Obituaries

Charles E. "Sonny" Cheeks Jr., 75, of Bentonville, Virginia passed away on Thursday, May 1, 2025 at his home. Sonny was born on July 9, 1949 in Marion, Virginia to the late Charles Sr. and Beulah McKinnon Cheeks. He was also preceded in death by his sister, Gloria Dodson. He graduated from Richard Montgomery High School in Rockville, Maryland in 1968 and retired from both IBM and Lockheed Martin. After his retirement he worked for the ABC store in Front Royal, Virginia and at the Shenandoah Golf Course to keep busy. Sonny loved building anything out of wood, collecting coins and guns and playing golf. He loved his family and friends and would answer a call for help any time someone needed it. His heart was huge, his word was his bond and you could always count on him to tell you the truth. He was a member of the Front Royal Moose Lodge 829 and a lifetime member of the South Warren Volunteer Fire Department, serving as Fire Chief and President.

Survivors include his wife of 56 years, Patricia I. Cheeks of Bentonville; honorary granddaughter, Selei Buracker of Norfolk, Virginia; four Godsons, Bob Love, Mike Love and Bruce Love all of Lufkin, Texas and Zachary Keyser of Frederick, Maryland; Goddaughter, Kelly Adams of Manassas, Virginia; two sisters, Regina Medlin of San Antonio, Texas and Rebecca Keyser of Damascus, Maryland; brother, Roy E. Cheeks of Harpers Ferry, West Virginia; sister-in-law, Linda Bates of Sand Springs, Oklahoma; brother-in-law, Donald M. Ingram of Kearneysville, West Virginia and his fur babies, Peanut and Chicka.

Memorial gifts may be made to the South Warren Volunteer Fire Department, 3330 Stonewall Jackson Highway, Bentonville, Virginia 22610; to the Humane Society of Warren County, 1245 Progress Drive, Front Royal, Virginia 22630 or to the Ragged Mountain Dogs, 1415 Nethers Road, Sperryville, Virginia 22740.

JUNE NEWS RESIDENTS OF HIDDEN SPRINGS

A glimpse of summertime is finally making an appearance at Hidden Springs! While recent rain and mild temperatures have kept things cool, there's no doubt that summer is just around the corner. For our residents that means longer days, warmer weather, and the chance to soak in the surrounding beauty. We are excited to welcome the season and all the outdoor moments it brings like picnics, porch rocking, and sunny afternoons. Not five, not eight, but ten rockers all in a row and ready for summer porch fun. They also provide the perfect opportunity for friendly welcomes from our loosely organized (but highly spirited) meet and greet regulars! These rockers are making it easy to gather, bird watch, and enjoy warm weather. Who knows? With ten rockers, we might need to formally organize an HSSL Porch Rockers Club! Taking care of our brains through regular activity, healthy eating, social connection, and mental stimulation helps us live fuller, more active lives at every stage. June brings raised awareness to Alzheimer's and brain health as we recognize how these diseases affect memory, thinking, and behavior. We show our support to those living with these conditions and talk about the importance of brain health at every age. We honor individuals, families, and caregivers affected by these challenges.

O.J. Rudacille Gen. Mdse.

Time to Dig Out Those Old Photos!

WHY OUR VILLAGE COULD BE CALLED JAKE'S TOWN, RATHER THAN BROWNTOWN

Note: This is the first of two articles – this one focuses on the time before Browntown existed as a village. The second article, which will appear in a future edition of this newsletter, focuses on the man (i.e “Jake”) who actually built most of Browntown.

PART 1: In the early 1800s Gooney Manor, (the area that encompasses most of the Gooney Valley), saw a small influx of settlers, as land became available to lease or buy. Amongst these settlers were two brothers, Abraham and Samuel Brown, from Brownsville, MD., near Harper’s Ferry, (see map below). They, like many of these settlers belonged to a strict religious faith with roots in Germany. The Browns were members of the Church of the Brethren, or “Dunkards”. It is probable that they still spoke mainly German. Our Browntown did not exist when Abraham and Samuel and their wives, (Mary and Abigail Jennings), arrived in the Gooney Valley.

The main center of commerce in the Gooney Valley, at that time, was the small community of Boyd’s Mill. The two brothers each bought land, (101 acres and 89 acres respectively), two miles south of that community. The 1837 landowners list for Gooney Manor also includes a Rudolph Brown, (190 acres), and George W. Brown, (100 acres). We do not know much about Rudolph and George, but it seems likely that they also came from Brownsville, MD.

Abraham and Samuel were farmers & mill owners, milling grain & sawing timber for neighbors. Abraham also owned and operated a Woolen factory. The precise location of those mills and the woolen factory remains a mystery but they were clearly in the area we now know as Browntown. Ironically, members of the Brown family, prior to the Civil War, did not refer to the area where they lived as “Browntown”. Family letters, (known as the “Hezekiah Brown letters”), from the period 1843 to 1865 consistently refer to the area as “Old Gooney” or simply as “Gooney”. Both Samuel and Abraham and their close families moved west in the late 1840s, to Wood County, VA, (later WVA). Abraham never returned and he died in Wood County around 1850. Samuel would later move back to Brownsville, MD. He died there in 1853. An 1847 Winchester newspaper advert for a “Gooney Manor Woolen factory, formerly occupied by Mr. Brown” confirms that the name Browntown was still not in use at that time.

