Rules Enforcement Procedure and

**Administration Resolution #2018-02, Replaces #2013-5
Amended 04/13/18**

Origination Date: April 1, 2013

WHEREAS, Article IV, Section 1 of the By-Laws governing Legacy at Odessa National Southernness Maintenance Corporation provides for a Board of Directors which shall manage the business, operations and affairs of the property, and

WHEREAS, Article VI, Section 1 of the Legacy at Odessa National Maintenance Corporation By-Laws gives the Board of Directors power to adopt and publish rules and regulations governing the use of their common properties and facilities and personal conduct of the members and their guests and to establish penalties for infractions; and

WHEREAS, the Board of Directors wishes to clearly define the procedure it shall utilize to enforce the provisions of the governing documents:

BE IT THEREFORE RESOLVED that effective June 1, 2018, these procedures shall be followed:

1. Owner Responsibility: Each unit owner is a member of the corporation and is responsible for complying with the governing documents and rules including the Legacy Declarations; Odessa National Declarations, Deeds and Restrictions; Amended By-Laws; and Resolutions. Additionally, owners are responsible for ensuring their tenants, invitees, guests and lot occupants comply. Any fines or discipline imposed for violations or non-compliance will be imposed against the owner.
2. Egregious Violations: Violations posing a threat to the health, safety, and/or welfare of the community as a whole or any one or more other owners, may require immediate action and thus create exceptions to the subsequent notice provisions. Examples of health, safety, and welfare violations include, but are not limited to, the following: accumulation of trash and/or other materials that may attract pests; threat of flood or fire damage to neighboring properties; an escaped pet; or a collapsed structure or tree blocking the road.
3. Complaints: Any owner within the community may send to the Board or the management company a formal, written complaint via electronic mail or regular mail of

a violation with as much information as is known. Complaints may also be initiated by the community manager or any Board member. The Board shall have no obligation to consider oral complaints or anonymous complaints. The Board shall have the authority to determine whether a complaint is justified before continuing with the process.

4. Warning Notice: Upon verification of the violation, the community manager shall give a written warning notice to the owner requesting voluntary compliance. All warning notices shall be delivered by regular or certified US mail to the owner's address of record. The warning notice shall:
 - a) Contain a description of the violation and identify the governing document provision that has been violated;
 - b) If applicable, describe the corrective action(s) that must be taken to resolve the violation with a deadline for doing such;
 - c) If applicable, list any reimbursement costs the corporation has incurred to correct the violation and the deadline for repayment; and
 - d) Describe the intended or possible sanction(s), which shall be reasonably determined in the sole discretion of the Board.
5. Notice of Disciplinary Action (Second Notice): If the violation is not corrected after the warning notice deadline, or continues or is repeated, or if applicable costs incurred to remedy the violation have not been recompensed, the community manager shall give a written notice of disciplinary action to the owner. The disciplinary action notice may contain one or more actions if the Board determines that an owner, or their tenant, invitee, guest, or occupant has committed a violation of a particular governing document. The disciplinary action notice shall be delivered by regular or certified US mail to the owner's address of record. The disciplinary action notice may include:
 - a) Imposition of fines in accordance with the current schedule of fines.
 - b) Suspension of privileges to use the recreational facilities such as the swimming pool, clubhouse access, or tennis court.
 - c) Notice that additional legal action could be implemented.

In the case of continuing violations, such as uninterrupted architectural violations or failure to properly store a trash receptacle, the Board may impose daily fines until the violation is remedied.

Repeated or subsequent violations within one (1) year, such as parking violations, shall not constitute a continuing violation, but rather shall be a separate violation for each occurrence, and disciplinary action and fines may be imposed for each and every separate violation.

6. Request for Hearing after Disciplinary Action Notice: If an owner desires a hearing to challenge or contest any alleged violation and fine, or to discuss any mitigating circumstance, the owner must request such a hearing, in writing, within ten (10) days of the disciplinary action notice. The request for hearing shall describe the grounds

and basis for challenging the alleged violations or the mitigating circumstances. The request form is attached to this resolution.

7. Hearing: The Board shall conduct the hearing pursuant to the procedures set forth herein. The Board will schedule the hearing within ten (10) days of the receipt of the request. The Board may grant continuances for good cause. The hearing will be confidential between the Board and the owner. The Board president or acting president shall establish a quorum, explain the rules, procedures, and guidelines by which the hearing shall be conducted, and shall introduce the case before the Board. The Board shall have the exclusive power and authority to determine whether a violation exists and impose disciplinary action.
8. Notice of Board's Decision / Effective Date of Sanction: After testimony and evidence have been presented to the Board at a hearing, the Board shall render its written findings and decision, and impose a fine, in accordance with the current schedule of fines, if applicable, within fifteen (15) days after the hearing or as soon as reasonably possible. A suspension, fine or reimbursement charge shall be effective no sooner than five (5) days after the Board's decision.
9. Right to Appeal: If an owner believes that any enforcement action(s) is selective or arbitrary, then the owner as its sole and exclusive remedy and at their own expense, may submit the dispute to final and binding arbitration in accordance with the provisions of the Delaware Uniform Arbitration Act and the rules of the American Arbitration Association. The owner shall be responsible for all costs of the arbitration and any legal fees and costs incurred by the Board in the arbitration.
10. Schedule of Fines: The schedule of fines adopted by the Board is attached to this procedure.
11. Payment of Fines: Fines are due when imposed and are deemed delinquent if not paid within fifteen (15) days after they are due. Unpaid fines are collectible in the same manner as unpaid monthly assessments and may result ultimately in a lien on an owner's unit and possibly foreclosure. Owners will be responsible for late fees and interest on fines not paid when due, following the same manner as unpaid monthly assessments.
12. Legal Actions and Costs: The Board may, among other things, initiate legal proceedings to enjoin any further violation, to collect any unpaid fines, to collect attorney's fees and costs, and to seek any other relief that may be appropriate. Fines may continue to be assessed and levied during the pendency of such legal proceedings. All associated costs shall be billed to the owner and collected in the same manner as assessments.
13. Failure to Enforce: Failure of the Board to enforce the governing documents will not be deemed a waiver of the right to do so for any subsequent violations or of the right to enforce any of the above referenced governing documents.
14. Federal, State, or Local Laws: Violations of federal, state, or local laws are not considered violations of the governing documents and the Board shall not enforce

such violations of law. Any resident may contact the appropriate authorities to report a violation of law.
