We are happy to help.

Payment for goods and services are due at the time arrangements are made and before final disposition takes place. We accept cash, check, Venmo, or credit card.

The following are disclosures required by the Cemetery and Funeral Bureau:

Prior to drafting any contract for goods or services, the responsible party of the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-need agreement in the possession of the funeral establishment that has been signed and paid for, in full or part, by or on behalf of the decedent.

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement, such as direct cremation or immediate burial, that does not require you to pay for it.
