

Use CIRCLES to Communicate

1

Download the App

The Gospel Living App looks like this:

2

Link Your Account

Open the app and tap “start exploring”. Go to the “profile” tab (bottom right). Login with your church account username and password. Enable push notifications when prompted.

3

Access Your Circles

Tap the Circles Icon at the bottom. Your groups (or “Circles”) are automatically created based on callings and ward records.

4

Use Messaging

Open a circle. You can now type text, paste URLs, or add photos. Tap the blue arrow to send your message to everyone in the Circle.
