QUALITY POOLS MANUFACTURED IN SOUTH AUSTRALIA

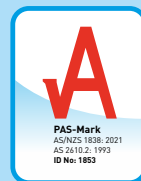

Pool Armour
Protection Technology

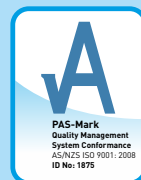

Assurance that you are buying the best

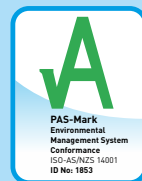

How do we know? Freedom Pools prides itself on delivering only the best quality products on the market. We uphold this promise as all of our pools are governed by the strictest of Australian standards. When you buy from Freedom Pools, you are guaranteed peace of mind and will receive the utmost in reliability, function, comfort and style.

All of our fibreglass pools are built and certified to Australian Standards AS/NZS 1838: 2021. The pools built in the factory are built under the strictest quality control guidelines, that only few companies can achieve and boast about.

Our quality management system is certified to AS/NZS ISO 9001: 2008. This means that our procedures and processes are reviewed on a regular basis and our focus is on customer satisfaction and continual improvement.

Freedom Pools was the first fibreglass company in Australia to be Environmentally Certified to AS/ISO 14001. We are always striving to deliver ever more energy efficient, and reduced waste solutions for pool manufacture.

Australian Standard AS/NZS 4801 is for safety management in the workplace. This ensures all staff are adhering to correct procedures, and resulting in delivering and installing your pool in the safest way possible.

The Swimming Pool and Spa Association, is our governing body which assists us with Government Legislation, and is a third party to assist our customers. All Freedom Pools customers are fully covered for pool completion insurance. Rest assured knowing you are in safe hands dealing with a National Swimming Pool Association Member.

From our
Managing Director

Bob & Rona Biernat together with daughter Tina, and grand children Ethan and Zane.

To our valued customers,

At Freedom Pools we have been designing and manufacturing quality fibreglass pools as a family owned business for 50 years. In that time our innovative approach to design has earned us the accolades of judges the world over, confirming Freedom Pools' status as Australia's most awarded swimming pool manufacturer.

We are continually looking for ways to further improve our products and services through new technology, smarter design, and customer interaction. With over 20 sensational designs to choose from, all manufactured, designed, constructed and tested to meet full Australian Standards, along with our Lifetime Structural and Surface Warranties, you'll be spoilt for choice. If, like most Australians, you choose to install a Freedom pool, we can promise you a level of personal attention and service that is, quite simply, second to none.

Thank you for choosing Freedom Pools. We look forward to providing you with the best pool solutions and services that Australia has to offer.

Kindest regards,

Bob Biernat
Managing Director

The design and structural integrity of our pools is second to none. However, for that added peace of mind, all of our Marble Tech™ fibreglass pools come with Lifetime Structural and Surface Warranties. This assures our valued customers that they are investing in the best pools available in Australia.

As a member of the HIA, (Housing Industry Association), we are familiar with all codes and regulations concerning installing pools into private homes. We are compliant from the ground up, and will always install your pool in a safe and environmentally considerate manner.

We are a Member of Family Business Australia, and have been for some time. Freedom Pools is the longest established fibreglass pool company in Australia, that is still operating under the same family ownership (50 years and counting).

Pool Armour
Protection Technology

Pool Armour Protection Technology™ is the combination of 3 elements - Marble Tech™, Trans Tech™ and Flo Tech™. When these 3 technologies are combined, you get the very best quality pool available with lifetime structural and surface warranties. Pool Armour is unique to Freedom Pools.

The display centre has been designed to exhibit the very latest filtration equipment, heat pumps and accessories that go into creating your dream pool including landscaping and fencing options.

