

The Unforgiveable Mark Crimes

Per Revelation 14:9-11, *Mark Crimes* are unforgiveable.

A person earns *a mark* in their forehead if their *mentality/psyche* is corrupted.

People who engage in very corrupt *deeds* receive *a mark* in their right hands.

There are 18 (6+6+6) *Mark Crime types*. Four of the Crimes have a combined total of 22 subordinate specialized crime types. Thus, minus the 4 super-headings of the 22 subordinate crimes, there are **36** (6x6) *Mark Crimes*. There are also three *Worshipping the Image* crimes (see page 32), and *Worshipping the Beast*, and *Worshipping the Dragon* (pages 20 and 26). Thus, there are **41** unforgiveable crimes.

The Mark Crimes follow.

- **These Crimes apply to anyone who commits any of these crimes ANYWHERE.**
- If you've committed a lower-level Mark Crime, see solution #203b (page 112).

Unforgiveable Mark #1: Sex Crimes against Children

In 1966, the first porn (X-rated) movie theatre opened in Los Angeles. Child abductions soon sky-rocketed. A generation later, the internet created a direct-to-consumer portal for child pornography, greatly increasing crimes against children.

People who create, view, or are involved with child porn, in any way, have marks in their right hands and foreheads. Any non-family member who abducts a child, and any adult who molests or harms a child, has a mark in their right hand.

Unforgiveable Mark #2: Corrupt Kings, Clergy, Cops, Judges & Minority Reps

In the West, presidents, popes, politicians, judges, minority representatives and police took bribes to subvert justice. Minorities, disproportionately harmed by corruption, trust their representatives to fight for a fairer, kinder world; but too often their reps took the bribes and did as their suborners asked.

Judges, clergy, kings, presidents, police, statesmen, minority reps, etc, who accepted a bribe or any form of supplemental payment to (1) not uphold and apply the law fairly, or (2) not represent the people, or (3) act unlawfully, or (4) subvert justice, or (5) put their/outside interests before the public, or (6) take action that unduly and substantially harmed another person, have marks in their right hands.

Any minority representative who agrees to be the dominant group's eunuch (Isaiah 39:7), and secretly acts to harm other minorities or his own minority group, has a mark in his/her right hand.

Unforgiveable Mark #3: Mass Disinformation, Distraction, Diversion

To deceive their people, US corporations, media companies and politicians engaged in at least two information crimes (also see Mark Crimes #13X, 16 and 17):

1. People who engage in **disinformation**, write, produce or publish false stories (including misleading citizens that it is wise to invest in stocks; it is not).
2. People who engage in **diversion, distraction, suppression, etc.**, attempt to:
(a) divert citizen's attention from true news (e.g., distraction specialists like *Amnesty International*, *Center for Investigative Reporting*, and *Human Rights Watch*, aim to distract from Western crimes, by focusing on lesser crimes in Latin America, China, Russia, Africa...); (b) manipulate web traffic to lead people away from true news; (c) create false internet traffic metrics; (d) not report certain stories; (e) vilify certain people or groups, to foment division and distract from the dominant group's abuses.

People (including national leaders) who produce or procure disinformation, or who produce, distribute or engage in diversions, distractions or suppression, have a mark in their right hands. Common people who suppress news of the previously unreported Western crimes, detailed herein, may have a mark on their right hands.

Unforgiveable Mark #4: Porn Inflicted Perversion, Deviance & Addiction

The internet created thousands of ways for White Westerners to get rich.¹⁶ One new *career* option for women was making porn videos and selling them online. A few women made hundreds of millions of dollars from porn. This inspired many American girls to do the same. All of them contributed to the West's porn addiction problems, moral decline, body image issues and psychological maladies.

Today, the US pornography industry is estimated at \$15 to \$98-billion dollars (I believe these figures are greatly underestimated, and exclude pirate porn sites, bootlegs, etc). Porn is primarily distributed via US/Western internet and cable services. Today the world has countless porn addicts. Beyond violating nature, porn destroys values, alters our views of relationships, and causes sex preoccupation.

People who indulge in porn have a mark in their foreheads –their psyche.

People who star in, produce or distribute self-produced pornographic material, and/or people who create and distribute professional porn, and altered the lives, minds and fate of others, have a mark in their right hands –their deeds.

¹⁶ The US internet almost exclusively created ways for *White* Americans to get rich. The 666 managers of the US internet system disrupted and cut internet traffic to minorities' websites, and to non-Western and non-capitalist websites.

