

Request for proposal **#834/27223**

TO: ALL PROSPECTIVE OFFERORS  
FROM: USF DM NEGOTIATIONS OPERATOR  
SUBJECT: REQUEST FOR PROPOSAL #834/27223 - THREE DEEP SPACE  
SCIENTIFIC MISSIONS INVOLVING HUMANS

The United Space Forces is pleased to invite proposals from qualified offerors for the products and services as described below:

**A. Scope of Work:**

The United Space Forces is seeking proposals for the creation of a project or company that will convert the idea of biopod to a verb. The biopod concept has significant potential, but the current implementations by Interstellar Labs and similar providers require substantial improvements. The United Space Forces is committed to investing research results into the project.

**B. Details:**

Qualified offerors will be provided with additional details related to the project.

**C. Funding:**

Private funding will be provided for the project.

**D. Negotiations Operator:**

Negotiations will be handled by Space Cluster Serbia for New Space Agency Priboj with the following registration number: MB: 21883905.

**E. Negotiations Venue:**

Negotiations will take place as per agreement with each offeror.

**F. Communications:**

All inquiries and requests for the communications link key should be submitted to the negotiation room: <https://t.me/+pR09Lyd91oxiMzU6>

**G. Proposal Deadline:**

Proposals must be submitted no later than March 27, 2023, to the USF DM Negotiations Operator.

Any proposal submitted after the deadline will not be considered. The United Space Forces reserves the right to reject any or all proposals submitted.

RFP Issued: February 27, 2023
