower on the internet, to make American computers appear to perform better. (Sony computers were exempt from this delay.)

Meanwhile, under Gardner's leadership, the US gutted news standards and transformed American TV, print and radio news into a carefully controlled disinformation force. Major US news companies hired reporters and personalities, pre-selected by Gardner's profiling services –which sought likeable, compliant, corruptible people, motivated by conformity, approval and self-interest.

Gardner had transformed America into an organized crime machine.

America has carefully groomed its mindless supremacist throngs to view corruption as a form of *creativity* and *ingenuity*. But what Gardner had done to America was sinister, and destructive to all. The US no longer created new products or ideas. Hard work, values, character were no longer preferred characteristics. There was no competition to urge Americans to get better. For four generations (1955 to 2023), liars and thieves were allowed to thrive, while good, honest, hard-working and creative types were choked off. Once those good genes are removed from the gene pool, they're gone. This was all against evolution, humanity and God.

But justly, the US, and possibly the West, will be destroyed by their own immorality and lack of creativity. In 2020 and 2021, I discovered the US had stolen my aggregated data concept. I also discovered they made some egregious errors in implementation, so I notified the FBI and the 9<sup>th</sup> Circuit courts (this is well documented in my legal filings). But, rather than dismantling the system, and finally investing in competition and the creativity, lacking ideas, chips on the table, the US resolved to fix the failed system; finding it wisest to forever invest in a stolen idea that the true conceiver renounced as evil and flawed. Meanwhile, having invested in fair education and competition, Russia and China were developing technologies that would defeat the US; like hypersonic missiles, and nuclear satellite disabling technology –which may or may not currently exist.

Parents, teach your kids to evaluate, and to be comfortable with their ideas and opinions; to not blindly conform or capitulate to consensus.

# AUTHORIZATION

Among other things, this section (pp 145-160) explains how God authorized me to solve *Revelation*, and shows He knows and chooses His servants thousands before they exist. This section is necessary because the 666 are apt to steal my work and attribute it to any of their millions of mindless minions.

## My Alphanumeric Name Total & Birth Date Total

A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P	Q	R	S	T	U	V	W	X	Y	Z
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26

Above, the standard alphanumeric code/cipher (also called A1Z26 code). In the cipher, an upper or lowercase “A” equals 1, and “B” or “b” equals 2, etc., and “Z” or “z” equals 26.

My birth name is Steven Kenyatta Briggs.<sup>42</sup> To “authorize” me to solve Revelation’s mysteries, God identifies me by, both, (1) three digits of my birth date and (2) my alphanumeric name total (which are oddly the same). God used this system because (a) He is selective about who serves Him, (b) without this, evil US CEOs would falsely attribute my work to their subordinates. Using the English alphanumeric code above, the combined alphanumeric total of my full birth name is **244**.

S	t	e	v	e	n		K	e	n	y	a	t	t	a		B	r	i	g	g	s	
19	20	5	22	5	14	+	11	5	14	25	1	20	20	1	+	2	18	9	7	7	19	= 244

I was born on September **24**, 1964. Placing the “24,” from the day of the month of my birth, sequentially, beside the 4 from the year of my birth, forms the number **244**; which matches my alphanumeric name total; probability, approximately 1 in 40,000.

In Revelation, Chapter 4, the Bible’s most unusual characters are introduced; the **24 Elders** appear first, in verse four, and the **4 Living Creatures** are introduced in the sixth verse. If you place these characters’ numbers side by side, in the sequence they appear, the number is **244**. I’d put the probability of a person’s alphanumeric name totals, matching their birth date totals, and also matching the 24 Elders and 4 Living Creature sequence numbers (244), at about 1 in 10,000,000.

The fact that my birth date and name numbers matched each other and the combined numbers of the 24 Elders and 4 Living Creatures is part of how God authorized me to solve the Revelation mysteries.

244 (February **24**, 2024) is also the divine date number God has chosen to end the US. Odds of another person with those same name and birth date number solving Revelation? **Solution:** Far beyond quadrillions.

<sup>42</sup> I began using my stepdad’s last name, *Wilson*, when I was a kid, but I was never adopted and never had a legal name change. While writing *Origin Stories*, February or March 2023, I returned to my birth name.

# NUMBERS

Numbers are symbols that represent an amount. Numbers have different shapes and sounds in different cultures, which can add to or alter their meaning.

Numbers are essential to understanding Revelation. There are 10 principal numbers in Revelation: **1, 2, 4, 5, 6, 7, 8, 11, 12, 13.**

Numbers were essential to solving many of the Revelation mysteries.

Part of God's intent, in Revelation, seems to be develop a Church of analytical thinkers, who are not easily deceived. Relevant, because one of the *beasts* of Revelation was a master of media manipulation, who exploited America's weak minds, lowered its IQ, and impaired the minds of millions of children.

