as of _____, 2022

This GENERAL TERMS AGREEMENT (“Agreement”), dated as of _____, 2022 is entered into by and between Connecticut Specialty Events Company LLC (“CSEC”) and _____ . NOW THEREFORE: In consideration of the mutual covenants and terms contained in this agreement, Connecticut Specialty Events Company LLC, and _____ mutually agree as follows:

1. TERM

This General Terms Agreement shall serve as a binding contract between the parties. Appendix 1 contains all of each specific event’s pricing, date, time, location details and is hereby incorporated by reference;

2. PROPOSED ITEMS FOR SALE

For each event, vendors shall submit a list of items offered for sale at each event. Once such list has been accepted by CSEC, there will be no modifications made to such list without CSEC’s written permission (emails are acceptable). Any Vendor found in violation of this section, shall immediately cease the sale of items not authorized and may be asked to leave the event or not be allowed to return to future CSEC events and no refunds shall be provided.

Items for sale :

3 DAMAGE / CLEANINGNESS / FORGOTTEN ITEMS

CSEC requires that each Vendor leave their assigned space clean and without damage. If a Vendor leaves their assigned space unclean or with loose debris or damages any property of CSEC or the Venue (in CSEC or Venue’s sole discretion), a fine shall be assessed to the Vendor (again at CSEC or Venue’s sole discretion). In the event a vendor leaves any of the Vendor’s property at the event site, CSEC is not responsible, but at CSEC’s sole discretion,

may gather such property and store such property at the owners expense. All trash must be disposed of in provided cans.

CSEC shall not be liable for any damage to any Vendor's property, merchandise, or product, including but not limited to the Vendor's vehicles and/or tents etc.

4. APPEARANCE / SAFETY

CSEC requires that all Vendor's tables/tents are kept in a professional appearance and don't pose any type of risk to CSEC employees, the public, or anyone else. CSEC also expects all vendors to have their employees and representatives wear professional attire, be clean shaven, and well-groomed. CSEC also reserves the right to inspect any space for any offensive lettering, characters, or graphics that may offend a segment of the public. AT CSEC's request, any such graphic, lettering etc must be covered for the duration of the event. CSEC requires that all tents, awnings, or structures are safe to everyone at an event and must be adequately secured against strong winds and are made-of or treated-with a fire retardant. In the event CSEC observes an unsecured structure or tent, CSEC shall require such Vendor to properly secure the structure or tent or CSEC may require the Vendor to dismantle such structure or tent. CSEC also understands the need for loading and off-loading of supplies to Vendors, however, each day vehicles will not be allowed to be driven or stored within the confines (where the public can walk) of the event. CSEC also recommends, for the comfort of the paying public and fellow vendors, that all generators are noise restricted, ie Honda EU-series ultra-quiet generators. In the event a vendor uses an unreasonably loud generator, CSEC reserves the right to ban the use of such generator (or other unreasonably loud equipment)

5. OFFENSIVE BEHAVIOR

An absolute priority for each of CSEC's events is to provide a safe and welcoming environment for Vendors, CSEC's employees and for the general public. Any exchange of challenging or offensive words spoken by a Vendor or its employees/representatives may result in the immediate expulsion of the employee/representative or the Vendor's vehicle from the event. Such decision shall be made solely by CSEC management. Any physical exchange involving a Vendor or its employees/representatives shall result in the immediate expulsion of the Vendor and his/her staff and vehicle.

6. LICENSING

Each Food Vendor ("Food Vendor") is required to obtain proper licensing by the appropriate Health department if required. Each Food Vendor is expected to operate in a manner that passes health inspection.

Each cosmetic vendor is required to be licensed by the department of consumer protection. A copy of their physical license must be forwarded to CSEC. Failure to be licensed by the DCP or failure to forward your license to CSEC in the above allotted time frame will result in forfeiture of vendor fees and inability to participate in the expo.

Such COI must be submitted no later than 30 days prior to each event. The minimum coverage for such insurance is One Million Dollars (\$1,000,000) per event. Each Vendor agrees that the required general liability insurance shall be in effect at all times as required herein. In the event that the Vendor fails to keep in-effect at all times insurance coverage as required, CSEC may, in addition to any other remedies it may

have by law, take the following actions: 1. Declare a material breach by the Vendor and terminate the Vendor's license to participate in the event, 2. Obtain such insurance coverage and add the costs to the amounts due from the Vendor under this agreement or deduct such costs from any sums due or which become due to the Vendor under the terms of the license. All new certificates of insurance are subject to approval of CSEC and the Vendor.

(This is not required for non food vendors)
