

URGENT MESSAGE:

Previously, in *Killing Guadalupe*, I indicated Juan Diego Cuauhtlatatzin (right) was standing on 1 foot for a couple reasons –but I hadn’t yet discovered the primary reason, which was to note that the sock or leather shoe painted on Guadalupe’s foot –after *Nuestra* was falsified- is anachronistic –socks weren’t developed until the 2nd or 3rd century AD, and leather shoes would not come to the Middle East until centuries later. Juan Diego shared this to expose Western corruption of Guadalupe, and help reveal the *rescheduled* day the US will be destroyed, in God’s One-Hour War.

Nuestra connects to Revelation as she is described in verse **12:1**: *Now a great sign appeared in the Heaven: a woman clothed in the sun, with the Moon under her feet, and on her head a crown of twelve stars.*

Guadalupe’s story foreshadows God rescheduling His *hour of wrath*: Guadalupe rescheduled her meeting with Juan Diego, after he broke their appointment to care for his sick uncle. Now, similarly, God rescheduled His One Hour War (possibly because I hadn’t solved all of the Mark Crimes –or any of Guadalupe’s mysteries).

Nuestra, today, is mostly fake, but most major 17th century copies get the basics right: **22** stars on the left side of Guadalupe’s mantle, **24** stars on the right; representing, Yin calendar year **4722**, and Gregorian year **2024** –the original years of *Destruction*. The light blue interior of the mantle, turned out, symbolizes the date has been *changed*. What follows are the rescheduled War dates.

Date: In Revelation, the date is given on 2 calendar systems, the Yin (Chinese) and the Gregorian. Hence, Guadalupe provides the date on both, giving the Yin priority, as she faces slightly to her right.

Month: The month is provided for both Yin and Gregorian calendars, expressed in the **5** toes of Guadalupe’s foot –*on the moon*, originally wearing a sandal. Thus, the month is the **5th month** of the Yin (which is called *5th Month*, or, I believe, “Xin-Si”), and **May** on the Gregorian.

Yin Year: Guadalupe holds her **2** pinkies together, separate from her **3** larger fingers, also grouped together; this represents 23, and Yin year **2723**. **Gregorian Year:** The **5** fingers of Guadalupe’s 2 hands, pressed together in prayer, represent 5x5: **25**, which represents Gregorian year **2025**.

Yin Day: The day of month is *Guadalupe*, whose shape against the Sun looks like a **1**.

Day Gregorian: Guadalupe’s hands provide the Gregorian day. Guadalupe holds her **2** pinkies together (separate from the other fingers) representing a 2, as she holds the **6** larger fingers of both hands together, representing 6. Together, the fingers express **26**.

Thus, the date of the Event, on the **Yin** calendar, will be **5th Month** (Xin-Si), **1, 4723**.

As the West is a day behind the East, the Event there will be **May 26th, 2025**.

REVELATION 2: The Solutions: Updated May 21st, 2025

URGENT

The One Hour War has been rescheduled for May 26th, 2025.

- Due to the urgent context, this report now opens with 6 pages of information and facts, confirming the rescheduled dates of God's *One Hour War*.

In prior versions of this report, I stated the date of God's prophecy cannot change. That was mistaken. The date can change if God wills it. God's point: His promises will be kept –but, on rare occasion, they may be delayed.

On the cover of this report is a photo of the desecrated Image of *Nuestra Señora de Guadalupe*, and 2 badges attached to the lower corner of *the Image*.

