

The Final Solutions to The Book of REVELATION: A Demonic Battle to Corrupt Christianity, Dominate Humanity, Pervert Thought, Control the Media, and Steal Ideas

By: Steven Kenyatta Briggs

June 2023, after stumbling into a deeper understanding of the pervasive evil in America, I had a strange feeling I should read the Bible's book of Revelation, and do my level best to interpret it. At the time, I had only read about one page of Revelation (Chapter 13), way back in junior high. Before this treatise I had never written anything specifically about the Bible.

As you read my interpretation/solutions of Revelation, you may conclude that I am anti-Protestant, anti-Catholic, or anti-Christian. None of these are the case. When I was a few months old, I was baptized Catholic. When I was 8-years old, I was baptized Baptist. When I was 22, I was baptized nondenominational Christian. I'm 58 now; still, and always, a Christian. The conclusions I've reached are unbiased assessments of the plain facts.

My interpretation of Revelation correctly vilifies *fake* Christians, who seem to be the vast majority of *Christians* (?) nowadays –and the most effective agents of Satan. *True* Christians, known by the love in our actions, have to protect Christianity, and humanity, from fake Christians.

II Corinthians 11:13-15 warns about fake Christians, led by Satan, *acting* like Christians, and says we can tell fake Christians by *their works*:

13 “For such are false apostles, deceitful workers, transforming themselves into apostles of Christ.

14 “And no marvel, for Satan himself is transformed into an angel of light.

15 “Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.”

Now, about Revelation...

Revelation is layered with symbols. In Chapter 17, an angel reveals the Beasts’ seven heads represent seven mountains, which, in turn, represent seven nations. The angel also reveals a certain woman represents Babylon, which, in turn, represents some unknown nation. But there is an order and reason to the angel’s (and the Apostle John’s) use of symbols. Interpreting Revelation requires interpreting symbols. But any interpretation should adhere to the existing order and reason.

The Apostles John received his Revelation visions many hundreds of years before the events described in Revelation began to unfold. So, naturally, the book leaves many, many questions unanswered; like what is the “mark” *in* the forehead or in the right hand?; what is the image?; what does the head that was “*wounded to death*” but healed mean?; what are the 42 months?; what is the dragon? –all of these questions, and many more, are unexplained.

With God’s help, I’m going to explain everything.

PRELUDE

The most important sections of Revelation deal with three terrible Beasts, and how the Beasts are finally defeated.

In making sense of Revelation, it’s essential to understand how important faith, religion and churches (and mosques, temples, synagogues, etc) were to the development of modern society. As humanity evolved, many societies came and went, but the ones that tended to endure, tended to share belief systems, and were built around houses of worship. So, although these houses of worship were fallible, like the people who ran them and worshipped in them, humanity owes an unparalleled debt to these holy places.

Because large churches were so instrumental to creating stable, more humane and reasonable nations, it is reasonable that churches, mosques, synagogues, etc, have substantial influence and power today. The problem, like the problem with kings and presidents, is determining when there is too much influence and power.

KEY REVELATION BACKGROUND

Jesus was born in the Roman Empire, at a time when Rome covered North Africa, part of the Middle East, and a good chunk of Western Europe. Rome was huge, diverse, and must have seemed as if it would last forever.

The Apostle John began writing Revelation, near the end of his life, in or around 95 A.D., as Christianity was spreading throughout Rome.

Although Christianity started in Rome, the first Christian nation formed outside of the Roman Empire, in Armenia, around the year 300. But, not long after, in 323, Christianity became the state religion of the Roman Empire. A few years later, in 330, Christianity was the state religion of Ethiopia, in Africa.

Fast forward a hundred years, or so, the seemingly impossible happened: Between the 5th and 6th century, Western Rome fell, and the Western world entered the Dark Ages.

The fall of the Western Roman Empire set up one of the key mysteries of *Revelation* – a vision of a head “wounded to death.”

Moveable Type. As the Dark Ages trudged along in the West, great things were afoot elsewhere. In the 11th century, Chinese inventor Bi Shong invented one of the most important technologies of the next few centuries: moveable type printing. Moveable Type was ornate, persuasive, and soon spread throughout the world.

- Also in the 11th century, the Great Schism occurred, when the Eastern Orthodox Church split from the Roman Catholic Church. Separate from this, in 1439, the Russian Church joined the Roman Catholic Church – but broke away from the Roman Church, permanently, 9 years later, in 1448. Thus, Eastern Christian churches played no role in the crimes or tragedies described herein.

The Moveable Type Printing Press

The next great technological breakthrough, relevant to Revelation, came in 1440, when Johannes Gutenberg invented the moveable type printing press, which printed almost 100 times faster than hand printing.

Moveable type printing became the new high-tech industry for the next few centuries; creating powerful new publishing industries, which provided the public a new and semi-affordable form of entertainment: books.

Before long, publishers and politicians learned the moveable type press was extremely effective at molding the opinions of the masses. Soon the first

newspaper appeared, in Germany, around 1600. And the world was changed.

Publishers also learned moveable type printing could be used to rob the public. Thus, for the next 200 years, publishers stole stories and ideas, at will, from common people –who had no form of copyright law to protect their works (not until 1710, when the UK introduced the Statute of Anne).

Guns

Simultaneous to the advent of the moveable type printing press, and the birth of industrialized propaganda, **guns** (rifles and muskets) were getting more sophisticated and appearing on battlefields; cannons also. The Western worlds' heavy investment in guns and cannons changed the global power balance. Soon, most major world powers were Western nations. Before long, guns enabled Europeans to conquer the new continents of North and South America, and to conquer one very well-known continent, which had previously been unconquerable: Africa.

THE FIRST OFFENSE AGAINST GOD:

The Renaissance

All of the catalytic events, giving rise to the first Beast of Revelation, occur during the Western European Renaissance. The Renaissance (the “rebirth”) happened during the 15th and 16th centuries, and is defined by a widespread effort, in Europe, to revive the ideas, achievements and glory of the Roman Empire.

Although, in the West, we laud everything about the Renaissance, the Renaissance had a terrible, heretical ulterior motive –to make God in the image of man. More specifically, part of the goal of the Renaissance became *to remake God into the image of a White man*, then promulgate the view that White men are nearest to God; thus, nearest to perfection; thus, *superior*.

Currently, Wikipedia’s “*Renaissance*” page explains: “The Intellectual basis for the Renaissance was its version of *humanism*, derived from the concept of Roman *humanitas* and rediscovery of classical Greek philosophies, such as Protagoras, who said that ‘**man is the measure of all things.**’”

During the Renaissance, Europe’s greatest thinkers and artists fictionalized and revised history, and began to corrupt Christianity. We see this in Leonardo da Vinci’s painting “The Last Supper” (circa 1495), where

Jesus and all of his disciples were depicted as White (given that Israel was in the Middle East, and only a couple hundred miles from Africa, it is certain that Jesus and his disciples were various shades of brown). These Romantic *revisions* of Jesus started before Leonardo, but this fallacy became the pervasive “truth” during the Renaissance –and it opened the door to a much more audacious heretical act –which helped bring about the first Beast. *That* catalytic heretical act was Michelangelo painting the image of God, at the invitation of Pope Julius II, on the ceiling of the Sistine Chapel, in Michelangelo’s celebrated work: *The Creation of Adam* (1512).

As a liberated Westerner, I believe individuals should have the right to illustrate God (where to display these images remains a matter for debate). But, as a thinker and a Christian, it’s unacceptable that a Christian religious leader would commission such a work for display in a holy chapel.

Why? Because the Second Commandment directs: “*Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.*”

Michelangelo depicted God as an elderly White man, carried by White cherubs, as he created a White Adam; ignoring the Second Commandment –and ignoring that Revelation 4:3 says God “*was like a jasper [marbled dark brown and red] or sardius stone [brownish burgundy], in appearance*”; making God’s color closer to a person from India, Middle East or North Africa than a European. (John did not further describe God’s form.) Oddly, Jesus, appears to John in Revelation 1:15, with skin “unto fine brass” as if “burned in a furnace.” I suspect God and Jesus chose to present themselves to John in these colors to establish they are not White (or any earthly flesh tone), and our earthly skin tone is matter of function, not divinity, and doesn’t follow us into the afterlife.

But, for Europe’s contingent of powerful White supremacists, out to elevate Whites above all, Michelangelo’s heresy was the perfect tool to initiate millions of new supremacists, and *prima fascia* evidence God is White (after all, *if it’s in a Vatican chapel, it must be true*). Michelangelo’s work supported the Renaissance supremacists’ central view: *Man is the measure of all things; White men were superior; hence, whatever White men viewed as proper, was so.*

Thus, a New World was born, where rich men manipulated God’s image to achieve their interests. And into this New World came the first Beast...

The First Beast (Out of the Sea): ***THE BEAST of the DRAGON***

In 1492 Christopher Columbus proved the world was round. Soon, the West *discovered* the Americas, which started an international race to *claim* the already occupied new lands. The discovery of the Americas ushered in an age of genocide, plunder, theft and enslavement. **This was the first Beast**, which took over the Earth from the 15th century to the mid 19th century.