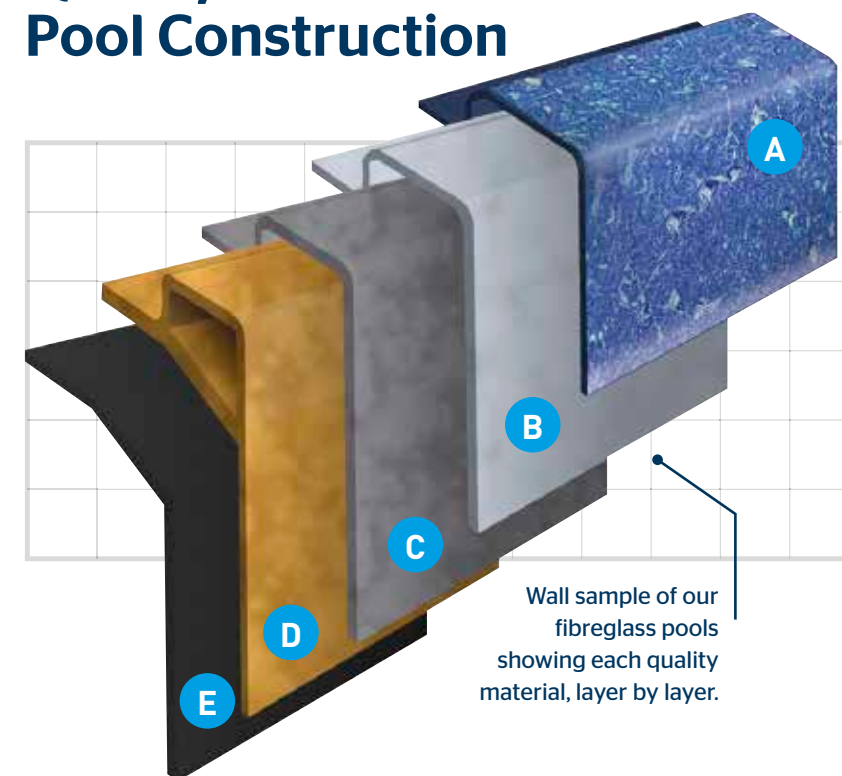

Chat to one of our experts at the centre about finding the best pool for your home.

South Australian Manufactured

Quality Certified Pool Construction

- A** Chemical resistant and U.V. stabilised Marble Tech™ gelcoat.
- B** Epoxy based vinyl ester resin impervious to water and provides better chemical protection.
- C** Two structural layers of clear fiberglass lamination applied to the required structural thickness.
- D** Close-beam construction means your pool is built using the strongest method of construction available in the industry.
- E** Special black flowcoat seals the outside of the pool against any exposed fibres.

Combined, these elements create Pool Armour Protection Technology™.

All our pools are custom made to suit your colour choice and fitted out to your requirements. Our factory is Certified to manufacture fiberglass pools to the stringent guidelines of Standards Australia. We have been manufacturing pools in S.A. for over 30 years and are unmatched by other pool manufacturers.

We've been at the top of our game for a long time. With 50 years in the Australian pool industry, we have remained at the forefront of pool technology and design. Freedom Pools offers the experience and capability to successfully and professionally meet any of your swimming pool needs.

We guarantee it.

Only Freedom Pools S.A. is Quality Certified to build fiberglass pools in South Australia to the stringent guide lines of Australian Standards AS-1838.

Entertainer Series

Entertainer 6.5

MARBLE Tech™
Alabaster

The Entertainer Series of pools caters for everyone. The Entertainer also boasts plunge pool depth, a full length bench for the family to relax on and optional spa jets. The bench seat, which is deeper on one side, also includes a shallow child seat, and multiple stepped entry points for easy access. The Entertainer is our most popular pool as it offers an excellent range of sizes to suit space saving situations whilst still offering a generous swimming area.