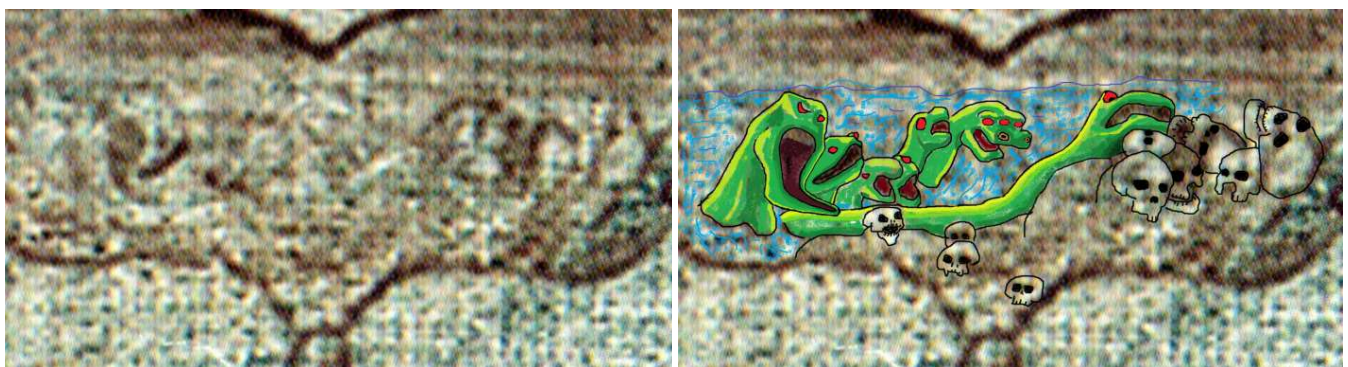

In 1531, Mary (Mother of Jesus –also called *Guadalupe*) and God delivered *Nuestra Señora de Guadalupe* to Juan Diego, who gave the Image to his new Church. But in the image was a coded message, announcing the rescheduled date of God's Destruction of the US. That date was confirmed by messages in the Juan Diego badge (below), and a similar message in the Elder badge. The Juan Diego badge is directly tied to Revelation, as it contains three images related to the 3 Beasts of Revelation, chapters 13 to 18. To learn more about the badges, consult my PDF/book *Killing Guadalupe*, or the badges' pamphlets, at www.TheZoneResistance.com.

The image above, top, is found at the top of Juan Diego's badge. It depicts the *Beast out of the Land*, of Revelation 13:11, "with two horns like a lamb..." The Image also represents the *Image Beast* of Revelation 13:11, which "...should both speak and cause as many as would not worship the beast to be killed."

The bottom of the Juan Diego badge, below, left, was heavily damaged by nitric acid, in 1820. To the right, I did my best to recreate the image: a depiction of the 7-headed *Beast Out of the Sea*, of Revelation 13:1, which came into existence at the beginning of the 16th century, and set out to conquer and enslave the world.

But the image in the center of Juan Diego's badge (page 1) delivers the *Destruction Date*. The following two pages present this message, much as it appeared in *Killing Guadalupe*, April 2025. However, at that time, I mistakenly assumed the message was on the Gregorian calendar. The message is on both the Yin and Gregorian calendars. The following message corrects that mistake.

Hidden Messages

Hidden in the images in Juan Diego's badge is the date of a monumental Event, on the Chinese (Yin) calendar, coded in English letters and positions associated with the numbers 5 and 1. That date is: 5th Month (which I believe may also be called *Xin-Si*), 1 (the first day of 5th Month), 4723, in the Eastern hemisphere. Because the West is a day behind the East, that date translates to **May 26th, 2025**, on the Gregorian calendar.

Here are some ways the date 1/5 (or 5/1) is expressed in the Juan Diego badge:

1. The **I** (Roman numeral 1) in the word "AMERICA" at the base of the central image frame is askew; rather than pointing down to a 6 o'clock position, it points to 5 o'clock –which represents 5th month (Yin).
2. Juan Diego's only shows 1 foot, and the five toes of that foot are in the 5 o'clock position, pointing at the A –the 1st letter of the English alphabet, representing the 1st day of the month. Juan Diego's single visible foot represents the first day of the month. The 5 o'clock position represents 5th Month (Yin), so do the 5 toes on Juan Diego's foot.
3. The letters **A** and **E** at the end of "Americae," at the base of the central image, are slightly bold and offset from the others. **A** represents the 1st day of the month. **E** (the 5th letter in the English alphabet) represents 5th Month (Yin).
4. Rather than facing forward (6pm), the character who represents me (in purple) faces 5 o'clock (5th Month, Yin), and toward the letter **A** –the 1st of the month.
5. The nose of raccoon, and forward arrow on its head point to the **A** –the 1st of the month.
6. At the top of Juan Diego's badge, the eyes of the *Image Beast* look off center, to 5 o'clock: 5th Month, Yin.
7. At the bottom of the badge, the square-jawed beast's head is at the 5 o'clock position (5th Month, Yin), and his head seems to tilt forward to 1 o'clock (the 1st).

8. At the base of the tilma, above, the *original angel* faces 5 o'clock (5th Month, Yin), with his head tilted forward, at about 1 o'clock –the 1st of the month.

Above, the year of the event is expressed symbolically, at the bottom of the badge. Reading left to right, the three “M” ghosts, outlined in red, left, represent the 3rd millennium, which we are now in; the two wolves in the middle, birds in mouth, represent the first 20 years of the new millennium; thus, each wolf represents a decade. The five common ghosts, outlined in pink, right, represent the first 5 years of the third decade of this millennium. Together, these characters express the number 2025, the year the Event will transpire.

The event pertains to 3 things expressed in how “AMERICA” is written in base of the central image frame, above. First notice the letter sequence “AMERICA” is off center, as if it has shifted. Just as Guadalupe’s promise of a miracle was delayed -shifted- when Juan Diego had to care for his sick uncle, this shift represents a delayed prophesy coming to pass.