## **GOD'S NUMBERS: 7, 1**

### **Seven : 7**

In Revelation, God's primary identity number is seven; hence, 7 Spirits; 7 Lampstands; 7 Stars; 7 Churches; 7 Seals; 7 Trumpets; 7 Plague Bowls; don't forget 7 days of the week, 7 continents, 7 notes in most musical scales. God also greatly appreciates 1, 3, 9, 10, 11, 12, 17..., and 123, which represents order and judgment.

Seven is a prime number. Of integers 1-9, seven is the final prime number.

### **One : 1**

*In Revelation, one* is God's secondary symbolic number/identity, established as by characters referring to God as "One" (1:13; 4:2), and by mentioning God's primary number, 7, in *first* verses of key chapters (2, 3, 5, 8, 15, 16, 17), and by God being *present* in first verses of chapters. One, the first number, is the "holy" number (apart); it is the only number that is neither a prime nor a composite number.

## **JESUS' NUMBERS: 5, 8**

### **Five : 5**

Jesus' principal identification number, in Revelation, is 5; we know from details like (1) Chapter 5 is devoted to Jesus; (2) verse 1:5 first states one of Jesus' formal titles; (3) 5:5 states another of Jesus' titles. Many key events, often related to Jesus, happen in the fifth verses of key Revelation chapters. Jesus is central for all of the big music moments in Revelation –the biggest occurring in His chapter: 5. The five note pentatonic scale is common to all of the nations of the world.

Five, of course, is a prime number.

### **Eight : 8**

Jesus' secondary number is 8. This is established by the many important things, related to Jesus, that happen in the eighth verses of chapters.

In Revelation, Jesus first speaks in Chapter 1, verse 8.

## **GOD AND JESUS' SHARED NUMBERS: 11, 12**

### **Eleven : 11**

God and Jesus both appreciate 11; which represents Jesus at God's side. 11 is a prime number.

### **Twelve : 12**

God and Jesus share a profound respect for 12, which represents the 12 Tribes of Israel, and the 12 Disciples.  $7+5=12$ .

## **MY NUMBERS: 4, 2**

### **FOUR : 4**

To solve Revelation, God assigned me the primary identification number 4. Four is my favorite number, by far. Four is the first composite number. John is the fourth book of the New Testament. *Numbers* is the fourth book of the Old Testament.

### **TWO : 2**

God assigned me the secondary number 2; the first, and only, even prime. God seems prefer 2 over 4.

**2 and 4.** Revelation has 404 verses. If you divide them by 2 (or cut them in half) the 202<sup>nd</sup> verse (last verse of the first half) is about the 12 Tribes of Israel's Exodus. The 203<sup>rd</sup> verse (first verse of the second half) describes Satan being cast down to Earth, shortly before Jesus comes to Earth.

## **BAD NUMBERS?**

### **Thirteen : 13**

In Revelation, Satan appears in many 13<sup>th</sup> verses. In 16:13, Satan, the Beast and False Prophet's spirits are disembodied. In Chapter 13, the Beasts are introduced, as are the *mark* and *image* crimes. 13 represents judgment.

Jesus is first seen at verse 1:13. Jesus declares His eternality at 22:13.

### **Six : 6**

Six is the number of evil in Revelation.

God's number, seven, appears six times in verse 1:20.

God created the heavens, Earth and all that is in them, in 6 days.

## **13 and 6: Apokalypsis**

John wrote Revelation in Greek. The Greek word for Revelation is "apokalypsis," meaning "disclosure", "unveiling" and "revelation." The alphanumeric total of the word *apokalypsis* is 136 (13 and 6).

In Chapter 13, verse 18 (6+6+6), the number of the Beast is given.

The US was formed on a 6 year (1776), with 13 original states.

# Biography

(The following details are part of God's authorization system.)

4

Again, my birth name is Steven Kenyatta Briggs. I've had a quiet appreciation for the number 4, since I was about 4-years old. I am an artist, occasionally given to hide fours in my art, in places where only I am aware; but just as often, I'll conspicuously insert fours in my art. I filmed a clock displaying the time 4:44, in a feature film I produced called *The Amazing Mr. Excellent*. I have written and published multiple songs that are exactly 4 minutes and 44 seconds long. *Butterfly Driver*, my screenplay that inspired countless criminal copycats, has a final setting year of 2144.

## Environmentalism

Several of my known artistic works have central environmental themes. In *Butterfly Driver*, pollution is horrific, but a brilliant female scientist has devised a way to replace destructive energy sources with a safe new energy source. In *The Amazing Mr. Excellent*, the heroes fight to save a community garden that helps children in a tough part of town connect to nature. My inclusion of environmental issues is a tribute to my mom, who helped clean an oil spill in the San Francisco Bay Area, back around 1970. And in 1977, she initiated and realized a community garden project for teens.

## Symbols

Around 2005, I added layers of beautiful symbols to my *Butterfly Driver* script, and upended Western screenwriting. (Accurately, if not modestly.) Flowers, butterflies, a god's eye, a dolphin, all represented different things, as did the characters. My character, *Arlo*, was first to symbolize hope. At the time, symbolism was not done in adventure and sci-fi (and seldom in other genres). Hollywood soon copied all of this, to the letter, repeatedly.