Unforgiveable Mark #5: Religious Crimes:

Murder, Torture, Oppression, Corruption, Indolence

This section addresses 5 religious crimes:

1. Revelation Chapter 9 addresses God's disdain for torture and killing, especially by or "for" the Church. Torture and murder are evil, and are never done for God. With the advent of TV/internet, fake believers used these conduits to broadcast torture and murder, to instill mass fear. Some fake religious leaders/believers went on to conquer new territory and nations; raping, kidnapping and killing along the way –to satisfy their own corrupted souls –but never acting in God's name.
2. In some corners of the world there are religious leaders who do not allow girls basic rights and freedoms (such as a reasonable education, so these girls might become wiser people and better mothers). In the gloom of ignorance, these girls/women are less apt to do meaningful good works; less apt to adequately educate their children.
3. In Revelation 14:2 and 3, we learn God has a special song that only the 144,000 can hear and learn. Yet, there are religious and national leaders who oppress their nations by not allowing their people to perform/play music. It *may be* reasonable to restrict plainly degenerate lyrics, but to deny people the right to play musical instruments, sing and enjoy music is a crime.
4. Members of churches, including the Catholic Church, took bribes to commit illegal acts, or ignore them, or to legitimize them.
5. The Churches showed indolence and infidelity to God, as they watched the Dead Sea Scrolls Hoax alter God's word. The Churches must vigilantly protect God's word.

Anyone, connected to any of God's Churches, who commits murder, torture, rape (of a woman, man or child), or asks others to; or accepts bribes or abets crime; or denies girls (or boys) a reasonable, unbiased, challenging, fair education; or denies people their God-given right to play music, write, create art; and any Church leader who does not tirelessly defend God's word, has a mark in their right hand.

Unforgiveable Mark #6 : Prosperity Gospel & False Prophets

Revelation indicates prosperity gospel misled millions of people away from God. People watched these shows and desperately tried to get rich, somehow believing this would make God happy, although the Bible indicates otherwise. Some got rich, most failed, and all failed to find God and salvation.

People who star in, create, produce, distribute and broadcast prosperity gospel TV shows and videos, have a mark in their right hands (their deeds).

People who viewed, *and invited others to view*, these shows, and died believing God wants them to be rich, have a *mark* in their foreheads (their psyche).

Unforgiveable Mark #7: Cyber-Apathy (AKA: Soul Death)

With the internet, millions of people have seen horrific videos of people being murdered by gangs and armies, or mangled in car accidents, in agony, moments before they die, etc. Watching these videos desensitize us, and kills our humanity.

People who willfully watch these videos have a mark in their foreheads.

People who create and share these videos have a mark in their right hands.

Unforgiveable Mark #8: Tyrants, Indolent Kings and Their Minion

Currently, the world faces two types of leadership problems:

1. **Tyrants**, who typically seized power by promising voters reasonable rights. But, once in office, tyrants betray their promises, oppress, arrest, torture, kill their rivals and reporters, accept bribes, and refuse to relinquish power.
2. **Indolent leaders** lack the will to try to solve their nation's cooperation problems. Nations governed by these types accomplish little, but routinely ask the world for aid. (Fairly, many of these nations were plundered by the West for incalculable billions.) Nations must cooperate to realize the needs of their people. Non-self-sufficient nations may have *indolent leaders*.

Tyrants (and their subordinates, generals and sergeants) who break law, kill, rape, order assassinations, order rape or torture, oppress, deceive, accept bribes, rig elections, engage in corrupt acts, and try to overturn valid elections, have a mark in their right hands. Leaders who lack the will to *try* to unite their people to become self-sufficient, have marks in their right hands. Leaders who exalt themselves, or put their interest before their people's, have a mark in their right hands.

Unforgiveable Mark #9: Insurrectionist Voters, Flash Mobs

Western elites groomed weak-minded, selfish, easily mobilized voters, who reflexively support tax cuts (which benefit the rich), ignorant that taxes pay for schools, police, roads, housing, healthcare... Thus, when US President Trump lost his re-election bid in 2020, his voters were easily deployed to insurrect. Outside of the West, these types complain about government, but offer no solutions and never cooperate to improve things.

Meanwhile, to sow division, media companies facilitated *flash robberies* and *sideshows* –where people drive recklessly and sometimes accidentally kill passersby.

Judges, politicians, media company personnel and citizens who engage in or facilitate insurrection or *mob* crimes have marks in their foreheads and right hands.

Unforgiveable Mark #10:
Weakening the Church, Via Media Manipulation/Isolation

To weaken the Church, Western elites took true Christian leaders off the air and replaced them with prosperity gospel fakes who ignored social injustices.

Agents who silenced God's Churches, blocked them from media platforms, or otherwise sabotaged them, have a mark in their right hands.

