SEPTEMBER EDITION

## Spotlight on the Month

We are excited to be back on our regular season schedule—and even more excited to celebrate the start of Season 20 at NLDA! Dancers are returning to their classes, where we'll focus on building a strong foundation. This month, our instructors will be teaching and reinforcing basic skills, proper terminology, and strong technique to help every dancer grow and succeed throughout the year.

Lake Night!

## Announcements

- Classes begin September 8 for all programs!
- We still have space available in many of our classes and would love to welcome new dancers to our recreational program.
- Our recreational program is a great way to experience dance—no competitions, just the joy of performing in two annual recitals.
- If you have any questions or would like help with registration, please don't hesitate to reach out!