## God

Around 2005 I noticed God was very rarely featured in film, and never in any *action*, *sci-fi* and big-budget films (not since *Raiders of the Lost Ark*, and then, God was approached only briefly, and at a distance). Thus, in 2005-2006, I began putting God, centrally, in my art –with the personal challenge of showing that God in art, sometimes (not always) made the art better. The best example is *Butterfly Driver*, which traces the hero's slow walk closer to God. The most fun example is *The Amazing Mr. Excellent*, which ends with the cast singing and dancing to a song called "If God Loves Disco Dancing." Hollywood quickly began to make many films that embraced God; a good thing, but they just regurgitated my formula.

## Shells/Disinformation/Internet Falsification

In 2017, in my infringement lawsuits, I began to report to the 9th Circuit the many shell companies used by the defendants, whom I alleged stole my screenplay(s). In 2020, I filed *Briggs v Cameron*, which disclosed a daunting array of corporate fraud, cyber crimes and disinformation. In this case, 25 of my court filings (which reported shell fraud, cyber crimes, and fraud within US institutions) were removed from the public docket.

## CHAPTER 4: Throne of God

When I was 12 or 13, maybe best Christian I've ever known, Jim Hill, the Principal of Santa Rosa Christian School, in California, encouraged me and my schoolmates to form *personal relationships* with God, so Satan could not deceive us. I liked this. I took *personal relationship* to mean keeping my mind open to God. Before long, I began to have occasional one-sided talks to God, where I reflected about whatever was on my mind. God never spoke back to me.

Until recently, although I was a good person, I always felt I wouldn't get into Heaven, because I sometimes made willful mistakes, swore a lot, etc. But, the way Heaven was often depicted, bland clouds, gold streets forever, I figured I wouldn't like it anyway. But I still loved God, dearly, from the moment I understood what He was. I didn't care much about eternal life. I loved God because He represented good and justice, held the bad to account, and brought order to the Universe.

As I entered my twenties, assuming I wouldn't get into heaven liberated my talks. I'd complain about His prayer expectations (not knowing if He had any). And I didn't think having *chosen* people was fair, and I didn't get why He wanted people to fear Him. I sometimes thought I sort of *sensed* Him, and He seemed very loving, patient and fair. But I respected Him tremendously; if He thought I deserved punishment, that was that.

I didn't filter much in my talks. When I see adults behave *very* badly, I often wish they were dead. So, a big part of Our talks was just me encouraging God to kill bad people. I'd read a report on corporate polluters destroying the planet and wish God would kill them. Or I'd wish He'd kill some corrupt politicians. Or some guys might drive by, playing loud, profane music, when kids and grandmothers were out, and I'd ask God to kill them. No, I couldn't kill them. I'm hypersensitive and I hate violence; plus, that would be murder. But if God killed them, that would be justice.

I was pretty sure I wouldn't get into Heaven, but I hoped I was good enough that at Judgment, God might pause to think it over. In that moment I hoped to tell Him I loved Him and thank Him for bringing justice to the Universe, and that would be it.

After my son was born, I saw beauty and God almost everywhere; so I think I talked to God more often. I still sometimes wished He would kill bad people, but less often.

But 5 years later I was back to frequently wishing God would kill bad people. Sometimes I'd wish *I* could sentence bad people to death. This occupation became so pronounced that, in my screenplay *Butterfly Driver*, I created the horrific villain *Drexler*, who orders the mass murders of people *he* viewed as bad, for what *he* viewed as the *greater good* (a phrase I coined for *Drexler* in 2003). *Drexler* would be stolen and used for dozens of notorious Hollywood villains (along with the term *greater good*).

## FOUR FINAL THOUGHTS

### THE LESSON OF ISRAEL.

On page 59 and 60 you learned how Gardner, and Western and Jewish elites created fake Dead Sea Scrolls that falsely and evilly alleged God would forgive any sin committed by Israel and would allow the West to plunder the Middle East, forever. Such a horrific hoax could happen again tomorrow. How do we prevent that? We teach our children to be analytical and moral thinkers; **smart enough** to understand that if God said certain people can commit any sin, even murder, as often as they like, He would no longer be the God of good and justice; and **moral enough** to accept any command from God –EXCEPT one that demonstrably does, or promotes, evil. (Of course, God would never command us to do evil.)

### THE CHOICE

God is infinite, capable of anything. God could have chosen to be a god of indifference, who created life and walked away; or a god of hate, or a small god who forced us to worship Him. But God chose to be the God of love, good and justice, whose greatest wish is that we be good to each other. For that we should be ever thankful and amazed.

### GLORY

As I approached completion of this report, I chuckled a few times, because the Bible mentions seeing God's *glory* a fair amount –but I don't know what glory looks like. Then, shortly before I finished this, I stumbled upon Isaiah 6:3, where one of the *4 Living Creatures* says: "*Holy, Holy, Holy is the Lord of Hosts, **the whole Earth is full of His glory.***" And I understood. God's glory is all around us. I hope man's selfishness hasn't put you in a situation that makes seeing His beauty and glory difficult.

