THE FINANCE CHARGE for an open-end loan is computed by applying the periodic rate to each unpaid balance for the exact number of days each balance was outstanding. The balance used to compute the FINANCE CHARGE is that balance each day after credits are subtracted and new advances or other charges are added.

## BILLING RIGHTS SUMMARY

## In Case of Errors or Questions About Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address shown on your bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared.

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

### Special Rule for Credit Card Purchases

If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address.

## **IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS**

Write us at the address shown on the front of this statement which is listed after the words "send inquiries to", or telephone us at the telephone number shown in the "direct inquiries to" area as soon as you can if you think your statement or receipt is wrong, or if you need more information about a transfer on the statement or receipt. For consumer accounts, we must hear from you no later than 60 days after we send you the FIRST statement on which the error or problem appeared. For business accounts, refer to your Electronic Fund Transfers disclosure for additional information.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than **10** business days to do this, we will recredit your account within for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.
