MESSAGE FROM THE PRESIDENT, CASEY DEPRIEST

Why I Show and Breed Dogs

I am often asked why I show and breed dogs. Why choose this often times wacky hobby? Is it for the money, ego, competition, searching for the next “show dog”? As I search for the answers to those questions I quickly and easily land on “Community”.

What is Community? It’s a social unit with commonalty, sharing a sense of place and fellowship, bonded by common interests, values and goals.

I am very blessed and proud to be a part of this wonderful canine (and more specifically BT) community. It’s what drives me to continue down this path. Not the wins, the ribbons, or the accolades. As they are all revered, they are no substitute for our community.

Being a breeder has allowed me a deeper connection to my community. I have been very fortunate to have traveled to many places and met many wonderful people, all as a result of my dogs and dog competitions. I wouldn’t change it for the world.

Many people think being a dog breeder is just about raising and selling puppies. Researching pedigrees, and health testing. Picking the right mate, and forecasting coat color, size and temperament. But it is so much more, or should be.

Sometimes unexpected things happen to us as breeders.....

MESSAGE FROM THE PRESIDENT, CASEY DEPRIEST

Why I Show and Breed Dogs, continued

What started as a puppy inquiry, turned into a friendship, and eventually into an end of life experience. It is with great sadness that I deliver the news that friend and club member Susan Harvey has passed away after a brief battle with brain cancer.

Susan loved to read, loved Pete (her Tilted Kilt Border Terrier), her cats and garden. She is survived by her daughter and husband Russell.

Susan and I talked about the future when she was faced with surgery. The hope was she would only need a temporary place for Pete while she recovered. Unfortunately, the news was not good, and she knew she would have to say goodbye to Pete.

As a breeder it is my responsibility to make sure all my puppies are looked after for their lifetime. We always take our puppies back and this was no exception.

I knew it would not be easy for Susan to let Pete go, so instead of me waiting until Susan was gone and taking custody of him, we chose to work together to find him a loving home. Susan was grateful to be a part of that process, and approve of his new home. My last visit with her she told me how much she appreciated that kindness and care of her beloved pet.

This is WHY I breed dogs. To be a part of such a compassionate community. To have an intimate connection to the people that touch my life through dogs. I hope everyone can see the value in our wacky dog sport, through all the ups and downs, wins and loses, and embrace it for all it has to offer us.

Looking forward to seeing everyone for a relaxing fun filled weekend.

GROOMING SURVEY RESULTS

There was one response and that was for a hands-on seminar to work on the harder areas such as the neck and ears.

RALLY FUN MATCH PICTURES

Our Rally Fun Match on April 29th at the Hoof N Woof Ranch Arena in Canby (Tim Carey and Kyle Karnosh's place) was very enjoyable and very well received! The day was full of practice, learning and friendship as 3 rings covering all levels of Rally were inside the arena. A success!

EDITOR'S NOTE: CONGRATULATIONS TO ALL!

What an active club we have! 3rd quarter is such a busy show season and dog sport season. I will try to recognize everyone for all of their accomplishments but I am sure to miss some and mis-represent others. If you would like to have any of your accomplishments added or corrected, please send me photos and information and I will update the newsletter.

I am new to the competitive dog world so any mistakes in titles or other listings are totally on me. It's a whole new language!

We have some pretty awesome dogs out there! The handlers are pretty remarkable too. Congratulations.