### MONEY

In Revelation, God addresses some evils brought about by human selfishness –which money can accelerate. Money is an idea, with only the value we agree to give it. Until we get a better idea, money is an efficient way to conduct domestic and international transactions –with the inherent danger that it can be abused to monopolize power.

Poor nations need to learn the secrets of monetization. Sure, they may need to get certain resources from established nations to modernize, if they wish, but they do not need to base their economies on external monetary systems. America created its wealth by stealing great resources (a continent), then monetizing the land (based on an assumed value of the land, the government gave banks money to loan businesses and manufacturers, and to loan individuals to buy land and goods). This is not to say this was good or best. It is only to say: *if poor nations want to get in the game, they need to learn how the game is played.* Money has the power to corrupt nations (like the US and the West), but money, if well-managed (like China), can efficiently help a nation meet the needs of its people. However, money is NOT necessary for this. A good system of cooperation and resource sharing can do all of this. And God can help a nation do all of this. Each nation must choose their course.

## ✠ Revelation, Chapter 1, Prayer, Song ✠ And Ceremony Timeline

- This Solution section (pp 151-154) is presented here to establish my authority to act.

As I wrote about Revelation's chapters 1, 2 and 3, I checked numerous biblical study guides, all of which insisted chapters 1, 2 and 3 contained no *mysteries*. That is very mistaken.

Chapter 1 is well disguised timeline, which shows how God prioritizes prayer, song and ceremonies/rituals, AND shows how much God appreciates our prayers, ceremonies, songs and music. For this reason, Chapter 1 is one of the most important chapters in Revelation. Chapter 1 also uses verse 4 to help show how God receives and responds to human prayer, and reveals the increased combined impact of prayer, song and ceremony. Here's the set up...

The ***Seven Churches*** are mentioned in the top line, the salutation line, of verse 1:4, along with the verse number (4) and John's name. The ***Seven Spirits*** are mentioned in the second half, the lower half, of 1:4, separated by dropping down a line and adding a paragraph-like indentation, in the manner of a letter. This layout was created to represent the different communications pathways between humans and God and Jesus. It is NOT necessarily a priority ranking. God appreciates both forms of prayers. Praying together magnifies and amplifies our prayers. If worshippers are comfortable with group prayers, God encourages that. But individual prayers are also received and very welcome.

*Churches* and *Lampstands*, as Jesus explains in verse 1:20, are the same thing. A church, conceptually, is formed when two or more people pray or gather together in the name of God. As Jesus said in Mathew 18:20: "*For where two or three are gathered in my name, I am there in the midst of them.*"

In the layout of 1:4, human prayers, done with 2 or more people, go to the *Seven Churches*, the top or first section of verse 4. Our individual prayers go to the *Seven Spirits*, the second section. From there, they all go to God.

***Seven Churches***. The phrase *Seven Churches*, at 1:4, symbolizes a prayer ***relay point***, or *transmitter*, which delivers humans' prayers, songs, rites and ceremonies to God. The *Seven Churches* and *Lampstands* that appear later in the Chapter 1 timeline represent (1) prayers, songs and ceremonies that occur later in Revelation, **and/or** (2) God's responses to those prayers and events.

**Seven Stars.** In verse 1:20, Jesus tells us the Seven Stars represent the *Angels of the Seven Churches*, and He explains (at 2:1, 3:1) He holds the Seven Stars. Seven Stars represent Jesus' and God's responses to human's combined prayers, ceremony and song, or angels' combined ceremony and song, or both. (NOTE: Angels do not need prayer to speak to God and Jesus.) Seven Stars responses have a larger impact than Seven Churches or Seven Spirits. Angels actions are involved in all three of the Seven Stars events. Angels may play a larger role than humans in God's use of the Seven Stars. The point is: a Revelation motif is *humans constantly try to make themselves superior to others*, but God and Jesus are saying humans are not superior to angels.

**Seven Spirits.** The phrase Seven Spirits, on the second portion of verse 1:4, also represents a spiritual communication relay point, receiving our private prayers and thoughts, and delivering them to God. John represents humans on Earth. John says the words "in the Spirit" four times in Revelation; each utterance represents a private prayer or *conversation* with God. Upon each utterance of "in the Spirit," God and Jesus take substantial action.

**Ceremonies & Rituals.** Ceremonies and Rituals also factor into the Revelation spiritual timeline and story. While humans primarily communicate with God through prayer and being *in the Spirit*, angels primarily communicate with ceremonies and songs.

**Song.** Song magnifies the power of prayer and ceremony. (The way trumpets, harps and pipers abound in Revelation, we know God loves music.)

**Seven Churches & Stars TIMELINE.** Chapter 1 is a timeline. After verse 4, *Seven Churches* (and *Lampstands*) are mentioned 7 times (once at 1:11, 1:12, 1:13, and four times at 1:20), so there will be seven *Seven Churches* responses later in the Revelation story. (Seven Golden Lampstands prayer responses are more powerful than Seven Lampstands responses.) **Seven Stars** are mentioned 3 times in Chapter 1 (1:16; and twice at 1:20), so there will be 3 Seven Stars events later: the Seven Seals, Seven Trumpets, and Seven Plagues.

