South fork Band Election
Committee

January 3, 2022

We the Newly seated South Fork Band Election Committee have been tasked with the unenviable process of certifying the 2021 election results for the South Fork Band Council. The committee was given a list of the candidates running for office that was submitted to the past SFBEC. We take no responsibility for the unconstitutional or failure of procedure performed by the former committee. There has been no response from either the past SFBEC chairperson or the SFB police Officer Ruben Ramirez, therefore, the new committee does not have access to the release forms or background checks for the candidates who have run for office.

As we try to move forward, the new SFBEC committee realizes the urgency of certifying the results of the election held on October 25, 2021. The SFBEC reluctantly are forced to rely on an unverified qualification of candidates and an unofficial Talley of the votes which were:

Larson Bill-(deceased)	34 votes
Kirk Malotte - Moved to Chair person	34 votes
Vincent Garcia - Moved to Vice-chair person	30 votes
Annette Clark - Member	29 votes
Duane Garcia, Sr. - Member	29 votes
Dallas Smales - Member	29 votes
Tyler Reynolds - Member	28 votes
Angie Quintana - Member	27 votes

We certify these seven candidates as as the newly elected South Fork BAND COUNCIL as of January 3, 2022 with alternates listed below.

Harley Reynolds - Member	26 votes
Tanya Reynolds - Member	26 votes
Alice Tybo - Member	26 votes
Ronnie Woods - Member	26 votes

Myron Tybo - Member   25 votes

Melvin Tybo - Member   22 votes

Matt Morrison - Member   14 votes

Shauna Maine - Member   10 votes

Once again, we the SFBEC regret having to resort to certifying an election that was held and then recalled by a SFBEC chair that wasn't satisfied with what the people have chosen as their representatives.