NEITHER ABRAHAM NOR SAMUEL WOULD EVER KNOW THAT THEY HAD A VILLAGE NAMED AFTER THEM.

President's Message

Greetings Everyone,

Well it's almost summer. The kids are out of school and, with all this rain, the gardens are growing by leaps and bounds! Please be careful on the roads as there will soon be tractors and equipment out and about as hay season begins. As always, a reminder to drive a little slower, be safe and enjoy the view.

With the Redbud Festival behind us, we are on to summer events.

First will be the **Kids Art Camps** in July. The kids had a great time last year at Art Camp, and so this year Jessie has expanded it with a different theme for each camp and the camps designed for different age groups. See our flyer in the newsletter for more info and on our Browntown Community Center Facebook Page for additional info on each camp and what it entails. Space will be limited so get your kiddo's signed up early.

Next will be our **Community Yard Sale** on Friday, July 18 and Saturday July 19th. This one is for your own personal Yard Sale tables. Our front room will be available and table's are \$15 each per day. We have a limited number of spaces inside so reserve that spot ASAP if you want a table or two. The backroom is currently filled with items for our BCCA Fall Yard Sale, so that room is not available. However, we have lots of spaces available outside. Outside space is \$15 per day, but you will need to bring your own tables, tent, etc, but you get a much larger space. So those of you with lots of stuff, outside may be your best bet. We will have our kitchen open for food sales and the restrooms available for all. There is a flyer in the newsletter with additional info and I've also posted this on the Browntown Community Center Facebook Page. So stay tuned on Facebook for updates!

The regular BCCA Fall Yard Sale will be two weekends, September 12 & 13 and 19th and 20th. So "Save the Date" on your calendar; if you have donations, contact Patsy Pennington at 540-635-5568.

As for the Community Center building, our Trustees and Buildings and Grounds Committee have been meeting to determine immediate needs, future needs and also our "wants". Obviously, immediate needs take precedence and our current soffit, fascia and gutters are in dire need of replacement. Along with replacement of the urinals in the men's room as they are ancient and work kinda iffy, (which isn't good). So stay tuned in the future as we may have a fundraising dinner this summer to help offset the cost of our upcoming projects. The little kids cabin outside in the play area had deteriorated and has been removed. Our kitchen will be getting a new stand up freezer, (as a vote at the last meeting was to get a new one. The current small freezer isn't big enough for both the BCCA needs and food storage for the Food Pantry. Along with that purchase one of our members and active volunteers decided it would be a good idea to have a matching refrigerator, so thank you to Jim and Debbie Sylvester for the donation of the matching refrigerator!

Our Browntown Website is now being updated so stay tuned for a new look.

<https://browntowncommunity.com/> BCCA Member Gene Raymond has stepped up and offered to help with this, and George Hodgkiss has decided he's good with being Gene's back-up. George is our original Website Manager and we can't thank him enough for all the work he has done, both on the website and for the Browntown Community Center itself, over the last 30 years!

The next meeting of the BCCA will be Monday, June 9th at 7:30.

Take care,

Martha Buracker, President BCCA

HELP AVAILABLE FROM WARREN COUNTY SHERIFF'S OFFICE

EMERGENCY ALERTS- Want to receive emergency alerts for inclement weather alerts & other emergencies in Warren County? Warren County Sheriff's Office is partnering with Smart911™.

If you are interested in signing up for alerts, visit: smart911.com

Text-To-911 is the ability to send a "short message" (SMS) to 911 when you are unable to make a voice 911 call.

Texting provides a method for individuals to contact a 9-1-1 center for help in situations where their safety could be in jeopardy if they were to be heard speaking. It also provides individuals with special needs or who may not be able to speak, access to emergency services when they need help or want to report an emergency.

****NOTE:** Like other 911 calls, Text-to-911 should only be used for emergencies. While text to 9-1-1 offers an additional means to contact emergency services, voice communication is always preferred as the best form of communication.

If you try to send a text to 911 where Text-to-911 service is NOT available, you will receive a "bounce-back" message stating Text-to-911 is unavailable & you should contact emergency services by another means, such as a voice call or telecommunications relay services (the latter for those who are deaf, hard of hearing, or have a speech disability).

Continued from page 3

His occupation is listed on his death certificate simply as “contractor”, but during his life he was one of Browntown’s most well-known farmers, builders, and merchants.

Although Jacob Masemer’s name is unfamiliar to most of the current inhabitants of Browntown, his legacy can be seen in the many historic buildings in the village of Browntown, including the 1907 school building (now the BCCA), the Union and Baptist churches, the O.J. Rudacille store and the beautiful “Creekside” house at the corner of Smith Run and Gooney Manor Loop. Without Jacob, our beautiful village would not exist. So, step aside Abraham and Samuel. You got us started but there really is only one man who can lay claim to being the founding father of Browntown.
