

The Destruction Date

God

THE DESTRUCTION DATE

The original date of God's *One Hour War*, of Revelation, Chapter 18 (September 23rd, 2024, in the Western hemisphere: September 24th, 2024, in the East) was *Rescheduled* to December 2025. The rescheduled Date involves *Nuestra Señora de Guadalupe*, and two unusual, rarely seen *badges*, affixed to the lower left corner of *Nuestra Señora*, which went hidden, unexplained and unexamined, for centuries, until I revealed them, in March 2025, in *Killing Guadalupe*. Revelation connects to *Nuestra Señora* because Revelation images fill the *Juan Diego badge*.

Guadalupe's story foreshadows God rescheduling His *hour of wrath*, as Guadalupe had to reschedule the miracle she promised Juan Diego, after he broke their appointment to care for his sick uncle.

In April 2025, I found the rescheduled *Publication Date*, which I mistook for the date of the *One Hour War*. Once I realized my error, here's how I found the correct *Rescheduled Destruction Date*... The original Publication Date (West), March 12th, 2024, was **195** days before the original Destruction Date (September 23, 2024). So I added 195 days to May 26th, and got **December 7th, 2025** (or **10th Month, 18, 4723**, on the Yin calendar), and found verification of these dates in *Nuestra Señora de Guadalupe*. **195 refers to Genesis 19:5**, where a group of men try to rape God's male angels. 195 is God's rebuke of the US/West, as going against nature, in creating *Head Start* to impair minority children's brains; in spreading hate, corruption, porn, and normalizing the abnormal –reflected in the West's sky-rocketing LGBTQ rates; in stealing IP and falsely attributing the stolen works to talentless Westerners...

The following 6 pages reveal the Publication and Destruction Dates hidden in Juan Diego's badge and *Nuestra Señora de Guadalupe*.

RESCHEDULED PUBLICATION & ONE HOUR WAR DATES & TIMES

Publication Date

Hidden in Juan Diego's badge are two numbers which usher in the coded date of likely the most catastrophic Event in human history: the *One Hour War* of Revelation, Chapter 18. The numbers 5 and 1 are a *Publication Date* instruction –the date by which formal *notice* or *discussion* of the rescheduled Destruction Date, or the Publication Date, must have been published. A Publication Date was first discovered in my Revelation solutions in March 2024. The Juan Diego badge's rescheduled Publication Date is on the Chinese *Yin* calendar, expressed in letters and positions associated with the numbers **5** and **1**, which refer to **5th Month** (also called "Xin-Si"), **1** (the first day of *Fifth Month*), **4723**, in the Eastern hemisphere; which corresponds to May 27th, 2025, in the East, and May 26th, 2025, in the West –as the West is roughly a day behind the East for half of each day. Only the Publication Date is hidden in Juan Diego's badge –the Destruction Date is hidden in Nuestra Señora de Guadalupe's central image.

Here are the symbolic expressions of Publication Date **5/1** (or 1/5) in Juan Diego's badge (see/read *Killing Guadalupe* to see and learn more about the *badges*):

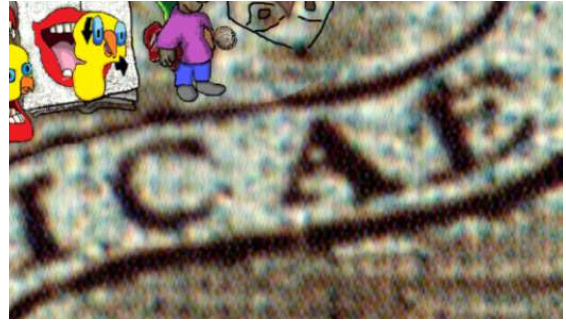

1. The **I** (Roman numeral 1) in *AMERICA*, at the base of the central image frame, is askew; rather than pointing down to a 6 o'clock position, it points to 5 o'clock –which represents *5th Month* (Yin).

