mineralSwim™
100% DEAD SEA MINERALS

Experience exceptional benefits of the Dead Sea in your own pool

For thousands of years, the Dead Sea has attracted visitors from around the world, searching to renew their skin's vitality and youthfulness with the mineral-rich deposits along its shores. The high mineral content, low concentration of pollens, allergens

and UV rays, plus high atmospheric pressure, make the Dead Sea an epicentre for health research and treatment. Now you can experience the wonderful benefits of the Dead Sea in your own pool with Maytronics Mineral Swim™ 100% Dead Sea Minerals.

Authentic magnesium-rich Dead Sea Minerals

- + Enhances pool water quality & clarity
- + Environmentally friendly pool sanitation solution
- + Helps ease muscle tension
- + Stimulates skin hydration & softens skin
- + Recreates a natural mineral pool that people have enjoyed for centuries
- + Detoxifies and regenerates the skin, boosting its natural defence system

When you make the switch to Mineral Swim™ Minerals, you can be confident that you and your family will experience the many benefits of naturally sourced Dead Sea magnesium-rich minerals, like clearer, softer and healthier pool water.

If you're not 100% satisfied*, Maytronics will provide two free health checks to ensure your pool is running at its best and your Mineral Swim™ Minerals are working their magic.

* 100% Satisfaction Guarantee claim must be lodged within 7 days of purchase at www.mineralswim.com/mineral-guarantee. Proof of purchase and a current water balance/test result will be required before two free health checks are provided.