- NOTE: There is only one marker point at 1:11, 12, 13, and 1:16, but six markers at 1:20. This is because everything that happens after 1:19 represents the *future* –things that happen after John's death –John died around 96 AD, shortly after writing Revelation).

A visual representation of the Ch 1 timeline is presented on the next page.

## Visual Chapter 1 Prayer/Song/Ceremony Timeline

Chapter 1 is a timeline, marking the occurrence and power of prayer, song and ceremony. In Chapter 1, each of the 10 appearances of the phrases Seven Churches, Lampstands or Seven Stars corresponds to a prayer, song or ceremony event later in Revelation. The descending timeline, below, explains.

### Legend:

- ❶ Seven Churches, Lampstands & Seven Stars prayer, song and ceremony timeline points and info (associated with 24E & 4LC).
- ✿ Seven Stars prayer responses timeline marker points, and details.
- ✦ Info about God's Seven Churches & Lampstands responses.
- Chapter 1 timeline marker point information.
- ✚ Seven Spirit events.

NOTE: Only 7 Churches (❶) and 7 Stars (✿) events are part of the 10 primary timeline events. These 10 events coincide with the 24 Elders & 4 Living Creatures prayers, and the prayers of angels, and are marked in Chapter 1 by the phrases *Seven Churches*, *Seven Lampstands* and *Seven Stars*.

NOTE: John's *Seven Spirit* exploits, which occur when he worships alone, are listed below, BUT they are NOT part of Chapter 1's 10 timeline event points. (God's way of supporting His Churches?)

### The Descending Chapter 1 Timeline Begins Below

- ✚ First, John says, "in the Spirit," at verse 1:10, and Jesus instantly appears.
- ✚ Next, at 4:2, John is transported **back in time**, to Heaven, after he says "*in the Spirit.*" He meets the 24 Elders (24E) & 4 Living Creatures (4LC).
- ❶ The 24Elders & 4 Living Creatures say prayers appreciating God's creation and worthiness (4:8-11).
  - ✦ Prayer Result: the Lamb (Jesus) is deemed worthy to take the scroll from God's hand (5:1-7).
    - Chapter 1 timeline point #1: 1:11 ("Seven Churches").
- ❷ To celebrate Jesus' arrival and worthiness, at 5:8-10, the **24E & 4LC pray; they sing a brand new song at 5:9; then all creatures, in Heaven and Earth join in for two more prayer/songs** (5:11-13).
  - Chapter 1 timeline point #2: 1:12 ("Seven **Golden** Lampstands").
- ❸ The **24E** and **4LC** end of the celebration with an encore **prayer** (5:14).
  - Chapter 1 timeline point #3: 1:13 (Seven Lampstands).
- ✿ SEVEN STARS! The combined impact of 5 prayers and songs (#2 & #3, above) is huge. Jesus gives TWO Seven Stars responses. The first 7 Stars response is: Jesus begins opening the 7 Seals; each reveals a mystery. (The second Seven Stars response is hidden in the Seventh Seal.)
  - Chapter 1 timeline point #4: 1:16 ("Seven Stars").
  - ✦ The 24E and 4LC Golden Lampstands prayers and songs are added to the Seven Stars response. **NOTE:** At the end of the sixth seal, John

arrives in the future, 7:9, where God gives him a glimpse of the final, white throne, judgment.

- ✦ 24E & 4LC lampstands prayers add to the Seven Stars response.
- ✦ SEVEN STARS! Jesus opens the seventh seal, where the second Seven Stars response is hidden; the seven angels who stand before God are handed trumpets. An angel performs a solemn ritual, representing the *prayers of the saints*; likely adding to the impact of the Seven Trumpets. With each trumpet, God reveals mysteries and solutions.
  - Chapter 1 timeline point #5: 1:20 (“Seven Stars”).
- ④ The 24E & 4LC pray at 11:15-18.
  - ✦ To reward the 24E & 4LC’s prayers, God reveals the Ark of his Covenant.
    - Chapter 1 timeline point #6: 1:20 (“Seven **Golden** Lampstands”).
  - ✦ At 14:1-3, Jesus leads a ceremony for the resurrection of the 144,000, featuring a song that only the 144,000 can hear or play. **To celebrate, three angels announce the new Mark Crimes and punishment.** Jesus and 3 angels begin reaping souls. Only 6 of 7 angels appear in Chapter 14, so the 7 Stars response appears to carry over to the next prayer response.
    - Chapter 1 timeline point #7: 1:20 (“Seven Stars”).
  - ◆ 15:3-7, angels sing two songs and perform a religious ritual. Thus, the Seven Angels unleash 7 plagues on the Great City: the US (and West).
    - ✦ This *Seven Churches* response seems primarily caused by angels.
      - Chapter 1 timeline point #8: 1:20 (“Seven Churches”).
  - ✦ 17:3, John, in Spirit, goes to see Babylon, the Great Whore, with an angel.
  - ⑤ Rejoicing and marriage ceremony, 19:1-8. The **24E & 4LC pray** at 19:4.
    - ✦ The ceremony helps Jesus defeats Satan, the Beast and False Prophet.
      - Chapter 1 timeline point #9: 1:20 (“Seven Lampstands”).
  - ⑥ 7:11-12, at final Judgment the 24E and 4LC pray.
    - ✦ Rewarding the prayer, God reveals a bit about the tribulation.
      - Chapter 1 timeline point #10: 1:20 (“Seven Churches”).
  - ✦ John goes, in the Spirit, with an angel to see New Jerusalem (21:10).<sup>43 44</sup>

