

Informed Consent in the Era of COVID-19 for Brilliant Glow on the Go Spray Tanning

Client Name

Elaine DeVoe – mother of two minor female clients – age 17 and 15.

Checking the boxes below indicates that I have read and agree that I do not hold Brilliant Glow on the Go libel pertaining to the Coronavirus.

☐ Thank you for your trust in my business. As with the transmission of any communicable disease like a cold or the flu, you may be exposed to COVID-19, also known as "Coronavirus," at any time or in any place. Be assured that I have always followed state and federal regulations and recommended universal personal protection and disinfection protocols to limit the transmission of all diseases in my salon and continue to do so. I have also had extra training in infection control to help protect myself, my family, and my customers.

☐ Despite my careful attention to sterilization, disinfection, and use of personal barriers, there is still a chance that you could be exposed to an illness in my salon, just as you might be at your gym, grocery store, or favorite restaurant. "Social Distancing" nationwide has reduced the transmission of the Coronavirus.

☐ Although I have taken measures to provide social distancing in my salon, due to the nature of the services I provide, it is not possible to maintain social distancing between the client and spray tan technician at all times.

Although exposure is unlikely, do you accept the risk and consent to receive spray tan services?

☐ Yes

☐ No