As reports of *endless free land to claim in the Americas* spread, wealthy Europeans planned to subjugate, slaughter and enslave nations. But there was one powerful voice, a man of God, who might stop them –the Pope. So the first step in dominating the world was to weaken the Papacy and the Church.

Martin Luther and the Protestant Reformation

In 1517, in Germany, Martin Luther's *Ninety-Five Theses* letter to Bishop von Brandenburg attacked the Pope's authority, and accused the Pope of trying to stand between the people and God. As a result, soon, people began leaving the Church, by the tens of thousands, to join the new Protestant church –with many new branches and spin-offs on the way. Thanks to Martin Luther, everyone was free to interpret the Bible as they wished.

Luther may have acted independently, or under instruction (from the way his *Theses* was quickly translated and distributed throughout Europe, I suspect he was funded by various business interests). In either case, his historical portrayal as the second *savior* of Christianity is almost blasphemy.

The Protestant Reformation, of course, was only possible because of the new moveable type printing technology. Before the moveable type press, only churches and the extremely wealthy could ever hope to purchase a hand written Bible. But the moveable type press suddenly changed that. And the corrupt publishers, who likely sponsored Martin Luther's *Ninety-Five Theses*, seized on this, and cajoled families to display their faith by purchasing their own semi-expensive Bibles. Thus, the wealthy publishers who divided the Church, used the division to market their first best-seller: the Bible.

Soon, Protestants piled into ships, new Bibles in tow, to claim some free land in America. Once in the New World, with only their consciences to guide

them, if they didn't participate in atrocities, they'd routinely ignore the state-sponsored genocide and enslavement of Native Americans and Blacks.

Meanwhile, with the power of the Papacy decimated by the split of the Church, the Pope, like the rest of the world, was powerless to stop the onslaught. A silver lining: under the Pope's moral guidance, Italy remained out of the genocide and conquest industries for centuries. [Italy eventually tried its hand at colonization –but almost 300 years after the others, in 1890.]

Back in Europe, undesirables and the unemployed crammed in boats for the New World. Hence, continents to pillage and slaves to sell, the marauding and slave-trading economies of Europe exploded with wealth, for centuries.

The first Beast was at hand.

Decoding the *First Beast Verses* ¹

Chapter 13, Verse 1

AND I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy. ★ 37, 34, 37 Rom 8:33

*And I stood upon the sand of the sea, and I saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.*²

The 7-headed *Beast out of the Sea* is, collectively, **England, France, Spain, Portugal, Netherlands, Belgium** and **Germany**, going out to plunder the Americas and Africa. The ten horns and crowns are explained later.

You may ask, “*Why Germany? During this time, they weren't conquering, killing and enslaving –at least not like the others.*”

Germany's role was the *Protestant Reformation* and Martin Luther, which enabled all of the subsequent crimes against humanity.

¹ Interpreting Biblical prophecy, to me, is about both logic and intuition. In decoding Revelation, I used knowledge, research, reason, intuition, faith, and common sense. I paid close attention to event sequence, any unusual words the Apostle John used or stressed, and the meanings of words in their context.

² “Blasphemy” refers to Martin Luther's Ninety-Five Theses.

13:2, The Leopard, Bear & Lion

- 2 And the beast which I saw was like unto a leopard, and his feet were as *the feet* of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

The Leopard. Leopards' spots are their camouflage; making them hard to see (until it's too late). "Like unto a leopard" refers to the Beast's ability to mislead and deceive by camouflage; as Revelation 13:4 makes clear, the Beast of the Dragon had the unusual power to cause nations to improperly worship its military power (the dragon), and improperly worship the Beast itself.

Fet of a Bear. "*The feet of a bear*" means two things... First, the old Roman Empire (where John wrote Revelation) had a "**fighting season**," when Rome could safely make war with other nations. *Fighting season* lasted 7 months, March 18th to October 19th, and existed because fighting in the winter months meant risking the lives of an entire army –largely because of the poor design of Roman soldiers' shoes –just leather straps and a leather bottom –no protection against wet and cold. This changed in the 15th and 16th century, when *weltd rand* shoe-making emerged: thick hard soles, sewn to thick leather bottoms, with insoles and outsoles, attached to sealed leather tops. The new design extended *fighting season*, by making European soldiers' feet more resistant to cold, like bears feet; **Now, in parts of the world, they could make war year round.** Second, *feet of a bear* is a metaphor for walking fearlessly and disrespectfully (as a bear might plunder through a campsite).

Mouth of a Lion. The "*mouth of a lion*" means two things. First, lions have loud "roars," that travel great distances. With the advent of moveable type presses, the same publishers that divided the Church, used their press **to make their voices and views travel far and wide** (like the *mouth of a lion*), to move opinion in their favor. Second, *mouth of a lion* also means speaking belligerently, in a threatening, *war-like* way (As Europeans are known to do).³

³ Spain's national flag features a lion (with perhaps bear-like feet); Netherlands' coat of arms also features a lion (with perhaps bear-like feet); England and Belgium's national animals are lions.

The Dragon

“... And the **dragon** gave him his power, and his seat, and his great authority.” The “dragon” has two meanings.

- **1. “The dragon” means guns and canons (military power).** John came from a time when the greatest combat technologies were swords, spears and arrows. The 15th - 19th century guns and cannons that John saw in his vision may have been almost beyond his comprehension. But the guns and cannons he saw blew fire and smoke –like a dragon.

- **2. “The dragon” also means Satan.** In Revelation 12:3, 4 and 7, John describes a 7-headed dragon, which we learn, in 12:9, is Satan.

Thus, the Beasts’ power, seat and authority come from the *dragon*: guns, cannons and **Satan**.

13:3 -The Head “WOUNDED to Death,” But Suddenly Healed

3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

The deadly wounded head that is somehow healed, represents the fall and rebirth of the Western Roman Empire. The Western Roman Empire fell around 500 AD. Rarely, if ever, are defeated conglomerate nations reborn. But the Western Roman Empire was *reborn* in 1254, when Germany, Austria, and parts of Italy and France united in the new “Holy Roman Empire” (surviving until 1806). In the 15th and 16th centuries, the Renaissance occurred, and the Holy Roman Empire rekindled its ancient Roman heritage: conquest.

13:4 -Worshipped the Dragon

4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

The “dragon” means military power (guns and cannons). “Worship the dragon” is to overly admired the Beast’s military power –and even to try to imitate its military power. (More on this, later.)

13:5

THE 42 MONTHS –and the “Mouth”

5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. Dan. 7:8, 11, 25

“And there was given unto him a mouth speaking great things and blasphemies: and power was given unto him to continue forty and two months.”

The “mouth” is the new moveable type press, used to attack the Church.

42 months was the time it took the Pope to ban Martin Luther’s *Ninety-Five Theses*. It was **41.6** months from publication of Luther’s *Ninety-Five Theses* (October 31, 1517, to von Brandenburg) to his appearance at the Diet of Worms., April 18, 1521. It was **42 months** (almost 43), from publication to when Luther’s *Theses* was banned, in the *Edict of Worms*, May 25th, 1521. (Luther was Excommunicated by Pope Leo X, January 3rd, 1521).

REVELATION 13: 6 and 7

6 And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven. Joh. 1:14
7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. Dan. 7:21

Verses 6 and 7 describe Martin Luther’s attack on the Christianity. “*Make war with the saints, and to overcome them*” describes Luther defeating the Church. Power over “*kindreds, and tongues, and nations*” describes the international spread of various forms of Protestantism, thanks to Luther.

13:10: Christians Ordered to Fight the Beast

10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints. Is. 33:1 ★ perseverance

This is an order for *true* Christians to fight the Beast, whole-heartedly.

The Second Beast (Out of the Earth)

THE BEAST of the IMAGE & MARK

In Revelation 13:11, a second Beast emerges *out of the earth*. This Beast, *the Beast of the Image and Mark*, arrives about 440 years after the first Beast, around 1955. This Beast represents the **United States**. The Beast has two horns, which represent, either, Japan and Israel (two of America's new post-WWII allies), or *big media & tech* and the defense industry (these two horns are not mentioned again, and do not factor into the rest of Revelation).

The image and mark are uniquely horrible sins, because unlike regular sins, God does not forgive *worshipping the image* or having the *mark*.

Why do I say *the Beast of the Image and Mark* represents the USA? First, because four of the new Beast's attributes suggest it is the USA (13:12 says the Beast has the same powers as the first Beast, and causes the earth to worship the first Beast –the West; 13:13 suggests the new Beast is a nuclear power –in the mid 1950s, only USSR and the US were nuclear powers; 13:12 and 13 describe the Beasts' *wonders* and *miracles*; the Beast is so admired that other nations imitate it). Second, other aspects, described in Revelation, discussed herein, later, also suggest the *Beast of the Image and Mark* is the USA.

Revelation 13:13 and 14 use the expression “in the **sight** of men” and “in the **sight** of the beast.” These “sight” references pertain to America's TV, film and internet technologies (visual technologies, relying on screens), more stimulating than prior entertainment and propaganda tools. The accelerant for these technologies came in **1955**, when the US cable TV industry was born.

In 13:13, the first new *power* attributed to the Beast is the ability to make “fire fall from the sky.” I took that as a reference to intercontinental ballistic missiles, which America first developed in **1957** (the SM-65 Atlas).