Unforgiveable Mark #11:
Child Intellectual, Viral & Pharmaceutical Torture

Between 1965 and today, US Republicans consistently cut spending for most social programs serving Black and Latino youth –but always approved increasing *Head Start* funding. Head Start promised Black and Latino parents their children would gain up to 20 IQ points. But, on average, kids lost 15–18 IQ points. In the mid 1960s, the US began exporting its Head Start system to Latin America and Africa.

Under HEW Secretary Gardner, US universities expanded psychotropic drug experiments on Blacks; separated troubled **non**-White kids from their families and placed them in residential treatment centers, to subject them to psychotropic drugs. These kids were apt to be institutionalized as adults and permanently medicated. Concurrently, US psychologists were groomed to recommend Black kids for drugs, family separation and residential care, while White kids got family therapy.

CEOs, politicians, judges, psychologists, social workers, teachers, aides, who (1) created or knowingly contributed to giving children harmful *learning* systems, (2) gave children (or adults) harmful drugs or diseases or hormones, (3) corruptly removed kids from home, (4) falsified a report about a child, (5) took harmful action against a child without informing a parent, all have a mark in their right hands.

Unforgiveable Mark #12:
Family Breakers; Corrupt Parents

Under Gardner, to destroy minority families and create an endless supply of children for his various psychologically destructive programs, the US stopped giving poor families government assistance if fathers lived in the home; pushing many fathers out. Some mothers exploited this system. Many states adopted destructive child-support structures. Parental values fell. To win their child's favor, parents told their kids terrible things about the other parent.

Statesmen, judges, psychologists, psychiatrists, economists, sociologists, etc., who cooperated, in any way, to destroy families have a mark in their right hands.

Parents who wrongly prevented the co-parent from seeing their kids, abused this system, turned the child against the co-parent have marks in their right hands.

Unforgiveable Mark #13: Corrupt and Inhumane Practices

Businessmen, politicians, government agents and private parties have committed vast and serious crimes against mankind, impacting billions of lives. The perpetrators of the following crimes, and the people who pay them, direct them, or substantially abet them, have a mark in their right hands:

- I. **Medical Price Gouging.** Western drug companies raised prices of life-saving medications many times higher than reasonable, forcing millions of children and senior citizens to go without otherwise affordable medication –a problem worsened by the US allowing pharmaceuticals to incorporate and list on stock markets.
- II. **Environmental Negligence/Disinformation.** Businesses (and nations) have done great harm to our planet. To avoid accountability, businessmen and politicians falsify reports and make counter-accusations against other countries.
- III. **Private Prisons and Dirty Cops.** With the advent of Gardner, the number of private prisons, and cops who arrest to fill prisons, and cops who kill unarmed minorities exploded. No corporation, CEO or investor should profit from restricting the rights of others. Police have a duty to be fair and not use weapons unjustifiably.
- IV. **Housing Development Concentration Camps.** Housing officials and private real estate owners conspired not rent to people of certain races; forcing them into impoverished areas where there are/were no jobs.
- V. **Hit-men.** US businessmen and politicians learned to seize and maintain power by paying hit-men to kill their rivals. This problem spread around the world.
- VI. **War Murder and Rape.** Increasingly since the US-Viet Nam war, soldiers kill fleeing, unarmed citizens –and rape men, women and children.
- VII. **Organized Crime.** The 666 were/are an organized crime cartel, engaged in bribery, IP theft, sabotage, murder... The 666 knowingly created many organized crime *families* around the world, exporting weapons and drugs into sovereign lands. All willing members of organized crime cartels/families and criminal gangs have marks on their right hands.
- VIII. **Racial/Ideological Double Dealing.** Western CEOs conspired to not hire minorities and push them into ghettos, and offered bad business deals to non-capitalist and non-White countries –to perpetually advantage Western capitalists.
- IX. **Poisoned Wells.** Under John W Gardner, from the 1960s into the present, the US became increasingly interested in *charitably* digging wells in non-White countries. Some bacteria cause brain damage. We'll likely learn soon that the West contaminated wells in non-White countries. The dumb leaders who couldn't imagine that the same people who killed and enslaved their ancestors would put brain-impairing bacteria in their wells also have marks in their right hands.