President Series

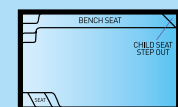

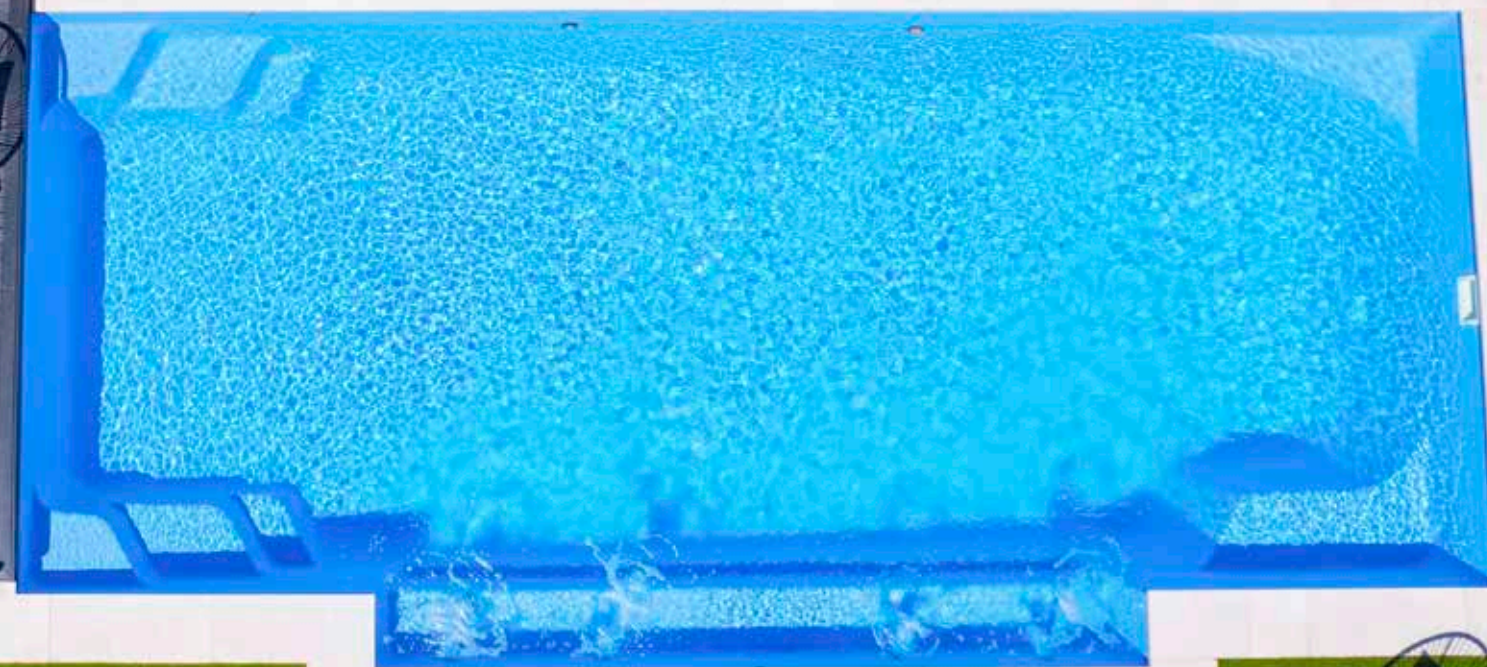

President

MARBLE Tech™
Crystal

Stylish, modern and sophisticated dual-entry models, which allow for maximum pool area. Our feature bench seat on the President Series can also be used as a relaxing swim out.

The bench seat is also deeper on one side, to cater for taller people. Optional spa jets and an air blower can be fitted to transform the bench into a spa nook.

This pool allows for easy entry and exit due to steps positioned on each side of the shallow end. The President Series also boasts two seats in each corner of the deep end, making it not only a stylish choice, but a functional and practical one too.

11.0m x 4.2m
DEPTH: 1.1m - 2.2m

Lap Pools

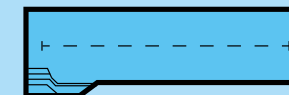

Lap Pool 11

MARBLE Tech™
Alabaster

Freedom's aesthetically appealing design of the traditional style lap pool provides the perfect balance for family fun or for those individuals who prefer to enjoy a workout on a more serious level. With a sophisticated and traditional pool design, featuring exit steps outside the swim zone, an optional lane guide and elegant smooth clean lines, this lap pool is well suited for narrower entertainment areas and will become the focal point of any home. Work out in ease and enjoy your backyard with a Freedom Lap Pool.

