In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

2. CHARACTERISTIC SPIRIT AND GENERAL OBJECTIVES OF THE SCHOOL

St. Mary's is a Catholic co-educational primary school with a Catholic ethos. The Bishop of Kildare & Leighlin is the Patron of this school.

'Catholic schools are communities which are open, welcoming and inclusive. Therefore, Catholic schools may include children who adhere to other religions or other stances for living. While mindful of their duty to educate in the distinctive beliefs, values, and practices of the Catholic community, teachers will bear witness to an attitude of respect for and appreciation of all'.

'The Catholic Preschool & Primary Religious Education Curriculum p15'

Catholic Ethos' in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and
- a living relationship with God and with other people; and
- a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and the formation of the pupils in the Catholic faith,
- and which school provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of St Mary's PS Edenderry shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

School Ethos

St. Mary's is a Catholic Primary School under the patronage of the Bishop of Kildare and Leighlin. We have a long and rich tradition dating back to 1904 when the St. John of God Sisters travelled to Edenderry at the request of the Bishop of the time to provide education for the children of the parish. While St. Mary's is a school with a Catholic ethos, it has due recognition for pupils of other faiths or no faith. In St. Mary's we seek to activate and energise the seeds of potential in our pupils.

We, in St. Mary's School, see ourselves as attempting to cater for the total development of each individual child; spiritually, emotionally, intellectually, socially and physically, in an atmosphere of Christian love, acceptance, trust and compassion.

And so we aim to:

Create in our pupils a sense of wonder and awe at the presence of God in themselves, others and the world around them, which will find expression in formal and informal prayer and in class and school liturgies.

Foster in them an appreciation and awareness of themselves as persons and a corresponding respect and appreciation of others and their property.

Providing a school environment where individual talents, imagination, creativity, initiative and independence can blossom.

Give a solid foundation in all areas of the curriculum, so that the pupils leave our school, not only with an adequate grasp of literacy and numeracy, but also with a love of learning, an esteem for our Irish culture and heritage, a concern for the environment and equipped with skills to make productive use of their leisure time.

As partners with parents, in the education of their children, we wish to make every effort to forge strong home - school links and through these to help parents with the challenging tasks of rearing their children and handing on the faith to them.

As part of the total parish community we welcome any opportunity to become involved in the life of the parish and seek the active interest of the clergy in the life of the school.

We desire, as far as possible, to work in co-operation and co-ordination with the staff and pupils of the other schools in the parish for the overall benefit of the young people of Edenderry.

Schools with special education class(es)

St. Mary's Primary school will cooperate with the NCSE in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 in relation to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council. St. Mary's Primary School will comply with any direction served on the board or the patron under section 37A and 67(4)(b) of the Education Act.

St. Mary's does not have a primary school age special class. However, St. Mary's has established 2 Early Intervention Pre- School classes, with the approval of the Minister for Education and Skills, which provide an education exclusively for students with a category or categories of special educational needs specified by the Minister and may refuse to admit to the class a student who does not have the category of needs specified.

4. CATEGORIES OF SPECIAL EDUCATIONAL NEEDS CATERED FOR IN THE SCHOOL/SPECIAL CLASS

St. Mary's does not have a primary school age special class. However, St. Mary's has established 2 Early Intervention Pre- School classes, with the approval of the Minister for Education and Skills, which provide an education exclusively for students with a category or categories of special educational needs specified by the Minister (a diagnosis of Autism as per D.S.M.IV & V or I.C.D.10) and may refuse to admit to the class a student who does not have the category of needs specified.

These classes shall be referred to as the 'Réaltaí Beaga' classes from here on in this document.

The 'Réaltaí Beaga' classes attached to St. Mary's Primary provide an education exclusively for students with Autism and the school may refuse admission to these classes, where the student concerned does not have a recent report confirming that s/he has been diagnosed as having the specified category of special educational needs provided for in these classes.

In the case of the 'Réaltaí Beaga' classes, a diagnosis of ASD that meets D.S.M. IV & V or I.C.D. 10 criteria by a clinical psychiatrist/psychologist/multi-disciplinary team is required.

In addition to this, a recommendation that the student should be placed within an ASD class attached to a mainstream school is also required.

The complex needs of the student must be outlined in the report.

The child must be between the age of three and five years upon enrolment/ admission. A child who turns six during the academic school year should not be in a preschool setting and therefore will not be considered for enrolment/admission in our Pre-school.

A child may normally be enrolled in the Pre-school for either one or two academic school year(s). The option of a third year in the pre-school / 'Réaltaí Beaga' is possible once the child is age appropriate. Following this period they should advance to their local mainstream school or to an ASD class attached to a mainstream school.
