From the Pres...

I am excited to have
another spring coming
upon us and looking
forward to our
community activities.
The board met in
November, and
prioritized a list of
community
improvements and
activities for this spring
and summer. Activities
such as the BBQ and
Garage sale, and
various work projects
to improve our
common areas are all
on the slate.

Having the budget and
priorities is not enough
however. If you are
interested in helping
improve our
community, we would
love to discuss the open
~cont on the flip side~

cont Pres letter...

board positions we have with you. If you cannot commit to a regular cadence of coming to monthly meetings, that's ok, we need help with various community projects that may only be a couple of hours on a Saturday morning. Helping us repair the benches in the park, helping us deliver newsletters, etc. Are you artistic, or crafty? Do you make cookies (I'm a fan of cookies), you can probably help us with the 'welcoming committee, for new homeowners. Do you know all of the people on your block? Or maybe helping out as a neighborhood watch leader?

I would love to see more of the faces around our neighborhood in a more frequent fashion, and get to know our community better. If you would like to help out the community, please reach out to me, or simply come to any of the monthly meetings. These are always open to all homeowners.

Thank you, I hope to see you soon.

President