2. Juan Diego Cuauhtlatotzin only shows 1 foot, and the five toes of that foot are in the 5 o'clock position, pointing at the A. Juan Diego's single visible foot represents the first day of the month, as does the letter A. The 5 o'clock position represents represent *5th Month* (Yin), so do the 5 toes on Juan Diego's foot.

3. The letters **A** and **E** at the end of the word *AMERICA*, in the base, are slightly bold and offset. **A** (the 1st letter in the English alphabet) represents the 1st day of the month. **E** (the 5th letter in the English alphabet) represents 5th Month (Yin).

4. Rather than facing forward (6pm), the character in purple faces 5 o'clock (5th Month), and toward the letter A –the 1st of the month.
5. The nose of the raccoon image, and the forward arrow on its head, points to the A –the 1st of the month.

6. At the top of Juan Diego's badge, the face and eyes of the *Image Beast* face slightly off center, to the 5 o'clock position: 5th Month, Yin.

7. At the bottom of the badge, the square-jawed beast's head faces the 5 o'clock position (5th Month, Yin), and his head seems to tilt forward to 1 o'clock (the 1st of the month).

8. At the base of the tilma (above), the *original angel* faces 5 o'clock (5th Month), with his head tilted forward, to about 1 o'clock –the 1st of the month.

Above, the year of the event is expressed symbolically, at the bottom of Juan Diego's badge. Reading left to right, three 'M' ghosts, outlined in red, left, represent the 3rd millennium, which we are now in; the two wolves in the middle, birds in mouth, represent the first 20 years of the new millennium; thus, each wolf represents a decade. The five common ghosts, outlined in pink, right, represent the first 5 years of the third decade of this millennium. Together, these characters express **2025**, the Publication year –and year of the One Hour War.

To confirm the *Publication Date*, in the base of the *Elder* badge (below), the first two decades of the millennium are represented by 2 squid-like figures or M's, on the upper left side of the base decoration, circled below. [NOTE: the beginning of the 3rd millennium is expressed in the central field of the Elder badge, by the Elder's two hats -his crown and his saint hat- and the thin hood of his cape, similar to a *hoodie* (pictured to the right), representing two full millennia, and the beginning of a third millennium (the thin hood).] The 5th year of the third decade is expressed by 5 symbols/icons, which resemble groups of 3 lines, or M's or W's, right of the base ornament. Together, these symbols express the year **2025**.

The 5 *year* icons lead down to numbers 5 and 26 (see enlargement below), which represent May, 26th – 5/26, as the date is expressed in the US.

The Destruction Date

Nuestra (today)

Villalpando, ca 1700

Arellano, circa 1691

Vallejo, 1783

The Destruction Date -the day and hour of the One Hour War- is given, primarily, in the central image of Nuestra Señora de Guadalupe, and secondarily in the image of the original angel, which now only exists in the Juan Diego badge.

Nuestra, today, is very faded, damaged and mostly fake, but most 17th and 18th century copies get the details right: 22 stars on the left side of Guadalupe's mantle, 24 stars on the right; representing, Yin calendar year 4722, and Gregorian year 2024 -the original years of *Destruction*. The light blue interior of Guadalupe's mantle, turned out, symbolizes the date of the One Hour War has *changed*. The 4 images above, Nuestra as she appears today (left), and three 17th and 18th century copies, are to verify the following One Hour War dates, times and details.

New Event Year (Yin): The new Event year, on the Yin, is expressed by the 3 stars in the trail of Guadalupe's gown, circled in orange, above, lower left, held in the hand of the winged child (also the original angel). This represents Yin year 4723.

New Event Year (Gregorian): The original event year, Gregorian, was 2024. The X shape in the mantle hem, circled in white above, represents the number 24 (X is the 24th letter of the English alphabet). The single star enclosed in the X represents an added year: 25 - 2025.