Lap Pool 8
8.0m x 2.0m
DEPTH: 1.4m

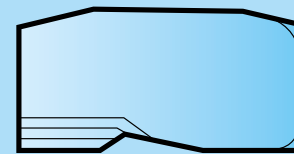

Lap Pool 11
11m x 2.4m
DEPTH: 1.4m

Atlantis

Atlantis
MARBLE Tech™
Mediterranean

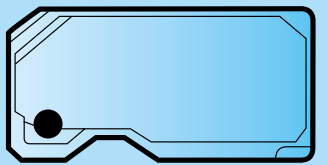

Atlantis
8.1m x 4.0m
DEPTH: 1.1 - 2.0m

The Atlantis has a large and elegant design featuring wide entrance steps and dual resting ledges. The generous size of this fibreglass swimming pool makes it perfect for swimming laps as well as catering for large families or groups of friends. The Atlantis is a stylish pool perfect for any contemporary home.

Pacific 9

Pacific 9
MARBLE Tech™
Cascade

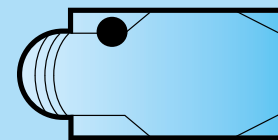

Pacific 9
8.8m x 4.3m
DEPTH: 1.0 - 1.9m

A great family pool with dual wide entry and full resting ledges. The Pacific 9 caters for safety and relaxation while also providing enough room for swimming and fun. Enjoy long lazy days in the pool with friends and family with enough space for everyone.

Grecian

Grecian
MARBLE Tech™
Alabaster

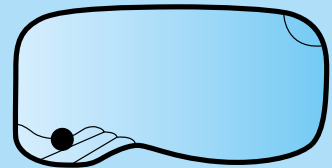

Grecian
6.75m x 3.6m
DEPTH: 1.1 - 1.8m

The unique design of the Grecian allows for a maximum swimming area as well as wide entry steps and resting ledges. The Grecian also boasts a great relaxation area including an air lounge and table seating section. The inclusion of spa jets is optional. A contemporary design suited to modern lifestyles.

Billabong

Billabong
MARBLE Tech™
Pacific Pearl

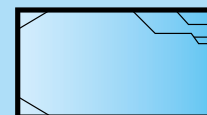

Billabong
9.0m x 4.5m
DEPTH: 1.0 - 2.1m

The Billabong is a large traditional style in-ground swimming pool well suited to those with large families or who like to entertain. This leisure pool features wide entry steps, with table or umbrella stand, and resting ledge in the deeper end. The Billabong's design maximises swimming space making it perfect for lap swimming.

Federation

Federation
MARBLE Tech™
Teal

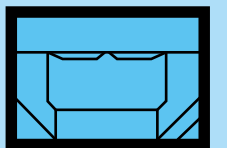

Federation
5.7m x 3.0m
DEPTH: 1.1m - 1.7m

A modern geometric style pool with non-slip entry stairs and double resting seats in the deep end, the Federation is suited to most modern backyards. Add to the elegance of this pool with a stylish water feature and landscaping to create a sophisticated outdoor entertainment area.

Clip-On Spa

Clip-On Spa
MARBLE Tech™
Cascade

Clip-On Spa
2.4m x 1.6m
DEPTH: 0.9m

With its sleek, stylish design a Freedom Pools Swim Spa will not only enhance your fitness routine but also your outdoor living space. You'll be amazed at the transformation in your backyard and the new level of relaxation and enjoyment you'll experience.

Standard Equipment and Add-Ons

High Performance Chlorination System

The Halo Chlor is a high performance chlorinator that will keep your pool healthy and sanitised. Its AI mode allows you to take total control over your sanitation and filtration (requires compatible equipment). The Halo Doser combined with Bluetooth ORP and pH sensors, give you accurate real-time readings and provide ultimate protection for your pool health.

