# INDIVIDUALIZED HORSEMANSHIP CLINIC SERIES

LMW~HORSEMANSHIP

## This clinic is for YOU!

This clinic series will be focused on your individual goals! Bring your horse and together we will fix bad habits, get better control, improve on the fundamentals of horsemanship and gain confidence with your horse! Know what to do in every situation and keep yourself safe!

## What you'll learn~

### Directional Control

No more leaking at the gate! Learn how to create straight lines and develop a great circle without leaking or diving.

### Emotional Control

Learn to build confidence in you and your horse! Teach your horse to spook in place! Learn what to do when your horse gets anxious

### Speed Control

Pick exactly what speed you want to go and stay there! At the trot and the lope have better transitions and no more rushing

**UNDERSTAND** how a horse thinks and subsequently learns

Develop the **LEADERSHIP** qualities you need to build a stronger **RELATIONSHIP** with your horse.

Develop **BETTER COMMUNICATION** skills that your horse can understand

**GROUND MANNERS:** Get your horse to stand still while grooming, saddling and getting on.
