
**Exhibition Poultry Association
Secretary's Report for the Year Ending 30 June 2025**

It is with pleasure that I present the Secretary's Report for the Exhibition Poultry Association for the year ending 30 June 2025.

This past year has once again highlighted the strength of our community and the ongoing enthusiasm for exhibition poultry across New South Wales. Committee and member engagement has been steady, and despite challenges faced by individuals and clubs alike, our Association has continued to grow.

Throughout the year, the Association has received and dealt with regular correspondence relating to club activities, membership, and show matters. Of particular significance was correspondence concerning new club memberships. I am very pleased to formally welcome the **Picton Poultry Club** and the **Cessnock All Breeds Club** into the Association. Their affiliation not only strengthens our network but also broadens representation of poultry fanciers within our community.

We are also delighted to note and record the **renewal of membership of the Indian Game Club of NSW**. Their ongoing support and active participation remain greatly valued, and their return is a welcome confirmation of the Association's positive direction.

During the year we farewelled **Mr Dylan Summerell** from the position of Judges Registrar. I wish to place on record the Association's appreciation and thanks to Dylan for the time, energy, and dedication he gave in fulfilling this important role. His contribution has been valued by the committee and members.

Following Dylan's resignation, we were fortunate to have **Mr Guy Wailes** step forward to take on the Judges Registrar role. On behalf of the committee, I extend our thanks to Guy for taking on these duties and for his willingness to assist the Association in this capacity.

On a personal note, I wish to extend my sincere thanks to my fellow committee members for their support, reliability, and dedication throughout the year. Your collective contribution has helped ensure the smooth running of the Association.

In particular, I wish to acknowledge and thank **Danny**. When my father passed away in January, Danny shouldered much of the Secretary's work during that difficult time. His effort, understanding, and willingness to help did not go unnoticed and will always be remembered with gratitude.

In closing, I believe the Association is in a strong position moving forward. We have welcomed new clubs, renewed ties with an established club, and maintained an enthusiastic, supportive community that is the foundation of our success. I look forward to the year ahead and encourage all members and clubs to continue working together to further strengthen our great Association.

Respectfully submitted,
Heidi Fagan
