DIRECTOR'S NOTE FROM MISS GEORGIE

Firstly, I would just like to say thank you to everyone that has supported us over the past ten years, especially throughout the pandemic. We are so excited to be back on stage, doing what we love.

Thank you to the amazing CMDC team, we couldn't do this without you! Thank you to the parents for helping your children prepare for the show and for getting them to rehearsals on time.

Thank you to my friends that put up with me talking about my crazy ideas for CMDC, and for always pushing me to keep fighting for my passion, even when it's so, so hard. You know who you are. I am so grateful to you.

And finally, a huge congratulations and thank you to our wonderful cast of Performers. I know rehearsals are tiring but you are a group of very inspiring young people. It takes so much courage and resilience to do what you do. You have worked so hard and created magical moments and memories. I am so proud of not only your talent, but your kindness, positivity, and ability to challenge yourselves.