The Halo Chlor Go App provides everything you will need to monitor and control your Halo Connect System, via either Bluetooth or WiFi.

Underground Blanket Box

The Sunline Underground Pool Blanket Box is an innovative design that neatly houses your pool blanket. It is a great addition to any new or existing swimming pool area. Once installed, the blanket box provides an aesthetically pleasing place to relax and entertain. Sunline's contemporary design coupled with quality materials is the best choice to compliment your pool area.

Above Ground Rollers and Solar Pool Covers

A Sunline Above Ground Roller is a trouble free lightweight system, that's perfect handling and storing your Sunline Pool Cover. Easily be operated by one person, it takes less than a minute to remove or place the blanket from your pool. It can be made to suit most sized pools from 1.5m right up to 5.2m in width.

The Sunline Solar Pool Cover is a cost effective and convenient way to save water and heat your pool at the same time. It can warm your pool by up to 8 degrees and reduce heat loss by up to 75%. They are made from a film containing thousands of tiny bubbles called 'cells'.

Robotic Pool Cleaners

With its ultra-lightweight and quick water release, the Dolphin S150 is super easy to handle. Choose between two filtration options. The active brushing action and PowerStream Mobility System ensure efficient pool coverage, with extra thorough scrubbing on all surfaces.

The Maytronics Dolphin ACTIVE X6 robotic pool cleaner is designed for maximum cleaning performance, convenient handling, and simple operation that needs no intervention from you. Cloud-connected, so you always have control right in your hand, at any time, from anywhere.

Featuring dual stage filtration that is capable of picking up small and large debris, the Astral QB800 is designed to run in all types of pools. Capable of expelling water very quickly, the QB800 is very easy to operate and remove from the water.

Heat Pumps

Discover the hidden gem of pool heating with our exclusive high quality heat pumps. Our Freedom heat pumps are highly efficient and fast heating. They provide constant water temperature and deliver ultra quiet operation.

The vertical exhaust TDI Ultra is the most practical solution for pool owners with space constraints. The innovative design, with 270° air intake, ensures the heat pump can be installed in almost any application; without compromising on performance or operating efficiency.

Acoustic Swimming Pool Pump & Filter Enclosures

The pool filter boxes are soundproof with a state-of-the-art unique design that can all be assembled in as little as 15 minutes - and without any nuts or bolts. Save money on running costs - a properly sound-proofed enclosure means that you can save money on electricity by turning on your equipment at night.

Made of Australian galvanized steel with a thick powdercoat finish. Thick acoustic foam and denser than other products on the market. Anti-corrosion and built to withstand the harshest weather conditions. Come in various colours.

Pool Fencing

Choose from a huge range of styles and colours. Aluminium and Glass fencing also available.

Pool Armour
Protection Technology
EXCLUSIVE TO FREEDOM POOLS

Pool Armour Protection Technology™ is the combination of 3 elements – Marble Tech™, Trans Tech™ and Flo Tech™. When these 3 technologies are combined, you get the very best quality pool available with lifetime structural and surface warranties. Pool Armour is unique to Freedom Pools.

Freedom Pools has developed a proven technology process that ensures the quality of your swimming pool and is guaranteed to provide you with a pool that will

look great from the first day and for many years into the future. All pools are manufactured to the highest level to Australian Standards AS/NZS 1838: 2021 which allows us to provide Lifetime Structural and Surface Warranties.

Our company grows by having thousands of satisfied customers who recommend and refer us to their friends and family. We can only achieve this by providing an outstanding product.

MARBLE Tech™

INTERIOR SURFACE PROTECTION TECHNOLOGY

The Marble pool finish is achieved by specially built equipment that provides a superior coating that is up to 30% thicker than a standard Gelcoat. This has proven to provide far better surface protection from Chlorine and chemicals over the years. It also assists in providing a superior Hydrophobic Barrier.