This *Beast* is driven by 5 goals: **1.** Making money (preferable corruptly); **2.** Making Western people and social systems look superior to other people and nations; **3.** Harming non-White and non-capitalist people and nations; **4.** Infecting White Westerners with hate; **5.** Shaping social thought via TV and internet (visual technologies).

- As we'll see, the Beast is so evil, it will also destroy the US and the West, by impairing and perverting Western minds and values –for profit.

Heresy & Blasphemy

Usher in the Beasts

The first and second Beasts, both, first emerge after TWO incidents of massive heresy or blasphemy.

As you read earlier, the first Beast (out of the sea) emerged after Martin Luther attacked the Pope, and the Church allowed graven images of God, represented as a White man (creating Adam, also depicted as White), in the Sistine Chapel.

The second Beast arrived not long after two heretical events occurred in the middle of the 20th Century. The two new heretical and blasphemous events that precipitate the *Beast of the Image and Mark* are as follows.

First, In April 1948, Millar Burrows first announced the finding of the Dead Sea Scrolls. The story alleges Bedouin shepherds discovered the scrolls inside ancient jars, inside a cave in Palestine, in 1946; for the next year or two, the scrolls moved through numerous hands, until they came into the possession of John C Trevor, of the American Schools of Oriental Research, in 1947; Millar Burrows, the director of ASOR, announced the finding of the scrolls on April 10th, 1948. Trouble is, the scrolls are fake. ⁴ This scheme was concocted to facilitate the creation of Israel, by Western businessmen (who will conduct activities in Israel that are illegal in the US).

May 14th, 1948, one month after the scrolls were found, Israel was created, when the Jewish People's Council declared the establishment of the State of Israel. Immediately, US President Harry Truman recognized Israel as a valid state. Soon, the actual heresy would begin, when Bible publishers began to alter the Bible –based on the Dead Seas Scrolls.

Second, in 1947, Oral Roberts began preaching *prosperity gospel* on US radio. The show did well. Thus, seven years later, in 1954, Roberts began leading a prosperity gospel television show. The show was a hit. *Prosperity gospel* supports the Beast's celebration of **greed**, and blasphemously manipulates and perverts scripture to allege that wealth is the will of God and a sign of divine favor. Money and economies are an invention of man.

Thus, emerged the Beast of the Image and Mark.

⁴ I'll explain why I'm certain the Dead Sea Scrolls are fake in a separate publication. But if you read the scrolls history, you'll see the warning signs of fraud.

The Beast of the Image and Mark Arrives

The *Beast of the Image of Mark* is a compound entity, comprised of numerous members. There are a capped number of members. The Beast can operate effectively with just a few members, but operates at maximum evil effectiveness when all of its members are in place.

The first three members of the Beast united in 1955.

The Beast did not reach full strength, until 1972, when the sixth executive member ascended to power.

The Three Unforgiveable Crimes/Sins Of the *Beast of the Image and Mark*

Revelation 14:9 and 11, etc, establish that there are three groups of unforgiveable crimes or sins: 1. worshipping the Beast, 2. worshipping the Beast's *image*, 3. receiving the *mark* in your forehead or right hand. There are a total of about 10 specific crimes (more on these specific crimes, later).

THE BEAST OF THE IMAGE & MARK: The Fundamental Corruption of America, And the World

The Beast of the Image and Mark brought about the total corruption of US politics and business, and the corruption of our social and family values.

The first three members of the Beast went into action, in 1955, with tremendous effectiveness and success. But the door was opened for the Beast to exist in the late 1940s and early 1950s, when the US began *McCarthyism*: getting American society to reflexively reject certain ideas; vilifying anyone who said the words *communism* or *socialism* –the Beast's deepest enemies.

This was "thought policing," and was fundamentally un-American.

But why was this happening in the middle of the 20th century?

Because a group of American businessmen were planning to take over US politics, to keep White business leaders forever in control of all levels of America's government –and in much of the outer world. By outlawing the idea of socialism and communism, these leaders were preserving their own power.

There were several layers to the plan, but one essential layer was corrupting US politics by paying huge donations to get politicians; who, in

turn, would do what the business leaders wanted, if elected. Members of both parties, Republicans and Democrats, accepted the donations (bribes).

The formation of America was a result of the first Beast (the Beast of the Dragon); hence. America engaged in some extremely unconscionable actions until slavery ended. (More accurately, America continued to do some pretty bad things, but we started getting on the right path after slavery ended.)

A great example of how America began to correct itself and began to display good values are, and began working to get corruption out of American institutions, can be observed by reading "Appendix 4 The Federal Election Campaign Law: A Short History," where you learn the first campaign finance law was passed in 1867 (right after US slavery was abolished). This law stopped federal officers from asking Navy Yard workers for contributions. Over the next hundred years, America adopted many great anti-corruption laws, to get money out American politics (e.g., the 1907 Tillman Act, which prohibited corporations from contributing to federal campaigns; a 1910 federal campaign finance disclosure law; the Federal Corrupt Practices Act of 1925). These anti corruption laws continued into 1971, when the *Federal Election Campaign Act of 1971* was passed; requiring disclosure of campaign donations AND expenditures; it ALSO limited spending on media.

After all of these good actions, immediately after Supreme Court Justice Louis Powell (the sixth and final original leader of the Beast) joined the US Supreme Court, in 1972, the Supreme Court and other branches of American politics began to dismantle restrictions on donations and disclosure, over the next few decades. By far, the worst offender was John G Roberts, Jr., the current Chief Justice, who presided over the passage *Citizens United*, the insane law that allowed unlimited corporate donations and no disclosure.

But backing up to around 1948, when the idea of the Beast was still germinating, the first phase of the coming assault on America life, values and institutions began: The effort to get women to join the American workforce.

Of course, it's great and very appropriate for women to work. But the American corporate leaders behind this push wanted women to work -NOT because they valued women's minds and contributions- rather, they wanted women to join the workforce to flood the workforce with workers, to drive all wages down. The winner: the business leaders -*the Beast*.

But the impact of women in the workforce on American values was much, much worse... As wages went down, more and more families needed two incomes to make ends meet. For more and more families, this meant more and more mothers would not be at home afterschool –not until they got home from work. For many families, this meant kids, 12 to 17-years old, were home alone, to do whatever they wanted. Teen pregnancies skyrocketed. Fake Christians and corrupt business leaders blamed Black music and rock & roll.

Soon, a separate *solution* to all of the pregnant girls was necessary.

In 1960 “the pill was introduced. Thus, by the mid 1960s, sexually transmitted diseases were the new #1 communicable disease in America.

By the late 1960s, the Beast extolled America’s *sexually liberated* women, who, with the pill, like men, no longer had to suppress their impulses.

The Beast was also transforming American politics. Before 1964, Blacks and Whites both voted in about equal numbers for Democrats and Republicans. But in 1964, the Republican party used the “Southern Strategy” to get most Whites in the Republican Party, and most Blacks in the Democratic Party. Whites were now in the Party of business; the party of the Beast. You can guess which White group was not welcome in the Republican Party: Workers. If you believed in the rights of workers and unions (the enemy of business) you were out. White working men, who believed in living wages and unions, were sent to join the Democratic Party patchwork.

As corporations took control of US politics, in the aftermath of the Viet Nam war, drugs like acid and speed (methamphetamine) flooded the Western US. Drug addicts were soon everywhere. But, since flooding prisons with White prisoner was not a desirable *image*, America relaxed US drug laws for Whites (typically giving them probation, but jail or prison for minorities).⁵

By the mid 1980s, hardcore porn was available to most US homes.

The Beast (US business) knew all state and national power is political, and determined to control US politics, via deception. But as the Beast’s onslaught progressed, it was not sufficient to only corrupt the US and West. The Beast was out to corrupt every nation that would accept its technology.

⁵ Not holding White men accountable will prove to be an uncontrollable mistake; as mass shootings and drug addiction become rampant, and, inevitably, insurrectionists attacked the US Capitol, in 2021.

Decoding the *Second Beast* Verses, 13:11-18

The first few verses of Revelation 13 are pretty easy to decode.

-11 And I beheld another beast coming up out of the earth, and he had two horns like a lamb, and he spake as a dragon.
12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.
13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, Deut. 13:1, 2, 3

- 1. “**Spake as a dragon**” means he spoke with the voice of a tremendous military power. (*Dragon* also means *Satan*.)
- 2. The second beast (US) caused the world to *worship* the first Beast (Europe), because the second Beast came out of Europe.
- 3. “Make fire come down from the sky” is the ability to launch nuclear bombs that hit targets around the world.

Then things become opaque.

DEFINITIONS:

Image, Mark, In the Sight of, Speak, Give Life Unto the Image...

In 13:11 to 18, John has a vision of a second Beast, with extraordinary powers; the powers rely on extraordinary technology. John did not know the name of this technology, so he assigned separate words to the two different technologies. To understand what God is saying, through John, in Revelation, we have to know the definitions of the essential words or phrases.

