Hidden and Effective Resources

- In today's rapidly changing business environment, most companies have a need for increased profits, cost reduction, bottom line improvement, procurement, financial, and business growth services.
- An area that is often overlooked is the resources to meet these needs. Research shows that streamlining business processes and improving operational performance will increase savings, improve efficiencies, and ultimately increase your bottom line.

Hiring is Not Always the Best Answer!

- More than ever before, organizations are looking outside for expertise and support to meet their goals.
- With **ATS's** help, you can help to realize savings faster, allow internal resources to focus on strategic initiatives, and help you and your business to succeed.

Proven Track Record

We are a cutting-edge professional group which practices good, old fashioned business with integrity, honesty, and meaning for the long term.

- Helping small, Fortune, Global Companies, Non-Profits, and Governments increase profits, reduce costs, improve their bottom line, and become more effective for the long term in procurement, finance, best practices, and business growth services.
- Client savings of more than \$500,000 average for all procurement cost reduction projects.
- Client savings record of 28%+ average savings for all Procurement Cost Reduction Projects.
- Providing full procurement, cost reduction, and business growth services.
- Creating long-term supplier, client, and community relationships.

Outsource Reasons

- A Need to gain access to improved pricing.
- To Reduce procurement transaction costs.
- To Maximize Profits / Bottom Line.
- To Increased global competition.
- A Need to re-focus internal resources on more strategic activities.

Best in Class Companies Outsource

- *“Best in Class Companies outsource their procurement operations 24% more frequently than their peers. Best in Class Enterprises understand the benefits of outsourcing and are thus more likely to leverage outsourcing services to attain greater performance levels, including improved processing costs and greater cost savings. They understand it is a differentiating that drives improved performance.” (The Aberdeen Group)*