<sup>43</sup> A subtext of Revelation is angels have autonomy, and *choose* to help God (who needs none), because they are evolved, divine beings.

<sup>44</sup> February 4<sup>th</sup>, 2024, Google (a branch of the US government) announced they would no longer cache web-pages (to stop people from finding old caches of [www.TheZoneResistance.com](http://www.TheZoneResistance.com), where this report was first posted, in June 2023). Google then blocked traffic to my website, to facilitate their theft of my work (by attributing small units of my work to various functionaries) and cast it as unoriginal. Thus, months after I described my one-sided talks with God, and solved Revelation’s prayer timeline, showing God welcomes private prayers, February, 4<sup>th</sup>, 2024, FOX published, “*Prayer, At Its Core, Is A Loving Relationship With God, Says DC Based Friar .*” In this story and others, suddenly priests and pastors promoted private prayer “conversations,” and downplayed Catechism 2181 –which calls skipping church is a “grave sin.” February 21<sup>st</sup>, 2024, Robert Kiyosaki (writer of *Rich Dad, Poor Dad*) declared the Federal Reserve was a *criminal organization*. Until I reported the Fed’s complicity in Gardner’s crimes, herein, Kiyosaki, and the rest who prospered under the Fed, adored the Fed. These acts aim to undermine this report/solution and prevent *God’s people* from leaving the US/West before its destruction. False men of God, who serve the 666, hope to erase me, like John before me.

## **God Assigned Me the Identity “4” To Interpret and Solve His *Revelation* Mysteries**

The prayer timeline, on pages 152-154, which should be in the *Solutions* section, was presented in this section to help show how God assigned me the primary identity number 4 (four), via my numerical link to the 24 Elders & 4 Living Creatures, to authorize me to solve/interpret *Revelation*. A *personal identity number* is a number used to represent a person in an official work.

Here are the 6 steps God took to give me the personal identity number 4:

### **#1. God Establishes His Personal Identity Number: 7**

God established His personal identity number is seven. God did this by:

1. Using the word “seven” 12 times in Chapter One (the word “one” was only used once in Chapter 1; no other numbers were mentioned).
2. Introducing many key entities and items that feature *seven* in their title (1. Seven Spirits; 2. Seven Lampstands; 3. Seven Stars; 4. Seven Churches; 5. Seven Seals; 6. Seven Trumpets; 7. Seven Plagues).
3. Chapter 7 focuses on God and things essential to God (saving humanity, Jesus, honoring the 12 Tribes and those who truly loved God and good).
4. In Revelation, the seventh verses of chapters (and verses that are even multiples of seven: 14, 21) disproportionately relate to God.

### **#2. God Used the 24 Elders & 4 Living Creatures to Represent Me**

Revelation has 5 recurring, named, speaking characters. Two of these, 24 Elders and 4 Living Creatures, have numbers in their names, which, placed in sequence, match my name and birth numbers, **244**. [Oddly, these characters also share my published interests (music, environmental protection, God).] These characters were selected to represent me, particularly when they pray.

- The point of this, and part of the point of Revelation, is to show (1) God is omniscient and knows His servants centuries before they exist, and (2) He controls time itself.

### **#3. God Designated Verse 4 (1:4) to Represent Me**

Verse 4 is unlike other Bible verses, as, in many editions, the verse is *offset* (spaced away from other verses), and it is split in two, and the “4” in verse four is enlarged and bold (a new paragraph); similar, yet different, to the offset in Isaiah, when God speaks. This was all done to say “verse 1:4 is unusual.” Because verse 1:4 was intended, one day, to represent me.

#### #4. God Signals “244” to Verse 4

God used his personal identity number, 7, to express my name and birth number **244**, and link it to verse 1:4, linking me to the number 4; in this way:

- The word *seven* appears twice in verse 1:4 (Seven Churches, Seven Spirits). These two iterations of *seven* represent the first integer in my bio number, the TWO (2) in **244**.
- Next, the phrase ***Seven Churches*** appears 4 times in Chapter 1 (1:4, 1:11, and twice in 1:20); these four iterations of *Seven Churches* represent the second integer, the first four (4) in **244**.
- In Chapter 1, the word “seven” is connected to the word “lampstands” (or “golden lampstands”) four times (1:12, 1:13, twice at 1:20). In 1:20, Jesus explains the seven lampstands represent the seven churches. These four iterations of *Seven Lampstands* represent the final four (4) of the number **244**.