- X. **A.I. Intellectual Property Theft and Conventional I.P. Theft.** Western leaders created a corrupt new business scheme: artificial intelligence, “AI”. AI, related to creating art, stories, screenplays, books, music and acting performances, represents a great threat to humanity, as the “creative” (generative) AI models use art and stories that have been stolen, via the internet; a strategic calculation: the developers knew talentless, unethical Westerners would race to acquire and defend a product that allowed them to falsely claim ideas they could never produce. The logic was: *No one can accuse us of stealing IP, if everyone is stealing IP!* Thus, AI will transform 99.9% of the West into criminal participants –and .1% will be victims of a nationalized theft system. AI will write screenplays, using stolen information/ideas, create movies using fake AI actors and AI music –all so thieving CEOs will never have to pay another artist. Technology created to steal from a nation’s creatives, intent to replace those creatives, is devoutly Satanic.¹⁷ This system evolved from a model in which Gardner and the Rockefellers illegally paid the teachers of gifted children to secretly provide art by –and information about– the most talented of these kids, they even paid the kids’ friends for info and art –for decades. **Anyone** who (1) developed AI that ever relied on a stolen idea or image, (2) claimed credit for art produced by AI, (3) engaged in or facilitated conventional IP theft, or (4) secretly provided *information* about, or *art* by, a person/kid, without the person/kid’s consent, knowledge and permission, has a mark on their right hand.
- XI. **Foreign Interference, Sabotage and Destabilization.** To destabilize other nations, the West engaged in foreign interference, including: (1) sending illegal weapons to foreign nations; (2) coordinating to underpay for non-White countries’ goods; (3) sanctioning non-capitalist nations; (4) fomenting unrest, by using the internet/radio/TV to falsely discredit foreign elections or leaders....
- XII. **Cyber Bullies (Nations, Corporations and Private Parties).** With the rise of internet social networks, a percentage of social media users began to target other users; antagonizing them, hoping to get them to kill themselves. US government agents engaged in these crimes –experimenting, to push *undesirables* to harm themselves. Soon, many Western teens and preteens, proving as evil as their parents, began to push their peers to commit suicide.
- XIII. **Freedom of Speech Silencers.** Jesus delivered His truth because He had the God-given right to speak freely. When the High Priest questioned His activities, Jesus said, **“I spoke openly to the world... and in secret I have said nothing”** (John 18:21). Today evil leaders try to silence free speech. People have the God-given right to speak their opinions and discontent, without punishment.

¹⁷ AI (computer programs designed to provide seemingly unique responses to prompts, based on fixed data) had been a reality for years in 2023. AI became a national story in late 2022 or early 2023, after I attacked AI on Twitter and attacked the Writer’s Guild of America (East & West) for saying AI represented a good thing for writers. The IP thieves at WGA quickly reversed. US AI film and TV companies have already begun to alter thousands of films and TV shows, in effort to fraudulently backdate, by decades, their IP theft. Much of the current AI falsification of existing and older films alters dialogue (especially in narration and cutaway shots) to backdate my ideas into pre-existing films.

Unforgiveable Mark #14: Blood of the Saints

God appreciates His servants' work and loyalty. In Revelation, God repeatedly mentions the *blood of the saints*, and His servants and prophets who were slain for *the word of God*, and their *testimony* (6:9 and 10; 12:10 and 11; 16:6; 18:20; 19:2, 19:10; 20:4; 22:9). God's servants are people who serve God's true Churches and Religions, and private people who love, serve and abide God, and further His will. Revelation, chapters 6, 9 and 11, remind us of God's servants who were tortured and killed.

Anyone who deliberately kills, or substantially harms, tortures, abuses or persecutes one of God's servants, and anyone who deliberately contributes to violating, altering, falsifying or corrupting the work, writing or legacy of one of God's servants (as many Westerners have tried to cast doubt on the Apostle John's work), and anyone who willfully *contributes* to killing, harming or threatening one of God's servants, has a mark on their right hand.

Unforgiveable Mark #15:

The Brainwashers and the Brainwashed:

In the mid/late 20th century, the integrated US corporate government created a mass-media brainwashing machine, which used TV, film, radio and internet to mold society's views. The system targeted the self interests of the weak-minded, and sought to convince them they were special –or they could become special. Whites were encouraged to view themselves as superior. US Blacks and Latinos were encouraged to adopt self/socially-destructive goals (to be gangsters and drug dealers) or encouraged to adopt unrealistic goals –to be sports stars and rappers (because the odds of success were near zero).

In the 1960s, Hollywood began to portray Blacks as promiscuous, drug dealers and gangsters. In 1985 the first gangster rap song was released. In 1987, to help gangster rap flood US airwaves and subvert minority kids, the US introduced the *Parental Advisory* (legalizing profane lyrics). Gangster rappers were soon everywhere, bragging about murder, and selling and doing drugs; luring children into gangs. The US quickly exported gangster rap; targeting non-White nations, via TV, radio, internet... Soon, non-White preteens, the world over, dreamed of becoming gangsters and drug dealers

-like their American rap idols.