Marble Tech Gelcoat formulated specially for Freedom Pools that provides an attractive, luxurious and long lasting Marble Pool finish to the surface of your pool. The process contains significantly more colour pigments than shimmer-type gelcoats, which results in the increased protection from bleaching from over chlorination or incorrect water balance.

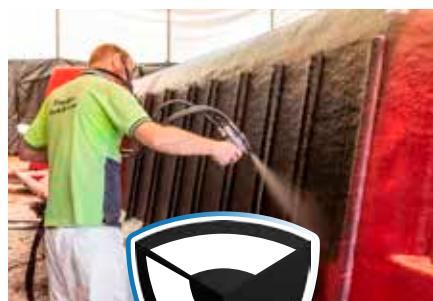

TRANS Tech™

CONSTRUCTION TECHNOLOGY FOR SURFACE PROTECTION

Construction technology including special translucent resins that is used in the whole lamination of your pool allowing us to roll out all the air from the pool lamination. This eliminates the risk of trapped air which can cause future blistering of the pool's interior.

GELCOATS

Freedom Pools uses the highest specification Gelcoats available for all pools manufactured. We DO NOT have any Gelcoat upgrades available as we use the top grade Gelcoat as standard on all of our pools which provides the maximum chemical resistant qualities.

FLO Tech™

EXTERIOR SURFACE PROTECTION TECHNOLOGY

The 'Flo Tech' protection system involves a specially formulated and chemically resistant 'Chem-Seal' coating. This coating is applied in a special process to the exterior of the pool. This extra coating provides a protective barrier against ground contaminants which can attack the pool from the outside and cause delamination of the pool shell.

'Flo Tech' technology also greatly assists in the curing process during the construction of your pool. This special 'Chem-Seal' coating is purposely coloured BLACK which assists in absorbing heat from the sun to achieve the very best curing of the pool which is vital to ensure a long lasting pool for many years of trouble free enjoyment. This process is unique to Freedom Pools.