New Event Month (Yin): The new month of the Event on the Yin is first represented by Guadalupe's **10** fingers, joined in prayer, slightly facing East (the side of her body with 22 stars on the mantle). The Yin month is reinforced by the "X" in Guadalupe's mantle hem, circled in white, situated by the moon (word root of *month*). X is Roman numeral **10**. Thus, on the Yin calendar, the month is **10th Month**.

New Event Month (Gregorian): The Event month is expressed by the **12** stars/prongs of Nuestra's original crown (stolen in 1888); reinforced by Revelation **12:1**, where Guadalupe represents Mother Nature, on the *Moon* (women's monthly cycle), in a 12-star crown: *Now a great sign appeared in the Heaven, a woman clothed with the Sun, with the Moon under her feet, and on her head a crown of 12 stars.*

Thus, the new Event month is the **12th** Gregorian month: **December**.

New Event Day (Yin): The new Event day is expressed by the 18 stars in the unbroken field of the upper left (viewer's) portion of Guadalupe's mantle, covering her shoulder, arm and hip (circled in yellow in the photos on the previous page).

Thus, the day of the month, on the Yin calendar, is the **18th**.

New Event Day (Gregorian): The new Event day, Gregorian, is expressed by Guadalupe's position, she is facing **7** o'clock (directly forward represents 6pm).

Thus, the day of the Event, on the Gregorian, will be the **7th** day of the month.

New Hour of Event (East): The One Hour War begins, in the East, when the East begins launching bombs, at 11pm. 11 is expressed by the 2 pinkies of Guadalupe's hands, held apart from her other fingers (right). 11 is also expressed in the hem of Guadalupe's collar (lower right).

The *launch hour* will end at midnight.

The close of the hour, 12am –midnight, is reinforced by black lace arrows under Guadalupe's hands, similar to clock hands, pointing up to midnight. Guadalupe's hands also point upward, like clock hands, toward 11pm and midnight.

New Hour of Event (West): The East's bombs will impact the US from about 9am to 10am, West Coast time, or 12pm to 1pm, East Coast time. Guadalupe's 10 fingers, in prayer, may represent 10am, US West Coast time, when the One Hour War ends. [Other Western nations and allies may also be targeted during this hour.]

(The Destruction Date and time solutions continues on the following page.)

Time of Event *Color-Contrast Confirmation*
(The Mystery of the Two-Tone Gown: Solved)

The original Destruction Date -the date of the One Hour War- was scheduled to occur on September 23rd, 2024, in the US and the rest of the West –but on September 24th, 2024 in the East. Similarly, the original Publication Date AND the *Rescheduled* Publication Date were all designated at times when the East was on one calendar date but the West was on another.

The date and time of the Rescheduled Destruction Date (or *Rescheduled One Hour War*) departs from the prior pattern, as the Event initiates when the East and West are both in the same date (December 7th, 2025, Gregorian; or 10th Month, 18, 4723, Yin). To confirm this departure, in the image of Nuestra Señora de Guadalupe, Guadalupe wears a gown that is conspicuously 2-tone, dark tone on the viewer's left, light tone on the viewer's right. This color contrast is made to reflect and confirm that it will be night time (dark) in the East (represented by the viewer's left of Guadalupe, with **22** stars –symbolizing the original Destruction year, East, 4722), and it will be daytime (light) in the West (represented by the viewer's right of Guadalupe, with **24** stars –symbolizing the original Destruction year, West, 2024). [Moments after the East launches their bombs, China will enter 10th Month, 19, 4723, or December 8th, 2025.]

Complete Destruction Date & Time:

One Hour War date/hour, East (Yin): 10th Month, 18, 4723, 11pm to 12am.

One Hour War date/hour, US/West (Greg): December 7th, 2025 (9a-10a).

- These dates and times are further reinforced by the *original angel*, in Killing Guadalupe, Chapter I-4, page 127.

The Destruction Date is taken from the first 7 pages of *Revelation 2: The Solutions*.