Notice that the *I* looks as if it’s falling. “AMERICA” is not a word, in English or Spanish. But “America” is a word strongly associated with the United States, and “cae” is a word meaning “falls”, in Spanish. The monumental event pertains to the day **America falls**.

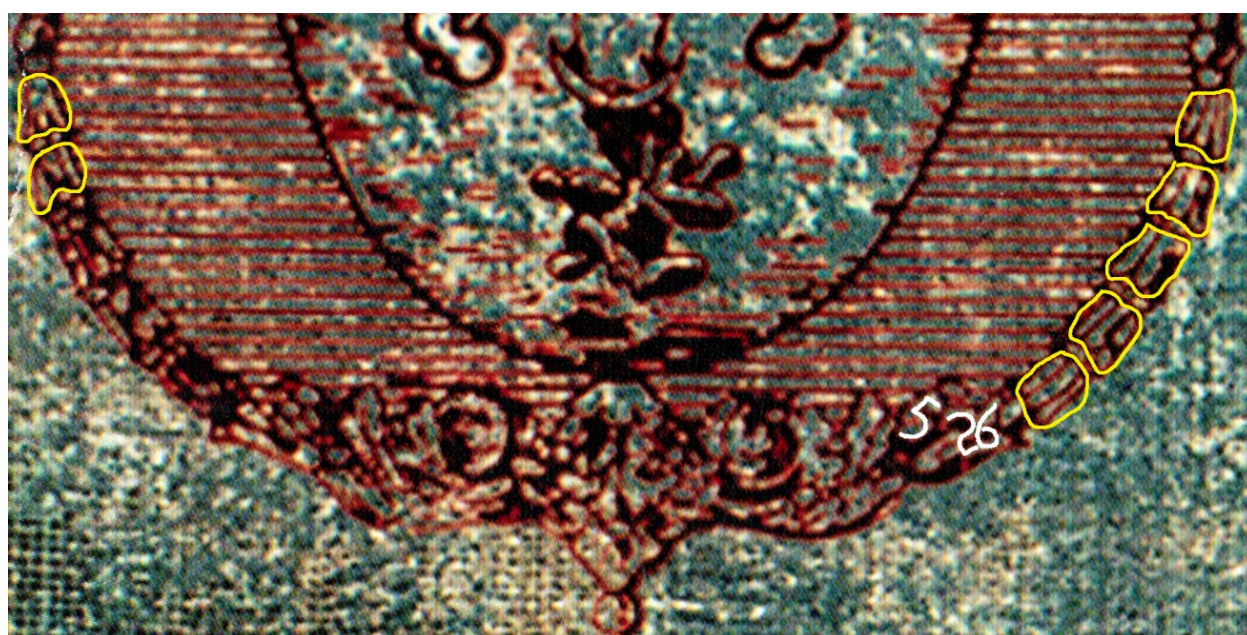

This message is intended to confirm the **primary** message, carried by Guadalupe, the central focus of *Nuestra Señora de Guadalupe*. I interpreted Guadalupe’s message on the following page; a variation of a PDF warning of the Event, sent out in April 2025. [However, at the time, I interpreted the rescheduled date as the 1st day of the 5th month, Gregorian; but the date was on both the Yin and Gregorian; **5th month, 1** (Yin, East), and May 26th (Gregorian, West). Thus, the message on the following page corrects that error.

The hour of the event is provided at the bottom of page 6.

Finally, to once again confirm the *Destruction Date*, or *Event date*, the base of the *Elder* badge (below) carries the date in a manner similar to Juan Diego's badge, but on the Gregorian calendar. The first two decades of the millennium are expressed by 2 figures that look like squids or M's, on the upper left side of the base decoration, circled below. The figures represent the first 2 decades of the 3rd millennium. [NOTE: the beginning of the 3rd millennium is expressed in the central field of the Elder badge, by the Elder's 2 hats -his crown and his saint hat- and the thin hood of his cape, similar to a *hoodie* (all pictured to the right), representing two full millennia, and the beginning (the thin hood) of a third millennium.]

Next, the 5th year of the third decade is expressed by 5 symbols/icons, which resemble groups of 3 lines, or M's or W's, right of the base ornament.

Together, these symbols express the year **2025**.

The 5 *year* icons lead down to the numbers 5 and 26 (see enlargement below),

which represent **May, 26th** (Gregorian) – **5/26**, as the date is usually expressed in the US.

The **hour** of the Event on the US West Coast should be **7pm to 8pm**; and **10pm to 11pm** on the US East Coast. ¹

¹ This is the original time frame provided in the Revelation solutions for chapters 18, 21 and 22. I believe the original Event hour(s) should still be valid.
