

NORTH STAR
WINDOWS & DOORS

Proudly Made in Canada.

Project by Banman Developments
Arkona, Ontario

Engineered for Canada, Trusted Everywhere.

At North Star Windows & Doors, our story is proudly Canadian—and always has been. For over 40 years, we've been manufacturing high-performance windows and doors right here at home, in Ontario, for homes and climates across the country.

Our commitment to Canadian-made quality means more than just where our products come from—it defines how we build, who we serve, and why we do what we do.

Banman Developments has been using North Star Windows & Doors in our new homes for over 30 years. We continue to appreciate the short lead times, fair prices, quality product, and top notch customer service. Keep up the good work.

Windows made with you in mind.

1

ULTRASTAR™ REINFORCEMENTS

Our casement and awning profiles are made with an advanced co-extruded reinforcement that delivers the stiffness, strength & stability you've come to expect of a high-performance window. The first of its kind in North America.

2

YEAR-ROUND COMFORT

Customize your windows and patio doors to meet or exceed ENERGY STAR® requirements from coast to coast. Our products ensure optimal insulation in any climate.

3

FUSION COLOUR WRAP™

Our coloured windows and patio doors feature a highly durable multi-layered film that is extremely resistant to abrasions, fading and environmental pollutants.

4

ENDLESS CUSTOMIZATIONS

Achieve endless possibilities—whether it's through our vast selection of styles, finishes, glass options, or hardware, every detail is designed to meet your unique vision and enhance your home's beauty and performance.

5

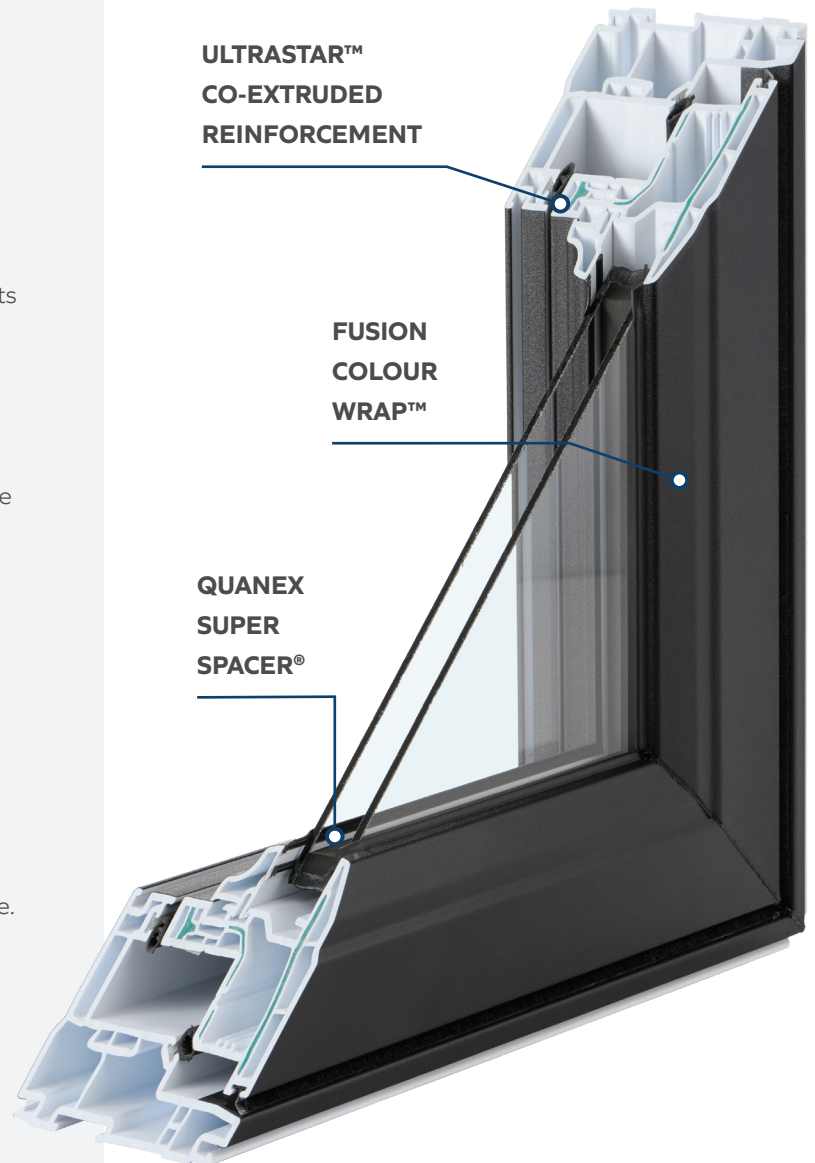

TESTED AND CERTIFIED

Our products are tested and certified by ENERGY STAR® and comply with American Architectural Manufacturers Association (AAMA) and CSA standards.

6

TRANSFERABLE LIFETIME WARRANTY

Whether you're the first or a subsequent homeowner, our commitment to product performance and durability remains with our competitive transferable lifetime warranty.

All North Star Series 1000 vinyl windows and patio doors are certified under **ENERGY STAR®** in Canada and the United States.