A few pages of definitions follow. The definitions were arrived at based on how the words were used in sentences. For example, John uses the word *mark* 3 or 4 different ways. John first uses *mark* in 13:16, a vague noun, a thing placed in people’s foreheads or hands. Next, 13:17, *mark* is used in almost a good sense, a tool to buy or sell goods (but this instance, as a tangible tool in the secular world, is a huge departure; not found in the other instances). But next, 14:9-11, we learn the *mark* is spiritual brand/identifier, condemning recipients to Hell. Next, in 15:2, John uses “*his mark*,” an abstract collective term for the Beast’s *criminal minions*, who make war with God. Thus, in the following pages, there’s one definition for the *spiritual mark*, and another for the *physical mark device* that can buy and sell goods (and where unforgiveable *mark* crimes are committed), and another definition for *horrible criminals*.

Five Definitions of “Image”

1. “Image” (Primary sense) is *the physical or social likeness of a person* (similar to the way the term is used, in English, today). (See Rev 13:14.)
2. “Image” is a TV (television); (As used in Rev 13:14.) John lived 1800 years before TVs arrived. When he saw them, in his vision, lacking the correct term, or moniker, he called a TV an “image,” as they displayed an *image*.
3. “Image” is the actual viewing *image* of a TV screen (as we use the English word today). (See Rev 13:15, “...give life unto the image...”).
4. “Image” is the ability to use a TV or receive a TV signal (Rev 13:14).
5. “Image” is a corrupt, deceitful, hateful pervading mentality (15:2).⁶

-14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live: which

Thus, in 13:14, when God (through John) says “make an *image* to the beast,” He intends three of the four definitions (listed above) for the word *image* (He intends meanings A, C, D). Thus, in 13:14, when the Beast tells the world they should “make an image to the beast,” the Beast is telling the nations of the world to do each of the following:

- a. To make or buy TVs, so their people can watch the Beast.
- b. To make or buy the ability to receive TV signals.
- c. Remake their national and personal images in the likeness of the US.

13:15 “Power to Give LIFE unto the IMAGE”

But in 13:15, when John describes the “*power to give life unto the image*,” he is saying the Beast had the power to animate the *image* on the TV screen (in the sense of definition B, above), and create motion pictures, the most powerful technology of the 20th century, maybe ever.

⁶ After the term *image* is introduced (13:14 and 15) it is thereafter used proximate to the word “worship”; with the exception of 15:2, where the term is used in a *mass collective* sense; as God and his army are victorious “over the Beast, and over his image”. In this case, the term seems intended to describe God defeating a *corrupt, deceitful, hateful pervading mentality*, or the Beast’s minions, with such a mentality.

15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

And in 13:15, where God has John write “...that the **image of the beast** should both **speak...**,” the word **image**, there, refers to physical TVs, filmmaking, and the *TV image display* (in the sense of definitions A and B, on the previous page).

Speak

“**Speak**” in 13:15, means the images on the TV should also project sound; so viewers can hear the TV characters, and the Beast can speak to, and be heard by, the world.

A Possible (perhaps Probable) Second Definition for “Power to Give Life Unto the Image”?: The Ability to Incite Social Disruption

13:15 may also describe the Beast’s power to foment foreign unrest. “**And he had power to give life unto the image of the beast...**” could suggest that America’s TV and visual propoganda were so persuasive they could cause citizens of foreign nations to want their nation to become more like -in the image of- the US and West; to such an extent that citizens of these foreign nations would reject their societies.

“**That the Image of The Beast Should...‘Speak.’**” If the previous paragraph is possible (and it is), then “Speak” could also mean that the Beast’s TV-distributed images of US wealth were so effective at inciting international envy, the images and propoganda could also incite vocal demonstrations and protests (*speak*) for social change.

“**...And cause that as many as would not worship the image of the beast should be killed.**” And it’s possible that the last passage of 13:15, “**...and cause that as many as would not worship the image of the beast should be killed.**” warns that these protests could lead to upheavals, where innocent traditionalists, of all faiths, were killed.

Three Definitions of “Mark”

“Mark” has two definitions:

1. A “Mark” (primarily) is a conceptual (possibly visual) Divine identifier, placed *in the forehead* or *in the right hand* of humans, identifying people, and their souls, who will be punished in Hell, for engaging in unconscionable and unforgiveable crimes.
2. A “Mark” (secondarily) is any computer, laptop or smart-phone devise that has a visual display screen that connects to the internet (and used to view terrible content and make purchases, see 13:17). John lived 1900 years before computers and smart-phones were invented, so he did not know the correct names for the devices he saw in his vision. The term John used was “**mark**,” because computers, TV, and smart-phones were the devices that people used when they were branded with the *mark*, in their foreheads or right hands, and condemned to Hell.
3. A “Mark” (tertiarily) is a *terrible criminal minion* (see Revelation 15:2, where John uses “*his mark*,” to refer to the Beast’s *minions*).

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

Thus, in 13:16 (above), when John wrote “causeth all...to receive a mark in their right hand, or in their foreheads...,” John was clearly using the word *mark* in the sense of the first definitions (above), concerning the identifier that brands people for punishment in Hell.

17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

But in the next verse, 13:17, above, when John wrote “...that no man might buy or sell, save he that had the mark...” John is using the word *mark* in the second sense (a computer, laptop or smart-phone), and John is saying that people with computers, laptops and smart-phones can buy or sell in the future world that John saw. (I’ll explain the entire passage, 13:17, later.)

Now we can pursue the sins and crimes of the *image* and *mark*.

The *IMAGE* and *MARK* Are Psychological Crimes/Sins, Committed Via TV or Internet

In the 19th century, a new science emerged in the West: psychology. This science, and the technologies of TV and internet powered the Beast.

John W Gardner was the original leader of the Beast. Gardner received his PhD in psychology from U.C. Berkeley in 1938. Gardner worked for the US military's Office of Strategic Service (OSS) during World War II, where he helped perfect the art of psychological warfare, "reprogramming" and subtle brainwashing. In 1955, Gardner became CEO of the Carnegie Corp; where, in 1964, he conceived and launched a commission that created the Corporation for Public Broadcasting (which created PBS, NPR –and Sesame Street). ⁷ Gardner became the US *Secretary of Health, Education and Welfare*, in 1965.

Because Gardner understood the power of visual mass media, in 1955, he was selected by Nelson Rockefeller and William S Paley to lead the effort to publicly finance wiring for cable TV, throughout America.

Psychology and Brainwashing.

In the 1930s and 1940s, various military research studies showed TV and film (and comparable screen based technologies) were extremely effective for shaping public thought. Controlling these means (cable TV, film and future screen-based technologies), to maintain power and shape public opinion, became a primary motive of the Beast.

The *Image* and *Mark* Worked By Psychologically *Reprogramming* People

Image and *mark* sins are unforgiveable. What makes these crimes, or sins, so terrible is some carry a psychological toll that fundamentally alters or reprograms the victim. Victims are usually unaware that their psychology is being permanently altered. And often the victim and perpetrators are both damned. These personality altering crimes were/are spread using (1) TV, film or internet (visual media), and (2) often involve psychological tactics.

⁷ Although NPR and PBS are associated with a progressive vantage, NPR and PBS distracted from Western abuses, by shining the light on human rights abuses outside of America. Meanwhile, not once, in more than 50 years, did PBS or NPR call America's brutalization of Blacks a *human* rights crime. *This* to dehumanize Blacks.

...In The Sight Of...

The fact that the image and mark were related to visual technology is clearly intended by the phrase “in the **sight** of” (13:13 and 14).

“In the sight of men” (13:13) refers to people watching TV.

“In the sight of the beast” (13:14) refers to the Beast’s use of TV to effect mass psychological change. John is saying the Beast’s *image* and *mark* powers derive from the Beast’s access to our eyes, our sight: via TV and computers.

The Means = Mass Psychological Reprogramming, Via TV and Internet

Revelation 13:14 says: “*And deceiveth them that dwell on the earth **by the means** of those miracles which he had power to do...*”

“*By the means,*” did not refer to the TVs and laptop used to access people’s minds (the devices only *carried* the messages), nor to the changes caused in people; rather, *the means* referred to the science behind the Beast’s magic: **psychology** - *mass media-distributed psychological reprogramming*, or brainwashing; not implemented by force, but by subtle persuasion.

John lived 1400 years before the word “psychology” was coined. To John, the power to brainwash a person, was an evil “miracle.”⁸

The Beast’s ability to alter thought and action was unheralded. The Beast could alter human sexuality, make us more hateful, make us hate our own nations. The Beast even had the power to make us measurably less intelligent (the Beast would save this evil skill for children).

Originally, these foreign nations were safe, beyond the reach of the Beast, because they lacked the technology to receive US TV and internet images and shows. The Beast had to break through this barrier, to speak directly to the people of foreign lands.

Revelation 13:14 first uses the expression “*make an image to the beast.*”

“Make an image to the Beast” has **three (3) definitions**. (These ***image crime*** definitions are different than the earlier basic *image* definitions.)

Two of these definitions apply only to foreign nations, out of the West.

⁸ The US also bolstered its psychological efforts to expand Western cultural dominance with simple behavior modification strategies, such as having US Presidents NOT take private meetings with some dignitaries who did not wear Western clothes, but taking the meetings if they returned in Western clothes.

