

NMSNA ANNUAL CONFERENCE
JUNE 12, 13, & 14, 2023
RUIDOSO CONVENTION CENTER

School nurses continue to have an ever-expanding role in our schools and communities. Keeping up with best practices and evidence-based nursing practice is a monumental task for each of us. The NMSNA continues to be the leader in providing current and accurate continuing education for our colleagues. This conference serves as the primary source of continuing education for school nurses across the state.

Please consider sponsorship of one or more of our conference activities. Your company name will be included in our conference program and we will have designated breakouts for our participants to spend time with you. We thank you in advance for your continuing support of NMSNA, and hope to see you at our conference.