Meanwhile, 20th century researchers learned babies can be taught to hate, by seeing videos of people of a different race harm people of their race. ¹⁸ In the 21th century, US social media companies used this to spread hate; using conformity behavior modification: awarding Whites who shared hateful videos many followers.

Anyone who created or distributed media (music, videos) intended to glorify crime, or cause or entice others to become hateful or drug dealers, gangsters, pimps, sociopaths or drug addicts, has a mark in their right hands.

Brainwashed people everywhere, who became hateful, sociopathic, gangsters, drug dealers, pimps or addicts because they watched or listened to hateful film, TV, radio or internet content, or gangster rap, have a mark in their foreheads.

**Unforgiveable Mark #16:
Aggregated Data
-and the Watchers & IP Thieves**

The concept of aggregated data is explained in a footnote on page 4. America's integrated corporate government stole this detailed concept from me in late 2006, and began to attribute my ideas to many Western Whites, by backdating PDFs and web pages. The US immediately tried to actualize my aggregated data system. The first sign of this was the surge in popularity of key giant social media websites (Facebook), and the explosive profitability of key mass internet commerce websites (Amazon). The US allowed these mass media and commerce companies access to so many US citizens (including kids) because the US could better learn to predict each citizens' behavior if citizens were constantly engaged with one of several well-cloaked social media interfaces. Western aggregated data systems also involved private corporations spying on citizens, via cable-box cameras, and hacking into their computers and phones, to steal their secrets and watch innocent people engage in all aspects of their lives. CEOs sold access to desirable subjects to elite insiders, who stole the subjects' IP -even their conversation. ¹⁹

Anyone who contributed to spying on private citizens, or who stole ideas from private citizens, anywhere, or who, to support IP theft, took credit for conceiving stolen works/ideas, has a mark in their right hand.

¹⁸ I once observed a video report of researchers showing how White (Western) infants reacted to a dark person harming a White character; the infants' were visibly angry and unforgiving. We might assume babies of other races might react similarly (or we might not).

¹⁹ I was the principle target of this theft system. The thieves stole my written works and the outlandish things that I (and one or two of my friends and my brother) said in conversations. The most interesting ideas were centrally featured in movies and TV shows, the less interesting ideas, expressions, etc, became subordinate elements in similar commercial productions.

Unforgiveable Mark #17: Document/Record Falsifiers:

The second and third beasts came into existence by using Gardner's new falsification methods to falsify God's word, in the mid 1940s, in a scheme that destabilized nations and damned millions. Later, US corporations used Gardner's methods to *steal the internet*, and Hollywood used these methods to steal IP for decades. The US soon began to falsify copyright and business registrations.

Anyone who falsifies documents to falsify God's word or the history of God's word; anyone who contributes to such falsification to alter history, or perception of history, or attribution; any news, media, or *social media* outlet operative who abets falsification by publishing documents that support the fraud, or by reporting favorable stories and omitting critical reports, etc; and anyone who, with knowledge of these crimes, failed to report them to authorities, has a mark in their right hand.

Unforgiveable Mark #18: Heirs of the Western Beasts

Around 1955 the US began to export TV, film and radio propaganda designed to cause the Earth to worship the first beast, causing the damnation of millions.

Westerners who endeavored to spread *beast worship*, and non-Westerners who facilitated this -wittingly or not- have marks in their right hand.

The US/West deliberately caused people to envy and worship them. Worse, the West's policies nourished global poverty and hostility, creating conditions, where kids often turned to crime and drugs, and died before adulthood.

In contrast, the West's policies gave them unprecedented wealth; so their kids enjoyed secure communities, wonderful schools, and strong job markets.

Unlike pampered Western kids, the children in nations sabotaged by the West were much less likely to have the mental serenity to do good works.

So, would God allow the West to deliberately damn millions, sabotage non-Western children, then give Western kids an easy pass into Heaven?

No. In Exodus 34:7, God says He is known to visit the inequities of the father upon the children to the third and fourth generation.

To enter Heaven, the children of comfortable Westerners (and those made rich by the West) must struggle as hard to do good works and undo evil, as the average non-Westerner had to struggle to overcome adversity and evil to enter Heaven. Wealthy heirs who fail in this would **not** be sent to Hell (unless they commit separate Mark Crimes, etc); God will simply end their existence. ²⁰ (See page 143.)

²⁰ Hence 2:23: *And I will kill her children with death. And all the churches shall know that I am He who searches the minds and hearts...* And Matt 19:24: *...It is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of God.*