Defining the Three “Image” Crimes

The two foreign (non-western) definitions of “making an image to the beast” or “worshipping the Beast” are:

Definition #1: “Making an image to the Beast,” on a national level, outside of the West, is **when a foreign nation is persuaded, by the US or the West, to make, or accept, a device or portal (a TV or internet conduit system) through which the Beast can send entertainment, propaganda, pornography, etc, to the people of a foreign nation.**

Definition # 2: *Making and Image to the Beast* is **when citizens of foreign (non-Western) nations emulate and imitate Western values, behaviors, dress, beliefs, values, monetary systems...**, and reject their own traditions, dress, values, etc. (This is also called *worshipping the Beast.*)

The Domestic Meaning of *Worshipping The Beast’s Image* (or “Making an Image”)

The leaders of the Beast conspired to use their media tools to proliferate a view that White Westerners were superior to other races and non-Western countries, and superior to communist and socialist countries.

Domestically, this supremacist inculcation caused many Westerners to overly adore their race, and feel superior to others. But many Westerners went a giant step further, and cultivated hatred for other races and cultures, without having any experience with the races and cultures they hated.

Definition #3: Western “Worshipping the Beast,” is **when White Westerners are reprogrammed, via TV or internet, to hate non-Whites and/or non-Westerners.**

Why Are Foreign Leaders Who “Worship the Image” Not Forgiven? ⁹

Why it is unforgiveable for foreign nations to *worship the Beast*?

My best guess is that national leaders have a duty to protect their people. I also suspect many world leaders allowed the US tech into their nations because they received substantial bribes.

Only God knows for sure.

⁹ Revelation 17:1, 2, and 18:4, and 19:19 instruct that “*kings of the earth*” (leaders of nations that allowed Western reprogramming and brainwashing tech into these nations) are damned for “fornicating” with the Beast.

ΧΞΣ The Number of the Beast ΣΞΧ

18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is ⁶⁶⁶Six hundred threescore and six.

The Apostle John did not use the Arabic (English) numeral “666”, nor the Roman numerals. John used Greek characters, pronounced chi (600), xi (60), and sigma (6), which translated **600+60+6**. John wrote the characters with an overscore mark above them, somewhat as they appear below:

$\overline{\chi\xi\sigma}$ (Image from Wikipedia)

I put no weight on *characters*, because John puts no weight on the actual characters. Rather, John seems to stress the numerical value: 666. This causes me to believe it is not the characters upon the Beast, but the Beast upon the characters. “*Let him that have understanding **count** the number of the beast.*”

A *hint* is the word *count*. We don’t *count* numbers; they’re used to count.

The verse is saying **the number of powerful individual entities that collectively comprise the Beast is 666**. There are 666 entities in the Beast.

The Beast entities are all very powerful people, a combination of America’s most powerful elected federal and state politicians, and our most powerful business CEOs. 57 of the top 66 (of The 666) are 57 of the 111 most powerful elected leaders in the US.¹⁰

The *Number of the Beast* is the character configuration $\overline{\chi\xi\sigma}$ or 600+60+6.

The *Number of his Name* are actual 666 people who comprise the Beast.

The number 6 (the final number in the expression 600+60+6) represents the six original leaders of the beast.¹¹

Since other aspects of this treatise are more important, I’ve added about 6 pages of Number of the Beast details to the end of this report. **In this added section, at the end, I name the 6 original leaders of the Beast, I also name the full 60, and much of the 600.**

¹⁰ Consistent with this, the Greek word “count”, in Revelation 3:18, also means “vote.” (More about this in the final Number of the Beast section.)

That No Man Might Buy or Sell

Revelation 13:17 reads: ***“And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.”***

Jesus, John and the Disciples lived in a time when Rome enjoyed freedoms we don't have in America. They were common people, with little or no money, but in Rome, there were multiple ways to conduct transactions. The rich and middle class used money, while the poor usually bartered or did labor exchange. Thus, only once in the Bible do the disciples possess Roman money (Matthew 22:19, a *denarius*; Jesus asks whose image and name are on the coin, then rejects it), but there are several verses where Jesus and the Disciples discuss trading (barter). Jesus and the Disciples freely made legitimate transactions, without money, enjoying freedoms Americans do not.

In Revelation, John saw a bleak future, where Americans were forced to participate in the new money system, with no barter, labor trade, or alternate currencies allowed. The Americans were not allowed to disengage; camping was not allowed in most places; even homelessness was unlawful.

Revelation 3:17 is a scary vision of the future John saw; here today.

3:17 Word Play

Below, I replace 3:17's three mystery phrases, right (***bold/itl***) with more accurate phrases, CAPS & underlined, right, below. Left, I explain the answers.

“Mark” means: (1) A terrible crime;
(2) a computer; >>
(3) a criminal.

***And that no man might buy or sell,
...save he that had the mark,...***

Replace with
> Save he that had a COMPUTER,
Or > -or, save a criminal with a computer
(A 2000 year old joke about internet crime!)

The name of the Beast is *The United States of America*; on all US currency:
USA MONEY >>

...or the name of the beast,...
Replace with
> ...Or USA Money

50 states in America; thus, the number of his name is **50!!** But, to open a business and make money, you need a **state business license**. Your state will issue you a **state business license #**. (In your name & your business name) Hence, *this is the number of his name!*

...or the number of his name.”
Replace with
>> ...Or a STATE BUSINESS LICENSE NUMBER.

> (In your name & in your business name; hence: the Number of *his* name!!)

*Licenses are needed for out-of-state exchanges.

13:16, THE MARK

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

The *mark*, mentioned in Revelation, is both real and symbolic; representing a sin so horrible that the sinner will not be forgiven by God.

Discovering what the *sins of the mark* are took some effort.

In Search of the Unforgiveable Sins of the Mark

Understanding the full and true meaning of the *mark* requires understanding a few things.

First... The *Beast of the Image and Mark* is a nation, and that nation is the United States of America. The first Beast had seven heads, which we later learned were nations (mountains: European nations), ruled by seven kings.

The second Beast has one head, but has all of the power of the first Beast, and it causes people to worship the first Beast. With these, and the reasons I gave on page 11, we can be certain the Beast is the USA.

Second... The Apostle John was an incredible writer, but at least once he inaccurately used the word “all” (or perhaps it was transcribed from Greek poorly). This inaccuracy is very demonstrable.

In Revelation 13:16, John wrote: “*And he causeth ALL, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads.*”

But we know that NOT ALL people received the mark, because 20:4 describes how all the souls that did not have the *mark* or *worship the image* of the Beast were saved: “... *neither had received his mark upon their foreheads, or in their hands,*” so they were permitted to live with and reign with Christ.

This is important because many people who discuss the mark, who seem reasonably informed, wrongly insist that “all” people will have the mark imposed upon them. Not at all. What the Apostle John meant by “all” is all types of people (“...*small, great, rich, poor, free, bond...*”) will have the mark.

The Crimes Against Conscience

So, I had to determine what these crimes or sins were. To do this, I did the only thing you can when interpreting Revelation: I turned to Revelation.

I felt God sent the angel to inspire John to write Revelation, not to make us wonder and scared forever (what does that do?), but to give us enough information to be watchful, so maybe we might find and stop the Beast.

So... John lived to be around 92 years old. He was very close to Jesus and wrote five books of the New Testament. But he didn't write Revelation until he was near the end of his life. I took this to mean God knew that the images that John would see were so horrible that John should not have to live his whole life with those images seared into his mind. From that, I reasoned somewhere in John's writing, in Revelation, he should reveal the nature of these horrible, unforgiveable crimes.

Chapters 13 to 20 (when the image, mark and judgment upon people with the *image* and *mark* occur), mention the mark eight times. 13:16 and 17 introduce the concept of a mark, and say it will be on the hand or forehead (symbolic); 14:9 and 11 say everyone with the mark, or who worships the Beast's image, goes to Hell; 15:2 and 16:2 have no new information about the mark; 20:4 explains that people without the mark will be saved.

Only Revelation chapter 19, verse 20, gives us an idea of the nature of an unforgiveable sin; that passage reads: "*And the Beast was taken, and with him the false prophet, that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped the image...*"

So being a false prophet, and leading someone to commit a type of sin that is unforgiveable, is itself unforgiveable. Makes sense.

Next, I looked for all of the types of sins that John mentions in Chapters 13 through 20.

John uses, with anger, five words that point to three or four types of crimes/sins. I excluded from this count words like "drunk", which is/are consistently used to emphasize the excessive nature of other offenses ("...made drunk with the wine of her fornications...", 17:2). I also exclude words that are too vague, and only modify but don't identify a specific sin or crime; words like *unclean* and *abomination*.

Here's the breakdown:

1. John uses the word "**fornication**" or "fornications" seven (7) times;
2. John speaks of "**making war with the saints**," "**war with the lamb**," or wasting the "**blood of the saints**" five (5) times.
3. John uses the word "**whore**" four (4) times;
4. John uses the word "**blasphemy**" four (4) times;
5. John uses the word "**harlot**" (prostitute) once (1).
6. John uses the word "**hateful**" once (1).¹²

More important than this, **Jesus** speaks once (16:15) in those eight key chapters of Revelation (13-20), to speak against walking around naked: Jesus says: "*...Blessed is he who watcheth, and keepeth his garmets, lest he walks naked, and they see his shame.*"

So, from all of this, the crimes and/or sins that are so condemnable as to be *unforgiveable* have to do with:

1. **Sex**
2. **Attacking God or the Church**
3. **Sex for money**
4. **Blasphemy**
5. **Hatred.**

Now I had a good idea what sins John saw that were so unforgiveable.

