Philmont & Ham Radio 2017

by Dale Finley kb5nft@gmail.com 214-244-2100

2012 Field Day Downtown Cimarron, NM

2013 Field Day

2015 I setup on the tooth OF TIME PATIO

2014 NO FIELD DAY SETUP

2016

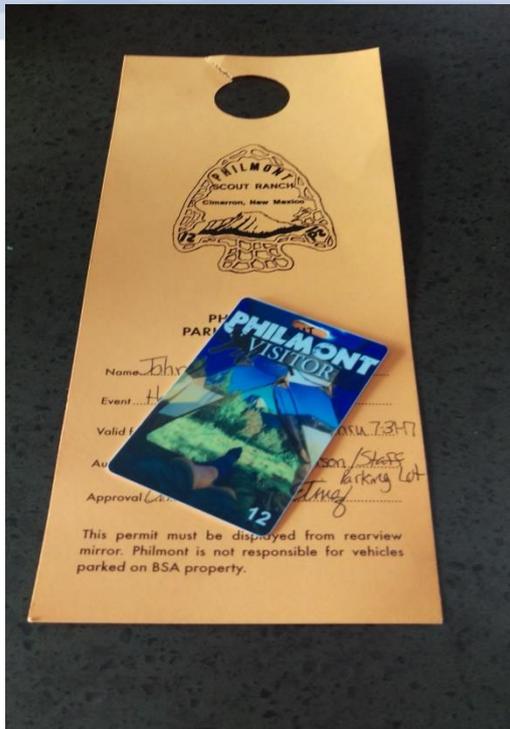

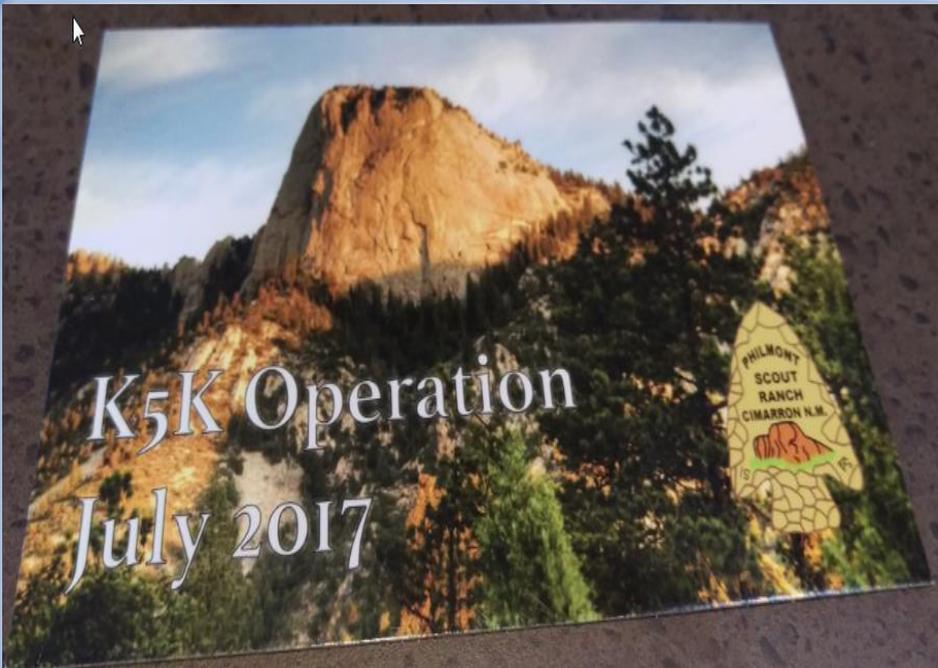

K2BSA
RADIO SCOUTING

K2BSA/5 OPERATION
PHILMONT - SUMMER 2016

2017 Philmont Scout Ranch / JAMBO Operating as K5K

Philmont Scout Ranch

Ham Radio 2017

K5K Special Event Call during JAMBO Promoting "Radio Scouting"

Successes for 2017:

- K5K talked to K2BSA Jambo Scouts via HF Radio
 - 191 Total HF / Digital contacts
 - 39 out of 50 States Contacted
- 125 Scout / Advisor / Visitors to ToTT (est. 10 Staff ham & 30 Advisor ham visits)
- Cimarron 2m Repeater operational with Allstarlink. Future Echolink. Talked to several scouts / advisors around the PSR mountains. The Scouts seemed to be very excited about our new repeater addition. Soon, hams around the world can talk into Philmont via a link to the repeater.

Notable Events

- Air Force Net, Battleship Iowa, Experimental Aircraft Association, Masonic Net, Nuclear Ship Savannah, OMISS Net, Ottumwa 4H Special Event, Queen Mary Ship, Traffic Net, VA Hospital (CA), WI Water Ski Show & YLISSB Net (Lady's Ham Radio Net)
- Dale Finley KB5NFT talked to grandson at Jambo in West Virginia
- Live Facebook video while talking on HF Radio
- Some Digital Voice (VOIP) contacts made to Jambo over the Internet

Thank You

- Again, we really appreciate Philmont allowing us to operate from the Tooth of Time Porch
- Thank You Icom America for loaning us the radio equipment
- Thanks to the 8 ham clubs in the Dallas area for your equipment loans and financial support
- A special thanks to the New Mexico Mega Link, Paul Choc who helped us get the original 2m Cimarron repeater working
- Thanks to Andrew K., Dallas, for helping us get the Allstarlink/Echolink operational on the repeater for remote linking and local comms

2018 Plans

Operate in various places, Base Camp, PTC, PSA, Rayado, Kit Carson Museum, Chase Ranch, Cimarroncito and other areas.

“Mini” HF operations voice and data

Show as many modes as possible, Satellite, SDR, HF, Digital Voice, Allstar, Echolink, Dstar

Cimarron Days in DOWTOWN Cimarron August 4

And, of course, demonstrate our new 2m Repeater N5GDR with K5PSR -R Echolink 855455 and Allstarlink 47129 nodes

The Future

2019 World Jamboree West Virginia / Philmont

- Goals: Work to identify the Florida Sea Base and Northern Tier Base ham operators who will join us during the World Jamboree
- Enhance our Philmont ham radio systems with NO cost to Philmont
- Ask Philmont for any guidance as we improve the Ham Radio / Radio Scouting / Trek / STEM experiences for Scouts and Scouters at PSR

We may need some donations to help fund our operations. Thanks in Advance
