

Black-Owned Businesses

Updated October 6, 2020

This list of Black-owned businesses was created as a resource for those interested in supporting, investing and partnering with Black entrepreneurs in Minnesota. Please consider these local businesses in your future projects and ventures. We can all make a difference by examining our business practices and deliberately expanding our networks.

This list is not comprehensive and has not prioritized any particular business listed, it's simply a resource to help you get started.

Please share this list with others in your network. To add a business to the list please email Andrea@yoch.com.

We all do better when we all do better!