The Apostle John's saw a vision of the future, where the sins unfolded on modern computers, TVs and phones. John saw horrific sins. The things that made these sins seem somehow *miraculous* were the technology, and the *means*. John lived 1800 years before the light bulb was invented; paper hadn't even been invented. The nearest thing to technology John had was a candle. So the advanced TV, laptop, phone and computer screens John saw in his vision were miraculous –and so was the psychology behind the images.

A list of nine unforgiveable *sins of the mark* begins on the next page. These crimes were committed and spread widely, around the world, primarily via TV or internet.

¹² The evidence supporting *hatred* being one of the unforgiveable crimes is weakest. But John and Jesus both spoke very strongly against hate, and an impression was made on me to do the same –but only hatred of a certain type, spread a certain way.

The Unforgiveable “Mark” Sins

11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

Revelation 14:9-11 make clear that *mark* crimes/sins are unforgiveable.

People **receive** the mark in their foreheads (their thoughts) by viewing corrupt and perverse TV and internet images. People who produced or distributed these videos, **receive** the mark in their right hands (their deeds)

There are 9 unforgiveable *mark* crimes (listed in random order):

Unforgiveable Mark #1:

Porn Inflicted Perversion & Addiction

When John lived, there was prostitution, but not pornography.

Today, the US paid pornography industry is estimated at \$15 to \$98-billion dollars, distributed via internet and cable TV (I believe that’s a great underestimate, and it excludes free pirate porn sites, shared drives, DVDs...).

Now the world has innumerable porn addicts, most of which will never seek treatment (and treatment is iffy, at best). Porn destroys values, alters our views of sex, our bodies, relationships, and cause preoccupied perversion.

The Beast loves addicts, who always return to buy more.

People who indulged in internet porn, and became perverted, addicted, and altered their psychology and sexuality, have a mark in their foreheads.

People who distribute pornography, and altered the lives, sexuality and body-images of others, have a mark in their right hand.

Unforgiveable Mark #2:

Attacking or Dividing the Church

Questioning the Church, to improve services, spread love and save lives is reasonable. But trying to divide and split the Church is an act done to weaken God’s influence, and strengthen evil, greed and inhumanity.

Those who try to divide the church have a mark on their right hand.

Those who stoke division, and mindlessly spread blasphemy, hate, and division, and proffer it as God’s word, have a mark in their forehead.

Unforgiveable Mark #3: Internet Porn *Whores*.

The internet created thousands of ways for Americans to get wealthy.¹³ One of the internet's new career-options for women (and men) was to make porn videos and sell them online. A few women made hundreds of millions of dollars, and in the Beast's new America, they also became celebrities –known even to elementary school kids.

This inspired countless American girls to grow up and do the same. Very few made huge money. But all contributed to the decline of American morals; all contributed to the terrible body image issues and psychological maladies many American girls, boys, women and men now face; all contributed to the furtherance of the worldwide porn addiction problem.

People who star in, produce and distribute these sorts of videos have a mark *in* their right hand (their deeds).

Unforgiveable Mark #4, Blasphemy: Prosperity Gospel; False Prophets

Prosperity Gospel. In his visions, John saw televangelists, preaching prosperity gospel, assuring the *faithful* that Jesus wants them to be rich.

Millions of people were misled, away from God, by prosperity gospel shows. People watched these shows, and did all they could to get rich (mistakenly believing this would make God happy), but failed to get rich, and came to feel unloved, and forsaken, by God. This is a crime against God.

False Prophets. John was certainly speaking about prosperity gospel when he mentioned *false prophets*, but I also believe John was speaking about dishonest businessmen, politicians, judges, TV and tech CEOs, who extolled the virtue of TV and internet, then sat idly, reaping huge profits, as these platforms became increasingly dangerous for children and young people.

The people who star in, create, produce, distribute and broadcast these videos, have a mark in their right hands (their deeds).

People who viewed these videos, and believed God wants them to be rich, are dumb, but I'm not sure if they have a *mark*.

¹³ *White* Americans, that is. The managers of America's internet system disrupt internet traffic flows to minorities' websites. True.

Unforgiveable Mark #5: Child Internet Sex Crimes

The internet created a portal for child pornography; greatly increasing crimes against children. Participating in this, at any level, is unforgiveable.

Watching videos, or looking at photos, of child pornography, is an unforgiveable *mark* in the forehead (their thoughts).

Making and/or sharing illicit images and videos of children is an unforgiveable mark in one's right hand (their deeds).

Unforgiveable Mark #6: Social Media Inflicted Hatred

The second *Beast* had the first's hateful power ("*...all of the power of the first beast...*"), and power to spread hate ("*miracles...in the **sight** of the beast*").

Most members of the *Beast* are supremacists, who oppose race mixing. This violates science, nature and God. The first law of anthropology (if I recall correctly) is: *When peoples meet, they mate*. Genetic variation enhances a populations' possibilities. In Genesis 1:26 and 28, God instructs us to "**have dominion**" over the Earth and to multiply. God doesn't propose racial barriers.

Dominion requires that we proceed bravely, without fear dominating us.

But, in the 20th-21st century, US psychologists learned babies can be taught to hate, by showing them videos of someone of a different race harming someone of their race. ¹⁴ This was teaching babies to be fearful –and to hate.

Humans sometimes become *hateful* after a frightening attack, especially by someone visibly different from them. But with the internet and video, the *Beast* could cause people to become cowards and hate, without provocation.

In the 21th century, social media companies spread hate, by distributing videos of non-Whites harming Whites (the converse may be true also). Users who spread the hateful videos were rewarded with many followers.

People who became hateful because of TV and internet videos, have a mark in their foreheads (their thoughts).

People and social media companies who create, distribute, profit from videos that caused others to become hateful, have a *mark* in their right hands.

¹⁴ I once observed a video report of researchers showing White infants react to a dark person harming a White character (the infants' were angry & unforgiving). We might assume babies of other races might react similarly.

Unforgiveable Mark #7: Child Intellectual Torture

Just as it is an unforgiveable crime to create and publish child pornography (or to sexually abuse children), it is unforgiveable to deliberately **permanently** damage a child's intellectual development.

In 1965, HEW Secretary John W Gardner (the first leader of the Beast), created Head Start, to permanently damage the intellectual functioning of *disadvantaged* (Black and Latino) children, 3 to 5-years-old. ¹⁵ Between 1965 and today, Republicans in congress consistently cut spending on all or most social programs serving Blacks and Latino youth; but, since Head Start was creation, they have uncharacteristically consistently approved and increased Head Start funding (as they cut welfare, food stamps and other afterschool programs). These Republicans voted to keep Head Start running because they knew Head Start was intended to inflict permanent brain damage on non-White children, by interfering with the root language-intellect developmental center, and impeded general intellectual development by limiting free-play.

[NOTE: If you don't see how this is connected to TV or the internet... John W Gardner, while CEO of Carnegie Corp, initiated the creation of the Corporation for Public Broadcasting (CPB), PBS and NPR (and indirectly, Sesame Street). Gardner then used CPB to fund wiring America's cable system. Gardner also used Sesame Street as a Head Start supplement, to engross children, 3-5 years old, and keep them from engaging in physical and interactive play –the best thing for young children's intellectual development.]

In the mid 1960s, the US began exporting these Head Start early learning methods to countries in Latin America and Africa.

The US also uses Head Start's terrible methods in magnet kindergarten and first grade classes (ages that should also be engaging in creative free play –not watching TV) that serve Black and Brown children.

Head Start promised that children would gain up to 20 IQ point. But, on average, children lost 16 or more IQ points.

Today, Head Start has served (impaired) about 40-million children.

Creating a system to impair children's intellectual development, and voting to continue it, for almost 60 years, is a mark in one's right hand.

**Unforgiveable Mark #8:
Cyber-Apathy (AKA Soul Death)**

We should always feel for the welfare of other humans. Seeing people in anguish should be distressing. We are social beings, and God's greatest work.

Today, with internet video sharing, many kids and adults watch horrific videos of people being tortured and murdered, by armies and gangs. They see videos of people mangled in car accidents, in agony, moments before they die.

Watching these videos desensitizes us, and kills our humanity.

As the Beast causes ever-escalating suffering, it wants us desensitized. That way, we will not care how mercilessly the Beast brutalizes humanity.

People who watch these videos will have the mark in their forehead.

People who create and share these videos, to desensitize others, have the mark in their right hand (their actions).

Unforgiveable Mark #9:

An AI Warning

After the Beats and climate change, AI is the most evil, pressing threat to humanity, and it is the Beast's greatest deception. AI steals screenplays, stories, photographs, art, even voices from the internet, and, on command, will create new works of art –comprised entirely of stolen art, which the talentless can falsely claim to have created. US tech created this tech, NOT because there was a demand, but because they stole so many works of art, over the years, and so violated copyright law, they hoped to be exculpated, by implicating everyone. AI, if adopted, will be the *mark in* a nation's forehead, marking the leaders' corruption; AI will be the *mark in* a nation's *right-hand*, marking the *people* as too pampered, immoral and stupid to create art, much less defend it.