#### #5. God Directed 24 Elders & 4 Living Creatures’ Prayers to Verse 4

Fifth, God directed all of the **24** Elders and **4** Living Creatures prayers to the *prayer relay* at verse 4 (1:4). The previous prayer timeline explains how all prayers in Revelation go to verse 1:4. Directing the 24 Elders and 4 Living Creatures’ prayers to the number 4 (verse 1:4) was God’s way of saying “Steve Kenyatta Briggs, who is 244, in both his alphanumeric name total and his birth number, is now 4.”

#### #6. God Effectively Says I, “4”, Am John “In the Spirit”

John wrote *The Gospel of John* and *Revelation*. Because John is no longer alive, on Earth, he could not solve Revelation’s mysteries. So God designated me to act *in the Spirit* of John, and solve the mysteries. John, of course, approved of this. Here’s how God showed this, in the Revelation text.

In 1:4, the phrase *Seven Spirits* represents the *personal prayer path* to God; so, verse 4 also represents the path John’s wishes travel when he prays or says “in the Spirit.” John says “in the Spirit” four times (1:10, Jesus comes to John; 4:2, John goes to Heaven; 17:3, John visits Babylon with an angel; 21:10 John sees New Jerusalem with an angel), so four times his wishes are directed to verse 4. This is God, saying “Steven Kenyatta Briggs, is designated as ‘4’, and is acting *in the Spirit* of John.” (Not with John’s spirit, but with John’s blessing.) It should be noted that John used the salutation, “I, John” at 1:9, but at 1:4, he omits the “I” and simply uses his name.

God and John make it clear that John authorized me (via the 24 Elders and 4 Living Creatures) to act as John, in verse 7:13-14, as one of the 24 Elders asks John about the Tribulation; but John tells the Elder that he (the Elder) knows; thus, the Elder explains –and answers his own question. John is saying I (4) know the answer.

# Authorization to Act

The following 12 endorsements (based on the preceding facts, and subordinate facts, below) establish my identity as “4”, and my Divine authorization to solve *Revelation’s* mysteries, interpret the mark and image crimes/sins, etc., in service to God and Jesus.

## 12 Primary Authorizations/Endorsements

- Much of the following is based on the fact that, for Revelation, God’s personal identity number (or principal identity number, etc) was/is 7 (thus, in Revelation, we find the Seven Spirits of God, the Seven Lampstands, the Seven Stars, the Seven Churches, the Seven Seals, the Seven Trumpets, the Seven Plagues). The following facts are also supported by the fact that God’s secondary number is 1, and by the fact Jesus’ principal identify number is 5 and His secondary numbers is 8. (See the *Numbers* section for more).

1. **God used chapters 1 and 7, and two principal characters to re-identify me as 4 (Four).** (See page 155, etc.)
2. **God used Chapter 7 to establish and confirm my identity as 4 (Four) (also 44 and 444).** Chapter 7 uses God’s principal identity number, 7; thus, everything in Chapter 7 is associated with God. To identify me as “4”, first, God used verse 1 to say “four” three times. Next, in verse 2, God says the word “four” once. In verse 3, God says “Do not harm the Earth, sea or trees,” to indentify one of my known *environmentalist* characteristics. In verse 4 (my number), God, via John, says “forty-four” (in the spelled form of the number 144,000) to reference and endorse the paired fours in my alphanumeric name total and birth number. God further identifies me as “4” (Four) by using the next four verses (5, 6, 7 and 8) to name each of the revered 12 Tribes of Israel; naming 3 in each verse. At verse 11, God mentions the Four Living Creatures and the “Elders”; and just the Elders at verse 13; God does not say “24” (as in 24 Elders) anywhere in Chapter 7, because the point of Chapter 7 is to establish my identity as 4.
3. **Jesus’ Witness Endorsement.** Jesus supported the prior agreement, by acting as an official witness, as seen in Chapter 1, verse 5, a run-on of verse 4, where He is introduced as “the faithful **witness**.”
4. **John’s Unprecedented Endorsement.** The Apostle John, Revelation’s official author, endorses me, as 4 (Four), by signing Revelation 4 times, at verses 1:1, 4, 9, and 22:8. This is unprecedented because when John wrote “The Gospel of John”, the fourth book of the New Testament, he, famously, did not use his name, rather, 5 or 6 times he referred to himself as *the disciple whom Jesus loved*. Yet, here he uses his name 4 times.
5. **God’s Seven Spirits Endorsement.** In Chapter 1, God used the phrase “*Seven Spirits of God*”, before God’s throne, to link my matching name and birth date totals (244) to the 24 Elders and 4 Living Creatures’ sequentially paired number (244), to transfer my birth date and name numbers (244) to 4. (This is explained on page 156.)
6. **First Conjoined Endorsement.** (Conjoined endorsements are where God AND Jesus

endorse my symbolic characters, in the same verse.) In Chapter 4 (which is my symbolic Chapter, thus everything in it is related to me), at verse 4:4 (my verse), the 24 Elder (symbolic characters who represent me now) are introduced. In the next verse, 5 (symbolic of Jesus), the “seven Spirits of God” (a reference to God the Father) are mentioned. This arrangement represents Jesus (verse 5) standing beside me and delivering me (4:4) and my symbolic characters (the 24 Elders) to God the Father (the Seven Spirits of God).

