Each owner shall use their apartment as a private dwelling for himself or herself and his or her immediate family, and for no other purpose including business purposes. Therefore, the leasing of apartments to others as a regular practice for business, speculative investment, or other similar purposes is not permitted. To meet special situations and to avoid undue hardship or practical difficulties the Board of Directors may grant permission to an owner to lease his or her apartment one time to a specified lessee for a period of four or six consecutive months. All present tenants with yearly lease shall remain till such lease expires.