Creative AI is the latest evil ploy in 500 years of corporate art theft.

Nations that adopt AI will learn, too late, that AI will accelerate moral and creative decline. Technology, created by stealing from a nation's creatives, to replace them, is devoutly Satanic. Western AI will cajole non-Western users to emulate the worst aspects of Western life.

God gives us free will (John 3:14-21). Some use their free will to steal creative works and create systems built on theft and using shell companies to bribe judges. True writers work hard. God values artists and true writers, who choose to work hard. Thus, every book of the Bible cites the author.

TWO EVIL SPIRITS:

The False Prophet & The Beast

In revelation 16:13, three evil spirits suddenly emerge from three evil bodies. A spirit comes out of the dragon (Satan, from Chapter 12); a spirit comes out of the Beast; a spirit comes out of the false prophet.

Satan is not surprising. What is surprising, to me, is that the Beast was so evil that it had a spirit that almost rivaled Satan.

The spirit of *the False Prophet* is the soul of the first beast –*the Beast of the Dragon*, that emerged by the sea; the spirit of Western conquest, that gave birth to the USA, and conquered half of the world.

The spirit of the Beast, of course, is the soul of the Beast of the Image and Mark that took over America in the late 1950s.

In 19:20, the spirit of the Beast and the False prophet are thrown into Hell. Three verses later, 20:2, Satan is tossed into Hell too.

The Third and Final Beast: BABYLON (THE BEAST of APOCALYPSE)

Sometime in the future, after the USA ceases to be, a new beast emerges: Babylon (AKA: The Beast of Apocalypse). Some of the spirit of the Beast of the Dragon and the Beast of the Image and Mark live on in Babylon, who is despised by all, and is defeated in a battle (apparently nuclear) which lasts an hour.

AFTERMATH

The first time I read through Revelation, somehow I missed that it was the USA that all that terrible stuff happened to in Chapters 15 and 16 (well, it's only terrible if you're a good person who might get punished with all the bad). Maybe I couldn't accept it. Once I realized this, I had rewrite this whole ending.

The first verse of Revelation, explains Revelation is Jesus' revelation, given to Him by God, His Father, to give to John. Revelation is *God's* revelation.

God's Revelation, Chapters 15 and 16, indicate there will be some tough, tough days ahead; followed by even tougher days.

If you're keeping score, so far, God hasn't missed a shot.

But I'm still very hopeful America can save itself, end generations of abuses, and become a much better nation, and make the dark days less severe.

Why would I be hopeful, in the face of impossible odds?

Because God is a loving God, who gives us free will. I don't think He'd give us Revelation to torment us. I think he gave us Revelation as a mystery to solve (which I think I did, with ample help from God), then resolve to use our free will, to do better, repent (16:11), make changes and amends. There are going to be bad days ahead. And the USA may break up and divide into 3 parts or nations (16:19). We might not be able to stop everything, but we can make things substantially better; by moving closer to God and Jesus, by being kinder to each other, calling-out fake Christians, by fighting to get the Beast out of US institutions, and DEFEATING THE BEAST, by demanding:

1. money out of US politics (no donations over \$200, no television camera-time donations);
2. Speedy trials and severe punishment for judicial, political and corporate corruption;
3. Citizens oversight over all US institution, internet, TV and news services
4. An absolute end to shell companies;
5. An end to lobbyists;
6. No improper access to judges and politicians;
7. Bank, phone, text and email records of US politicians, judges and major corporate CEOs be made public;
8. Equal spending on all schools and communities;
9. Heavy federal, state and citizens' oversight of corporations and banks (and corporate bank accounts);
10. Zealous application of US copyright law (fire Shira Perlmutter);
11. All US business records be kept or made public, online and free.
12. Standardize and colorblind all court proceedings.
13. Demographically just juries (3 or more jurors of def's race on US juries).

Members of *the Beast* will oppose all of this.

Free Media Is Key

Earlier I said I think God gave us Revelation as mystery to solve. I meant that, but solving it is only part of the answer.

The Book of Revelation existed during the Renaissance (of course). *The*

42 months mystery was right there to be solved. After Martin Luther attacked the Church with his Ninety-Five Theses, and caused a split in the Church, and the Theses was banned 42 months after it was published, if someone had been observant and noticed that (few people had Bibles then), they still could not have sounded the alarms to stop the coming cataclysm, because newspapers didn't yet exist and the news publishers that controlled all of the presses were lined up against truth and suppressing information.

How that relates to the present tense... I solved (with ample help from God) the Revelation mysteries related to *our time* (Number of his Name, Image, Mark, the 13:17 three phrase mystery...), so the Beast (the 666 members) can be defeated, even peacefully. Wrong. Because the Beast controls every major US news outlet, so the news producers are instructed not to cover corruption allegations (much less stories about a 1900 year old mysteries being solved), so the Beast is never defeated, we hear what they tell us. America is not free until corporations do not own American air, cable and internet lines, and a system is put in place that articulates how no party can ever silence another party's access to information conduits.

Incredible. Related to this, I don't know if you noticed the incredible layered solution God designed for the third phrase of 13:17 mystery, on page 24. In case you missed it, I'll explain 13:17 reads: "*And that no man might buy or sell, save he that had the **mark**, or the **name of the beast**, or the **number of his name**.*" But we're left wondering what each of the three expressions are: the mark, the number of the beast, and the number of his name. This is a perfect natural mystery, where you naturally want to figure out what each item is, without being told it's a mystery, you somehow divinely understand **it's a word or phrase replacement game**, and there is a correct word/phrase replacement out there somewhere.

The replacement to the first phrase is "a computer" ("a criminal with a computer" may be the better answer); the second replacement phrase is "United States of America", (but the full answer is something like "USA money -which has United States of America printed on it", because we know we must be able to "buy or sell" with each replacement expression).

But the final phrase of 13:17 gives us the "number of his name" to start. Answering this requires many steps and shows God's awareness of events

(like the formation of America 1600 years before it happens, and a thorough understanding of how American business systems are structured). Here are some of the steps involved in answering the third phrase replacement.

- a. First, we must mentally refer back to the answer to the previous question: “The United States of America.”
- b. Then ask ourselves “What number of “The United States of America?”” (because the given phrase is *the number of his name*).
- c. The answer is 50. But you can’t buy or sell with that. At this point you are stuck (because states can’t produce their own money), unless you know that you can only open a business, in the United States, whereby you can buy or sell, at a state level. Which brings us to the final answer:
- d. “Apply for a state business license, the state will eventually send you a State business license with a **‘state business license number’** [this is the primary answer] in *your business name* and in *your name*, which allows you to buy and sell.”

God knew this about the USA 1900 years ago.

Afterword:
How To Save Christianity and Humanity,
Before and After the Apocalypse
(A Love Story)

All of this may cause you to wonder if Western Europeans are genetically more predisposed to commit certain crimes than other races, or if Satan prefers or is more apt to prey on them?

No.

The first two Beasts were unleashed when groups of wealthy and powerful people decided to covertly take-over Western governments and religion. Consistent with various conformity studies, the people of these countries went along with this evil because people tend to go along with what their society views as acceptable or expected. The people were still guilty of horrible crimes, and knew better, but they were catalyzed and fueled by their leaders –for centuries (in the case of the first Beast).

As far as Satan... Until recently, I tended to view Satan as a silly idea. But

Satan is a living force, of absolute evil, that thrives on suffering. I think he's drawn to hateful people in powerful places. With them in his grip, he can do immeasurable harm.

As for the Apocalypse...

There's no stopping God's will. We can only try to be on the side of good, and get the *Beast, image and mark*, out of their societies.

I started this piece with some firm words about how Satan has used fake Christians to do unparalleled international damage.

If you've read any of my prior work, you know I never point to a problem without offering a solution.

So how do we stop fake Christians?

First, by knowing that *we* are real Christians, by acting in accord with two of Jesus' most powerful instructions...

First, in **John 13:34**, Jesus says:

34 "A new commandment I give unto you, that you **love one another**; as I have loved you, that you also love one another.

35 "By this all will know that you are my disciples, if you have love for one another."

Jesus is speaking to all of us, but he is also speaking to the leaders of his of his Church, his original disciples. He is telling Christian Churches to have love for each other. Martin Luther's attack on the Church did not show love for the Church. And, as Protestant nations stepped away from Catholic nations, and vilified Catholics and the Pope, they showed no love for the Church.

Next, in **Mathew 25:34-36, and 40-42**, Jesus says:

34 "Then the King will say to those on His right hand, 'Come, you blessed of My Father, inherit the kingdom prepared for you from the foundations of the world:

35 "For I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you took Me in;

36 "I was naked and you clothed Me; I was in prison and you came to Me." ...

40 "The King shall answer and say to them, 'Verily, I say unto you, **Inasmuch as you did it to one of the least of these My brethren, you did unto Me.**"

41 “Then He will say to those on his left, ‘Depart from Me, you who are cursed, into the eternal fire prepared for the devil and his angels.’