7. **Jesus’ Second Endorsement.** Chapter 5 (Jesus’ Chapter) is a parable about a very rare worthy person opening a divine scroll. The parable was included to identify me as Jesus’ selection to interpret Revelation. In the parable, God sits at his throne holding a scroll with 7 seals, which can only be opened by someone worthy. Only Jesus proves worthy (verse 7). **This parable also symbolizes the Revelation mysteries, which were sealed for 1900 years, until God and Jesus deemed me worthy to open them (or try to).** After Jesus takes the scroll from God’s hand, in verses 8 and 9, the Four Living Creatures and 24 Elders sing that Jesus is “**worthy**”. This *worthy* verse is included to refer back to the previous chapter, 4, where my identity (4) is established, and the Four Living Creatures and the 24 Elders are established as my symbolic characters, and where, in verses 8 to 11, the 4 Living Creatures and 24 Elders sing that Jesus is “**worthy**.” This was God and Jesus’ way to subtextually declare me worthy to act as God’s servant and solve the Revelation mysteries. (This should not be mistaken to suggest I am like Jesus. I am not. I was just worthy to solve Revelation.)
8. **Second Conjoined Endorsement.** Chapter 5 (Jesus’ chapter), verse 6, mentions both of my symbolic characters, and the Seven Spirits of God (God’s symbolic characters). This coalition of my characters, and God and Jesus’ *signatures*, are a conjoined endorsement.
9. **God’s Fourth Endorsement.** God’s fourth endorsement is the fact that the SEVEN SPIRITS of God are mentioned **4** times in Revelation (1:4, 3:1, 4:5, 5:6), and by the facts that three of those mentions occur in verses featuring either the number four or my symbolic characters (verse 1:4 is a fourth verse, 4:5 occurs in my the fourth chapter, 5:6 mentions the 4 Living Creatures and the 24 Elders).
10. **Third Conjoined Endorsement.** Four being my favorite number, I guessed God would associate me with 4, and identify me at Chapter 4, verse 4. Thus, at 4:4 we meet the 24 Elders. You may wonder why you don’t see God and Jesus’ numbers (7 and 5) giving this verse the same resounding endorsement as some of the prior verses? This is because the 7 and 5 are not written in the verses. You can’t see them. You must count. 4:4 is the 75<sup>th</sup> verse of Revelation.
11. **Jesus’ Third Endorsement.** Chapter 5 is all about Jesus being worthy. This is the first chapter in the Bible or Revelation where we see Jesus (symbolically) in Heaven, before He was born. In the fifth verse (Jesus’ verse) of this fifth chapter (Jesus’ chapter), one of my symbolic characters (the 24 Elders) introduces Jesus’ symbolic character (a lamb with 7 eyes and 7 horn) and announces the Lamb has opened the sealed scroll (confirmed in the next verse, 5:6, as Jesus’ symbolic form is described as He stands with

## MY TWO WITNESSES

- The first five verses of Revelation **Chapter 1** were designed to establish a *witness to an agreement* structure, not seen elsewhere in the Bible.
- In verse 1, second sentence, John explains that Jesus sent his Revelation to John, and “**signified**” it with his angel. The word “signified” was used to imply a contractual structure and standard.
- Verse 2 (a run-on sentence from verse 1) reads: “who bore **witness** to the word of God, and to the testimony of Jesus Christ, and to all things that He saw.” This, to emphasize the contractual expectations.
- In verse 5 (a run-on sentence from verse 4) Jesus is called the “**the faithful witness.**” This was done, to reinforce a contractual *witness* standard.

God has been known to use witnesses in contracts. In Deuteronomy 31:19, after God promises to deliver the children of Israel to their own land, He asks Moses to teach the children of Israel the *Song of Moses*, as His *witness*:

**18** And I shall surely hide my face on that day because of all of the evil which they have done, in that they have turned to other gods.

**19** Now therefore, write down this song for yourselves and teach it to the children of Israel; put it in their mouths, that this song may be a witness for Me against the children of Israel.

Accordingly, I am providing the two *witnesses* I believe God intended:

1. The Solutions to the Chapter 11, usually titled “Two Witnesses” (see Chapter 11 Solutions, **particularly solutions # 81 to 94**, where God and Jesus make powerful revelations about their relationship with Islam and Judaism). (Also see the Chapter 15 solutions.)
2. The Revelation prophetic timelines/calendars: The prophetic timeline/calendar for Chapter 1 (see Authorization section, pages 151-154), the prophetic timelines/calendars for chapters 2, 3 and 18, and the prophetic calendar for Chapter 21.

According to *Word's* word count, there are exactly 63,000 words (including these) in this report. 63,000 is a *Divine* number –evenly divisible by 1, 2, 3, 4, 5, 6, 7, 8, 9 –and 10.