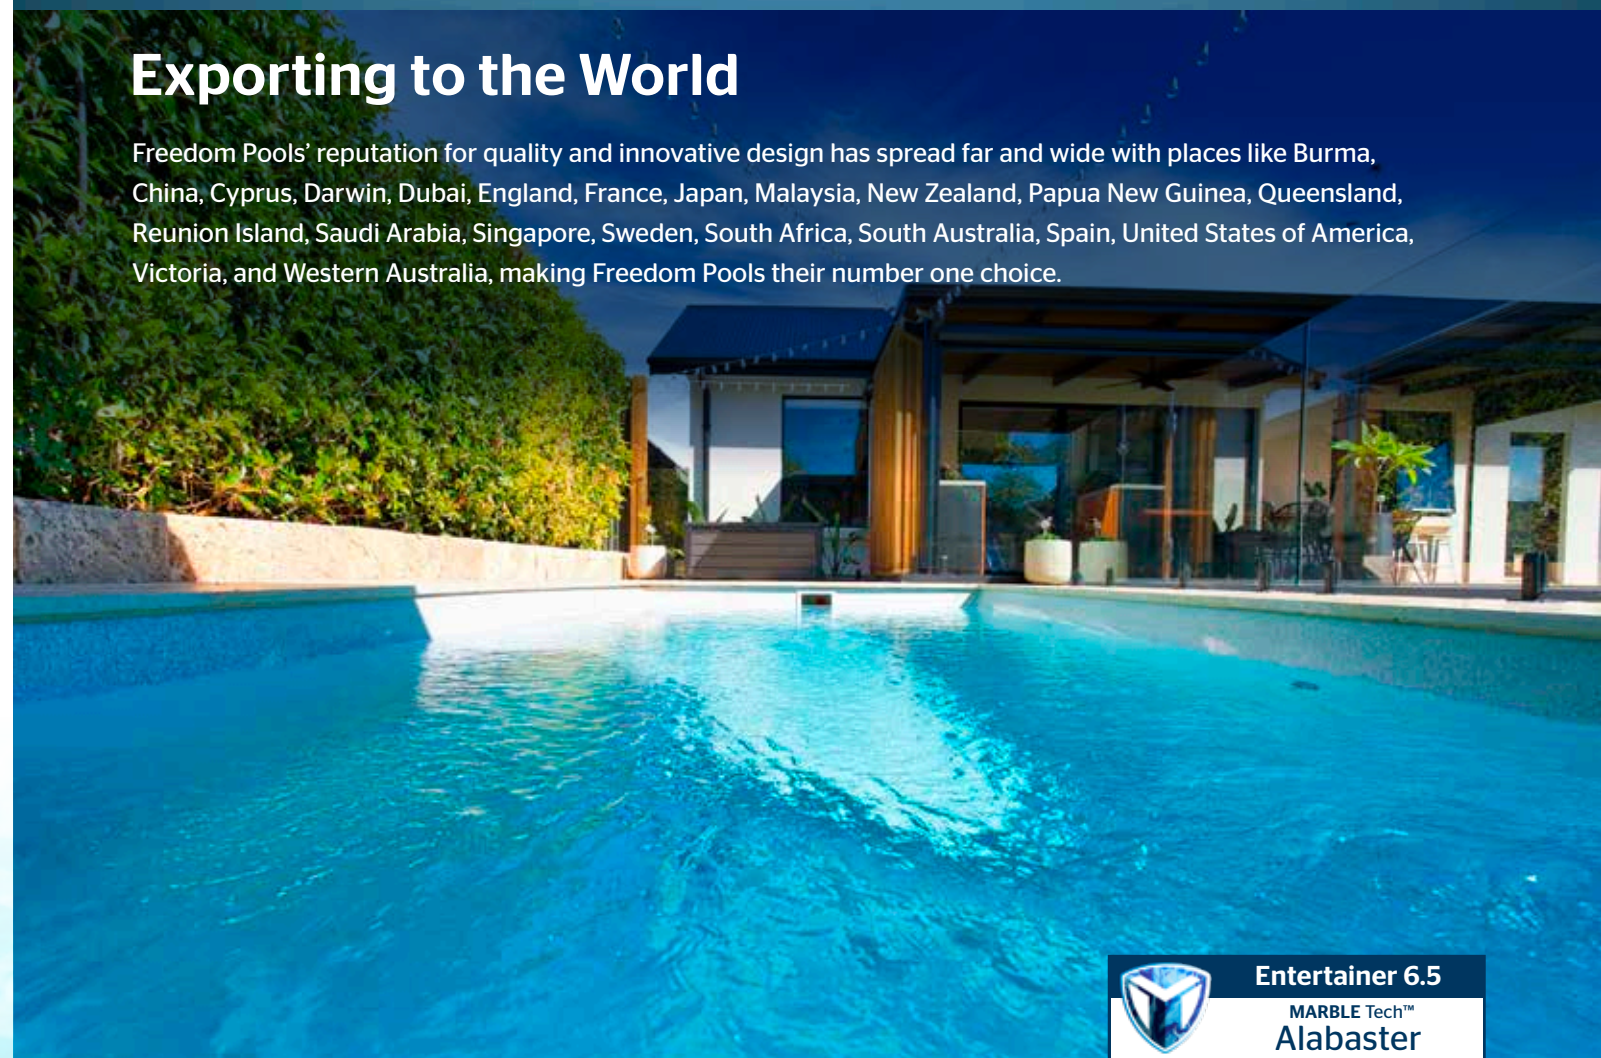

**WORLD
WIDE
EXPORT**

Exporting to the World

Freedom Pools' reputation for quality and innovative design has spread far and wide with places like Burma, China, Cyprus, Darwin, Dubai, England, France, Japan, Malaysia, New Zealand, Papua New Guinea, Queensland, Reunion Island, Saudi Arabia, Singapore, Sweden, South Africa, South Australia, Spain, United States of America, Victoria, and Western Australia, making Freedom Pools their number one choice.