42 “For I was hungry and you gave Me nothing to eat, I was thirsty and you gave Me nothing to drink...”

So, we know we are a true Christians by the love we show each other, and other Churches, and the love we show the weak and socially disenfranchised.

So, if you’re a true Christian, show the love, and call out fake Christians.

As long as I’m venting, a couple more things...

Between now and the Apocalypse, and thereafter, it’s not enough just to love one another and to be kind to the weak, the poor and social minorities. People who love God, humanity and our Earth, have a responsibility to protect all life on this planet. Humanity should not overpopulate to the point that millions of species, God’s creatures, are made extinct, as has happened. Like Noah, we have a duty to protect God’s creatures. Christians’ love should reflect in how we treat the planet and all creatures in it. We should not overpopulate to the point that we are fighting and killing for the few remaining resources, as we are now. We have been *too fruitful*, and multiplied *too far*. Christian churches, all men of God, spiritual leaders, and good men, have a duty to urge humanity to live in concert and balance with nature.

Finally, as nations grew large and powerful, there were often three primary social forces: government, the business community, the Church (mosques, etc...). In the West, wealthy businesses learned they could take-over the government by weakening the Church; thus, they divided it. Although I prefer to attend smaller churches, a large and strong primary Church is necessary to stand against Satan and the Beast. As the Church grows, it has a duty to stay compassionate, and move, and be felt, in the lives of the people.

Just as the Beasts attacked the Church in the 15th century and repeatedly in the 20th century, the Beast will do so today. Authorities should investigate any allegation that any spiritual leader may have harmed a child. But lateral to that, the West has taken audacious steps to undermine the Catholic Christian Church; meanwhile, the West has proliferated porn and poison around the

world. The Beast has a sickening history of using *reflection attack* (that is: *accusing someone else of what you are doing*). So we should be suspicious about the grossly disproportionate claims against Catholic clergy, particularly against Church leaders who are no longer alive.

All thanks to God.

I Corinthians, 13:9 and 13:

9 For we know in part, and we prophesy in part.

13 And now abide faith, hope and love, these three;
but the greatest of these is love.

The extra *Number of the Beast* and the *Number of his Name* section, mentioned in the treatise, begin on the following page.

The Number of the Beast & The Number of His Name

The Beast is a group of 666 wealthy and powerful people, who, today, use the Republican Party to maintain power. But, YES, many Democrats are members of the Beast. The Republican party was *once* a great party, until the early 1960s, when it was taken over by John W Gardner and the Beast.

You can learn if a candidate you support is a member of the Beast, or apt to be, two ways: (1) check them on OpenSecrets.com, if they accept money from corporations or the wealthy, that's a very bad sign; (2) use OpenCorporates.com to see if they have any shell companies (through which CEOs and corporations can pay them bribes).

Being a member of the 666 is not as complicated as you might guess. Under John W Gardner, US schools and government agencies began to issue all students, many colleges, and most federal workers various IQ tests and character assessments. The preferred 666 profile is slightly above average IQ, but with a very low character profile assessment score (willing to get their hands dirty, take unethical orders, offer and accept bribes, lie, but loyal to money and Western dominance). One ethical person could ruin everything.

As I wrote this section, I forgot the name of a Greek alphabetical

character, so I went online, and some I found an odd link that took me to Wikipedia's *Number of the Beast* page. There, I learned that in the Revelation 13:18 passage, "Here is Wisdom. Let him that hath understanding **count** the number of the beast..." there are 3 other meanings for the Greek word "psephisato" (count), including *to vote* and *to decide*. I loved this, because most of *the Number of the Beast* are elected officials, who also *vote* and *decide*. (See Wikipedia passage, below.)¹⁶

A bit more about *the Beast*...

$\overline{\chi\xi\varsigma}$ is a number given to the Beast (not to Satan -different entities: Rev 16:13, 14; 19:20; 20:3) by God, 1800 years before the Beast existed.

The *Number of the Beast* and *the Number of his Name* are similar, but not same. The *Number of his Name* is mentioned at 13:17 and 15:2. *The Number of the Beast* is only mentioned at 13:18, immediately after *the Number of his Name* is mentioned. The *Number of the Beast* is the arrangement of the characters that form the expression $\overline{\chi\xi\varsigma}$ or 600+60+6 (which is also the conceptual business arrangement of the *Number of his Name*). Whereas, the *Number of his Name* are the actual 666 people who form the Beast.

My first thought, when I saw the *Number of the Beast*, was "The *number of the beast* looks like the word "sex" turned upside down."

That admitted, please look at the Greek characters, below.

This *sex upside-down* thing (which can't mean anything good) is pretty fascinating, to me, because a disproportionate share of *mark* crimes have to do with disturbing sexual practices, AND many members of *Beast* profiteer off

¹⁶ "The number of the beast is described in Revelation 13:15–18. Several translations have been interpreted for the meaning of the phrase "Here is Wisdom. Let him that hath understanding count the number of the beast..." where the peculiar Greek word ψηφισάτω (psephisato) is used. Possible translations include "to count", "to reckon" and also "to vote" or "to decide"" (**Wikipedia** – from "Number of the Beast" entry)

porn and child porn ¹⁷ ; then, lo and behold, you turn their secret Beast number upside down, and it looks like the English word “sex.” All the more amazing because God gave them that number 500 years before there was an English language (or the word “sex”), and 1500 years before there was an English speaking country named the United States of America.

Which gets us to the heart to the meat of this...

The Beast’s name is *United States of America*. So, again, “*The Number of his Name*” means: the *number* of people who control the United States of America. These people are presented below and following, in reverse order. 666 is not just a group, it’s the method to maintain power: controlling US media, money and politics.

The following people or positions ALL know they serve US Big Business (most, or all, receive donations from businesses and CEOs, or bribes via shell companies), they know they’re actions are corrupt, and they know all major US businesses are currently thoroughly corrupt –but NOT all understand they serve Satan. Just as many foreign leaders and foreign citizens were psychologically altered to serve the Beast, America’s *Number of his Name* were psychologically profiled, as American school children (and probably psychologically *adjusted*, to some substantial extent, as children, via US TV and internet industry), groomed to serve American business: *the Beast of the Image and Mark*.

The 6

The number 6, the final number in the expression 600+60+6, represents the six original leaders, the executive branch, of the Beast: John W Gardner, Nelson Rockefeller, William S Paley, Henry Kissinger, Milton Friedman, and Lewis F. Powell Jr. Unlike the 60 and the 600, I suspect all of The 6 understood they served Satan. John W. Gardner was the overall leader of *The 6*.

I’m not sure if the 6 founding *executive* positions remained vacant after the original 6 retired or died, or if these positions were filled (only Kissinger is alive today). If they were filled, it is probable that John C Malone became the

¹⁷ Internet companies, film companies, US judges like Alex Kozinski...

leader of the Beast after Gardner died. And, if so, I suspect Shira Perlmutter became the first female member of *The 6*.

Donald Trump is the current leader of the Beast, with or without The 6.

The original 6 were, by far, the most evil, powerful and corrupt force, ever, in American politics and business.

The new generation is just as evil as the original 6, but less intelligent, less organized. That's how it is when your values are deceit, theft and greed, and not accuracy, excellence and hard work; your frame of reference is always a little more off; each successive generation is necessarily inferior, more reckless and dangerous; until it all implodes or explodes.

The 60

The 60 are: (1) 50 US Senators (half of the Senate, usually Republican members, but not always); (2) 5 Supreme Court Justices; (3) The President of the U.S.; (4) the US Vice President; (5) The Chief of Staff; (6) Secretary of State; (7) Attorney General.

Yep, every US President since Richard Nixon (maybe Johnson) has been a member of the Beast. The President is NOT the most powerful member of the *Beast*. Yes, Presidents have more power, in the short term, but if a President defies The 6 (the people who control American political spending) *that* President will not be re-elected. And candidates who do not agree to the goals of the Beast (a business collective) will not receive campaign funding.

The best evidence that Joe Biden is in the Beast are all the Trump appointees in his administration. That, and Joe's (and his appointee's) ties to the American Beast of big business.

The 600

The 600 are large group of private, federal and state forces.

In my estimation, the 600 include: 218 US Congressional Representatives (218 is a majority; most are Republican, the party usually in power), the FBI Director, CIA Director, Homeland Security Director, Fed Chair, Director of the FCC, CEOs of most top 100 US companies, key state and federal

appellate judges, key governors, key secretaries of state, Big 6 film and Media companies, the Librarian of Congress, all major U.S. banks and financial services, credit card companies, defense contractor CEOs, US military chiefs, Big Tech CEOs, major oil companies, the Registrar of Copyright, the top 50 US universities, the top 40 US law firms, top 20 US newsprint publishers, top 10 book publishers. Because visual technologies fuel the Beast, these industries are disproportionately represented within the Beast, and they have much more pull than most members of the 600 branch of the Beast...

This document is a product of my faith, hard work, research and erudition. How we use the free will and choices God gives us is definitive. Thus, every Book of the Bible cites its author. If you cite any portion of this, or my other works, give an appropriate attribution. Don't serve the Beast.

Thanks
